Report of Independent Auditors

Plan Administrator  
Atlantic Southeast Airlines, Inc. Investment Savings Plan

We have audited the accompanying statements of net assets available for benefits of Atlantic Southeast Airlines, Inc. Investment Savings Plan as of December 31, 2002 and 2001, and the related statement of changes in net assets available for benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2002 and 2001, and the changes in its net assets available for benefits for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2002 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for the Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. DESCRIPTION OF PLAN

The following description of the Atlantic Southeast Airlines, Inc. Investment Savings Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Atlantic Southeast Airlines, Inc. (the "Company"). Employees become eligible to enroll on the enrollment date following the date of completion of ninety days of continuous employment. The enrollment dates for the Plan are January 1, April 1, July 1, or October 1 of each year.

Employer matching contributions are awarded to employees who work at least 1,000 hours each year and have at least one year of service. Once the length of service provision is met, the employee is eligible for matching contributions for the following Plan year, which begins on January 1. Eligible employees must be employed on December 31 to receive a matching contribution for the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Company uses Delta Air Lines, Inc. ("Delta") common stock as an investment option in the Plan. Atlantic Southeast Airlines, Inc. is a wholly-owned subsidiary of Delta.

CONTRIBUTIONS

Participants are able to contribute up to 25% of pretax annual compensation, as defined by the Plan. Participants may also make rollover contributions from other qualified defined benefit or defined contribution plans.

### 1. DESCRIPTION OF PLAN (CONTINUED)

#### FORFEITURES

Forfeitures of terminated participants' nonvested accounts are used to reduce future matching contributions of the Company. The Company used approximately \$15,000 of forfeitures to reduce employer matching contributions during the year ended December 31, 2002.

#### PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan investment results. The allocations are based on participant earnings or account balances, as defined. A quarterly recordkeeping fee is charged to each participant's account.

#### VESTING

All participant contributions and earnings thereon are 100% vested. Company contributions to participant accounts vest on a graded basis at 10% per year for two years of service, increasing to 20% per year thereafter until fully vesting after six years of service.

#### PAYMENT OF BENEFITS

Upon termination, participants may elect lump-sum distributions or periodic distributions over either a 5 or 10-year period. The full value of benefits are payable upon normal or postponed retirement, total or permanent disability or to beneficiaries upon death of the participant.

#### PARTICIPANTS LOANS

Participants may borrow a minimum of \$1,000 up to a maximum of the lesser of \$25,000 or 50% of their deferred account balances. Loan terms range from 1 - 5 years. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan.

If the Plan is terminated, each participant's account will become fully vested.
