Section 2 - Financial Information

Item 2.02 Results of Operations and Financial Condition.

On February 15, 2005, the Registrant issued a press release announcing (1) a change to its previously announced fourth quarter and full year 2004 earnings and (2) as described in Item 4.02, that it had amended its Annual Report on Form 10-K for its fiscal year ended January 3, 2004 and its Quarterly Reports on Form 10-Q for the fiscal quarters ended April 3, July 3 and October 2, 2004 to correct an error in the consolidated statements of cash flows related to the classification of cash flows generated in connection with its previously disposed of domestic credit card portfolio.

The press release is attached hereto as Exhibit 99.1.

Section 4 - Matters Related to Accountants and Financial Statements

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On February 10, 2005, the Registrant's management, in consultation with the Chairman of the Registrant's Audit Committee, concluded that the previously issued consolidated statements of cash flows of the Registrant for the fiscal years ended January 3, 2004, December 28, 2002 and December 29, 2001 and for the fiscal quarters ended March 29, June 28 and September 27, 2003 contained an error related to the classification of cash flows generated in connection with the Registrant's previously disposed of domestic credit card portfolio and, for that reason, should no longer be relied upon. Registrant has filed amendments to its Annual Report on Form 10-K for its fiscal year ended January 3, 2004 and to its Quarterly Reports on Form 10-Q for the fiscal quarters ended April 3, July 3 and October 2, 2004 to restate its consolidated statements of cash flows contained in those reports.

In conjunction with its review of the registration statement on Form S-4 of Sears Holdings Corporation, the Securities and Exchange Commission (the "SEC") reviewed the Registrant's Annual Report on Form 10-K for the fiscal year ended January 3, 2004. As a result of the SEC's review, it has been determined that the Registrant incorrectly classified cash flows generated in connection with its previously disposed of domestic credit card portfolio in the consolidated statements of cash flows.

The Registrant's domestic credit card receivable portfolio, which was disposed of in November 2003, consisted primarily of the proprietary Sears Card and Sears Gold MasterCard (MasterCard). Historically, the Registrant presented the cash flows generated from both the Sears Card and MasterCard as cash flows from operating activities in the consolidated statements of cash flows. The Registrant has now concluded that the cash flows from the MasterCard credit card balances should be presented as cash flows from investing activities within the

consolidated statements of cash flows due to the fact that the loans generated were predominately related to activities external to Sears merchandise and services.

The authorized officers of the Registrant and the Chairman of the Registrant's Audit Committee reviewed the foregoing matters with Deloitte & Touche, LLP, the Registrant's independent registered public accounting firm.
