GENERAL INFORMATION

This Proxy Statement is being furnished to you in connection with the 2004 Annual Meeting of Shareholders (the Annual Meeting) of EchoStar Communications Corporation (EchoStar, we, us, our or the Corporation). The Meeting will be held on Thursday, May 6, 2004, at 12:00 noon, local time, at our headquarters located at 9601 S. Meridian Blvd., Englewood, Colorado 80112.

This Proxy Statement is being sent or provided to holders of record at the close of business on March 22, 2004 of our Class A Common Stock (the Class A Shares) and Class B Common Stock (the Class B Shares).

Your proxy is being solicited by our Board of Directors (the Board). It may be revoked by written notice given to our Secretary at any time before being voted. To vote by proxy, please complete the accompanying proxy card and return it to us as instructed in the proxy card. Proxies that are properly delivered to us and not revoked will be voted for the proposals described in this Proxy Statement in accordance with the instructions set forth on the proxy card. The Board is not aware of any matters proposed to be presented at the Annual Meeting other than the election of directors and ratification of KPMG LLP as our independent auditors for the fiscal year 2004. If any other matter is properly presented at the Annual Meeting, the persons named in the accompanying proxy card will have discretionary authority to vote on that matter in accordance with their best judgment. Your presence at the Annual Meeting does not of itself revoke your proxy.

Attendance at the Meeting

All of our shareholders of record at the close of business on March 22, 2004, or their duly appointed proxies, may attend the Annual Meeting. Seating is limited, however, and admission to the Annual Meeting will be on a first-come, first-served basis. Registration and seating will begin at 11:30 a.m., local time, and the Annual Meeting will begin at 12:00 noon, local time. Each shareholder may be asked to present their admission ticket, which is attached to the accompanying proxy card, together with valid photo identification confirming their identity as a shareholder of record, such as a driver's license or passport. Cameras, recording devices, and other electronic devices will not be permitted at the Annual Meeting.

If your shares are held by a broker, bank, or other nominee (often referred to as holding in street name) and you desire to attend the Annual Meeting, you will need to bring a legal proxy or a copy of a brokerage or bank statement reflecting your share ownership as of the record date, March 22, 2004. All shareholders must check in at the registration desk at the Annual Meeting.

Securities Entitled to Vote

Only shareholders of record at the close of business on March 22, 2004 are entitled to notice of the Annual Meeting and to vote their shares at the Annual Meeting. On that date, 240,585,644 Class A Shares and 238,435,208 Class B Shares were issued and outstanding. Each of the Class A Shares is entitled to one vote per share on each proposal to be considered by our shareholders. Each of the Class B Shares is entitled to ten votes per share on each proposal to be considered by our shareholders.

Vote Required

In accordance with our Amended and Restated Articles of Incorporation (our Articles of Incorporation), the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total voting power of all classes of our voting stock taken together shall constitute a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is necessary to elect a director. No cumulative voting is permitted. The affirmative vote of a majority of the voting power represented at the Annual Meeting is required to approve the proposal to ratify the appointment of KPMG LLP as our independent auditors.

Table of Contents

The total number of votes cast for will be counted for purposes of determining whether sufficient affirmative votes have been cast to elect each director or ratify the auditors. Abstentions from voting on a proposal by a shareholder at the Annual Meeting, as well as broker non-votes, will be considered for purposes of determining the number of total votes present at the Annual Meeting. Abstentions will have the same effect as votes against the proposal to ratify the appointment of KPMG LLP as our independent auditors. However, abstentions will not be counted as against or for the election of directors. Broker non-votes will not be considered in determining whether to ratify the appointment of KPMG LLP as our independent auditors or the election of directors.

Through his ownership of Class A Shares and Class B Shares, Charles W. Ergen, our Chairman of the Board and Chief Executive Officer, possesses approximately 91% of our total voting power. Mr. Ergen has stated that he will vote for the election of each of the nominee directors and to ratify the appointment of KPMG LLP as our independent auditors. Accordingly, the election of each of the director nominees and the ratification of the appointment of KPMG LLP as our independent auditors are assured notwithstanding a negative vote by any or all shareholders other than Mr. Ergen.

