PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 25, 2004

This Proxy Statement and the enclosed form of proxy are furnished to the stockholders of Avatar Holdings Inc., a Delaware corporation (Avatar), in connection with the solicitation of proxies by and on behalf of the Board of Directors of Avatar for use at the Annual Meeting of Stockholders to be held at the place and time and for the purposes set forth in the annexed Notice of Annual Meeting of Stockholders.

VOTING RIGHTS AND PROXY INFORMATION

Record Date; Voting Rights

Pursuant to the By-Laws of Avatar, the Board of Directors has fixed the close of business on April 2, 2004 as the record date for the determination of stockholders entitled to notice of and to vote at the meeting or any adjournment or adjournments thereof.

At the close of business on April 2, 2004, 8,251,386 shares of Common Stock, \$1.00 par value, of Avatar (Common Stock), which constitutes the only class of voting securities of Avatar, were outstanding and entitled to vote. For each share of Common Stock held of record as of the close of business on April 2, 2004, stockholders are entitled to one vote, except in regard to the election of directors, for which there will be cumulative voting as described under the heading Election of Directors. In accordance with Avatar s By-Laws, the holders of a majority of the outstanding shares of Common Stock, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Proxies

When a proxy is received, properly executed, in time for the Annual Meeting, the shares represented thereby will be voted at the meeting as directed. If no such direction is specified, such shares will be voted: (1) FOR the election as directors of Avatar the ten nominees named therein; (2) FOR approval of the appointment of Ernst & Young LLP, independent accountants, as auditors of Avatar for the year ending December 31, 2004; and (3) in connection with the transaction of such other business as properly may come before the meeting in accordance with the judgment of the person or persons voting the proxy. Any stockholder who executes a proxy may revoke it at any time prior to its exercise by giving written notice of such revocation to the Secretary of Avatar. In addition, a stockholder who attends the meeting may vote in person, thereby cancelling any proxy previously given by such stockholder.

Nominees for director will be elected by a plurality of the votes cast at the Annual Meeting by the holders of Common Stock present in person or by proxy and entitled to notice of, and to vote at, the Annual Meeting. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee s achievement of a plurality. Shares present at the meeting that are not voted for a particular nominee or shares present by proxy where the stockholder withheld authority to vote for such nominee(s) (including broker non-votes) will not be counted toward such nominee s achievement of a plurality.

The affirmative vote of a majority of the shares of Common Stock present in person or by proxy and entitled to notice of, and to vote at, the Annual Meeting is necessary to ratify the appointment of Ernst & Young LLP as auditors for the year ending December 31, 2004. Abstentions will have the same effect as votes against such proposals because the shares are considered present at the meeting but are not affirmative votes, and broker non-votes will not be

counted in respect of the proposal.

This proxy statement and the form of proxy enclosed herewith, and the accompanying Annual Report of Avatar for the fiscal year ended December 31, 2003, including financial statements, were first mailed to stockholders of record as of the close of business on April 2, on or about April 23, 2004.

If you plan to attend the meeting, please mark the box provided on your proxy card so that we may send you an attendance card. Stockholders who have beneficial ownership of Common Stock that is held by a bank or broker should bring account statements or letters from their banks or brokers indicating that they owned Avatar Common Stock as of April 2, 2004. Stockholders also may obtain an attendance card by submitting a written request to the Secretary of Avatar.

CORPORATE GOVERNANCE AND CODES
OF BUSINESS CONDUCT AND ETHICS

Corporate Governance Guidelines and Principles

Avatar's Board of Directors has adopted Corporate Governance Guidelines and Principles as a component of the flexible governance framework within which the Board, assisted by its committees, directs Avatar's affairs. The Corporate Governance Guidelines and Principles, which define the role of the Board of Directors, is available on Avatar's website at www.avatarholdings.com.

Director Independence

The Board of Directors has determined that all nominees for election or reelection meet the independence criteria under the rules and regulations of the Securities and Exchange Commission (SEC) and of The Nasdaq Stock Market, Inc. (Nasdaq) except for Jack Nash, Chairman of the Board, and Gerald D. Kelfer, Vice Chairman of the Board, President, Chief Executive Officer and Chairman of the Executive Committee. The Board has further determined that current members of the Audit Committee meet the more stringent independence requirements of the SEC and Nasdaq for Audit Committee membership.

Code of Business Conduct and Ethics

The Board of Directors has adopted a Code of Business Conduct and Ethics applicable to all directors, officers and employees of Avatar and a Supplemental Code of Ethics for the CEO, CFO and other Senior Financial Officers. These Codes of Business Conduct and Ethics are available on Avatar's website at www.avatarholdings.com.

