Table of Contents**SELLING STOCKHOLDERS**

This prospectus relates to the resale of shares of our common stock held by the selling stockholders listed below. The selling stockholders acquired these shares from us in a private offering pursuant to an exemption from registration provided by Regulation D, Rule 506 under Section 4(2) of the Securities Act in connection with our acquisition of Diversey Holdings, Inc. The registration statement of which this prospectus is a part of has been filed pursuant to registration rights granted to the selling stockholders as part of the acquisition.

The table below sets forth certain information known to us, based upon written representations from the selling stockholders, with respect to the beneficial ownership of our shares of common stock held by the selling stockholders as of October 3, 2011. Because the selling stockholders may sell, transfer or otherwise dispose of all, some or none of the shares of our common stock covered by this prospectus, we cannot determine the number of such shares that will be sold, transferred or otherwise disposed of by the selling stockholders, or the amount or percentage of shares of our common stock that will be held by the selling stockholders upon termination of any particular offering. In particular, the selling stockholders identified below may have sold, transferred or otherwise disposed of all or a portion of their common stock since the date on which they provided to us information regarding their common stock. Any changed or new information given to us by the selling stockholders will be set forth in supplements to this prospectus or amendments to the registration statement of which this prospectus is a part, if and when necessary.

In the table below, the percentage of shares beneficially owned is based on 191,935,504 shares of our common stock outstanding as of October 3, 2011, determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act). Under such rule, beneficial ownership includes any shares over which the individual has sole or shared voting power or investment power and also any shares which the individual has the right to acquire within sixty days of such date through the exercise of any options or other rights. Unless otherwise indicated in the footnotes, each person has sole voting and investment power (or shares such powers with his or her spouse) with respect to the shares of common stock shown as beneficially owned.

Unless otherwise described below, to our knowledge, none of the selling stockholders nor any of their affiliates has held any position or office with, been employed by or otherwise had any material relationship with us or our affiliates during the three years prior to the date of this prospectus. In addition, based on information provided to us, none of the selling stockholders that are affiliates of broker-dealers, if any, purchased the shares of common stock outside the ordinary course of business or, at the time of their acquisition of the shares of common stock, had any agreements, understandings or arrangements with any other persons, directly or indirectly, to dispose of the shares.

PLAN OF DISTRIBUTION

The shares of common stock listed in the table appearing in the Selling Stockholders section of this prospectus are being registered to permit public offers and sales of these shares by the holders of such shares from time to time after the date of this prospectus. Registration of the shares of common stock covered by this prospectus does not mean, however, that those shares of common stock necessarily will be offered or sold. We will not receive any of the proceeds from the sale of the common stock by the selling stockholders.

Under the terms of the registration rights agreement between us and certain of the selling stockholders, we have agreed to pay all expenses of the registration of the shares of common stock, including SEC filings fees, except that such selling stockholders have agreed to pay underwriting discounts and commissions related to certain offerings and certain road show expenses. Our expenses for the registration of the shares of common stock are estimated to be \$210,669.17.

The selling stockholders may sell their shares of common stock from time to time directly to purchasers or through underwriters, broker-dealers or agents, at market prices prevailing at the time of sale, at prices related to such market prices, at a fixed price or prices subject to change or at negotiated prices, by a variety of methods including the following:

- on the New York Stock Exchange or on any other national securities exchange on which the shares of common stock may be listed at the time of sale;

- in the over-the-counter market;

- in transactions otherwise than on such exchanges or in the over-the-counter market;

- through the exercise of purchased or written options;

- through a combination of any such methods; or

- through any other method permitted under applicable law.

In connection with sales of shares of common stock or otherwise, a selling stockholder may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the shares of common stock in the course of hedging the positions they assume. A selling stockholder may also sell shares of common stock short and deliver shares of common stock to close out such short positions, or loan or pledge shares of common stock to broker-dealers that in turn may sell such securities.

If underwriters are used, the shares of common stock will be acquired by the underwriters for their own account and may be resold by them from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase the shares of common stock will be subject to conditions. The underwriters will be obligated to purchase all of the offered shares of common stock if any are purchased. Underwriters may be deemed to have received compensation from the selling stockholders in the form of underwriting discounts or commissions and may also receive commissions from the purchasers of these shares of common stock for whom they may act as agent. Underwriters may sell these shares to or through dealers. These dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agent. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

The applicable prospectus supplement will set forth whether or not underwriters may over-allot or effect transactions that stabilize, maintain or otherwise affect the market price of the shares of common stock at levels above those that might otherwise prevail in the open market, including, for example, by entering stabilizing bids, effecting syndicate covering transactions or imposing penalty bids. Underwriters are not required to engage in any of these activities, or to continue such activities if commenced.

