**PROXY STATEMENT**

**For the Annual Meeting of Stockholders  
To Be Held November 14, 2002**

**INTRODUCTION**

The enclosed proxy is solicited by the Board of Directors of Thousand Trails, Inc., a Delaware corporation ( Thousand Trails ), for use at the Annual Meeting of Stockholders to be held at 10:00 a.m. on Thursday, November 14, 2002, or any adjournments thereof (the Annual Meeting ). The Annual Meeting will be held at Thousand Trails principal executive offices at 3801 Parkwood Blvd., Suite 100, Frisco, Texas 75034. The telephone number of Thousand Trails principal executive offices is (214) 618-7200. Thousand Trails mailed the accompanying Notice of Annual Meeting, this proxy statement and the accompanying proxy on or about October 4, 2002.

**Purposes of the Annual Meeting**

At the Annual Meeting, holders of Thousand Trails common stock (the Stockholders ) will be asked to elect six directors, who will hold office until the Annual Meeting of Stockholders in 2003 and, in each case, until his successor is elected and qualified. The Stockholders will also be asked to ratify the appointment of Grant Thornton LLP as Thousand Trails independent auditor for the fiscal year ending June 30, 2003, and to transact such other business as may properly come before the meeting or any adjournment thereof.

**Recommendations of the Board of Directors**

The Board of Directors recommends that you vote to:

- (1) Elect as directors the nominees named in this proxy statement and the accompanying proxy.
- (2) Ratify Grant Thornton LLP as Thousand Trails independent auditor.

**RECORD DATE AND VOTING**

The Board of Directors established the close of business on September 27, 2002, as the record date for the determination of Stockholders entitled to notice of the Annual Meeting and to vote thereat and at any adjournment thereof. On that date, Thousand Trails had issued and outstanding 6,923,017 shares of common stock, par value \$.01 per share (the Common Stock ). Thousand Trails did not have any other shares of capital stock outstanding.

Each Stockholder will be entitled to one vote per share of Common Stock in connection with the election of each of the six directors, the ratification of the independent auditor and each other matter that may be properly brought before the Annual Meeting. The Stockholders do not possess cumulative voting rights.

**Table of Contents**

The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock issued and outstanding will constitute a quorum at the meeting. Shares represented at the meeting in person or by proxy but not voted will nevertheless be counted for purposes of determining the presence of a quorum. Assuming that a quorum is present or represented at the meeting, the election of each of the six directors and the ratification of Grant Thornton LLP as Thousand Trails independent auditor require the affirmative vote of the holders of a majority of the shares of Common Stock present or represented at the meeting. With respect to the election of directors, votes may be cast for a nominee or withheld. Instructions on the accompanying proxy to withhold authority to vote for one or more of the nominees will result in the nominee(s) receiving fewer votes. However, the number of votes otherwise received by the nominee(s) will not be reduced by such action. Under the rules of the American Stock Exchange, if a broker forwards the proxy statement and the accompanying material to its customers before the Annual Meeting, the broker may vote the customers shares on each of the proposals if the broker does not receive voting instructions from the customers prior to the Annual Meeting. With respect to all of the proposals, abstentions and broker non-votes, because they are not affirmative votes, will have the same effect as withholding authority with respect to the election of directors or voting against the proposal. Proxies will be received and tabulated by American Stock Transfer & Trust Company, Thousand Trails transfer agent.

Proxyholders will vote the shares of Common Stock represented by valid proxies at the meeting in accordance with the directions given. If a Stockholder signs and returns a proxy card without giving any directions, the proxyholders will vote the shares for the election of the six nominees for director listed herein and for the ratification of Grant Thornton LLP as Thousand Trails independent auditor. The Board of Directors does not intend to present, and has no information that others will present, any other business at the Annual Meeting. However, in their discretion, the proxyholders are authorized to (a) vote upon such other matters that the Board of Directors did not have notice of at least 45 days before the date on which Thousand Trails first mailed it proxy materials for the prior year s annual meeting of stockholders, (b) vote to approve the minutes of the prior year s annual meeting of stockholders (which approval will not amount to ratification of the action taken at that meeting), (c) vote for the election of such substitute nominees for director as the Board of Directors may propose if any of the nominees listed above is unable to serve or for good cause will not serve and (d) vote upon matters incident to the conduct of the meeting.

