ITEM 4. DESCRIPTION OF SECURITIES

Under the New England Financial California Top Producer Incentive Compensation Plan (the "Plan"), the Company will credit deferred compensation to the account of eligible participants in an amount equal to a percentage of certain commissions, as determined by the Plan Administrator in its sole discretion. The Plan Administrator may determine the eligible participants to whom amounts are to be credited from among those persons having certain business relationships with New England Life Insurance Company who reside in or have their regular business addresses in California, with reference to satisfaction of certain sales production criteria, among other factors, or otherwise in its sole discretion. The Plan Administrator may credit such amounts on a basis other than such commissions if it finds it impractical, inconvenient, or contrary to the interest of any affiliate of the Company to utilize such commissions formula.

Compensation deferred under the Plan generally vests, in whole or in part, upon the participant's satisfaction of certain performance criteria in any three of the five calendar years beginning with the calendar year in which the deferred compensation was credited, provided the participant remains continuously an agent, managing partner or control group agent or control group member, all as provided in the Plan, through the earlier of April 1 of the fifth calendar year after the year deferred compensation was credited or the date of participant's retirement. All compensation deferred under the Plan, whether vested or not, is automatically forfeited by the participant in the event of termination of the participant's agency relationship with New England Life

Edgar Filing: METLIFE INC - Form S-8

Insurance Company or any affiliate for breach of the participant's duties or similar reasons as determined by the Plan Administrator. Neither the Plan Administrator nor the Company nor any of its affiliates has any obligation to seek a refund of any employment taxes withheld for deferred amounts that have been forfeited.

The obligations of the Company under the Plan (the "Obligations") will be unsecured general obligations of the Company to pay the deferred amounts in the future in accordance with the terms of the Plan, and will rank equal in right of payment to other unsecured and unsubordinated indebtedness of the Company from time to time outstanding.

The Plan is administered by a Plan Administrator. The Plan Administrator may amend, suspend or terminate the Plan at any time, except that no such amendment, suspension or termination shall reduce the amount of the deferred accounts of a Participant as of the date of such amendment, suspension or termination.

The Obligations are not convertible into another security of the Company. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Company. No trustee has been appointed having the authority to take action with respect to the Obligations and each Participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any requests for consents, waivers or amendments pertaining to the Obligations, enforcing covenants and taking action upon default.

1

Each Obligation will be payable in a single lump sum on the first date after the first month following the later of the participant reaching age 65 or the vesting of the deferred compensation. If the Plan Administrator offers the participant the opportunity to elect and the participant so elects in accordance with certain legal criteria, the deferred compensation shall be payable beginning on the first day of the month following the participant reaching age 70 and in the number of annual payments, up to 10, elected by the participant. The Obligations will be denominated and be payable in United States dollars.

A participant's right or the right of any other person to the Obligations cannot be assigned, alienated, sold, garnished, transferred, pledged, or encumbered except by a written designation of a beneficiary under the Plan, by written will, or by the laws of descent and distribution. Payments due after the death of the participant are made to the beneficiary designated by the participant under the Plan, or if there has been no designation, to the participant's estate.

The value of a participant's deferred compensation account will generally be adjusted to reflect the simulated investment performance of the MetLife SIP Fixed Income Fund and/or one or more securities or other savings or investment vehicle used as a reference for that purpose under the Plan (the "Investment Tracking Funds") selected by the participant for such purpose. The simulated investment performance will be on a total return basis, giving effect to increases or decreases in value of the selected Investment Tracking Funds plus dividends, if any, on a reinvested basis, as if the deferred compensation had actually been invested in that Investment Tracking Fund.