In effecting sales, brokers or dealers engaged by the selling stockholders may arrange for other brokers or dealers to participate. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved. Broker-dealer transactions may include:

- purchases of the shares of common stock by a broker-dealer as principal and resales of the shares of common stock by the broker-dealer for its account pursuant to this prospectus;

- ordinary brokerage transactions; or

- transactions in which the broker-dealer solicits purchasers on a best efforts basis.

Table of Contents

If dealers are utilized in the sale of shares of common stock, the names of the dealers and the terms of the transaction will be set forth in a prospectus supplement, if required.

The selling stockholders may also sell shares of the common stock through agents designated by them from time to time. We will name any agent involved in the offer or sale of such shares and will list commissions payable by the selling stockholders to these agents in a prospectus supplement, if required. These agents will be acting on a best efforts basis to solicit purchases for the period of their appointment, unless we state otherwise in any required prospectus supplement.

The selling stockholders may sell any of the shares of common stock directly to purchasers. In this case, the selling stockholders may not engage underwriters or agents in the offer and sale of such shares.

The selling stockholders may indemnify underwriters, dealers or agents who participate in the distribution of the shares of common stock against certain liabilities, including liabilities under the Securities Act, and agree to contribute to payments which these underwriters, dealers or agents may be required to make.

The aggregate proceeds to the selling stockholders from the sale of the shares of common stock offered by the selling stockholders hereby will be the purchase price of such shares less discounts and commissions, if any. The selling stockholders reserve the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of shares of common stock to be made directly or through agents.

In order to comply with the securities laws of some states, if applicable, the shares of common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states such shares may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of the shares of common stock may be underwriters within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profits they earn on any resale of such shares may be underwriting discounts and commissions under the Securities Act. Any selling stockholder who is an underwriter within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act. The selling stockholders have acknowledged that they understand their obligations to comply with the provisions of the Exchange Act, and the rules thereunder relating to stock manipulation, particularly Regulation M.

We are not aware of any plans, arrangements or understandings between the selling stockholders and any underwriter, broker-dealer or agent regarding the sale of the shares of common stock by the selling stockholders. We do not assure you that the selling stockholders will sell any or all of the shares of common stock offered by it pursuant to this prospectus. In addition, we do not assure you that the selling stockholders will not transfer, devise or gift the shares of common stock by other means not described in this prospectus. Moreover, any securities covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 under the Securities Act rather than pursuant to this prospectus.

Under the terms of the registration rights agreement between us and certain of the selling stockholders, we will be permitted to suspend the effectiveness of the registration statement or the use of this prospectus or any accompanying prospectus supplement during specified periods (not to exceed an aggregate of 90 days in any consecutive 365-day period) in certain circumstances, including circumstances relating to pending corporate developments.

Under the terms of the registration rights agreement between us and certain of the selling stockholders, each such selling stockholder has agreed that it will not, to the extent required by an underwriter of our securities, directly or indirectly sell, offer, pledge, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell (including, without limitation, any short sale), grant any option, right or warrant for the sale of or otherwise transfer or dispose of any shares of common stock offered by this prospectus for up to 90 days following the effective date of a registration statement of the Company filed under the Securities Act or the date of an underwriting agreement with respect to a firm commitment underwritten public offering of our securities without the consent of the underwriter (the Stand-Off Period); *provided*, however, that (a) all of our executive officers and directors then holding shares of our common stock shall enter into similar agreements for not less than the entire period required of such selling stockholders under the terms of the registration rights agreement; and (b) the selling stockholders shall be allowed any concession or proportionate release allowed to any (i) officer, (ii) director or (iii) other 5% or greater

selling stockholder's shares of common stock offered by this prospectus in such offering pursuant to the terms of the registration rights agreement or (B) with respect to any shares of common stock offered by this prospectus a selling stockholder requested to be included in such offering that were not so included pursuant to the terms of the registration rights agreement, except, in the case of clause (B), with respect to a Stand-Off Period required by the underwriters with respect to a single underwritten offering undertaken by the Company pursuant to the Settlement Agreement and Release dated November 10, 2003 related to W.R. Grace & Co.

