Capstone Turbine Corporation (the Company) files this report for a 15-day extension, from June 14 to June 29, 2005, for filing its Annual Report on Form 10-K for the period ended March 31, 2005 (Form 10-K). The Company was unable to file its Form 10-K by June 14, 2005 without unreasonable effort or expense, primarily because the Company has experienced delays in completing management's assessment of the effectiveness of the Company's internal controls over financial reporting, as required under Section 404 of the Sarbanes Oxley Act of 2002. These delays have also caused delays in completing the preparation of the Company's financial statements for the year ended March 31, 2005. The Company continues to dedicate significant resources to the preparation of the financial statements, internal control testing and reporting and preparation of the Form 10-K. The Company currently anticipates that the Form 10-K will be filed on or before the extended deadline of June 29, 2005.
