ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE

On March 10, 2004, we announced that we will delay the release of our fourth quarter 2003 earnings, which is currently scheduled for March 11, 2004, pending the completion of a review of the impact of our recently announced reserve revision. Based on our internal technical reviews as well as the independent review of the Audit Committee of our board of directors, we believe that it is likely that a restatement of our financial statements, El Paso CGP Company's and El Paso Production Holding Company's will be required. The completion of our internal review and review by the Audit Committee will also cause a delay in the submission of the Form 10-K filings for the above-mentioned registrants and may impact the timely filing of other related registrants. A copy of this press release is attached as Exhibit 99.A and is incorporated herein by reference.