Under the terms of the registration rights agreement between us and certain of the selling stockholders, with respect to certain offerings of shares of common stock offered by this prospectus by the selling shareholders pursuant to firm commitment underwritten public offerings, we have agreed not to effect any public sale or distribution of, or to file any registration statement (other than registrations on Form S-8 or S-4 (or any successor forms) or registrations in connection with dividend reinvestment plans and stock purchase plans) covering, shares of our common stock or any derivatives thereof, for up to 90 days following the effective date of such offering, or such shorter period as may be agreed by the managing underwriter for such offering. We have also agreed to use our commercially reasonable efforts to cause each of our directors and senior executive officers to execute and deliver customary lock-up agreements in such form and for such time period up to 90 days as may be requested by the managing underwriter.

DESCRIPTION OF CAPITAL STOCK

General

The following is a summary of information concerning our capital stock. The summaries and descriptions below do not purport to be complete statements of the relevant provisions of our amended and restated certificate of incorporation (the Certificate of Incorporation) or of our amended and restated by-laws (the By-laws). The summary is qualified in its entirety by reference to these documents, which you must read for complete information on our capital stock. Our Certificate of Incorporation and By-laws are incorporated by reference to the registration statement of which this prospectus forms a part as Exhibits 3.01 and 3.02 thereto.

Common Stock

We are authorized to issue up to 400,000,000 shares of common stock, par value \$0.10 per share. There were 191,935,504 shares of our common stock issued and outstanding as of October 3, 2011.

Dividends. Dividends on shares of common stock may be declared by our Board from the surplus or net profits of the Company to the extent such funds are legally available for the payment of dividends.

Voting Rights. Each share of common stock is entitled to one vote on all matters submitted to a vote of stockholders. The holders of shares of our common stock do not have cumulative voting rights. In other words, a holder of a single share of common stock cannot cast more than one vote for each position to be filled on our Board. A consequence of not having cumulative voting rights is that the holders of a majority of the shares of common stock entitled to vote in the election of directors can elect all directors standing for election, which means that the holders of the remaining shares will not be able to elect any directors.

Other Rights. In the event of any liquidation, holders of common stock will be entitled to share on a pro rata basis in all of the remaining assets and funds available for distribution under such liquidation, subject to the payment in full of all claims of creditors and prior rights of any class or series of preferred stock then outstanding. The rights of holders of common stock may only be modified by a vote of a majority of the shares outstanding or through the issuance of preferred stock as authorized in the Certificate of Incorporation. The shares of common stock have no preemptive, conversion or similar rights. The shares of common stock also have no redemption rights.

Fully Paid. The issued and outstanding shares of our common stock are fully paid and non-assessable. This means the full purchase price for the outstanding shares of our common stock has been paid and the holders of such shares will not be assessed any additional amounts for such shares. Any additional shares of common stock that we may issue in the future will also be fully paid and non-assessable.

Preferred Stock

We are authorized to issue up to 50,000,000 shares of preferred stock, par value \$0.10 per share. No shares of our preferred stock were issued and outstanding as of October 3, 2011.

Under the Certificate of Incorporation, preferred stock may be issued from time to time in one or more series. Preferred stock will have the powers, designations, preferences and other rights and qualifications, limitations and restrictions stated in the Certificate of Incorporation and otherwise as fixed by our Board. Except as otherwise fixed by our Board or as required by law, the Certificate of Incorporation provides that holders of preferred stock of any series are entitled to one vote per share held, are entitled to vote share for share with the holders of common stock without distinction as to class and are not entitled to vote separately as a class or series of a class. Unless otherwise fixed by our Board, all series of preferred stock will rank equally and will be identical in all respects. All shares of any one series of preferred stock must be identical with each other in all respects, except that shares of any one series issued at different times may differ as to the dates on which dividends thereon accumulate. The number of shares of preferred stock authorized to be issued may be increased or decreased from time to time by the affirmative vote of the holders of a majority of our stock entitled to vote, and the holders of the preferred stock will not be entitled to vote separately as a class or series of a class on any such increase or decrease.

Table of Contents

The authority possessed by our Board to issue preferred stock could potentially be used to discourage attempts by third-parties to obtain control of our Company through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. Our Board may issue preferred stock with voting rights or conversion rights that, if exercised, could adversely affect the voting power of the holders of common stock. Except as described below, there are no current agreements or understandings with respect to the issuance of preferred stock and our Board has no present intention to issue any shares of preferred stock.

