**Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.**

On May 14, 2009, EPIX Pharmaceuticals, Inc. (the Company) common stock was delisted from The NASDAQ Capital Market. The delisting of the Company's common stock represents a Designated Event under the Indenture, dated as of June 7, 2004, by and between the Company and U.S. Bank National Association, as amended (the

Indenture), governing the Company's remaining \$3.2 million aggregate principal amount of 3% Convertible Senior Notes Due 2024 (the Notes). The Company retired \$96.8 million of the original \$100 million aggregate principal amount of Notes in connection with an exchange offer that was consummated on May 7, 2009. As a result of the occurrence of the Designated Event, in accordance with and pursuant to the terms of the Indenture, each holder of the outstanding \$3.2 million aggregate principal amount of the Notes has the right, at its option, to require the Company to repurchase in cash such holder's Notes at 100% of the principal amount of the Notes, plus accrued and unpaid interest. Under the Indenture, the Company is required to send a notice regarding this option to the holders of the Notes by June 3, 2009. The Indenture requires the Company to repurchase any submitted Notes on a date fixed by the Company that is no earlier than 30 business days and no later than 45 business days following the date of the notice sent to holders. The Company has not yet fixed a repurchase date for the Notes or sent the notice to any holder of the Notes.