Householding

We have adopted a procedure approved by the Securities and Exchange Commission (SEC) called householding. Under this procedure, service providers that deliver our communications to shareholders may deliver a single copy of our Annual Report and Proxy Statement to multiple shareholders sharing the same address, unless one or more of these shareholders notifies us that they wish to continue receiving individual copies. Shareholders who participate in householding will continue to receive separate proxy cards. This householding procedure will reduce our printing costs and postage fees.

We will deliver promptly upon written or oral request a separate copy of our Annual Report or Proxy Statement, as applicable, to a shareholder at a shared address to which a single copy of the documents was delivered. Please notify our transfer agent at the address provided below to receive a separate copy of our Annual Report or Proxy Statement.

If you are eligible for householding, but you and other shareholders with whom you share an address currently receive multiple copies of our annual reports and/or proxy statements, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of our Annual Report or Proxy Statement for your household, please contact our transfer agent, Computershare Investor Services, at 350 Indiana Street, Suite 800, Golden, CO 80401, telephone number 303-262-0600.

Table of Contents

Steven R. Goodbarn. Mr. Goodbarn joined the Board in December 2002 and is a member of our Audit Committee and Executive Compensation Committee. Since July 2002, Mr. Goodbarn has served as director, president and chief financial officer of Secure64 Software Corporation, a company he co-founded. Mr. Goodbarn was chief financial officer of Janus Capital Corporation from 1992 until late 2000. During that time, he was a member of the executive committee and served on the board of directors of many Janus corporate and investment entities. Until September 2003, Mr. Goodbarn also served as a director of Nighthawk Systems. Mr. Goodbarn is a CPA and spent 12 years at Price Waterhouse prior to joining Janus.

David K. Moskowitz. Mr. Moskowitz is one of our Senior Vice Presidents and our Secretary and General Counsel. Mr. Moskowitz joined us in March 1990. He was elected to the Board in 1998. Mr. Moskowitz is responsible for all of our legal affairs and performs certain business functions for us and our subsidiaries.

C. Michael Schroeder. Mr. Schroeder has served on the Board since November 2003 and is a member of our Audit Committee and Executive Compensation Committee. In 1981, Mr. Schroeder founded Consumer Satellite Systems, Inc. (CSS), which he grew to encompass a 10 state distribution system operating in a region ranging from Wisconsin to Florida. CSS served retailers selling satellite systems, televisions and a range of consumer electronics products. Mr. Schroeder also founded a programming division that grew to serve over 400,000 subscribers.

The Board of Directors unanimously recommends a vote FOR the election of all of the nominees named herein (Item No. 1 on the enclosed proxy card).

Board of Directors and Committees and Selection Process

Our Board held eleven meetings in 2003 and also took action by unanimous written consent on nine occasions during the year. Each director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board held during the period in which he was a director, and (ii) the total number of meetings held by all committees of the Board on which he served.

Directors are elected annually and serve until their successors are duly elected and qualified. Officers serve at the discretion of the Board.

We are a controlled company as defined in Rule 4350(c)(5) of the NASDAQ Marketplace Rules because more than 50% of our voting power is held by Charles W. Ergen, our Chairman and Chief Executive Officer. Please see Equity Security Ownership of Certain Beneficial Owners and Management below. Therefore, we are not subject to the requirements of Rule 4350(c) that would otherwise require us to have (i) a majority of independent directors on the Board; (ii) a compensation committee composed solely of independent directors; (iii) a nominating committee composed solely of independent directors; (iv) compensation of our executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; and (v) director nominees selected, or recommended for the Board's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

In light of Mr. Ergen's voting power, the Board has determined that the Board, rather than a nominating committee, is the most appropriate body for identifying director candidates and selecting nominees to be presented at the annual meeting of shareholders. The Board has further determined that no policy with respect to consideration of candidates recommended by security holders would be appropriate.

