All other documents subsequently filed by the Company, the Assurant, Inc. 401(k) Plan pursuant to Section 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment to this Registration Statement that indicates that all securities offered have been sold or that deregisters all securities that remain unsold, shall be deemed to be incorporated by reference herein and to be part hereof from the date of filing of such documents.

Item 4. Description of Securities.

This registration statement covers (i) shares of the Company's Common Stock that have been registered under Section 12 of the Exchange Act, (ii) deferred compensation obligations that may be issued under the Assurant, Inc. Investment Plan, and (iii) an indeterminate amount of plan interests to be offered or sold pursuant to the Assurant, Inc. 401(k) Plan.

The following summary of the deferred compensation obligations that may be issued under the Assurant, Inc. Investment Plan (the Investment Plan) is qualified in its entirety by reference to the Investment Plan, a copy of which has been filed as an exhibit to this registration statement.

The Investment Plan provides eligible employees and directors with the opportunity to defer a portion of their compensation by exchanging compensation for options (which represent deferred compensation obligations of the Company) to make a deemed investment in one or more mutual funds designated by the Company. Options are fully vested and exercisable when issued. Upon exercise of an option, a participant receives an amount equal to the difference between the fair market value of the underlying mutual fund shares on the date of exercise and the exercise price, less applicable withholding amounts.

The Company's obligations under the Investment Plan are contractual in nature and represent the Company's unsecured general obligations to pay deferred compensation in the future in accordance with the terms of the Investment Plan. The Investment Plan is unfunded, and participants and their beneficiaries have no right, title, or interest in the benefits deferred under the Plan or any claim against such benefits. The Company will not segregate any funds or assets for deferred benefits or issue any notes or security for the payment of any deferred benefits.

Options granted under the Investment Plan may not be sold, transferred, encumbered, hypothecated or otherwise assigned by a participant other than by will or the laws of descent and distribution. Options shall not be subject, in whole or in part, to the debts, contracts, liabilities, or torts of participants, and shall not be subject to garnishment, attachment, execution, levy or other legal or equitable process.

Item 5. Interests of Named Experts and Counsel. Not Applicable.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (the DGCL) provides, in summary, that directors and officers of Delaware corporations are entitled, under certain circumstances, to be indemnified against all expenses and liabilities (including attorneys' fees) incurred by them as a result of suits brought against them in their capacity as a director or officer, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the Company's best interests, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful; provided that no indemnification may be made against expenses in respect of any claim, issue or matter as to which they shall have been adjudged to be liable to the Company, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Any such indemnification may be made by the Company only as authorized in each specific case upon a determination by the stockholders, disinterested directors or independent legal counsel that indemnification is proper because the indemnitee has met the applicable standard of conduct.

The Company's certificate of incorporation and by-laws provide that the Company will indemnify its directors and officers to the fullest extent permitted by law and that no director shall be liable for monetary

damages to the Company or the stockholders for any breach of fiduciary duty, except to the extent provided by applicable law.

The Company currently maintains liability insurance for its directors and officers.

Item 7. Exemption from Registration Claimed. Not Applicable.

Item 8. Exhibits

See Exhibit Index, which is incorporated here by reference.

Item 9. Undertakings

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Company pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities being offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Company hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