Restrictions on Payment of Dividends

We are incorporated in Delaware and are governed by Delaware law. Delaware law allows a corporation to pay dividends only out of surplus, as determined under Delaware law, or, if no such surplus exists, out of the corporation's net profits for the fiscal year in which the dividend is declared and/or the preceding fiscal year (provided that such payment will not reduce capital below the amount of capital represented by all classes of shares having a preference upon the distribution of assets).

Anti-takeover Effects of Our Certificate of Incorporation and By-laws and Delaware Law

Some provisions of our Certificate of Incorporation and By-laws and of Delaware law may be deemed to have an anti-takeover effect and may delay or prevent a tender offer or takeover attempt that a stockholder might consider in its best interest, including those attempts that might result in a premium over the market price for the shares held by stockholders.

Size of Board and Vacancies

The number of directors on our Board will be fixed exclusively by our Board. Newly created directorships resulting from any increase in our authorized number of directors and vacancies will be filled by a majority of our directors then in office, though less than a quorum, or by a sole remaining director. A vacancy shall be deemed to exist in the case of death, removal or resignation of any director, or if stockholders fail at any meeting of stockholders at which directors are to be elected to elect the number of directors then constituting the whole Board.

Requirements for Advance Notification of Stockholder Nominations and Proposals

Our By-laws establish advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors other than nominations made by or at the direction of our Board.

No Cumulative Voting

Our Certificate of Incorporation and By-laws do not provide for cumulative voting in the election of directors.

Undesignated Preferred Stock

The authorization in our Certificate of Incorporation of undesignated preferred stock makes it possible for our Board to issue our preferred stock with voting or other rights or preferences that could impede the success of any attempt to change control of us. The provision in our Certificate of Incorporation authorizing such preferred stock may have the effect of deferring hostile takeovers or delaying changes of control of our management.

Delaware Anti-takeover Law

We are subject to Section 203 of the Delaware General Corporation Law, as amended (the "DGCL"), an anti-takeover law. In general, Section 203 prohibits a publicly held Delaware corporation from engaging in a business combination with an interested stockholder for a period of three years following the date such person becomes an interested stockholder, unless the business combination or the transaction in which such person becomes an interested stockholder is approved in a prescribed manner. Generally, a "business combination" includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. Generally, an "interested stockholder" is a person that, together with affiliates and associates, owns, or within three years prior to the determination of interested stockholder status did own, 15% or more of a corporation's voting stock. The existence of this provision may have an anti-takeover effect with respect to

Table of Contents

transactions not approved in advance by our Board and the anti-takeover effect includes discouraging attempts that might result in a premium over the market price for the shares of our common stock.

Limitation on Liability of Directors and Indemnification of Directors and Officers

Section 145 of the DGCL provides that: (1) under certain circumstances a corporation may indemnify a director or officer made party to, or threatened to be made party to, any civil, criminal, administrative or investigative action, suit or proceeding (other than an action by or in the right of the corporation) because such person is or was a director, officer, employee or agent of the corporation, or because such person is or was so serving another enterprise at the request of the corporation, against expenses, judgments, fines and amounts paid in settlement reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to criminal cases, had no reasonable cause to believe such person's conduct was unlawful; (2) under certain circumstances a corporation may indemnify a director or officer made party to, or threatened to be made party to, any action or suit by or in the right of the corporation for judgment in favor of the corporation because such person is or was a director, officer, employee or agent of the corporation, or because such person is or was so serving another enterprise at the request of the corporation, against expenses reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation; and (3) a present or former director or officer shall be indemnified by the corporation against expenses reasonably incurred by such person in connection with and to the extent that such person has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in the preceding clauses, or in defense of any claim, issue or matter therein.

Our Certificate of Incorporation and By-laws provide that, to the fullest extent legally permitted by the DGCL, we will indemnify and hold harmless any person who was or is a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or a person of whom he is the legal representative, is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company or for its benefit as a director, officer employee or agent of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise, from and against any and all expenses, liabilities and losses (including without limitation attorney's fees, judgments, fines and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person in connection therewith.

Our Certificate of Incorporation eliminates the liability of directors for monetary damages for breach of fiduciary duty as directors, except for liability (1) for any breach of the director's duty of loyalty to the Company or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL, or (4) for any transaction from which the director derived an improper personal benefit. The DGCL, our Certificate of Incorporation and our By-Laws permit the purchase by the Company of insurance for indemnification of directors and officers. We currently maintain directors and officers liability insurance.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of

securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

II-2

Table of Contents

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report, pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Exchange Act and will be governed by the final adjudication of such issue.
