Non-Incentive Option Certificate

Stock option granted by Lynch Corporation, an Indiana corporation (the "Company"), to Ralph R. Papitto (the "Optionee"), pursuant to the Company's 2001 Equity Incentive Plan (the "Plan").

1. Grant of Option

This certificate evidences the grant by the Company to the Optionee on the date hereof of an option to purchase, in whole or in part, on the terms provided herein and in the Plan, a total of 180,000 shares of common stock of the Company (the "Shares" or the "Stock") at \$17.50 per Share.

The latest date on which this option may be exercised (the "Final Exercise Date") is the earlier of (a) the tenth anniversary of the date hereof or (b) five years after the Optionee ceases to be the Chief Executive Officer of the Company. The option evidenced by this certificate is not an ISO.

Subject to shareholder approval, this option is immediately exercisable at any time prior to the Final Exercise Date as to all or any portion of the Shares.

6

2. Exercise of Option

Each election to exercise this option shall be in writing, signed by the Optionee or by his/her executor or administrator or by the person or persons to whom this option is transferred by will or the applicable laws of descent and distribution (the "Legal Representative") within the one year period ending with the first anniversary of the Optionee's death (subject to the limitations set out in Section 6c of the Plan), and received by the Company at its principal office, accompanied by payment in full and by such additional documentation evidencing the right to exercise (or, in the case of a Legal Representative, of the authority of such person) as the Option Committee (the "Committee") of the Board of Directors (the "Board") designated by the Board to administer the Plan may require. The purchase price may be paid in cash or by personal check, bank draft or money order payable to the order of the Company, through the delivery

of shares of Stock (which have been outstanding for at least six months) having a fair market value on the last business day preceding the date of exercise equal to the exercise price, by delivery of an unconditional and irrevocable undertaking by a broker to deliver promptly to the Company sufficient funds to pay the exercise price or by a combination of any of the above permissible forms of payment; provided, that if the Shares delivered upon exercise of the option are original issues of authorized Stock, at least so much of the exercise as represents the par value of the Shares purchased shall be paid other than by the Optionee's personal check.

3. Restrictions on Transfer

If at the time this option is exercised the Company is a party to any agreement restricting the transfer of any outstanding shares of its Stock, this option may be exercised only if the Shares so acquired are made subject to the transfer restrictions set forth in that agreement (or if more than one such agreement is then in effect, the agreement specified by the Committee or the Board).

4. Withholding

No Shares will be transferred pursuant to the exercise of this option unless and until the person exercising this option shall have remitted to the Company an amount sufficient to satisfy any federal, state or local withholding tax requirements, or shall have made other arrangements satisfactory to the Company with respect to such taxes.

5. Death or Status Change

Upon the death or termination of the Optionee's service with the Company for any other reason, this option shall terminate as to any Shares for which it was not exercisable immediately prior to the death or termination; provided, that the Committee in its sole discretion may provide (either prior to or following the death or termination) that any or all of such portion of this option not otherwise exercisable prior to the death or termination shall be treated as having become exercisable immediately prior to the death or termination. As to that number of Shares for which the option was exercisable (or deemed exercisable by action of the Committee) immediately prior to the death or termination, it shall in the case of a termination remain exercisable until the

7

Final Exercise Date, and in the case of a death for a period of twelve months following the death of the Optionee (but in no event beyond the Final Exercise Date).

6. Nontransferability of Option

This option is not transferable by the Optionee other than by will or the laws of descent and distribution, and is exercisable during the Optionee's lifetime only by the Optionee.

7. Provisions of the Plan

This option is subject in its entirety to the provisions of the Plan, a copy of which is furnished to the Optionee with this option. All initially capitalized terms not otherwise defined herein shall have the meaning provided in the Plan.
