Section 1.3(d) of the Amended and Restated 2004 Long-Term Incentive Plan (the Plan) of ION Geophysical Corporation (the Company) states as follows:

(d) *Modification of Outstanding Incentive Awards.* Subject to the stockholder approval requirements of Section 8.6 if applicable, the Committee may, in its discretion, provide for the extension of the exercisability of an Incentive Award, accelerate the vesting or exercisability of an Incentive Award, eliminate or make less restrictive any restrictions contained in an Incentive Award, waive any restriction or other provisions of an Incentive Award, or otherwise amend or modify an Incentive Award in any manner that is either (i) not adverse to the Grantee to whom such Incentive Award was granted or (ii) consented to by such Grantee; *provided, however, **no Stock Option issued under the Plan will be repriced, replaced or regranted through cancellation, or by lowering the Option Price of a previously granted Stock Option*** and the period during which a Stock Option may be exercised shall not be extended such that the compensation payable under the Stock Option would be subject to the excise tax applicable under Section 409A of the Code. With respect to an Incentive Award that is an incentive stock option (as described in Section 422 of the Code), no adjustment to such option shall be made to the extent constituting a modification within the meaning of Section 424(h)(3) of the Code unless otherwise agreed to by the Grantee in writing. (emphasis added)

The Company is filing this Current Report on Form 8-K to confirm that, except as provided in the Plan in connection with a Change of Control or a Corporate Event (as those terms are defined in the Plan), the above language would prohibit all forms of repricing, including cash buyouts and Incentive Award exchanges.
