PRELIMINARY PROXY STATEMENT

3D SYSTEMS CORPORATION

**333 Three D Systems Circle
Rock Hill, SC 29730**

August 26, 2011

Dear Fellow Stockholder:

You are cordially invited to attend a Special Meeting of Stockholders of 3D Systems Corporation scheduled to be held on Friday, October 7, 2011, at 11:00 a.m., Eastern Time, at our offices at 333 Three D Systems Circle, Rock Hill, South Carolina 29730. We look forward to greeting you at the meeting.

At the meeting, you will be asked to approve a proposal to further amend our Certificate of Incorporation to increase the authorized number of shares of Common Stock that we may issue from 60 million shares to 120 million shares and to transact such other business as may properly come before this meeting or any adjournments or postponements thereof.

This proposal is important, and we urge you to vote in favor of it.

For street-name holders, to ensure that the shares you beneficially own are able to participate in this meeting, please review our proxy materials and follow the instructions for voting your shares on the voting instruction form that you will be receiving from Broadridge Financial Solutions, Inc. or your nominee holder. If you are a stockholder of record who receives a Notice of Internet Availability of Proxy Materials from us, you should follow the instructions sent to you in that Notice.

Voting your shares is important, among other things, to ensure that we get the minimum quorum required for this Special Meeting. Your affirmative participation in the voting process also helps us avoid the need and the added expense of having to contact you to solicit your vote and helps us avoid the need of having to reschedule the meeting. We hope that you will exercise your legal rights and fully participate as a stockholder in our future.

We are using the SEC's notice and access procedure for the Special Meeting. This procedure permits us to deliver a Notice of Internet Availability of Proxy Materials to our stockholders of record and to provide you with online access to our Proxy Statement, replacing the requirement that we automatically send you a paper copy of our proxy materials. Consistent with the announced objectives of notice and access, we believe that it enables us to provide you with the information that you need to determine how to vote on the proposal set forth in this Proxy Statement while lowering the costs of the Special Meeting and contributing environmental benefits by reducing our use of paper and other resources to produce, print and mail to you our proxy materials.

The close of business on August 19, 2011 is the record date for the Special Meeting. On or about August 26, 2011, we began mailing a Notice of Internet Availability of Proxy Materials to all of our stockholders of record as of the record date, and we have posted this Proxy Statement on the internet as described in that Notice. You may also choose to have a paper copy of the Proxy Statement sent to you by following the instructions on the Notice.

We have previously filed with the SEC, and we have incorporated by reference into this Proxy Statement, our Annual Report on Form 10-K for the year ended December 31, 2010 and our Quarterly Reports on Form 10-Q for the periods ended March 31, 2011 and June 30, 2011.

On behalf of your Board of Directors, we thank you for your continued support.

PRELIMINARY PROXY STATEMENT

3D SYSTEMS CORPORATION

**333 Three D Systems Circle
Rock Hill, South Carolina 29730**

PROXY STATEMENT

Dated August 26, 2011

**For the Special Meeting of Stockholders
To Be Held on October 7, 2011**

GENERAL INFORMATION

A Special Meeting of Stockholders (the "Special Meeting") is scheduled to be held at our offices at 333 Three D Systems Circle, Rock Hill, South Carolina 29730 at 11:00 a.m., Eastern Time, on October 7, 2011. We are furnishing this Proxy Statement to the holders of our Common Stock in connection with the solicitation of proxies by our Board of Directors for use at the Special Meeting and any adjournments or postponements of the Special Meeting. This Proxy Statement and related materials are first being made available to stockholders on or about August 26, 2011.

VOTING SECURITIES, RECORD DATE AND QUORUM

The Board of Directors has fixed the close of business on August 19, 2011 as the record date for determining the stockholders entitled to notice of and to vote at the Special Meeting. Holders of record of shares of our Common Stock outstanding as of the close of business on that date are entitled to notice of and to vote at the Special Meeting. As required by Delaware law, a list of the stockholders of record as of the record date will be kept at our principal office at 333 Three D Systems Circle, Rock Hill, South Carolina 29730 for a period of ten days prior to the Special Meeting.

Our voting securities consist of our Common Stock, par value \$0.001 per share (the "Common Stock"). As of the record date for the Special Meeting, there were _____ shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote on each matter to be voted on at the Special Meeting.

You are considered to be a holder of record of each share that is registered in your name on the records of the transfer agent for our Common Stock.

