**CVRD has its BBB rating affirmed**

Rio de Janeiro, February 13, 2007 – Companhia Vale do Rio Doce (CVRD) announces that Standard & Poor's Ratings Services (S&P) affirmed its BBB corporate credit rating and removed the Company from CreditWatch, where it was placed on October 14, 2006, with negative implications.

Simultaneously, S&P said that the issuance of a hybrid debt instrument, with a significant equity component, is no longer a requirement to maintain CVRD's BBB rating level.

The rating action is associated to the refinancing under favorable conditions of a substantial part – 84% – of the bridge loan to finance the acquisition of Inco Ltd. and to the leading position of CVRD in the global iron ore and nickel markets and their strong fundamentals. S&P believes that the Company will be able to use its strong free cash flow to reduce debt throughout 2007 and 2008.

S&P announcement is consistent with our strong confidence in the future operational and financial performance of CVRD, underlying the decision of our Board of Directors to approve a capex program of US\$ 6.3 billion and a dividend distribution of US\$ 1.65 billion for 2007.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian and Canadian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore and nickel business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
