**Item 8.01 Other Events.**

MGM Resorts International (the Company) expects that it will make available on its corporate website ([www.mgmresorts.com](http://www.mgmresorts.com)) the determined offer price for the proposed offering of 760,000,000 ordinary shares of MGM China Holdings Limited (MGM China). It is expected that the pricing information will be available for viewing on The Stock Exchange of Hong Kong Limited's website on or about the morning of May 27, 2011 Hong Kong time (evening of May 26, 2011 U.S. time), after which time the offer price will be posted to, and available on, the Company's website. No website or website contents mentioned herein form part of this Current Report on Form 8-K. Due to the time differences between Hong Kong and the United States, the Company plans to continue to use its corporate website as a means of posting important information about MGM China in the future.

The shares of MGM China have not been registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws and may not be offered or sold in the United States absent registration under the Securities Act, or pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

Statements in this Current Report on Form 8-K that are not historical facts are forward-looking statements and safe harbor statements within the meaning of Section 21E of the U.S. Securities Exchange Act of 1934, as amended, and other related laws that involve risks and/or uncertainties, including risks and/or uncertainties as described in the Company's public filings with the Securities and Exchange Commission. We have based forward-looking statements on management's current expectations and assumptions and not on historical facts. Examples of these statements include, but are not limited to, statements regarding the Company's expectations to post the determined offer price for the proposed offering. These forward-looking statements involve a number of risks and uncertainties. Among the important factors that could cause actual results to differ materially from those indicated in such forward-looking statements include market conditions in Hong Kong and other global markets for equity securities generally and for equity securities of gaming, hospitality and entertainment companies and of MGM China in particular. In providing forward-looking statements, the Company is not undertaking any duty or obligation to update these statements publicly as a result of new information, future events or otherwise, except as required by law.