A Stockholder giving a proxy has the right to revoke it at any time before it is voted. The proxy may be revoked by written notice to the Secretary received at Thousand Trails offices at 3801 Parkwood Blvd., Suite 100, PO Box 2529, Frisco, Texas 75034, before November 14, 2002, or by written notice delivered in person at the Annual Meeting to the Secretary prior to the beginning of the Annual Meeting. Attendance at the Annual Meeting will not, in itself, constitute revocation of a previously granted proxy.

In addition to mailing this material to Stockholders, Thousand Trails has asked banks and brokers to forward copies to persons for whom they hold shares of Common Stock and request authority to execute the proxies. Thousand Trails will reimburse the banks and brokers for their reasonable out-of-pocket expenses in doing so. The directors, officers and other employees of Thousand Trails may, without being additionally compensated, solicit proxies by mail, telephone, e-mail, facsimile or personal contact. All proxy soliciting expenses will be paid by Thousand Trails in connection with the solicitation of votes for the Annual Meeting.

**Stock Option Agreement**

At their annual meeting in 1996, the Stockholders approved the grant to Mr. Shaw of options to purchase 664,495 shares of Common Stock at \$0.69 per share. The options are evidenced by a stock option agreement, dated as of August 1, 1996 (the "Stock Option Agreement") that was approved by the Special Committee of independent directors. Options to purchase 144,927 shares of Common Stock are intended to be eligible for treatment as incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and the remaining options are non-qualified options for such purposes. To date, Mr. Shaw has exercised options for 444,927 shares under the Stock Option Agreement, and options for 219,568 shares are outstanding.

The options granted to Mr. Shaw are exercisable immediately, in full or in part, for a term of ten years, while Mr. Shaw is in the employ of Thousand Trails and for a 90 day period thereafter, except in the event of the termination of Mr. Shaw's employment due to death or permanent disability, in which case the options are exercisable for one year thereafter, or for cause, in which case the options will terminate immediately. The exercise price is payable in cash, except that with the prior approval of the committees administering the Stock Option Agreement, the exercise price may instead be paid in whole or in part by the delivery to Thousand Trails of a certificate or certificates representing shares of Common Stock. Neither the options, nor any interest therein, may be assigned or transferred except by will or the laws of descent and distribution.

In connection with the options granted under the Stock Option Agreement, Thousand Trails must withhold federal taxes with respect to any ordinary income that Mr. Shaw recognizes in connection with such options. Thousand Trails may also have to withhold state and local taxes with respect thereto. Mr. Shaw must pay such withholding liability to Thousand Trails. With the prior consent of the committees administering the Stock Option Agreement, Mr. Shaw may be

In August 1999, Thousand Trails adopted the Thousand Trails, Inc. Employee Stock Purchase Plan (the "Stock Purchase Plan") to give employees and non-employee directors an opportunity to purchase Common Stock through payroll deductions. Under the terms of the Stock Purchase Plan, participants may defer between 1% and 10% of their annual compensation, which will be used to purchase shares of Common Stock on a semi-annual basis. The purchase price paid by participants is 85% of the closing price of the Common Stock as reported by the American Stock Exchange on the date of purchase. Thousand Trails pays the other 15% of the purchase price, plus commissions, and the other costs of administering the Stock Purchase Plan. During the year ended June 30, 2002, employees purchased 6,169 shares of Common Stock under the Stock Purchase Plan, of which Mr. Shaw purchased 3,599 shares and Mr. Gelinis purchased 1,928 shares.

**Long Term Incentive Plans**

As of June 30, 2002, Thousand Trails had two long-term incentive plans. The first of these, the Employees Savings Trust (the 401(k) Plan ), is a contributory employee savings plan exempt under Section 401(k) of the Code. An eligible employee participating in the 401(k) Plan may contribute up to 15% of his or her annual salary, subject to certain limitations. In addition, Thousand Trails makes discretionary matching contributions as determined annually by the Board of Directors. Thousand Trails made matching contributions totaling \$170,000 for the year ended June 30, 2002, and has committed to make matching contributions for the calendar year ending December 31, 2002, in an amount equal to 45% of the voluntary contributions made by each participant, up to 4% of the participant s annual compensation (or a maximum of 1.8% of the participant s annual compensation). Employer contributions are subject to a six-year vesting schedule.