Meetings and Committees of the Board of Directors

The Board currently has an Executive Compensation Committee (the Compensation Committee) and an Audit Committee, both of which were established in October 1995 and both of which consist entirely of non-employee directors. We do not have a standing nominating committee or a nominating committee charter.

Table of Contents

Compensation Committee. The principal functions of the Compensation Committee are to review and approve the compensation of our executive officers and our Chief Executive Officer and award grants to our executive officers and our Chief Executive Officer under our stock incentive plans.

Mr. Dea, Mr. Goodbarn and Mr. Schroeder are the current members of the Compensation Committee. Mr. Schroeder joined the Compensation Committee when he became a member of the Board during November 2003. Considering, among other things, his time commitments as President, Chief Executive Officer and a Director of Western Gas Resources, Inc., Mr. Dea has declined to stand for reelection to our Board in 2004. Therefore, Mr. Dea will also cease to be a member of the Compensation Committee upon expiration of his term as a director at our Annual Meeting on May 6, 2004. We currently expect that Mr. Friedlob will be appointed to the Compensation Committee to replace Mr. Dea following our Annual Meeting. The Compensation Committee held one meeting and took action by unanimous written consent on five occasions during 2003.

Audit Committee. The Audit Committee operates under an Audit Committee Charter adopted by the Board, which is attached to this proxy statement as Appendix A. The principal functions of the Audit Committee are to: (i) select the independent auditors; (ii) review and approve management's plan for engaging our independent auditors during the year to perform non-audit services and consider what effect these services will have on the independence of our independent auditors; (iii) review our annual financial statements and other financial reports which require approval by the Board; (iv) oversee the integrity of our financial statements, our systems of disclosure controls and internal controls and our compliance with legal and regulatory requirements; (v) review the scope of our independent auditors audit plans and the results of their audit and (vi) evaluate the performance of our internal audit function and independent auditors.

The Audit Committee met seven times and took action by unanimous written consent on twelve occasions during 2003. The current members of the Audit Committee are Mr. Friedlob, Mr. Dea, Mr. Goodbarn and Mr. Schroeder. Each of these individuals meets the independence requirements of NASDAQ and applicable SEC rules and regulations. The Audit Committee and the Board have determined that each member of our Audit Committee is financially literate and that Mr. Goodbarn qualifies as an audit committee financial expert as defined by applicable SEC rules. Following our Annual Meeting, it is expected that the Audit Committee will consist of our three continuing outside directors, Mr. Friedlob, Mr. Goodbarn and Mr. Schroeder. Mr. Dea will cease to be a member of the Audit Committee when his term as a director expires at the Annual Meeting.

Other Information about our Board of Directors

We provide an informal process for shareholders to send communications to our Board. Shareholders who wish to contact the Board or any of its members may do so by writing to EchoStar Communications Corporation, Attn: Board of Directors, 9601 S. Meridian Blvd., Englewood, Colorado 80112. At the direction of the Board of Directors, all mail received will be opened and screened for security purposes. Correspondence directed to an individual Board member is referred to that member. Correspondence not directed to a particular Board member is referred to our General Counsel, Mr. Moskowitz.

Although we do not have a policy with regard to Board members' attendance at our annual meetings of shareholders, all of the directors are encouraged to attend such meetings. All of our directors were in attendance at our 2003 Annual Meeting except for Mr. Jean-Marie Messier.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) requires our directors, executive officers and holders of more than 10% of our common stock to file reports with the SEC regarding their ownership and changes in ownership of our equity securities. We believe that during the 2003 fiscal year, our directors, executive officers and 10% shareholders complied with all Section 16(a) filing requirements, with the exception of the following inadvertent late reports attributed to the implementation of a filing system to comply with the expedited and electronic filings requirements of the Sarbanes-Oxley Act of 2002: Ms. Cartwright filed one late Form 4 filing; Mr. Dea filed one late Form 4 filing; Mr. DeFranco filed one late Form 4 filing; Mr. Dugan filed one late Form 4 filing; Mr. Ergen filed one late Form 4 filing; Mrs. Ergen filed one late Form 4 filing; Mr. Friedlob filed one late Form 4 filing; Mr. Goodbarn filed two late Form 4 filings; Mr. Jackson filed one late Form 4 filing; Mr. Kelly filed two late Form 4 filings; Mr. McDonnell filed one late Form 4 filing; Mr. Moskowitz filed one late Form 4 filing; Mr. Schaver filed two late Form 4 filings; and Mr. Schwimmer filed one late Form 4 filing. Each late Form 4 reported above related to a single late transaction or a single series of related transactions. Most of these late reports involved option grants in March 2003 that were reported one day late. In making these statements, we have relied upon examination of copies of Forms 3, 4 and 5 provided to us and the written representations of our directors and officers.

