Item 8.01. Other Events.

On May 30, 2007, we issued a press release announcing that our indirectly wholly-owned subsidiary, MetroPCS Wireless, Inc. ("Wireless"), is planning to sell, subject to market and other conditions, up to \$300 million aggregate principal amount of its 9¹/₄% Senior Notes due 2014 (the "Notes") in a private offering that is expected to close in June. The Notes will be issued pursuant to the existing indenture governing the \$1.0 billion principal amount of 9¹/₄% Senior Notes due 2014 issued by Wireless in November 2006. Wireless intends to use the net proceeds from this private offering for general corporate purposes, which could include financing participation in and acquisition of additional spectrum in the Federal Communications Commission's upcoming 700 MHz auction.

The Notes will be offered and sold only to qualified institutional buyers in reliance on Rule 144A and in offshore transactions pursuant to Regulation S under the Securities Act of 1933, as amended (the "Securities Act"). The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws.

A copy of the press release is attached as Exhibit 99.1.