In April 1998, Thousand Trails adopted the Non-Qualified Deferred Compensation Plan (the Non-Qualified Plan ) for the purpose of establishing a deferred compensation plan for certain highly compensated employees. An eligible employee participating in this plan may contribute up to 10% of his or her annual salary subject to certain limitations. In addition, Thousand Trails makes discretionary matching contributions as determined annually by the Board of Directors. Thousand Trails made matching contributions totaling \$16,000 for the year ended June 30, 2002, and has committed to make matching contributions for the calendar year ending December 31, 2002, in an amount equal to 45% of the combined voluntary contributions made by each participant to the Non-Qualified Plan and 401(k) Plan, up to 4% of the participant s annual compensation (or a maximum of 1.8% of the participants annual compensation). Employer contributions are fully vested at the time the contributions are made.

**Indemnification**

Under its Bylaws, Thousand Trails must indemnify its present and former directors and officers for the damages and expenses that they incur in connection with threatened or pending actions, suits or proceedings arising because of their status as directors and officers, provided that they acted in good faith and in a manner that they reasonably believed to be in or not opposed to the best interests of Thousand Trails (or with respect to any criminal action or proceeding, provided that they had no reasonable cause to believe that their conduct was unlawful). In connection with this indemnification obligation, Thousand Trails has entered into indemnification agreements with its directors and officers.

Thousand Trails must advance funds to these individuals to enable them to defend any such threatened or pending action, suit or proceeding. Thousand Trails cannot release such funds, however, until it receives an undertaking by or on behalf of the requesting individual to repay the amount if a court of competent jurisdiction ultimately determines that such individual is not entitled to indemnification.

**REPORT OF THE COMPENSATION COMMITTEE**

Thousand Trails' executive compensation program is administered by the Compensation Committee. The role of the Compensation Committee is to review and approve salaries and other compensation of Thousand Trails' principal officers, including the Named Executive Officers.

*Overall Policy.* The Compensation Committee's compensation policies are intended to (i) provide incentives for executive officer performance that results in continuing improvements in Thousand Trails' financial results and (ii) align the interests of executive officers and Thousand Trails' Stockholders by providing for payment of compensation based on increases in the value of the Common Stock. The Compensation Committee is comprised of independent directors, none of whom is or has been an employee of Thousand Trails.

*Executive Officers.* The compensation of executive officers (other than Mr. Shaw) for fiscal 2002 consisted of a combination of base salary, discretionary cash bonus award and stock option grants. The Compensation Committee has delegated to Mr. Shaw the authority to determine the salary and bonus of such officers if the aggregate annual compensation of the officer is less than \$175,000. Pursuant to such delegated authority, for fiscal 2002, Mr. Shaw continued the base salaries of Messrs. Dawson, Gelinias, Jaccard and Reed at the same level as in fiscal 2001.

Messrs. Jaccard and Reed receive a discretionary cash bonus award based upon achievement of Thousand Trails' overall objectives for the year. Mr. Gelinias receives a discretionary cash bonus award based upon achievement of Thousand Trails' marketing objectives for the year. Mr. Dawson receives a discretionary cash bonus award based upon achievement of Thousand Trails' objectives for its subsidiary, Resort Parks International, Inc. ( RPI ), for the year. Messrs. Gelinias and Dawson received cash bonus awards in fiscal 2002 that were equal to the awards received in fiscal 2001 because of the improvement in Thousand Trails' sales results and the fairly consistent operating results of RPI. Messrs. Jaccard and Reed received cash bonus awards in fiscal 2002 that were less than the awards received in fiscal 2001 because Thousand Trails did not achieve its overall objectives for the year.

In order to provide an incentive to these officers and align their interests with those of the Stockholders, in December 2001, the Compensation Committee approved grants to Messrs. Dawson, Gelinias, Jaccard and Reed of options to purchase 7,500 shares of Common Stock at an exercise price of \$5.95 per share under the 1999 Employee Plan. The exercise price of these options equaled the fair market value of the Common Stock on the date of grant and, therefore, they provide value to the officers only with appreciation in stock prices. These options have a 10-year term and will vest at the rate of 33 1/3% per year over three years.

The Compensation Committee may increase the base salaries of these officers during fiscal 2003. In addition, such persons may receive a discretionary cash bonus award in fiscal 2003 based upon the achievement of objectives related to the performance of Thousand Trails, and they may be granted stock options at the discretion of the Compensation Committee.