Table of Contents**Stock Option Grants, Exercises and Year-end Values for Fiscal 2003**

The following table sets forth information regarding options to purchase Class A Shares granted to the Named Executive Officers during fiscal 2003. We have no outstanding stock appreciation rights. The amounts shown for each Named Executive Officer below as potential realizable values are based entirely on hypothetical annualized rates of stock appreciation of five percent and ten percent compounded over the full ten-year terms of the options. These assumed rates of growth were selected by the SEC for illustration purposes only and are not intended to predict future stock prices, which will depend upon overall stock market conditions and our future performance and prospects. Consequently, there can be no assurance that the Named Executive Officers will receive the potential realizable values shown in this table.

Vesting of these options is contingent upon meeting certain longer-term goals which have not yet been achieved. We cannot currently predict when those goals will be achieved or when or if the options granted under the plan will become exercisable.

Director Compensation and Nonemployee Director Option Plans

Our employee directors are not compensated for their services as directors. Our non-employee directors receive \$1,000 for each Board meeting attended in person and \$250 for each meeting attended by telephone. Additionally, each non-employee director is paid an annual retainer of \$10,000. Except with respect to our annual meetings, our non-employee directors do not receive separate reimbursement of travel costs to attend Board meetings.

Our non-employee directors are granted an option to acquire 10,000 Class A Shares upon election to the Board under our 1995 Nonemployee Director Stock Option Plan (our 1995 Director Plan) or our 2001 Nonemployee Director Stock Option Plan (our 2001 Director Plan, and together with the 1995 Director Plan, the Nonemployee Director Plans). Options granted under our Nonemployee Director Plans are 100% vested upon issuance and have a term of five years. We also currently grant each non-employee director an option for 5,000 Class A Shares every June in exchange for their continuing services.

We have granted the following options under these plans: in December 1995, upon appointment to the Board, Mr. Friedlob was granted an option to acquire 8,000 Class A Shares at an exercise price of \$2.53125 per share. This option was repriced to \$2.1250 per share during July 1997. Mr Friedlob subsequently has been granted the following additional options: 40,000 Class A Shares at an exercise price of \$2.1250 per share in February 1997; 40,000 Class A Shares at an exercise price of \$6.00 per share in February 1999; 10,000 Class A Shares at an exercise price of \$33.109 per share in June 2000, and 5,000 Class A shares at an exercise price of \$34.62 per share in June 2003.

In March 1998, upon appointment to the Board as a non-employee director, Mr. Nolan Daines was granted an option to acquire 8,000 Class A Shares at an exercise price of \$2.75. He subsequently was granted the following additional options in respect of his service on the Board: 40,000 Class A Shares at an exercise price of \$6.00 in February 1999 and 10,000 Class A Shares at an exercise price of \$33.109 in June 2000. In September of 2002, Mr. Daines began working for us as an employee and therefore was not nominated for reelection to our Board in 2003.

In June 2001, upon appointment to the Board, Mr. Dea was granted an option to acquire 10,000 Class A Shares at an exercise price of \$32.42. He was later granted an option to purchase 5,000 Class A shares at an exercise price of \$34.62 per share in June 2003.