1. ELECTION OF DIRECTORS

Ten directors are to be elected for the ensuing year and until their respective successors are duly elected and qualified. Stockholders have cumulative voting rights with respect to election of directors. Under cumulative voting, each stockholder is entitled to the same number of votes per share as the number of directors to be elected (or, for purposes of this election, ten votes per share). A stockholder may cast all such votes for a single nominee or distribute them among the nominees, as he wishes, either by so marking his ballot at the meeting or by specific voting instructions sent to Avatar with a signed proxy. In connection with the solicitation of proxies, discretionary authority to cumulate votes is being solicited. Unless authority to vote for the nominees for director is withheld, it is the intention of the persons named in the accompanying proxy to vote the proxies in such manner as will elect as directors the nominees named below.

All of the nominees were elected at the June 11, 2003 Annual Meeting of Stockholders except Joel M. Simon. The Board of Directors met six times during 2003, including the annual meeting of directors held immediately following the 2003 Annual Meeting of Stockholders.

The Board of Directors does not contemplate that any of the persons named below will be unable, or will decline, to serve. However, if any of such persons is unable or declines to serve, the persons named in the accompanying proxy may vote for another person or persons in their discretion.

The following table sets forth certain information with respect to each nominee for director. Avatar also provides group life, health, hospitalization and medical reimbursement plans which do not discriminate in scope, terms or operation in favor of officers and are available to all full-time employees. The aggregate value of these and any additional perquisite and other personal benefits cannot be specifically or precisely ascertained but do not, in any event, exceed 10% of the total annual salary and bonus reported for each of the Named Executive Officers.

Option/SAR Grants in 2003

(1) For discussion of terms of options granted, see Employment and Other Agreements below.

(2) Present value on the grant date was determined by using the Black-Scholes option pricing model. The model assumed (i) a risk-free rate of return of 3.73%, which was the implied rate on 10-year U.S. Treasury bonds on the grant date; (ii) a stock price volatility of 28.8% and (iii) the exercise of all options on the final day of their 10-year terms. No discount from the theoretical value was taken to reflect the waiting period prior to vesting, the limited transferability of the options, and the likelihood of the options being exercised in advance of the final day of their terms.

(3) There is no assurance that the values actually realized upon the exercise of these options will be at or near the present value shown in the table as of the date of grant. The Black-Scholes option pricing model is a widely used mathematical formula for estimating option values that incorporates various assumptions that may not hold true over the 10-year life of these options. For example, assumptions are required about the risk-free rate of return as well as about the dividend yield of Common Stock and the volatility of the Common Stock over the 10-year period. Also, the Black-Scholes model assumes that an option holder can sell the option at any time at a fair price that includes a premium for the remaining time value of the option. However, an optionee can realize an option's value before maturity only by exercising and thereby sacrificing the option's remaining time value. Although the negative impact of this and other restrictions on the value of this type of option is well recognized, there is no accepted method for adjusting the theoretical option value for them. The values set forth in the table should not be viewed in any way as a forecast of the performance of Avatar's Common Stock, which will be influenced by future events and unknown factors.

Aggregated Option Exercises in 2003 and Option Values at December 31, 2003

- (2) The performance period commenced as of January 1, 2003. However, gross profit for the 2003 fiscal year did not exceed the minimum gross profit level and no Awards were earned for 2003. Based on the business plan at the time the Awards were granted, it is anticipated Awards will be earned for the 2004 fiscal year.
- (3) Target amounts are based on the business plan at the time the Awards were granted.
- (4) The maximum aggregate amount payable for all awards granted under the Executive Compensation Plan to any individual is \$5,000,000. Cash awards under the cash bonus award agreements related to the Harbor Islands Project in the respective aggregate amounts of \$1,412,651, \$1,059,488 and \$1,059,488 have been paid or accrued to Mr. Kelfer, Mr. Fels and Mr. Levy; future payments are estimated to approximate \$1,087,349 to Mr. Kelfer, who has waived the right to receive cash payments in excess of \$2,500,000 under the cash bonus award agreement, and \$1,591,994 to each of Mr. Fels and Mr. Levy. Assuming payments at the estimated amounts, Mr. Kelfer would be limited to maximum aggregate payments under the earnings participation award agreement of \$2,500,000.
- (5) The number of shares of Common Stock which may become issuable to each of Mr. Kelfer, Mr. Fels and Mr. Levy are presently not determinable, as such Awards are dependent upon Avatar's achievement of actual gross profit from January 1, 2003 through December 31, 2007 in excess of the target gross profit at the time the Awards were granted. (See footnote (1) above.)
- (6) Under the Incentive Plan, Mr. Kelfer has been granted opportunities to receive an aggregate of 275,000 performance-conditioned restricted stock units and options to purchase 225,000 shares of Avatar Common Stock, which options were cancelled as of March 27, 2003 (see Employment and Other Agreements - Agreements with Gerald Kelfer). Although the options have been cancelled, under the provisions of the Incentive Plan, the number of options granted are counted for purposes of determining the aggregate number of shares granted to an individual. Under the Incentive Plan, the aggregate number of shares that may be granted to any one individual is 500,000. Mr. Kelfer would not be entitled to receive any shares of Common Stock pursuant to the earnings participation award unless the Incentive Plan is amended with stockholder approval to increase the individual limit.