Most of you hold your shares in a brokerage account or bank or through another nominee holder. In that case, you are considered the "beneficial owner" of shares held in "street name." As a beneficial owner, you generally have the right to instruct your broker or nominee how to vote your shares, and that party is required to vote your shares in accordance with your instructions. The firm that maintains the account holding shares of Common Stock that you beneficially own is generally viewed as the stockholder of record of those shares and has the right to vote them, generally pursuant to your instructions. In the discussion in this Proxy Statement, we refer to these stockholdings as "street-name holdings" and to you as a "street-name holder."

Table of Contents

Under the SEC's rules and the applicable listing rules of The New York Stock Exchange, Inc. (NYSE), for those of you who are street-name holders, you may permit your broker, bank or other nominee to vote on your behalf on Proposal One, the charter amendment proposal, to be considered at the meeting. If your broker, bank or other nominee exercises discretion in voting on your behalf, your shares will be treated as present at the meeting for all quorum purposes.

We understand that Proposal One is considered to be a routine proposal on which your broker or other nominee may exercise its discretion in voting. Accordingly, if you do not give voting instructions to your broker or other nominee holder, that party will be entitled to vote your shares on Proposal One in its discretion.

Street-name holders who desire to provide instructions to their nominee should review our proxy materials and follow the instructions for voting your shares on the voting instruction form that you will be receiving from your nominee. If you are a stockholder of record who receives a Notice of Internet Availability of Proxy Materials from us, please follow the instructions sent to you in that Notice.

Voting your shares is important, among other things, to ensure that we get the minimum quorum required for the Special Meeting. Your affirmative participation in the voting process also fosters your active participation as a stockholder and helps us avoid the need and the added expense of having to contact you to solicit your vote and helps us avoid the need of having to reschedule the Special Meeting. We hope that you will exercise your legal rights and fully participate as a stockholder in our future.

A majority of the shares of Common Stock outstanding on the record date that are present in person or represented by proxy will constitute a quorum for the transaction of business at the Special Meeting.

VOTES REQUIRED

Once a quorum of the shares entitled to vote is present in person or represented by proxy at the Special Meeting, the approval of the proposed amendment of our Certificate of Incorporation will require the affirmative vote of a majority of the outstanding shares of our Common Stock that are entitled to vote.

We do not know of any other matters to be presented for consideration at the Special Meeting. However, if any other matters are properly presented for consideration, the proxy holders will have the discretion to vote your shares on those matters in accordance with the Board of Directors' recommendations. If the Board of Directors does not make a recommendation on any such matters, the proxy holders will be entitled to vote in their discretion on those matters.

VOTING MATTERS

Your vote is very important regardless of whether you are a holder of record or a street-name holder.

Regardless of the method by which you vote or hold the shares that you are entitled to vote, if you specify how your shares are to be voted, the shares represented by your proxy or other voting instructions will be voted in accordance with your instructions. If you do not give specific voting instructions when you grant an otherwise valid proxy, your shares will be voted as recommended by the Board of Directors or, if no recommendation is made, in the discretion of the proxy holders named on the proxy card.

For a discussion of the mechanics of voting, please see *How to Cast Your Vote if You are a Stockholder of Record*, *How to Cast Your Vote if You are a Street-Name Holder*, and *Other Voting Matters* below.

PROPOSAL ONE

**PROPOSED AMENDMENT TO CERTIFICATE OF INCORPORATION
TO INCREASE AUTHORIZED SHARES OF COMMON STOCK**

Our Certificate of Incorporation currently authorizes the issuance of 60 million shares of Common Stock, par value \$0.001 per share. On July 27, 2011, the Board of Directors adopted a proposal to amend the Certificate of Incorporation to increase the number of shares of Common Stock that we are authorized to issue to 120 million shares, subject to stockholder approval at the Special Meeting.

Table of Contents

The Board of Directors has declared the proposed amendment to be advisable and in the best interests of the Company and its stockholders and is accordingly submitting the proposed amendment to be voted on by the stockholders. On August 19, 2011, of the 60 million currently authorized shares of Common Stock, approximately 54.2 million shares were either issued or reserved for issuance. Shares reserved for issuance included approximately 1.2 million shares reserved for issuance upon the exercise of outstanding stock options that were issued before May 2004 and an additional 2.2 million shares reserved for issuance under the Restricted Stock Plan for Non-Employee Directors and our 2004 Incentive Stock Plan, both of which the stockholders approved in 2004.

Based upon these issued and reserved shares of Common Stock, we currently have approximately 5.8 million shares of Common Stock remaining available for issuance in the future for other corporate purposes.

