ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 3, 2011, NiSource Finance Corp. (NiSource Finance) entered into a new \$1.5 billion Revolving Credit Agreement (the Agreement) with the lenders party thereto, Barclays Bank PLC, as Administrative Agent, Credit Suisse AG, Cayman Islands Branch, as Syndication Agent, The Bank of Tokyo-Mitsubishi UFJ Ltd., Citibank, N.A. and JPMorgan Chase Bank, N.A., as Co-Documentation Agents, and Barclays Capital, Credit Suisse Securities (USA) LLC, The Bank of Tokyo-Mitsubishi UFJ, Ltd., Citigroup Global Markets, Inc. and J.P. Morgan Securities LLC, as Joint Lead Arrangers and Joint Bookrunners. NiSource Inc. (the Company) is the Guarantor under the Agreement. The purpose of the new facility is to fund the Company s ongoing working capital requirements and for general corporate purposes, including commercial paper liquidity. Up to \$500 million of the facility will be available in the form of standby letters of credit. Up to \$250 million of the facility will be available in the form of swingline loans. The Agreement has a four year term. The Agreement provides that revolving loans shall bear interest at the option of the Company at

an Alternate Base Rate (which is a floating rate equal to the highest of (i) the prime rate of interest announced by the Administrative Agent from time to time, (ii) the Federal Funds Rate in effect from time to time + 0.50% and (iii) one-month LIBO rate + 1.0%) plus an applicable margin (which applicable margin is currently 70 basis points) or

a 1, 2, 3 or 6-month LIBO rate plus an applicable margin (which applicable margin is currently 170 basis points).

The Agreement contains one financial covenant, which requires the Company to maintain a debt to capitalization ratio that does not exceed 70%. The Company is also subject to certain other non-financial covenants under the Agreement. Such covenants include a limitation on the creation or existence of new liens on the Company s assets, generally exempting liens on utility assets, purchase money security interests, preexisting security interests and an additional subset of assets equal to \$150 million. An asset sale covenant generally restricts the sale, lease and/or transfer of the Company s assets to no more than 10% of its consolidated total assets and dispositions for a price not materially less than the fair market value of the assets disposed of that do not impair the ability of the Company and NiSource Finance to perform obligations under the Agreement, and that, together with all other such dispositions, would not have a material adverse effect. The Agreement also includes a cross-default provision, which triggers an event of default in the event of an uncured payment default relating to any indebtedness of the Company or any of its subsidiaries in a principal amount of \$50 million or more.

In connection with entering into the Agreement, the Company and NiSource Finance terminated their existing \$1.5 billion Amended and Restated Revolving Credit Agreement with the lender parties thereto, Barclays Bank PLC, as Administrative Agent and LC Bank, Credit Suisse, as Syndication Agent, and JPMorgan Chase Bank, N.A., The Bank of Tokyo-Mitsubishi UFJ, Ltd., Chicago Branch and Citicorp USA, Inc., as Co-Documentation Agents dated July 7, 2006.

ITEM 1.02. TERMINATION OF A MATERIAL DEFINITIVE AGREEMENT.

Item 1.01 is incorporated herein by reference.
