Mr. Rome's agreement commenced on January 1, 1998, has a five-year term and provides for a base salary of \$250,000 for 1998, increasing to \$400,000 for 2002. Mr. White's agreement commenced on January 1, 1998, has a five-year term and provides for a base salary of \$150,000 for 1998, increasing to \$220,000 for 2002. Mr. Beckett's agreement commenced on January 1, 1998, was amended effective January 1, 2000, has a six-year term, and provides for a base salary of \$155,000 in 1998, increasing to \$300,000 in 2003. Each of these employees is permitted to participate in such pension, profit-sharing, bonus, life insurance, hospitalization, major medical, and other employee benefit plans of the Company that may be in effect from time to time.

Mr. Carr's amended agreement commenced on December 15, 1999, had a three-year term, provided for a base salary of \$475,000, subject to adjustment annually beginning January 1, 2000 and provided for a bonus arrangement. Additionally, as part of Mr. Carr's agreement, if a change in control of the Company occurred, Mr. Carr had the option to terminate his contract within 60 days and, if he elected to terminate, be paid an amount equal to the annual base salary amount in effect on that date for the remainder of the term. Upon the sale of Westbrooke, Mr. Carr resigned from his position with the Company and his employment agreement terminated. Effective April 6, 2002, a Consulting Agreement between Mr. Carr and TOI was assigned to the Company. For more information on the terms of the Consulting Agreement, see the section entitled "Certain Related Party Agreements and Transactions--Consulting Agreement" below.

Upon the consummation of the merger of Engle with and into the Company on June 25, 2002 (the "Merger"), Antonio B. Mon became the Company's Chief Executive Officer, President and Executive Vice-Chairman, as well as one of its directors. Under the terms of the employment agreement between Mr. Mon and the Company, which became effective on the date of the Merger, Mr. Mon will receive

Edgar Filing: TECHNICAL OLYMPIC USA INC - Form DEF 14A

a minimum base salary of \$800,000 for the first year with an increase of 10% per year thereafter until the agreement expires or is terminated as discussed below. In addition, Mr. Mon will receive an annual bonus ("Incentive Compensation") under the Company's Annual and Long-Term Incentive Plan as follows: (i) for the period ending on December 31, 2002, an annual bonus of not less than \$1,000,000, payable monthly; provided, however, that the payment of the bonus for any month is contingent on the "Results of Operation" (as defined in the agreement) for such month being positive (greater than or equal to zero) and (ii) additional Incentive Compensation as determined by the board of directors in its sole discretion. Mr. Mon will also receive options to purchase approximately 1,756,364 shares of the Company's common stock (representing approximately 6.3% of the Company after the Merger) that consists of the following: (i) a vested sign-on option grant, (ii) a front-end option one-third of which vests on each of January 1, 2003, 2004 and 2005 and (iii) a performance vesting option that vests on the seventh anniversary of the option grant date unless certain performance criteria are achieved that will allow for earlier vesting. Mr. Mon will also receive customary fringe benefits and the use of an apartment owned by the Company in Florida.

In the event of an involuntary termination, Mr. Mon will receive (a) the greater of (i) three times the sum of his base salary, his highest annual cash bonus, and the value of his fringe benefits or (ii) the aggregate amount of his base salary, his annual cash bonuses and the value of the fringe benefits that would be payable for the remainder of the employment term; and (b) continued health plan coverage until age 65 or until he becomes covered under another plan. If severance remuneration payable under the agreement is held to constitute an "excess parachute payment" and Mr. Mon becomes liable for any tax penalties imposed thereon, the Company will make a cash payment to him in an amount equal to the tax penalties plus an amount equal to any additional tax for which he will be liable as a result of receipt of the payment for such tax penalties and payment for such reimbursement for additional tax. The employment agreement contains noncompete provisions in the event of Mr. Mon's termination of employment. Mr. Mon's employment agreement expires on December 31, 2006.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Hasler, Poulos and Stevens comprised the Special Benefits Committee in 2001. No officer or employee of the Company or any of its subsidiaries served on the Committee during fiscal year 2001.