The primary source of the Company's liquidity is dividends it receives from its insurance subsidiaries. The Company's insurance subsidiaries are subject to regulatory restrictions on the payment of dividends imposed by the regulators of their respective domiciles. The dividend limitation for U.S. insurance subsidiaries is based on the surplus to policyholders as of the

Edgar Filing: METLIFE INC - Form S-8

immediately preceding calendar year and statutory net gain from operations for the immediately preceding calendar year. Statutory accounting practices, as prescribed by insurance regulators of various states in which the Company conducts business, differ in certain respects from accounting principles used in financial statements prepared in conformity with GAAP. The significant differences relate to the treatment of deferred policy acquisition costs, certain deferred income taxes, required investment reserves, reserve calculation assumptions, goodwill and surplus notes.

The maximum amount of dividends which can be paid to the Company by subsidiaries Metropolitan Life, MetLife Insurance Company of Connecticut ("MICC", formerly The Travelers Insurance Company), Metropolitan Property and Casualty Insurance Company and Metropolitan Tower Life Insurance Company ("MTL"), in 2006, without prior regulatory approval, is \$863 million, \$0 million, \$178 million and \$85 million, respectively. In the third quarter of 2006, after receiving regulatory approval from the Connecticut Commissioner of Insurance, MICC paid a \$917 million dividend to the Company. MetLife Mexico S.A. also paid \$116 million in dividends to the Company. During the nine months ended September 30, 2006, no other subsidiaries paid dividends to the Company. During the fourth quarter, the Company's subsidiary, MTL, closed on the sale of Peter Cooper Village and Stuyvesant Town properties located in Manhattan, New York. A portion of such proceeds, approximately \$2.3 billion, was dividended to the Company for general corporate uses.

Liquidity is also provided by a variety of both short-term and long-term instruments, commercial paper, medium- and long-term debt, capital securities and stockholders' equity. The diversity of the Company's funding sources enhances funding flexibility and limits dependence on any one source of funds and generally lowers the cost of funds. Other sources of the Company's liquidity include programs for short- and long-term borrowing, as needed.

The Company is subject to risk-based and leverage capital guidelines issued by the federal banking regulatory agencies for banks and financial holding companies. The federal banking regulatory agencies are required by law to take specific prompt corrective actions with respect to institutions that do not meet minimum capital standards.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

The validity of the Obligations will be passed upon for the Company by Richard S. Collins, Esq., Chief Counsel - General Corporate of the Company. Mr. Collins owns shares of the Company's common stock.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Company's directors and officers may be indemnified against liabilities, fines, penalties and claims imposed upon or asserted against them as provided in the Delaware General Corporation Law and the Company's Amended and Restated Certificate of Incorporation and Amended and Restated By-Laws. Such indemnification covers all costs and expenses incurred by a director or officer in his capacity as such. The Board of Directors, by a majority vote of a quorum of disinterested directors, or, under certain circumstances, independent counsel appointed by the Board of Directors, must determine that the director or officer seeking indemnification was not guilty of willful misconduct or a knowing violation of the criminal law. In addition, the Delaware General Corporation Law and the Company's Amended and Restated Certificate of Incorporation may, under certain circumstances, eliminate the liability of directors and officers in a stockholder or derivative proceeding.

If the person involved is not a director or officer of the Company, the Board of Directors may cause the Company to indemnify, to the same extent

Edgar Filing: METLIFE INC - Form S-8

allowed for the Company's directors and officers, such person who was or is a party to a proceeding by reason of the fact that he is or was the Company's employee or agent, or is or was serving at the Company's request as director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

The Company has in force and effect policies insuring its directors and officers against losses which they or any of them will become legally obligated to pay by reason of any actual or alleged error or misstatement or misleading statement or act or omission or neglect or breach of duty by the directors and officers in the discharge of their duties, individually or collectively, or any matter claimed against them solely by reason of their being directors or officers. Such coverage is limited by the specific terms and provisions of the insurance policies.

ITEM 9. UNDERTAKINGS

A. The undersigned Company hereby undertakes:

- To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:
 - include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the

Edgar Filing: METLIFE INC - Form S-8

estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this effective Registration Statement;

(iii) include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs A(1)(i) and A(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 of this Registration Statement or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