In December 2002, upon appointment to the Board, Mr. Goodbarn was granted an option to acquire 10,000 Class A Shares at an exercise price of \$22.26. He was later granted an option to purchase 5,000 Class A shares at an exercise price of \$34.62 per share in June 2003.

In December 2003, upon appointment to the Board, Mr. Schroeder was granted an option to acquire 10,000 Class A Shares at an exercise price of \$33.99.

Employee Stock Incentive Plans

We have two employee stock incentive plans, our 1995 Stock Incentive Plan and 1999 Stock Incentive Plan (the Stock Incentive Plans). We adopted the Stock Incentive Plans to provide incentives to attract and retain executive

officers and other key employees. The Stock Incentive Plans are administered by our Compensation Committee. Key employees are eligible to receive awards under the Stock Incentive Plans at the Compensation Committee's discretion.

Awards available under the Stock Incentive Plans include: (i) common stock purchase options; (ii) stock appreciation rights; (iii) restricted stock and restricted stock units; (iv) performance awards; (v) dividend equivalents; and (vi) other stock-based awards. We currently have 78,399,000 of our Class A Shares available for issuance under the 1999 Stock Incentive Plan. Our authorization to grant new awards under the 1995 Stock Incentive Plan has expired. Under the terms of the Stock Incentive Plans, the Compensation Committee retains discretion, subject to plan limits, to modify the terms of outstanding awards and to reprice awards.

Table of Contents

Options to purchase 17,735,818 Class A Shares were outstanding as of December 31, 2003 under the Stock Incentive Plans. These options generally vest at the rate of 20% per year commencing one year from the date of grant. The exercise prices of these options, which have generally been equal to or greater than the fair market value of our Class A Shares at the date of grant, have ranged from \$1.16625 to \$79.00 per Class A Share.

In February, 1999, we adopted a long-term incentive plan under our 1995 Stock Incentive Plan. The plan provided our key employees with stock options that may not be exercised until we achieve certain long-term goals. Exercise of the options is also subject to our usual vesting schedule of 20% per year. The performance goals under the plan have not been achieved as of the date of this Proxy Statement. We cannot currently predict when those goals will be achieved or when the options granted under the plan will become exercisable.

Equity Compensation Plan Information

In addition to the Nonemployee Director Plans and the Stock Incentive Plans, during 2002 we adopted our Class B CEO Stock Option Plan, under which we have reserved 20 million shares of our Class B Shares for issuance. No options have been granted to date under our Class B CEO Stock Option Plan.

The following table sets forth a description of our equity compensation plans as of December 31, 2003:

Plan category	(a) Number of Securities to be Issued Upon Exercise of Outstanding Options Warrants and Rights	(b) Weighted-average Exercise Price of Outstanding Options, Warrants and Rights	(c) Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in column (a))

(1) The 2001 Nonemployee Director Stock Option Plan

Our 2001 Nonemployee Director Stock Option Plan was adopted in 2001 by our Board, effective as of June 12, 2001, to attract and retain qualified persons who are not our employees for service as members of our Board. Upon initial election or appointment eligible non-employee directors are granted an option to purchase 10,000 shares of our Class A common stock, effective as of the last day of the calendar quarter in which such person is elected or appointed to our Board. The Board may decide to make further option grants to plan participants. The exercise price of options granted under the plan is 100% of the fair market value of our Class A Shares as of the last day of the calendar quarter in which the non-employee director receiving the option is elected, appointed or reelected to our Board, as applicable. We currently have 195,000 of our Class A Shares available for issuance under this plan. All options granted under the plan expire not later than five years after the date of grant and typically vest immediately upon grant.

401(k) Plan

We have adopted a defined-contribution tax-qualified 401(k) Plan. Our employees become eligible for participation in the 401(k) Plan upon completing six months of service with us and reaching age 19. 401(k) Plan participants may contribute up to 50% of their compensation in each contribution period, subject to the maximum deductible limit provided by the Internal Revenue Code. We may make a 50% matching employer contribution up to a maximum of \$1,000 per participant per calendar year. We may also make an annual discretionary profit sharing or employer stock contribution to the 401(k) Plan with the approval of the Board. During 2003, we expensed approximately \$15 million related to our annual profit sharing contribution to the 401(k) Plan.