Since the beginning of 2008, we have issued approximately 28.5 million shares of Common Stock, approximately 25.3 million of which were issued in a two-for-one stock split in May 2011, 1.5 million were issued for financing purposes, 0.5 million were issued in private placements for acquisitions, and 2.3 million were issued upon the exercise of options granted before 2004 and otherwise for equity compensation purposes under the plans discussed above, of which 0.8 million were issued in connection with stock option exercises and 1.5 million were issued under the other equity compensation plans discussed above.

The Certificate of Incorporation currently also authorizes the issuance of five million shares of preferred stock, par value \$0.001 per share, none of which are issued or outstanding. The proposed amendment to the Certificate of Incorporation would not change the authorized number of shares of preferred stock. There are currently no plans, arrangements, commitments or understandings with respect to the issuance of any shares of preferred stock although in 2008 we authorized the issuance of one million shares of Series A Preferred Stock that are issuable pursuant to a Stockholder Rights Plan established at that time.

Text of the Amendment

We propose to amend the first paragraph of Article FOURTH of the Certificate of Incorporation so that it would read in its entirety as follows:

FOURTH: The aggregate number of shares which the Corporation has authority to issue is 125,000,000, consisting of 120,000,000 shares of Common Stock, par value \$0.001 per share (the Common Stock), and 5,000,000 shares of preferred stock, par value \$0.001 per share (the Preferred Stock).

The only changes that would be made to the first paragraph of Article FOURTH, as currently in effect, would be to increase the total number of shares of Common Stock that we may issue from 60 million shares to 120 million shares and to reflect a corresponding increase in the aggregate number of shares of capital stock of all classes that may be issued from 65 million to 125 million shares.

Purpose of the Amendment

The Board of Directors is recommending this increase in the authorized shares of Common Stock primarily to give us the flexibility to issue shares of Common Stock for future corporate needs. As a general matter, the Board of Directors would be able to issue these additional shares of Common Stock in its discretion from time to time, subject to and as limited by any rules or listing requirements of the NYSE or of any other then applicable securities exchange and without further action or approval of the stockholders. The Board's discretion, however, would be subject to any other applicable rules and regulations in the case of any particular issuance or reservation for issuance that might require the stockholders to approve such transaction.

The newly authorized shares of Common Stock would be issuable for any proper corporate purpose, including future acquisitions, capital-raising or financing transactions involving Common Stock, convertible securities or other equity securities, stock splits, stock dividends and current or future equity compensation plans. The Board believes that these additional shares will provide us with needed flexibility to issue shares in the future without the potential expense or delay incident to obtaining stockholder approval for any particular issuance. There are currently no commitments or understandings with respect to the issuance of any of the additional shares of Common Stock that would be authorized by the proposed amendment.

Table of Contents

We have, however, previously publicly disclosed that we are continuing to pursue a growth strategy that focuses on four strategic initiatives:

Building 3Dproparts global services;

Accelerating personal and professional three-dimensional printer penetration;

Growing healthcare solutions revenue; and

Building three-dimensional content products and services.

We intend to accomplish this growth organically and, as opportunities present themselves, through selective acquisitions. In connection with this growth strategy, during the first seven months of 2011 we carried out eight non-material acquisitions. As with any growth strategy, there can be no assurance that we will succeed in accomplishing our strategic initiatives.

Rights of Additional Authorized Shares

Any authorized shares of Common Stock, if and when issued, would be part of our existing class of Common Stock and would have the same rights and privileges as the shares of Common Stock currently outstanding. Our stockholders do not have pre-emptive rights with respect to the Common Stock, nor do they have cumulative voting rights. Accordingly, should the Board of Directors issue additional shares of Common Stock, existing stockholders would not have any preferential rights to purchase any of such shares, and their percentage ownership of our then outstanding Common Stock could be reduced.

Potential Adverse Effects of Amendment

Future issuances of Common Stock or securities convertible into Common Stock could have a dilutive effect on our earnings per share, book value per share and the voting power and interest of current stockholders. In addition, the availability of additional shares of Common Stock for issuance could, under certain circumstances, discourage or make more difficult any efforts to obtain control of the Company. The Board is not aware of any attempt, or contemplated attempt, to acquire control of the Company, nor is this proposal being presented with the intent that it be used to prevent or discourage any acquisition attempt. However, nothing would prevent the Board from taking any such actions that it deems to be consistent with its fiduciary duties.

Effectiveness of Amendment

If the proposed amendment is adopted, it will become effective upon the filing of a certificate of amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware.

Recommendation of the Board of Directors

The Board of Directors recommends that you vote FOR the adoption of the proposed amendment to the Certificate of Incorporation.

You are encouraged to review our Proxy Statement before you cast your vote.