Messrs. Horner, Hasler, Delikanakis, Andreas Stengos and George Stengos comprised the Compensation Committee in 2001. No employee of the Company or any of its subsidiaries served on the committee during fiscal year 2001. Messrs. Delikanakis and Andreas Stengos served as officers of certain of the Company's subsidiaries during fiscal year 2001.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

During the fiscal year ended December 31, 2001, the Compensation Committee was comprised of Horner, Hasler, Delikanakis, Andreas Stengos and George Stengos. The Compensation Committee, which is responsible for both the establishment and administration of the policies that govern annual compensation programs for the Company, and the Special Benefits Committee, which is responsible for both the establishment and administration of the compensation and bonus arrangement for the Chief Executive Officer and other top officers, as well as the stock ownership program for the Company, have furnished the following report of executive compensation.

Edgar Filing: TECHNICAL OLYMPIC USA INC - Form DEF 14A

The Compensation Committee was formed on March 12, 1998 to be responsible for executive compensation, the administration of the Company's stock option plans, if any, and the granting of discretionary bonuses. The Special Benefits Committee was formed May 12, 2000 to be responsible for the compensation and bonus plan of the Chief Executive Officer and other top officers of the Company and the administration of the Annual and Long-Term Incentive Plan

Determination of Executive Officer Compensation. The compensation policies of the Company are intended to: (i) reward executives for long-term strategic management that results in the enhancement of stockholder values; (ii) support a performance-oriented environment which rewards achievement of both internal Company goals and enhanced Company performance as measured against performance levels of comparable companies in the industry; and (iii) attract and retain executives whose abilities are critical to the long-term success and competitiveness of the Company.

Components of Executive Officer Compensation. For 2001, the executive compensation program consisted of two key components: (i) a base salary and (ii) incentive compensation (bonus).

Base salaries paid to executive officers were paid pursuant to agreements described in "Employment Agreements" above. Each executive officer's base salary was established based primarily on the individual officer's level of responsibility and comparisons to similar positions within the Company as well as with other companies in the industry.

In 2000, the Compensation Committee evaluated and approved an annual bonus program for the senior officers of the Company and its subsidiaries. The two primary criteria in establishing the program were the level of profitability and expense control. Each bonus was also to be a percentage of the officer's base salary based on job position and experience with the Company. In the budgeting process for the Company, a profit goal or regional contribution target and an expense target were set for each city and region. The amount of bonus earned by the officer will be determined with each factor and actual performance of such factor evaluated.

Minimum threshold performance criteria must be reached before any bonus awards will be granted. In addition, the individual performance of executive officers may be taken into consideration in making any awards.

Determination of the Chief Executive Officer's Compensation. As Chief Executive Officer during 2001, Mr. Fedrick was compensated during fiscal year 2001 pursuant to an employment agreement described under "Employment Agreements" above. Mr. Fedrick was paid a base salary and an annual bonus in 2001. Mr. Fedrick's compensation is substantially related to the Company's performance because he receives an annual bonus, determined pursuant to a specific formula, which is based on the achievement of defined net income and expense control levels by Newmark Home Corporation and its subsidiaries. The actual achievement of a level of profitability for the combined cities and expense control are components of Mr. Fedrick's bonus. If the Company achieves the goals, Mr. Fedrick is entitled to receive a percentage of his base compensation. Mr. Fedrick's annual bonus plan was approved at the 2000 Annual Stockholders Meeting held July 17, 2000.

