Item 1.01 Entry into a Material Definitive Agreement

On August 29, 2011, Express Scripts, Inc. (the Company) and Aristotle Holding, Inc. entered into a credit agreement (the Credit Agreement) with Credit Suisse AG, Cayman Islands Branch, as administrative agent, Citibank, N.A., as syndication agent, and the other lenders and agents named therein.

The Credit Agreement provides for a \$4.0 billion term loan facility (the Term Facility) and a \$1.5 billion revolving loan facility (the Revolving Facility). The Term Facility will be available for the Company to pay a portion of the cash consideration in connection with the acquisition of Medco Health Solutions, Inc. (the Merger), to repay any existing indebtedness, and to pay related fees and expenses. The Revolving Facility will be available for the Company's working capital needs and for general corporate purposes. The obligations under the Credit Agreement are unsecured and, upon or prior to the funding date, will be guaranteed by a substantial portion of the domestic subsidiaries of the Company.

Any funding under the Credit Agreement will occur concurrently with the consummation of the Merger, subject to customary closing conditions. The Term Facility and the Revolving Facility will both mature on August 29, 2016. Borrowings under the Credit Agreement will bear interest, at the Company's option, at a rate equal to either an adjusted base rate or the LIBO rate, in each case plus the applicable margin. The applicable margin for borrowings under the Credit Agreement may change depending on the Company's leverage ratio. The Company will pay quarterly in arrears a facility fee equal to the daily amount of the Revolving Facility multiplied by an applicable percentage based on the Company's leverage ratio. Until the funding date, the Company will also pay a ticking fee on the commitments under the Term Facility.

The Credit Agreement contains customary events of default and covenants, including, among other things and subject to certain exceptions, covenants that restrict the ability of the Company and/or certain of its subsidiaries to incur certain additional indebtedness, create or permit liens on assets and engage in mergers or consolidations, and certain restrictive financial covenants.

If an event of default under the Credit Agreement shall occur and be continuing, the commitments thereunder may be terminated and the principal amount outstanding thereunder, together with all accrued unpaid interest and other amounts owed thereunder, may be declared immediately due and payable.

Upon effectiveness of the Credit Agreement, the commitments under the Company's current bridge facility, entered into pursuant to the credit agreement, dated as of August 5, 2011, among the Company, Aristotle Holding, Inc., Credit Suisse AG, Cayman Islands Branch, as administrative agent, Citibank, N.A., as syndication agent, and the other lenders and agents named therein, are automatically reduced in an amount equal to the aggregate principal amount of the Term Facility.

The description of the Credit Agreement is qualified in its entirety by the copy thereof which is attached as Exhibit 10.1 hereto and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above with respect to the Credit Agreement is incorporated by reference in this Item 2.03 in its entirety.

The termination, or an unfavorable modification, of our relationship with one or more key pharmaceutical manufacturers, or the significant reduction in payments made or discounts provided by pharmaceutical manufacturers;

Changes in industry pricing benchmarks;

Results in pending and future litigation or other proceedings which would subject us to significant monetary damages or penalties and/or require us to change our business practices, or the costs incurred in connection with such proceedings;

Our failure to execute on, or other issues arising under, certain key client contracts;

The impact of our debt service obligations on the availability of funds for other business purposes, and the terms and our required compliance with covenants relating to our indebtedness; our failure to attract and retain talented employees, or to manage succession and retention for our Chief Executive Officer or other key executives;
