**Section 1 Registrant's Business and Operations**

**Item 1.01. Entry into a Material Definitive Agreement.**

On March 31, 2010, Sanderson Farms, Inc. (the Company) entered into an Underwriting Agreement with Morgan Stanley & Co. Incorporated and J.P. Morgan Securities Inc. as managers for the underwriters listed in the Underwriting Agreement, pursuant to which the Company agreed to issue and sell 2,000,000 shares of the Company's common stock (the Common Stock), par value \$1.00 per share, at a public offering price of \$53.00 per share in a registered underwritten public offering (the Offering). As part of the Offering, the Company granted the underwriters a 30-day option to purchase up to an additional 300,000 shares of the Company's Common Stock, which option was exercised in full. The offering is expected to close on April 7, 2010.

The shares will be issued pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-153917), which was filed with the Securities and Exchange Commission on October 9, 2008 and was declared effective by the Securities and Exchange Commission on October 23, 2008; and the preliminary prospectus supplement and the prospectus supplement filed on March 29, 2010 and April 1, 2010, respectively, with the Securities and Exchange Commission pursuant to Rule 424(b) under the Securities Act of 1933.

The total aggregate net proceeds to the Company from the Offering will be approximately \$115.4 million. The proceeds from the Offering will be used, together with other funds, to finance the construction of the Company's new poultry complex in Kinston, North Carolina and a potential new complex near Goldsboro, North Carolina. Pending such uses, the Company intends to apply the net proceeds to reduce indebtedness and invest in cash and cash equivalents. The Company may use some of the invested proceeds as working capital and for general corporate purposes.

In connection with the Offering, the Company and certain of its officers and directors have agreed to enter into 90-day lock-up agreements in substantially the form included in the Underwriting Agreement and subject to customary exceptions.

Certain of the underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Company, for which they received or will receive customary fees and expenses. In addition, because an affiliate of BMO Capital Markets Corp., one of the underwriters, is a lender under the Company's revolving credit facility, and such affiliate may receive more than 5% of the net proceeds of the Offering if the Company applies such net proceeds to reduce indebtedness under its revolving credit facility, BMO Capital Markets Corp. may be deemed to have a conflict of interest with the Company under NASD Rule 2720 of the Financial Industry Regulatory Authority (FINRA). The Offering is being conducted in compliance with the requirements of NASD Rule 2720.

The Underwriting Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K, and the description of the Underwriting Agreement is qualified in its entirety by reference to such exhibit. For a more detailed description of the Underwriting Agreement, see the disclosure under the caption Underwriting contained in the prospectus supplement.

A copy of the opinion of Wise Carter Child & Caraway, Professional Association, relating to the validity of the shares issued in the Offering, is filed as Exhibit 5.1 to this Current Report on Form 8-K and is filed with reference to, and is hereby incorporated by reference into, the registration statement.