Long-Term Incentive Plan. As of December 21, 2001, the holders of a majority of the outstanding shares of the Common Stock consented in writing pursuant to the provisions of Section 228(a) of the Delaware General Corporation Law to the approval and adoption of the Newmark Homes Corp. Annual and Long-Term Incentive Plan (the "Plan"). Only stockholders of the Company of record as of the close of business on November 8, 2001 were entitled to notice of, and to

Edgar Filing: TECHNICAL OLYMPIC USA INC - Form DEF 14A

consent to, such action in lieu of a meeting. Pursuant to such authorization by the

9

stockholders of the Company, the Plan is deemed to have been authorized and approved with the same force and effect as if a meeting had been held on December 21, 2001.

The Plan provides that any employee, consultant or director of the Company, its subsidiaries, its parent corporation and affiliated entities is eligible to receive stock options, restricted stock, performance awards, phantom shares, bonus shares or other stock-based awards, either separately or in combination. The number of shares of the Common Stock with respect to which awards may be granted under the Plan is 4,000,000, subject to adjustment. The Plan is intended to promote the interests of the Company by encouraging employees, consultants and directors of the Company, its parent corporation, its subsidiaries and affiliated entities to acquire or increase their equity interest in the Company and to provide a means whereby they may develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to remain with and devote their best efforts to the Company's business, thereby advancing the interests of the Company and its stockholders. As of December 31, 2001, there were no awards granted under the Plan.

Compliance with Section 162(m): Section 162(m) of the Internal Revenue Code (the "Code") generally disallows a tax deduction to public companies for annual compensation over \$1 million paid to their chief executive officer and certain other highly compensated executive officers. The Code generally excludes from the calculation of the \$1 million cap compensation that is based on the attainment of pre-established, objective performance goals. Where practicable, it is the policy of the Special Benefits Committee and the Compensation Committee to establish compensation practices that are both cost-efficient from a tax standpoint and effective as a compensation program. The committees consider it important to be able to utilize the full range of incentive compensations, even though some compensation may not be fully deductible.

The foregoing report has been furnished by the current members of the Compensation Committee and the Special Benefits Committee:

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and directors and persons who own more than 10% of the Company's stock, as well as certain affiliates of such persons, to file the initial reports of ownership and changes in ownership with the SEC and NASD. These parties are required to furnish the Company with copies of such forms they file. Based solely on a review of the copies of the Section 16(a) forms and amendments thereto received by the Company and on written representations that no other reports were required, the Company believes that all reports required pursuant to Section 16(a) for fiscal year 2001 were timely filed by all persons known by the Company to be required to file such reports with respect to the Company's securities.

CERTAIN RELATED PARTY AGREEMENTS AND TRANSACTIONS

TAX ALLOCATION AGREEMENTS

Pursuant to a Tax Allocation Agreement between TOI and the Company, dated effective as of December 16, 1999, and a Tax Allocation Agreement between TOI and Engle, dated effective as of March 15, 2000, the Company's and Engle's earnings may be included in the consolidated federal income tax returns filed by TOI. The amount of the Company's and Engle's liability to (or entitlement to payment from) TOI equals the amount of taxes that each would respectively owe (or refund that each would receive) had the Company or Engle, as the case may be, prepared its federal tax returns on a stand-alone basis. In addition, under federal income tax law, each member of a consolidated group (as determined for federal income tax purposes) is also jointly and severally liable for the federal income tax liability of the consolidated group. Pursuant to the Tax Allocation Agreements, TOI has agreed to indemnify the Company and Engle for payments which TOI has already received from the Company or Engle, respectively, or with respect to any tax liabilities of TOI or its affiliated entities other

Edgar Filing: TECHNICAL OLYMPIC USA INC - Form DEF 14A

than the Company or Engle, as the case may be. With respect to the Tax Allocation Agreements, the Company made payments totaling \$12.8 million for the year ended December 31, 2001 and Engle made payments totaling \$34.5 million for the year ended December 31, 2001. The Tax Allocation Agreement between TOI and Engle was terminated after the Merger.

