Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On December 1, 2008, Mentor Corporation (the *Company*) entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Johnson & Johnson, a New Jersey corporation (*Johnson & Johnson*) and Maple Merger Sub, Inc., a Minnesota corporation and a wholly-owned subsidiary of Johnson & Johnson (*Merger Sub*).

Pursuant to the terms of the Merger Agreement, and subject to the conditions thereof, Johnson & Johnson (through Merger Sub) has agreed to commence a cash tender offer (the *Offer*) to purchase all of the issued and outstanding shares of the common stock, par value \$0.10 per share, of the Company (the *Shares*) at a per share purchase price of \$31.00 (the *Offer Price*), for aggregate equity consideration of approximately \$1.07 billion. The estimated net value of the transaction is \$1.12 billion based on the Company's 34.6 million fully diluted shares outstanding, plus estimated net debt at the time of closing. Following the consummation of the Offer, Merger Sub will merge with and into the Company (the *Merger*) and the Company shall be the surviving corporation in the Merger and shall continue its corporate existence under the Minnesota Business Corporations Act as a wholly-owned subsidiary of Johnson & Johnson. In connection with the Merger, the Shares, other than Shares held by the Company, Johnson & Johnson, Merger Sub or shareholders who have validly exercised their appraisal rights under the Minnesota Business Corporations Act, will be cancelled and will be automatically converted into the right to receive the Offer Price.

The Company's Board of Directors has approved the Merger Agreement and unanimously recommends that its shareholders accept the tender offer.

The Merger Agreement provides for the commencement of the Offer as promptly as practicable (but in no event later than ten business days) after the date of the Merger Agreement, and the Offer will remain open for at least 20 business days. The obligation to accept for payment and pay for the Shares tendered in the Offer is subject to certain customary closing conditions, including the tender of a majority of the total number of outstanding Shares on a fully diluted basis and the expiration of applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act.

Pursuant to the Merger Agreement and subject to certain exceptions, the Company granted to Merger Sub an irrevocable option (the *Top-up Option*) to purchase, at a per Share price equal to the Offer Price, newly issued Shares in an amount up to the lowest number of Shares that, when added to the number of Shares owned by Johnson & Johnson and its subsidiaries at the time of exercise of the Top-Up Option, will constitute one Share more than 90% of the total Shares outstanding on a fully diluted basis.

The Company has made various representations and warranties and agreed to specified covenants in the Merger Agreement, including covenants relating to the Company's conduct of its business between the date of the Merger Agreement and the closing of the Merger, restrictions on solicitation of proposals with respect to alternative transactions, public disclosures and other matters. The Merger Agreement contains certain termination rights of Johnson & Johnson and the Company and provides that, upon the termination of the Merger Agreement under particular circumstances, the Company would be required to pay Johnson & Johnson a termination fee equal to \$31 million.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Johnson & Johnson and the Company. The Merger Agreement contains representations and warranties that each of Johnson & Johnson and the Company made to the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Merger Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and

warranties set forth in the Merger Agreement. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts at the time they were made or otherwise.

On December 1, 2008, the Company and Johnson & Johnson issued a joint press release relating to the Merger Agreement. A copy of the press release is attached hereto as Exhibit 99.1.

Retention Agreements

On November 30, 2008, each of Joshua H. Levine, Joseph A. Newcomb and Edward Northup (each, an *Employee*) entered into a letter agreement (a *Retention Agreement*) with Johnson & Johnson and the Company to continue his employment with the Company following the closing of the Merger. Under each Retention Agreement, in exchange for the respective Employee limiting his right under his existing employment agreement to terminate his employment for Good Reason (as defined in the Retention Agreement) upon the closing of the Merger, he is entitled to the payment of a retention bonus in the form of a lump-sum amount equal to 36 months base salary in the case of Mr. Levine and 24 months base salary in the case of each of Mr. Newcomb and Mr. Northup, provided he remains an active, full-time employee of the Company or Johnson & Johnson or any of their respective subsidiaries for a period of 12 months following the closing of the Merger. Each Employee is entitled to severance payments only in the event he is terminated within 12 months after the closing of the Merger for reasons other than (i) by the Company for cause or (ii) by the Employee other than for Good Reason (as defined in the Retention Agreement).

The foregoing description of the Retention Agreement does not purport to be complete and is qualified in its entirety by reference to the form of Retention Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 8.01 Other Events.

The Company's board of directors has approved the redemption of all outstanding 2¼% Convertible Subordinated Notes due 2024 (the *Company Convertible Notes*), issued pursuant to the Indenture, dated as of December 22, 2003 between the Company and U.S. Bank National Association, as Trustee (the *Indenture*). On December 2, 2008, a notice of redemption will be mailed to each holder of Company Convertible Notes specifying a redemption date of January 1, 2009. The Redemption Price is 100.25% of the principal amount of the notes plus all accrued and unpaid interest thereon.

The Company Convertible Notes may be converted into Shares from the date the notice of redemption is mailed until the close of business on December 31, 2008, the business day immediately preceding the redemption date, at a conversion rate of 34.7108 per \$1,000 principal amount of the Company Convertible Notes (equivalent to a conversion price of approximately \$28.81 per Share). Holders who wish to convert Company Convertible Notes must surrender such notes for conversion no later than the close of business on December 31, 2008 and must satisfy certain other requirements as set forth in the Company Convertible Notes and the Indenture.

As required under the Indenture, the Company will also issue a notice of put right to holders of Company Convertible Notes specifying a put date of January 1, 2009, which notice shall confirm the right of the holders of the Company Convertible Notes to require the Company to repurchase outstanding Company Convertible Notes on January 1, 2009 at a price of 100.25% of the outstanding principal amount of the notes plus all accrued and unpaid interest thereon.
