Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 5, 2010, solely in order to provide for an equal apportionment of the members of the Board of Directors (the Board) of GTX, Inc. (the Company) among the three classes of the Company's classified Board, Timothy R. G. Sear, age 72, resigned from the Board as a Class III director and, upon the recommendation of the Nominating and Corporate Governance Committee of the Board, was immediately reappointed by the Board as a Class I director. Immediately prior to Mr. Sear's resignation and reappointment, there were four Class III directors (each of whose term of office expires at the Company's 2010 Annual Meeting of Stockholders), two Class I directors and three Class II directors. The Company's charter documents require that each class of its classified Board must consist, as nearly as possible, of one-third of the total number of directors. The reallocation of Mr. Sear from one class of directors to another class of directors had no effect on any aspect of his compensatory arrangements with the Company, and he continues to serve as a member of both the Compensation Committee of the Board and the Audit Committee of the Board.