We understand that internet voting will generally be available to street-name holders 24 hours a day, seven days a week, except that street-name holders should cast their internet votes before 11:59 P.M., Eastern Time, on Thursday, October 6, 2011, the day prior to the Special Meeting to allow us adequate time for the final tabulation of votes.

OTHER VOTING MATTERS

Voting in Person at the Special Meeting

Any stockholder of record may vote in person at the Special Meeting whether or not you have previously voted, and regardless of whether your prior vote was cast by internet, telephone or mail. If you attend the Special Meeting and vote your shares at that meeting, those shares will be counted as present for quorum purposes.

If you hold your shares in street name, you must obtain a written proxy, executed in your favor, from the nominee holding your shares of record in order to vote your shares in person at the Special Meeting.

If You Wish to Revoke Your Proxy

Regardless of the method you use to vote, you may revoke your proxy at any time before your shares are voted at the Special Meeting by:

- voting electronically by internet at a later time;
- voting by telephone at a later time;
- submitting a properly signed proxy or voting instruction form with a later date; or
- voting in person at the Special Meeting if you are a stockholder of record (or hold a valid proxy from the nominee who holds your shares in their name).

Please remember that, as described above, there will be no internet or telephone voting available after 11:59 P.M., Eastern Time, on Thursday, October 6, 2011, the day prior to the Special Meeting.

Table of Contents

Abstentions; Broker Non-Votes

Any shares for which a valid proxy is granted will be treated as shares that are present for the purpose of determining the presence of a quorum at the Special Meeting. If you or your street-name nominee do not grant a valid proxy for the Special Meeting, your shares will not be considered in determining the presence of a quorum.

If you or your nominee grant a valid proxy but abstain from voting on Proposal One, your shares will count for the purposes of determining the presence of a quorum but will otherwise be voted in accordance with your directions. For street-name holders, as discussed above, your broker or other nominee may exercise its discretion in granting a valid proxy on Proposal One. For the purposes of the Special Meeting, a broker non-vote will occur when a bank, broker or other nominee holder does not submit a proxy on Proposal One contained in this Proxy Statement.

Multiple Accounts

If you hold shares in more than one account, shares that are registered in different names or shares that are held through one or more banks, brokerage firms or other nominees, you may receive more than one Notice of Internet Availability of Proxy Materials, more than one proxy card or more than one voting instruction form. Each of these Notices, proxy cards or voting instruction forms will likely relate to shares that you own in different accounts, in different names or with different banks, brokerage firms or other nominees.

We ask that you please follow the instructions on each Notice that you receive. We also ask that you please either vote the shares covered by each Notice electronically or sign, date and return all proxy cards and voting instruction forms that you receive. This will ensure that all of your shares are represented and voted at the Special Meeting.

Householding; Delivery of Documents to Security Holders Sharing an Address

We are making this Proxy Statement and the Notice of Internet Availability of Proxy Materials available to all stockholders of record as of the record date for the Special Meeting. This includes all financial institutions in which you have been identified to us as holding our shares in street name.

If you and other family members are street-name stockholders residing in the same household, you may receive only one Proxy Statement and one voting instruction form if you have previously made an election with your bank, broker or other nominee holder to deliver only one copy to you. This process of delivering only one set of these materials to multiple security holders sharing an address is called householding. Householding may provide convenience for you and cost savings for us. If you are participating in a householding program, it may continue until one or more of the stockholders within the household provides instructions to the contrary to their nominee.

If you are a street-name stockholder who is receiving multiple copies, you may elect to participate in a householding program. You can do that by requesting that only a single set of materials be sent to you in the future by following the householding instructions on the voting instruction form provided to you by your bank, broker or other nominee holder. Alternatively, if you are a street-name holder whose nominee holder utilizes the services of Broadridge Financial Solutions, Inc. (as indicated on the voting instruction form that Broadridge sends to you), you may send written householding instructions to Householding Department, 51 Mercedes Way, Edgewood, New York 11717 or call (800) 542-1061. The instructions must include your name and account number and the name of the bank, broker or other nominee holder. Otherwise, you should contact your bank, broker or other nominee holder.

If you are a street-name stockholder who has requested printed materials and you participate in a householding program, upon your request to receive separate copies in the future, you will receive an additional copy of the Proxy Statement and the Notice of Internet Availability of Proxy Materials. Instructions to request additional copies of these documents should be provided on the voting instruction form that your bank, broker or other holder of record provides to you.

Copies of this Proxy Statement and the Notice of Internet Availability of Proxy Materials are available upon request by calling (803) 326-4010 or by writing to Investor Relations, 3D Systems Corporation, 333 Three D Systems Circle, Rock Hill, South Carolina 29730.