Employment and Other Agreements

Agreements with Gerald Kelfer

Employment

As of March 27, 2003, Avatar entered into an amended and restated employment agreement with Mr. Kelfer, President, Chief Executive Officer, Chairman of the Executive Committee and Vice Chairman of the Board, which expires on December 31, 2008. Pursuant to the agreement, Mr. Kelfer continues to receive an annual base salary of \$500,000 and an annual bonus of \$500,000.

If Mr. Kelfer resigns for good reason or is terminated without cause, he is entitled to receive his base annual salary and annual bonus through December 31, 2008, subject to certain mitigation provisions. If Mr. Kelfer's employment terminates on December 31, 2008 or prior thereto he is terminated without cause or resigns for good reason, he will be entitled to annual payments of \$250,000 for four years. If his employment is terminated due to his death or permanent disability or he terminates his employment as a result of a change of control (as defined in the employment agreement), Mr. Kelfer or his estate shall be entitled to receive an annual payment for four years equal to the amount derived by multiplying \$250,000 by a fraction, the numerator of which is the number of completed whole months of employment from November 30, 2000 and the denominator of which is 97 (the number of whole months until December 31, 2008). If Mr. Kelfer resigns without good reason or is terminated for cause, he is entitled to receive his base salary and prorated bonus through the date of termination.

Cash Bonus Award Agreement

On October 20, 2000, Avatar entered into a cash bonus award agreement with Mr. Kelfer pursuant to which Mr. Kelfer was granted an award relating to parcels 1, 8, 9 of Avatar's Harbor Islands community development project (the Harbor Islands Project). The award entitles Mr. Kelfer to receive quarterly cash bonus payments equal to 8% of the cash flow of the Harbor Islands Project. In determining cash flow, there is a deduction for a cost of capital that Avatar would charge to the project to the extent the project is funded by Avatar, such charge to be not less than 10% per annum. Prior to the payment of any bonus, Avatar must first receive cumulative cash flow equal to \$17 million (the approximate value of the land that Avatar has contributed to the project), plus a 10% return thereon compounded monthly (the Minimum Return). Mr. Kelfer has waived the right to receive cash payments in excess of \$2,500,000 under the award.

The award also provides for repayment to Avatar by Mr. Kelfer at the end of the project, on an after-tax basis, of any excess payment, plus interest, should the Compensation Committee determine that the aggregate amount of bonus payments exceeds the aggregate amount that would have been paid if the bonus payment had been made at the end of the project.

If Mr. Kelfer's employment is terminated for cause or he resigns for other than good reason prior to December 31, 2005, rights to future bonus payments after the date of termination are forfeited. If Mr. Kelfer's employment is terminated other than for cause or he resigns for good reason, he will continue to receive future bonus payments. If Mr. Kelfer's termination is due to his permanent disability or death, Mr. Kelfer or his estate would continue to receive prorated bonus payments based upon the number of months actually employed.

Earnings Participation Award Agreement

As of March 27, 2003, Avatar entered into an earnings participation award agreement with Mr. Kelfer, pursuant to which he was granted a cash award and a stock award relating to achievement of performance goals. The cash award

entitles Mr. Kelfer to a cash payment with respect to each fiscal year beginning 2003 and ending 2007 equal to two and one-half per cent of

Avatar's gross profit (as defined) over pre-established levels as determined by the Compensation Committee. Under the provisions of the Executive Incentive Compensation Plan, total awards are limited to a maximum of \$5,000,000 per individual. Therefore, Mr. Kelfer may receive a maximum aggregate amount of \$5,000,000 under the cash bonus award relating to the Harbor Islands Project and the earnings participation award agreement.

The stock award entitles Mr. Kelfer to receive a number of shares of Avatar Common Stock having a fair market value (as defined) equal to two and one-half per cent of the excess of actual gross profit (as defined) from January 1, 2003 through December 31, 2007 over the established target gross profit of approximately \$187,000,000. Under the provisions of the Amended and Restated 1997 Incentive and Capital Accumulation Plan as amended (the Incentive Plan), the total aggregate number of shares that may be granted to any one individual is 500,000. Mr. Kelfer would not be eligible to receive any shares of Common Stock pursuant to the earnings participation award unless the Incentive Plan is amended with stockholder approval to increase the individual limit.