Table of Contents

401(k) Plan participants are immediately vested in their voluntary contributions and earnings on voluntary contributions. Our employer contributions to 401(k) Plan participants accounts vest 20% per year commencing one year from the employee's date of employment.

Performance Graph

The graph below sets forth the cumulative total return to our shareholders during the period from December 31, 1998 to December 31, 2003. The graph assumes the investment on December 31, 1998 of \$100 in (i) Class A Shares of EchoStar, (ii) an industry peer group and (iii) the Nasdaq Composite Index and reflects reinvestment of dividends and market capitalization weighting. The industry peer group consists of: Cablevision Systems Corporation, Comcast Corporation, Cox Communications Inc., EchoStar, The DirectTV Group, Inc. (formerly known as Hughes Electronics Corporation), Pegasus Communications Corporation, and Time Warner, Inc. Although the companies included in the industry peer group were selected because of similar industry characteristics, they are not entirely representative of our business.

**COMPENSATION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION**

General

The purpose of EchoStar's compensation policy is to offer compensation packages to attract, retain and motivate EchoStar's executive officers over the long term. Since 1996, executive compensation has been reviewed by the Compensation Committee. The primary components of EchoStar's executive compensation program are base salary and bonuses, conditional incentive-based bonuses and long-term incentive compensation in the form of stock options and other awards offered under the Stock Incentive Plans.

Base Salaries and Bonuses

Annual base salaries paid to EchoStar's executive officers have historically been at levels significantly below those generally paid to executive officers with comparable experience and responsibilities in the telecommunications industry or other similarly-sized companies. Because of these relatively low levels of compensation, EchoStar may experience difficulty in attracting and retaining executives at the highest performance levels. The Compensation Committee reviews and approves all adjustments to annual base salaries paid to EchoStar's executive officers. Compensation adjustments are based on recommendations from Charles W. Ergen, EchoStar's Chairman of the Board and Chief Executive Officer. Factors considered by Mr. Ergen in making his recommendations to the Compensation Committee include his perception of the individual's performance, the individual's success in achieving company and personal goals, and planned changes in responsibilities. Mr. Ergen also considers an individual's extraordinary efforts resulting in tangible increases in corporate, division or department success in recommending increases in base salary and annual bonuses.

Incentive Compensation

The management of EchoStar believes that executive officers who are able to contribute to EchoStar's long-term success and help build incremental shareholder value should have a stake in that future success and value. This stake focuses the executive officers' attention on managing EchoStar as owners with equity positions in EchoStar and aligns their interests with the long-term interests of EchoStar's shareholders. Stock options therefore represent an important and significant component of EchoStar's compensation program for executive officers. EchoStar attempts to create general incentives with its standard stock option grants and conditional incentives through special performance-based conditional grants.

General Incentives. Standard awards under EchoStar's Stock Incentive Plans are based on a review of the individual employee's performance, years of service, position with EchoStar and long-term potential contribution to EchoStar. The number of options to be granted at any one time is based upon consideration of the foregoing factors, the employee's level of responsibility and the number of options previously granted to the employee. EchoStar does not assign specific weights to these factors, although the employee's position and a subjective evaluation of his performance are considered most important. To encourage executive officers to remain in EchoStar's employ, options granted under EchoStar's Stock Incentive Plans generally vest at the rate of 20% per year and have exercise prices not less than the fair market value of EchoStar's Class A Common Stock on the date of grant.

Table of Contents

Conditional Incentives. In February 1999, EchoStar adopted a long-term incentive plan under its 1995 Stock Incentive Plan. The long-term incentive plan provided key employees with stock options that may not be exercised until EchoStar achieves certain long-term goals. Exercise of the options is also subject to EchoStar's usual vesting schedule of 20% per year. The performance goals have not been achieved as of the date of this Proxy Statement. EchoStar cannot currently predict when those goals will be achieved or when the long-term incentive plan options will become exercisable.