MANAGEMENT SERVICES AGREEMENT

Pursuant to a Management Services Agreement, dated June 1, 2000, TOI, through its subsidiary Techolym, L.P., provides certain corporate and staff support and management services to the Company. The services performed by TOI under the Management Services Agreement include consultation with and assistance to the Company's board of directors and management in connection with issues involving the Company's business. In addition, as of January 1, 2001, TOI provided plan administration of a self-funded group medical and dental plan for the Company and its subsidiaries under the Management Services Agreement. The Company made payments totaling \$1.9 million and \$1.5 million for the years ended December 31, 2001 and 2000, respectively, related to this agreement. In future years, TOI is entitled to receive the greater of (i) 107.5% of the actual consideration paid to TOI for the services provided in the prior year and (ii) the amount, subject to a maximum of 125% of the consideration paid to TOI for the services provided in the prior year, of the budgeted operating cost of TOI necessary to provide the services to the Company for that year. The Company may terminate the Management Services Agreement upon 60 days prior written notice.

CONTRACTOR AGREEMENTS

In order to consolidate the purchasing function, both the Company and Engle entered into separate Contractor Agreements with Technical Olympic S.A., or TOSA, an affiliate of TOI, in November 2000. Under these Contractor Agreements, TOSA agreed to provide certain construction services and to purchase such materials, supplies and labor on the Company's behalf pursuant to certain third-party contracts assigned to TOSA by the Company or Engle, as the case may be. Each of the Company and Engle maintain the right to contract directly for any construction services and purchase any goods and services from any vendors in its own free unlimited discretion. In addition, goods and services bought by TOSA under these Contractor Agreements are provided to the Company and Engle at TOSA's cost. The Company and Engle do not pay a fee or other consideration to TOSA under these Contractor Agreements. The Company or Engle may terminate the Contractor Agreement to which each is a party upon 60 days prior notice. For goods and services pursuant to these Contractor Agreements, the Company paid on behalf of TOSA \$137.0 million and \$51.0 million in 2001 and 2000, respectively, and Engle paid on behalf of TOSA \$205.6 million and \$19.5 million in 2001 and 2000, respectively.

CERTAIN LAND BANK TRANSACTIONS

During 2001, Engle sold certain undeveloped real estate tracts to an investment limited liability company owned by several of Engle's current and former executive officers, including related trusts of management. Engle has placed deposits and entered into a number of agreements, including option contracts and construction contracts with the limited liability company, to develop and buy back fully developed lots from time to time, subject to the terms and conditions of such agreements. Additionally, under these agreements, Engle can cancel these agreements to purchase the land by forfeiture of its deposit. As of June 30, 2002, the remaining value of lots that Engle can

Edgar Filing: TECHNICAL OLYMPIC USA INC - Form DEF 14A

acquire was approximately \$25.6 million. Engle believes that the terms of the purchase contract and the terms of the related option and development contracts are comparable to those available from unaffiliated parties. Although Engle does not have legal title to the assets of the limited liability company and has not guaranteed its liabilities, Engle may be deemed to have certain rights of ownership over the limited liability company's assets. Consequently, the assets and associated liabilities of the limited liability company have been recorded in Engle's Consolidated Balance Sheet as of June 30, 2002. Minority interest in consolidated subsidiaries, represents the equity provided by members of management.

MERGER AGREEMENT

On June 25, 2002, the Company completed the Merger. The Company was the surviving entity in the Merger, and subsequently changed its name from Newmark Homes Corp. to "Technical Olympic USA, Inc." The Company's trading symbol also changed from "NHCH" to "TOUS." Prior to the Merger, Engle was a 100% owned subsidiary of TOI, the Company's majority stockholder. TOI is a wholly-owned subsidiary of Technical Olympic (UK) PLC, an English company, which is a wholly-owned subsidiary of Technical Olympic S.A., a Greek company that is publicly traded on the Athens Stock Exchange.

Pursuant to the Merger, each issued and outstanding share of Engle common stock was exchanged for 1,724.08294 shares of the Company's common stock, with 16,378,787 additional shares of the Company being issued to TOI. Prior to the Merger, TOI owned 80% of the Company's outstanding common stock and following the Merger, TOI owns 91.75% of the Company's outstanding common stock. In addition, as part of the Merger, the Company assumed approximately \$75 million of debt incurred by TOI in its acquisition of Engle.

