Item 8.01 Other Events

The following forward-looking statements are subject to risks and uncertainties. We may not meet our expectations set out below for business and financial reasons. In addition to the specific risks described below, we recommend that you carefully consider the risk factors described in our other SEC filings in evaluating us.

Uroplasty announces the receipt of Product Licenses from the Canadian Therapeutic Products Directorate for the Urgent® PC Neuromodulation System. These product licenses will allow Uroplasty, Inc. to market the Urgent PC Neuromodulation System components in Canada for treatment of overactive bladder symptoms of urinary urgency, urinary frequency, and urge incontinence and for treatment of fecal incontinence. Urgent PC is the only minimally invasive nerve stimulation device for out-patient based therapies.