Compensation of Chief Executive Officer

The Compensation Committee believes that the compensation paid to Mr. Ergen has generally been at a level that is substantially below amounts paid to chief executive officers at other companies of similar size and in comparable industries.

Mr. Ergen's base salary for each of fiscal 2003, 2002 and 2001 was \$283,847, \$250,006 and \$250,006, respectively. Since 1996, changes in Mr. Ergen's base salary are reviewed annually by the Compensation Committee based on recommendations from the Board.

Respectfully submitted,

The EchoStar Executive Compensation
Committee

Peter A. Dea (Chairman)
Steven R. Goodbarn
C. Michael Schroeder

This determination followed our decision to seek proposals from independent auditors to audit our financial statements for the fiscal year ending December 31, 2002. The decision not to renew the engagement of Arthur Andersen and to retain KPMG was approved by our Board upon the recommendation of our Audit Committee. Arthur Andersen's report on our 2001 financial statements was issued on February 27, 2002 in conjunction with the filing of our Annual Report on Form 10-K for the year ended December 31, 2001.

During our two most recent fiscal years ended December 31, 2001, and the subsequent interim period through June 1, 2002, there were no disagreements between us and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to

Arthur Andersen's satisfaction would have caused them to make reference to the subject matter of the disagreement in connection with their reports.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K under the Exchange Act occurred within our two most recent fiscal years ended December 31, 2001 and the subsequent interim period through June 1, 2002. The audit reports of Arthur Andersen on our consolidated financial statements as of and for the fiscal years ended December 31, 2001 and 2000 do not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

We provided Arthur Andersen with a copy of the foregoing disclosures.

The Audit Committee is responsible for appointing, setting compensation, and overseeing the work of EchoStar's independent auditors. The Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent auditor.

Requests are submitted to the Audit Committee in one of the following ways:

The request may be made with respect to either specific services or a type of service for predictable or recurring services.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist EchoStar's Board of Directors in its oversight of EchoStar's financial reporting process, as is more fully described in its charter, which the Board has adopted and which is attached as Appendix A to this Proxy Statement. EchoStar's management is responsible for its financial reporting process, including its system of internal controls, and for the preparation and presentation of its consolidated financial statements in accordance with generally accepted accounting principles. EchoStar's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with generally accepted accounting principles. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not and may not be employees of EchoStar, and we may not represent ourselves to be or to serve as accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied without independent verification on representations by EchoStar's management that its financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America. We have also relied on representations of EchoStar's independent auditors included in their report on its financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with EchoStar's management and independent auditors do not assure that EchoStar's financial statements are presented in accordance with generally accepted accounting principles, that the audit of EchoStar's financial statements has been carried out in accordance with generally accepted auditing standards or that EchoStar's independent auditors are in fact independent.

In the performance of our oversight function, we reviewed and discussed with EchoStar's management its audited financial statements for the fiscal year ending December 31, 2003. We also discussed these audited financial statements with EchoStar's independent auditors. Our discussions with the independent auditors included the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. We also discussed with them their independence and any relationship that might affect their objectivity or independence. In connection with these discussions, we received and reviewed the written disclosures from KPMG LLP required by Independence Standards Board Standards No. 1, Independence Discussions with Audit Committees. Finally, we have considered whether the non-audit services provided by the independent auditors are compatible with maintaining their independence.

Based on the reviews and discussions referred to above, we are not aware of any relationship between the independent auditors and EchoStar that affects the objectivity or independence of the independent auditors. Based on these discussions and our review discussed above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter attached as Appendix A, we recommended to EchoStar's Board of Directors that its audited financial statements for fiscal 2003 be included in EchoStar's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Respectfully submitted,

The EchoStar Audit Committee

Statement of Policy

Primary responsibility for the Corporation's financial reporting and internal controls is vested in the management of the Corporation, as overseen by the Board of Directors. The Audit Committee shall provide assistance to the Board of Directors in fulfilling their responsibility to the shareholders, potential shareholders and the investing community relating to corporate accounting, reporting practices, and the quality and integrity of the financial reports of the Corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the Board of Directors, the independent auditors, the internal auditors and the financial management of the Corporation. The Audit Committee shall provide oversight and review of the Corporation's accounting and financial services, internal operating controls and its ethical standards in consultation with the independent auditors and the General Counsel of the Corporation.