If Mr. Kelfer's employment is terminated for cause or upon resignation for other than good reason, rights to future cash payments or Common Stock issuances after the date of termination are forfeited. If Mr. Kelfer's employment is terminated other than for cause or upon resignation for good reason, he will continue to receive future cash payments and Common Stock issuances. If his termination is due to his permanent disability or death, he or his estate would receive a prorated cash payment for the fiscal year in which his employment was terminated and prorated Common Stock issuances based upon the number of months actually employed during the performance period. Upon the occurrence of a change in control (as defined), Mr. Kelfer would receive a prorated cash payment for the fiscal year in which the change in control occurs and future cash awards and stock awards would be cancelled.

Restricted Stock Unit Agreements

As more fully described below, Mr. Kelfer has been awarded over time the opportunity to receive a total of 275,000 performance conditioned restricted stock units, consisting of 100,000 units granted on December 7, 1998, 50,000 units granted on October 20, 2000 and an aggregate of 125,000 units granted on March 27, 2003. Since being awarded, the performance conditions for 223,700 of the units have been met, and such units have been granted to Mr. Kelfer. The units granted to Mr. Kelfer will vest on December 31, 2005 with respect to 150,000 units and on December 31, 2008 with respect to the remaining units, or upon the occurrence of a change of control of Avatar, provided that, in each case, Mr. Kelfer is then employed by Avatar.

Hurdle Price Restricted Stock Units

As of March 27, 2003, Mr. Kelfer's nonqualified stock options to purchase 225,000 shares of Avatar Common Stock were cancelled and Mr. Kelfer was granted performance conditioned restricted stock units (Hurdle Price Restricted Stock Units). As of March 27, 2003, Avatar entered into four restricted stock unit agreements with Mr. Kelfer pursuant to which he has been awarded under the Incentive Plan the opportunity to receive performance conditioned restricted stock units conditioned upon (i) the closing price of Avatar Common Stock being at least equal to a specified hurdle price for 20 trading days out of 30 consecutive trading days during the period beginning March 27, 2003 and ending December 31, 2008 and (ii) the continued employment of Mr. Kelfer at the time the foregoing condition is satisfied.

At such time as the closing price of Avatar Common Stock is at least \$38.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted 23,700 restricted stock units; at least \$42.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted an additional 20,000 restricted stock units; at least \$46.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted an additional 15,000 restricted stock units; and at least

\$50.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted an additional 16,300 restricted stock units.

If Mr. Kelfer's employment is terminated due to his disability or death after a hurdle price condition is met, Mr. Kelfer will receive the greater of a pro rata portion based on the number of whole months which have elapsed from January 1, 2003 to the date of Mr. Kelfer's disability or death or one-half of the units. If Mr. Kelfer resigns without good reason or is terminated for cause, all of the units will be forfeited. Otherwise, the units granted to him immediately vest in full upon termination of Mr. Kelfer's employment.

Amended and Restated Restricted Stock Units

On December 7, 1998, Avatar entered into a restricted stock unit agreement with Mr. Kelfer, which was amended and restated as of October 20, 2000 and further amended on March 27, 2003. Under the restricted stock unit agreement as amended, Mr. Kelfer was awarded under the Incentive Plan an opportunity to receive 100,000 performance conditioned restricted stock units representing 100,000 shares of Avatar Common Stock. The actual grant of the units was conditioned upon (i) the closing price of Avatar Common Stock being at least \$25.00 per share for 20 trading days out of 30 consecutive trading days during the period beginning October 21, 2000 and ending December 31, 2005, and (ii) the continued employment of Mr. Kelfer at the time the foregoing condition is satisfied. If Mr. Kelfer's employment is terminated due to his disability or death, the units will vest in full. If Mr. Kelfer resigns without good reason or is terminated for cause, all of the units will be forfeited.

Restricted Stock Units

On October 20, 2000, Avatar entered into a restricted stock unit agreement with Mr. Kelfer on terms similar to the restricted stock unit agreement described above, pursuant to which Mr. Kelfer was awarded an opportunity to receive 50,000 additional performance conditioned restricted stock units representing 50,000 shares of Avatar Common Stock. If Mr. Kelfer's employment is terminated due to his disability or death, the units granted to him will vest pro rata based on the number of whole months which have elapsed from October 20, 2000 to the date of Mr. Kelfer's disability or death. If Mr. Kelfer resigns without good reason or is terminated for cause, all of the units will be forfeited.