As both Engle and Newmark were under the control of TOI, in accordance with Statement of Financial Accounting Standards (SFAS) No. 141, "Business Combinations," the Merger was accounted for in a manner similar to a pooling of interests, whereby the Company recognized the acquired assets and liabilities of Engle at their historical carrying amounts. As both entities came under common control of TOI on November 22, 2000, the financial statements and other operating data of the Company have been restated to include the operations of Engle from November 22, 2000. See the Company's Current Report on Form 8-K dated September 9, 2002, which accompanies this proxy statement. The assumption of the \$75 million of debt incurred by TOI has been accounted for as a distribution.

CONSULTING AGREEMENT

Pursuant to a Consulting Agreement between Mr. James Carr, one of the Company's former directors, and TOI, dated April 6, 2002, Mr. Carr provides consulting services to the Company. The Consulting Agreement was assigned to the Company effective April 6, 2002. The services performed by Mr. Carr for the Company include consultation with the Company's senior management regarding (1) organizational matters related to the business of the Company and its subsidiaries; (2) strategic direction of the Company and its subsidiaries; and (3) certain land opportunities. Under the Consulting Agreement, the Company pays Mr. Carr \$83,333.33 per month. The Consulting Agreement terminates on April 5, 2005.

OTHER MATTERS

RELATIONSHIP WITH INDEPENDENT AUDITOR

The Company filed a Current Report on Form 8-K during the fourth quarter of 2001, reporting a change in the Company's certifying accountant. On October 5, 2001, the Company filed a Form 8-K disclosing that on October 1, 2001 its Board dismissed BDO Seidman, LLP ("BDO") as its independent accountants and

Edgar Filing: TECHNICAL OLYMPIC USA INC - Form DEF 14A

engaged Ernst & Young LLP ("Ernst & Young") as its new independent certified public accountants. The date of the report is October 1, 2001, and as of that date the Company had not consulted Ernst & Young on any accounting issues. The Company's independent auditor is appointed by the Audit Committee and reaffirmed by the Board of Directors. A representative of Ernst & Young is expected to be present at the Annual Meeting, will have an opportunity to make a statement if such representative desires to do so and will be available to respond to appropriate questions of stockholders.

13

In connection with its audits for the two most recent years and through October 1, 2001, there have been no disagreements with BDO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of BDO would have caused them to make reference thereto in their report on the financial statements for such years. During the last two years and for the interim period through October 1, 2001, there were no reportable events of the type described in Item 304(a)(1)(v) of Regulation S-K. BDO provided a letter dated October 3, 2001 agreeing with the statements made above.

During the past three years, the auditor's reports from BDO or Ernst & Young, as the case may be, did not contain any adverse opinions or disclaimers of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

AUDIT FEES

The aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2001, and for the reviews of the financial statements included in the Company's Form 10-Q's for such fiscal year were \$204,000. The aggregate fees billed for professional services rendered for the audit of Engle's annual financial statements for the fiscal year ended December 31, 2001, and for the reviews of the financial statements included in Engle's Form 10-Q's for such fiscal year were \$183,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

During the fiscal year ended December 31, 2001, Ernst & Young did not provide to either the Company or Engle, and neither the Company nor Engle paid Ernst & Young for, professional services related to financial information systems design and implementation.

ALL OTHER FEES

The aggregate fees billed to the Company by Ernst & Young for services rendered to the Company, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," for the fiscal year ended December 31, 2001 were \$87,000. The aggregate fees billed to Engle by Ernst & Young for services rendered to Engle, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," for the fiscal year ended December 31, 2001 were \$115,000.

The Audit Committee has considered the fees paid to Ernst & Young by the Company and has determined that such fees are compatible with maintaining the principal accountant's independence.