*Compensation of Chief Executive Officer.* The compensation of Thousand Trails' Chief Executive Officer for fiscal 2002 consisted of a combination of base salary, cash bonus award and grant of stock options. In September 2001, the Compensation Committee and Board of Directors increased Mr. Shaw's base salary from \$298,500 to \$398,500, an increase of 34%. The

**Table of Contents**

Compensation Committee and Board of Directors believed the increase was necessary in order to retain Mr. Shaw's services as Thousand Trails Chief Executive Officer.

In fiscal 1998, the Compensation Committee and full Board of Directors approved a performance-based cash bonus award for Mr. Shaw. The amount of the cash bonus award each year is determined as follows: if Thousand Trails' actual net income, as adjusted, for a fiscal year equals or exceeds the net income projected in Thousand Trails' budget, as adjusted, for such fiscal year, Mr. Shaw will receive a cash bonus award equal to 25% of his annual base salary at the end of such fiscal year, plus 7.5% of the amount by which the actual net income, as adjusted, for such fiscal year exceeds the net income projected in the budget, as adjusted, for such fiscal year; provided, however, that the amount of the cash bonus award cannot exceed 100% of Mr. Shaw's annual base salary at the end of such fiscal year. For purposes of computing this bonus, the actual and budgeted net income is adjusted to eliminate the effect of gains on asset sales, nonrecurring income and expenses, reductions in the allowance for doubtful accounts, the net deferral of sales revenue and expense and income taxes. In addition, the cash bonus award is computed before accrual of the bonus on Thousand Trails' financial records. For fiscal 2002, Mr. Shaw earned a cash bonus award of \$223,600 under this formula.

In order to provide an incentive to Mr. Shaw and align his interests with those of the Stockholders, on September 17, 2001, the Compensation Committee and Board of Directors approved the grant to Mr. Shaw of options to purchase 600,000 shares of Common Stock at an exercise price of \$5.93 per share under the 2001 Stock Plan. The grant of these options was approved by the Stockholders at the 2001 Annual Meeting of Stockholders. These options have a 10-year term and vest at the rate of 33 1/3% per year over three years. The exercise price of these options equaled the fair market value of the Common Stock on the date of grant and, therefore, they provide value to Mr. Shaw only with appreciation in stock prices.

The 2001 Stock Plan under which Mr. Shaw's options were granted has been structured to qualify for the performance-based compensation exemption under Section 162(m) of the Code. Section 162(m) generally disallows a tax deduction to publicly held companies for compensation over \$1 million to a corporation's chief executive officer and other executive officers named in a corporation's proxy statement compensation table, but the statute exempts qualifying performance-based compensation if certain requirements are met, including stockholder approval. The Compensation Committee and the Board of Directors, however, reserve the authority to award non-deductible compensation arrangements to the Company's executive officers should they deem it appropriate to serve the Company's corporate objectives.

The Compensation Committee may increase Mr. Shaw's base salary during fiscal 2003. **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee is currently composed of three directors, Messrs. Baer, Kovacs and Mathis, each of whom is independent under the listing standards of the American Stock Exchange ( AMEX ). The Audit Committee operates under a written charter adopted by the Board of Directors.

Mr. Boas served on the Audit Committee until September 2002, when the Board of Directors appointed Mr. Baer to the Committee. Mr. Boas is not independent under the listing standards of the AMEX because he is an affiliate of the Company s largest Stockholder, Carl Marks Strategic Investments, LP. Mr. Boas is a general partner of Carl Marks Management Co., LP, which is the general partner of Carl Marks Strategic Investments, LP. Mr. Boas and Carl Marks Management Co., LP are each deemed to beneficially own greater than 5% of the Common Stock. See Security Ownership Security Ownership of Certain Beneficial Owners.

Pursuant to Section 121B(b)(ii) of the AMEX listing standards, the Board of Directors determined that Mr. Boas participation on the Audit Committee was required by the best interests of the Company and its Stockholders. The Board of Directors believed Mr. Boas interests are aligned with the other Stockholders, and that his background and experience enabled him to make valuable contributions to the Audit Committee during the period that he served as a member of the Committee.