As of March 27, 2003, Avatar entered into a restricted stock unit agreement with Mr. Kelfer pursuant to which Mr. Kelfer was awarded an opportunity to receive 50,000 performance conditioned restricted stock units representing 50,000 shares of Avatar Common Stock. The actual grant of the units is conditioned upon (i) the closing price of Avatar Common Stock being at least \$34.00 per share for 20 trading days out of 30 consecutive trading days during the period beginning March 27, 2003 and ending December 31, 2008, and (ii) the continued employment of Mr. Kelfer at the time the foregoing condition is satisfied.

If Mr. Kelfer's employment is terminated due to his disability or death, Mr. Kelfer will receive the greater of a pro rata portion of the 50,000 units based on the number of whole months which have elapsed from January 1, 2003 to the date of Mr. Kelfer's disability or death or 25,000 units. If Mr. Kelfer resigns without good reason or is terminated for cause, all of the units will be forfeited. Otherwise, the units granted to him immediately vest in full upon termination of Mr. Kelfer's employment.

Agreements with Jonathan Fels and Michael Levy

Employment

As of January 1, 2003, Avatar entered into amended and restated employment agreements with Jonathan Fels, as President of Avatar Properties Inc. (Properties), and Michael Levy, as

Executive Vice President and Chief Operating Officer of Properties, pursuant to which their respective terms of employment have been extended to December 31, 2007. Each of Mr. Fels and Mr. Levy receive an annual base salary of \$500,000, subject to review and increase by the Board, and a calendar year annual cash bonus of \$250,000.

If the employment of Mr. Fels or Mr. Levy, as the case may be, is terminated due to disability, death or resignation without good reason or terminated by Avatar for cause, then he or his estate (in the event of his death) will receive his accrued but unpaid base salary through the date of termination. In the event of termination due to death or disability, Mr. Fels or Mr. Levy, or his respective estate, will also receive his annual bonus prorated to the date of termination. If Mr. Fels or Mr. Levy resigns for good reason or is terminated without cause, he is entitled to receive his base salary and annual bonus through December 31, 2007, subject to certain mitigation provisions.

Cash Bonus Award Agreements

On October 20, 2000, Avatar entered into cash bonus award agreements with Mr. Fels and Mr. Levy, pursuant to which each was granted an award relating to the Harbor Islands Project. The awards entitle each of Mr. Fels and Mr. Levy to receive quarterly cash bonus payments equal to 6% of the cash flow of the Harbor Islands Project. In determining cash flow, there is a deduction for a cost of capital that Avatar would charge to the project to the extent the project is funded by Avatar, such charge to be not less than 10% per annum. Prior to the payment of any bonus, Avatar must first receive the Minimum Return.

The awards also provide for repayment at the end of the project, on an after-tax basis, of any excess payment, plus interest, should the Compensation Committee determine that the aggregate amount of bonus payments exceeds the aggregate amount that would have been paid if the bonus payments had been made at the end of the project.

If either Mr. Fels or Mr. Levy's employment is terminated for cause or upon resignation for other than good reason prior to December 31, 2004, rights to future bonus payments after the date of termination are forfeited. If either Mr. Fels or Mr. Levy's employment is terminated other than for cause or upon resignation for good reason, he will continue to receive future bonus payments. If either Mr. Fels or Mr. Levy's termination is due to his permanent disability or death, he or his estate would continue to receive prorated bonus payments based upon the number of months actually employed.

Earnings Participation Award Agreements

On March 6, 2003, Avatar entered into earnings participation award agreements with Mr. Fels and Mr. Levy, pursuant to which each was granted a cash award and a stock award relating to achievement of performance goals under Avatar's business plan. The cash awards entitle each of Mr. Fels and Mr. Levy to a cash payment with respect to each fiscal year beginning 2003 and ending 2007 equal to two percent of Avatar's gross profit (as defined) over pre-established levels as determined by the Compensation Committee. Under the provisions of the Executive Incentive Compensation Plan, total cash awards are limited to a maximum of \$5,000,000 per individual. Therefore, each of Mr. Fels and Mr. Levy may receive a maximum of \$5,000,000 under the cash bonus award relating to the Harbor Islands Project and the earnings participation award agreement.

The stock awards entitle each of Mr. Fels and Mr. Levy to receive a number of shares of Avatar Common Stock having a fair market value (as defined) equal to two per cent of the excess of actual gross profit (as defined) from January 1, 2003 through December 31, 2007 over the established target gross profit of approximately \$187,000,000.

If either Mr. Fels or Mr. Levy's employment is terminated for cause or upon resignation for other than good reason, rights to future cash payments or Common Stock issuances after the date of termination are forfeited. If either Mr. Fels or Mr. Levy's employment is terminated other than for

cause or upon resignation for good reason, he will continue to receive future cash payments and Common Stock issuances. If either Mr. Fels or Mr. Levy's termination is due to his permanent disability or death, he or his estate would receive a prorated cash payment for the fiscal year in which his employment was terminated and prorated Common Stock issuances based upon the number of months actually employed during the performance period. Upon the occurrence of a change in control (as defined), Mr. Fels and Mr. Levy would receive prorated cash payments for the fiscal year in which the change in control occurs and future cash awards and stock awards would be cancelled.