The Audit Committee shall be the Board of Directors' principal agent in ensuring the independence of the independent auditors, the integrity of management, and the adequacy of disclosures to shareholders. In performing its designated functions, described herein, the Audit Committee shall not assume or diminish management's responsibility for the content of the information disseminated by the Corporation.

Composition of the Audit Committee

The Audit Committee shall be comprised of at least three directors determined by the Board of Directors to meet the independence and financial literacy requirements of The NASDAQ Stock Market (NASDAQ) and applicable federal law, including Section 10A(m)(3) of the Securities Exchange Act of 1934 and the rules and regulations of the Securities and Exchange Commission.

Access, Authority and Funding

The Audit Committee shall have unrestricted access to the Corporation's personnel and records and to the independent auditors and shall have authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties.

The Corporation shall provide the Audit Committee with the appropriate funding, as determined by the Audit Committee, in its capacity as a committee of the Board of Directors, for payment of (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation, (ii) compensation to any advisers or counsel employed by the Audit Committee and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

Meetings

The Audit Committee shall meet on a regular basis, but no less than four (4) times per year, and call special meetings, as required. The Audit Committee should meet separately at least semi-annually with management, the director of the internal auditing department and the independent auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. Members of the Audit Committee may participate in a meeting of the Audit Committee by means

of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

The members of the Audit Committee shall elect a Chairman to preside at all meetings of the Audit Committee. As necessary or desirable, the Chairman of the Audit Committee may request that members and representatives of the independent auditors, management or others be present at a meeting of the Audit Committee and provide pertinent information as necessary.

Compensation shall be one thousand dollars (\$1,000.00) per meeting for members in physical attendance, and shall be two hundred and fifty dollars (\$250.00) per meeting for members participating by conference call; provided that if there are meetings of more than one of the Board of Directors, the Executive Compensation Committee of the Board of Directors and the Audit Committee on the same day, then members shall only be entitled to receive compensation for attendance at a single meeting. Travel expenses related to attendance at meetings of the Audit Committee shall not be reimbursed.

Minutes

Minutes of each meeting of the Audit Committee are to be prepared and approved by the Audit Committee. Such minutes shall be filed with the Secretary of the Corporation and retained in the minute book of the Board of Directors.

General Policies and Procedures

In carrying out its responsibilities, the Audit Committee's policies and procedures will remain flexible, to best react to changing conditions and to ensure to the Board of Directors and shareholders that the corporate accounting and reporting practices of the Corporation are in accordance with all requirements and are of the highest quality.

In undertaking these obligations, the Audit Committee shall review with the Chief Financial Officer of the Corporation and approve the engagement of the independent auditors for each audit and for non-audit services requested, including the fee, scope and timing of the audit or non-audit services requested, the nature and magnitude of the services actually performed compared to earlier approvals for the procedure (if applicable), the range and proportion of audit and non-audit fees and the effect of any engagement on the independence of the auditors.

The Audit Committee shall be responsible for ensuring that it receives from the independent auditors a formal written statement delineating all relationships between the independent auditors and the Corporation, consistent with Independence Standards Board Standards No. 1, Independence Discussions with Audit Committees and the Audit Committee shall further be responsible for actively engaging in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors and for taking, or recommending that the full Board of Directors of the Corporation take, appropriate action to oversee the independence of the independent auditor. The audit committee shall be responsible for confirming and assuring the objectivity of the internal auditor.

The independent auditors are ultimately accountable to the Audit Committee, and the Audit Committee shall have the ultimate authority and responsibility to recommend the nomination of the independent auditors by the Board of Directors for shareholder approval in any proxy statement.