The Audit Committee has reviewed and discussed Thousand Trails audited financial statements with management. The Audit Committee has discussed with Grant Thornton LLP, Thousand Trails independent auditor, the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committees, which includes, among other items, matters related to the conduct of the audit of Thousand Trails financial statements. The Audit Committee has also received the written disclosures and the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1, which relates to the accountant s independence from Thousand Trails and its related entities, and has discussed with Grant Thornton LLP its independence from Thousand Trails.

Based upon the review and discussions described above, the Audit Committee recommended to the Board of Directors that Thousand Trails audited financial statements be included in Thousand Trails Annual Report on Form 10-K for the year ended June 30, 2002.

Respectfully submitted,

Audit Committee

**PROPOSAL 2**

**RATIFICATION OF APPOINTMENT OF GRANT THORNTON LLP  
AS INDEPENDENT AUDITOR FOR FISCAL 2003**

**(Item 2 on Proxy Card)**

The Audit Committee has considered the qualifications of Grant Thornton LLP and recommended that the Board of Directors appoint it as independent auditor (of the consolidated financial statements of Thousand Trails) for the fiscal year ending June 30, 2003. The Audit Committee reviewed its performance in fiscal 2002, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee has expressed its satisfaction with Grant Thornton LLP in all of these respects. The Audit Committee's review also included matters required to be considered under the recently promulgated SEC Rules on Auditor Independence and took into account factors relating to independence set forth therein. The Audit Committee's review also included inquiry concerning litigation involving Grant Thornton LLP and the existence of any investigations by the SEC into the financial reporting practices of the companies audited by it. In this respect, the Audit Committee concluded that the ability of Grant Thornton LLP to perform services for Thousand Trails is not in any way adversely affected by any such investigation or litigation.

**Fees paid to Independent Auditor in fiscal 2002**

During the fiscal year ended June 30, 2002, Thousand Trails retained Grant Thornton LLP to provide services in the categories set forth in the following table.

Audit Fees	\$ 122,500
Financial Information Systems Design and Implementation Fees	-0-
All Other Fees	-0-

The amounts reflected in the table represent aggregate fees billed by Grant Thornton LLP for these services for the fiscal year ended June 30, 2002.

The Audit Committee has considered whether the provision of non-audit services by Thousand Trails' auditor is compatible with maintaining auditor independence.

**Change in Independent Auditor**

On May 16, 2002, Thousand Trails dismissed Arthur Andersen LLP as its independent auditor and appointed Grant Thornton LLP as its independent auditor for the fiscal year ending June 30, 2002. The change in auditors was approved by the Board of Directors based upon the unanimous recommendation of the Audit Committee. The change was effective May 16, 2002.

Arthur Andersen's reports on Thousand Trails' consolidated financial statements for each of the years ended June 30, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

**Table of Contents**

During the years ended June 30, 2001 and 2000 and through the date of its dismissal, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused it to make reference to the subject matter in connection with its report on Thousand Trails consolidated financial statements for such years; and there were no reportable events as defined in Item 304 (a) (1) (v) of Regulation S-K.

Thousand Trails provided Arthur Andersen with a copy of the foregoing disclosures and Arthur Andersen provided Thousand Trails with a letter addressed to the SEC, dated May 16, 2002, stating its agreement with such statements.

During the years ended June 30, 2001 and 2000, and through the date of Arthur Andersen's dismissal, Thousand Trails did not consult Grant Thornton LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Thousand Trails' consolidated financial statements or any other matters or reportable events as set forth in Items 304 (a) (2) (i) and (ii) of Regulation S-K.

**Board of Directors Recommendation**

The Board of Directors desires to obtain Stockholder ratification of the Board's action in appointing Grant Thornton LLP as independent auditor of the consolidated financial statements of Thousand Trails for the fiscal year ending June 30, 2003. Representatives of Grant Thornton LLP will be present at the Annual Meeting and may make a statement if they desire. These representatives will also be available to respond to appropriate questions from the Stockholders.

Directors, executive officers and greater than 10% shareholders are required by SEC regulation to send Thousand Trails copies of all Section 16(a) reports they file. Based solely upon its review of the copies of these reports and on written representations from such reporting persons, Thousand Trails believes that during fiscal 2002 such persons filed all required ownership reports and reported all transactions on a timely basis, except for Mr. Mathis, who had three late filings regarding four sales of Common Stock.