Nonqualified Stock Option Agreements

On February 19, 1999, Messrs. Fels and Levy were each granted options to purchase 50,000 shares of Avatar Common Stock under the Incentive Plan, at an exercise price of \$25.00 per share. The options granted to each of Messrs. Fels and Levy were fully vested as of February 19, 2002.

If the employment of Mr. Fels or Mr. Levy, as the case may be, is terminated due to his disability or death, the options will remain exercisable for one year following the date of termination. If either Mr. Fels or Mr. Levy, as the case may be, resigns without good reason or is terminated for cause, any unexercised options become null and void upon such termination. Otherwise, the options will remain exercisable until February 19, 2009.

On March 13, 2003, Messrs. Fels and Levy were each granted additional options to purchase 60,000 shares of Avatar Common Stock under the Incentive Plan, at an exercise price of \$25.00 per share. The options vest and become exercisable on December 31, 2007.

If the employment of Mr. Fels or Mr. Levy, as the case may be, is terminated due to his disability or death, the options will vest pro rata based on the amount of time elapsed between January 1, 2003 and December 31, 2007, and such options will become immediately exercisable and expire one year following the date of termination. If either Mr. Fels or Mr. Levy, as the case may be, resigns without good reason or is terminated for cause, any unexercised options become null and void upon such termination. Otherwise, the options will remain exercisable until March 13, 2013.

Restricted Stock Units

As of March 27, 2003, Avatar entered into restricted stock unit agreements with Mr. Fels and Mr. Levy, pursuant to which each has been awarded an opportunity to receive 25,000 performance conditioned restricted stock units representing 25,000 shares of Avatar Common Stock. The actual grant of the units is conditioned upon (i) the closing price of Avatar Common Stock being at least \$34.00 per share for 20 trading days out of 30 consecutive trading days during the period beginning March 27, 2003 and ending December 31, 2007, and (ii) the continued employment of Mr. Fels or Mr. Levy, as the case may be, at the time the foregoing condition is satisfied. As of December 29, 2003, the closing price of Avatar Common Stock was at least \$34.00 for 20 trading days out of 30 consecutive trading days and 25,000 restricted stock units were granted to each of Mr. Fels and Mr. Levy. Any units granted to Mr. Fels and Mr. Levy vest in full on December 31, 2007 or upon the occurrence of a change of control of Avatar, provided that, in either case, Mr. Fels or Mr. Levy is then employed by Avatar.

If Mr. Fels or Mr. Levy's employment is terminated due to his disability or death, Mr. Fels or Mr. Levy will receive the greater of a pro rata portion of the 25,000 units based on the number of whole months which have elapsed from January 1, 2003 to the date of Mr. Fels or Mr. Levy's disability or death or 12,500 units. If either Mr. Fels or Mr. Levy resigns without good reason or is terminated for cause, all of the units will be forfeited. Otherwise, the units granted to either Mr. Fels or Mr. Levy immediately vest in full upon termination of Mr. Fels or Mr. Levy's employment.

Agreements with Dennis J. Getman

Employment Agreement

On September 11, 2003, Avatar entered into an Employment Agreement with Dennis J. Getman, Executive Vice President and General Counsel, effective as of January 1, 2003, for a term of four years at an annual base salary of \$350,000, subject to review and increase by the Board, and additional compensation of specified percentages of net sale proceeds on certain designated asset sales. Over the term of the Agreement, maximum aggregate additional compensation payable to Mr. Getman is \$1,600,000.

If Mr. Getman's employment is terminated due to his disability or death, Mr. Getman or his estate will receive his accrued but unpaid base salary and any additional compensation to which he may be entitled. If Mr. Getman is terminated without cause, he is entitled to receive his accrued but unpaid base salary, any additional compensation to which he may be entitled and a lump sum payment of \$350,000 in lieu of any other payments or benefits. If Mr. Getman is terminated for cause or resigns, he is entitled to receive his accrued but unpaid base salary.

Nonqualified Stock Option Agreement

On February 19, 1999, Mr. Getman was granted options to purchase 10,000 shares of Avatar Common Stock under the Incentive Plan, at an exercise price of \$25.00 per share. The options granted to Mr. Getman were fully vested as of February 19, 2002.

If Mr. Getman's employment is terminated due to his disability or death, the options will remain exercisable for one year following the date of termination. If Mr. Getman resigns without good reason or is terminated for cause, any unexercised options become null and void upon such termination. Otherwise, the options will remain exercisable until February 19, 2009.

Restricted Stock Units

As of September 11, 2003, Avatar entered into a restricted stock unit agreement with Mr. Getman, pursuant to which he has been awarded an opportunity to receive 15,504 performance conditioned restricted stock units representing 15,504 shares of Avatar Common Stock. The units vest in full on January 2, 2007, provided that Mr. Getman is employed by Avatar on December 31, 2006.

If Mr. Getman's employment is terminated due to his disability or death, Mr. Getman or his estate will be entitled to receive 7,752 units. If his employment is terminated for cause, all units will be forfeited. If he is terminated without cause, Mr. Getman will be entitled to receive all units granted to him.

Agreement with Charles L. McNairy

Upon his termination of employment, Mr. McNairy is entitled to receive his base salary for a period of one year from the date of termination.

Compensation Committee Report on Executive Compensation

The duties and responsibilities of the Compensation Committee of the Board of Directors include determining the compensation of Avatar's CEO and certain other executive officers and administering Avatar's incentive compensation plans.

Avatar's executive compensation is intended to reward, retain and motivate management and to align the interests of Avatar's stockholders and management. In determining salary levels and bonuses for the executive officers, primary consideration is given to each executive's level of responsibility and individual performance, as well as compensation generally received by executives of companies engaged in similar type activities. In 2003, certain executives (other than Avatar's

CEO) received discretionary bonuses based on subjective factors. In awarding these bonuses, the Compensation Committee considered the successful efforts of certain executives in guiding the development and implementation of Avatar's long term business strategy, including, but not limited to, the development of active adult communities.

In 2003, the Compensation Committee approved an amended and restated employment agreement, a stock option agreement and a restricted stock unit agreement with each of Jonathan Fels and Michael Levy, and approved an employment agreement and restricted stock unit agreement with Dennis Getman. The employment agreements with Messrs. Fels and Levy increased their base salary, set annual bonus payments and extended their terms of employment to December 31, 2007. The Compensation Committee considered a number of factors in authorizing these agreements, including the fact that Avatar did not have an employment agreement with Mr. Getman, the contributions of Messrs. Fels, Levy and Getman to, and responsibility for, Avatar's active adult and home building businesses and Avatar's overall performance, and Avatar's reliance on Messrs. Fels, Levy and Getman.

The restricted stock units granted to Messrs. Fels and Levy provide that, unless Avatar's common stock attains a market price of \$34.00 per share (the hurdle price) for 20 trading days out of 30 consecutive trading days, Messrs. Fels and Levy will not be entitled to receive the units and even if the hurdle price is obtained, Messrs. Fels and Levy would not receive the units until the expiration of their employment contracts on December 31, 2007, provided that they were still employed by Avatar on that date (except under certain limited circumstances). Avatar's stock price was in the range of \$23.00-\$26.00 per share at the time that the restricted stock unit agreements were being considered. The restricted stock unit agreement with Mr. Getman provides that Mr. Getman would not receive the units unless he remains employed under his employment agreement with Avatar through December 31, 2006 (except under certain limited circumstances).

In 2003, in order to further motivate Avatar's executives, the Compensation Committee considered additional methods of rewarding Avatar's executive officers. Avatar's legal and accounting advisors, working directly with the Compensation Committee, reviewed comparisons to other public companies in the real estate and active adult community businesses, the recommendations of Avatar's CEO and relevant accounting and federal tax considerations. Following the review, it was determined that additional cash and stock incentives based upon the achievement of specific performance based criteria were appropriate. As a result, the Compensation Committee granted earnings participation awards under the Amended and Restated 1997 Incentive and Capital Accumulation Plan and the Executive Incentive Compensation Plan to Messrs. Fels and Levy.

Under the earnings participation awards, Messrs. Fels and Levy would be entitled to earn periodic cash payments for fiscal years 2003 through 2007 and a potential stock payment in fiscal year 2008 upon the attainment of certain levels of corporate gross profit in excess of a specified minimum amount, such minimum amount being \$10 million for fiscal year 2003 and increasing 20% for each of fiscal years 2004 through 2007 for the cash award. Also, no stock bonus would be paid to Messrs. Fels and Levy unless cumulative corporate gross profit from 2003 through 2007 exceeded approximately \$187 million and would not be payable under any circumstances until fiscal year 2008, although the award would accrue in 2007. See Agreements with Jonathan Fels and Michael Levy Cash Bonus Award Agreements. The minimum condition was not achieved for 2003 and although it is contemplated that cash bonus payments pursuant to the award would be accrued in 2004, such awards would not be paid out until fiscal year 2005. The bonus awards were intended to align the compensation of these executives with the overall performance of the Company in that no payments would be made unless the Company achieved a minimum gross profit level. In addition, the maximum aggregate cash payments to each of Messrs. Fels and Levy under both the Harbor Islands cash bonus award (which was granted in 2000) and the new cash bonus award is \$5,000,000.

CEO Compensation

In 2003, Gerald D. Kelfer, Avatar's CEO, was paid salary and bonus in accordance with his employment agreement and the Harbor Islands cash bonus award, which had been authorized by the Compensation Committee and ratified by the Board of Directors. The amounts paid in 2003 under the employment agreement were not discretionary or otherwise related to the financial performance of Avatar. The amounts paid in 2003 under the Harbor Islands cash bonus award were not discretionary but were related to the performance of the Harbor Islands project.

In March 2003, the Compensation Committee authorized an amended and restated employment agreement with Mr. Kelfer, extending the term of Mr. Kelfer's employment contract with no increase in annual salary or bonus. In 2003, the Compensation Committee also approved a new restricted stock unit agreement and an earnings participation award with Mr. Kelfer. In addition, agreements for an aggregate of 75,000 restricted stock units with hurdle prices ranging from \$38.00 to \$50.00 and the cancellation of Mr. Kelfer's 225,000 stock options were also approved. The Compensation Committee considered a number of factors in authorizing these agreements with Mr. Kelfer, including the significance of Mr. Kelfer to the development and implementation of Avatar's long term business strategy and Mr. Kelfer's proven success in running Avatar.

In awarding the restricted stock units, the Compensation Committee considered, among other things, that the vesting of the restricted stock units would be subject to Mr. Kelfer's continued employment throughout the term of the employment agreement (December 31, 2008) except under limited circumstances. The restricted stock unit agreements also provide that, unless Avatar's common stock attains a series of market prices ranging from \$34.00 to a high of \$50.00 per share (the hurdle prices) for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will not be entitled to receive the units for which the applicable hurdle price had not been obtained. Avatar's stock price was in the range of \$23.00-\$26.00 per share at the time that the new restricted stock unit agreements were being considered. In awarding the earnings participation award, the Compensation Committee considered, among other things, that no cash bonuses under the earnings participation award would be payable in a specified fiscal year unless a minimum corporate gross profit for such year exceeded a specified minimum amount, such amount being \$10 million for fiscal year 2003, and increasing 20% for each of fiscal years 2004 through 2007. Also, no stock bonus under the earnings participation award would be paid to Mr. Kelfer unless cumulative corporate gross profit from 2003 through 2007 exceeded approximately \$187 million and would not be payable under any circumstances until fiscal year 2008. Finally, the Compensation Committee considered the fact that the cash payments to Mr. Kelfer for awards made under the Executive Incentive Compensation Plan would not exceed \$5,000,000 without additional shareholder approval.

Report on Repricing of Options/SARs

Under current interpretations issued by the SEC, the cancellation of out of the money stock options and the exchange of restricted stock therefor is required to be disclosed as a repricing. Therefore, Avatar presents the following information in the tabular format required by the SEC's rules, which discloses the out of the money stock options cancelled by Avatar's executive officers and the shares of restricted stock exchanged therefor. For financial reporting purposes, the exchange was not accounted for as a repricing.

Name	Date	Number Of Securities Underlying Options/SARs Repriced Or Amended	Market Price Of Stock At Time Of Repricing Or Amendment	Exercise Price At Time Of Repricing Or Amendment	New Exercise Price	Length Of Original Option Term Remaining At Date Of Repricing Or Amendment
Gerald Kelfer, President and CEO	3/27/03	225,000	\$25.30	\$34.00	(1)	47 months

- (1) In exchange for the cancellation of the 225,000 options previously granted to Mr. Kelfer, as of March 27, 2003, Avatar entered into four restricted stock unit agreements with Mr. Kelfer pursuant to which he was awarded the opportunity to receive performance conditioned restricted stock units conditioned upon (i) the closing price of Avatar Common Stock being at least equal to a specified hurdle price for 20 trading days out of 30 consecutive trading days during the period beginning March 27, 2003 and ending December 31, 2008 and (ii) the continued employment of Mr. Kelfer at the time the foregoing condition is satisfied. At such time as the closing price of Avatar Common Stock is at least \$38.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted 23,700 restricted stock units; at least \$42.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted an additional 20,000 restricted stock units; at least \$46.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted an additional 15,000 restricted stock units; and at least \$50.00 for 20 trading days out of 30 consecutive trading days, Mr. Kelfer will be granted an additional 16,300 restricted stock units. As of February 4, 2004, the closing price of Avatar Common Stock was at least \$38.00 for 20 trading days out of 30 consecutive trading days, and 23,700 restricted stock units were granted.

On March 27, 2003, the Compensation Committee approved the grant of restricted stock units to Mr. Kelfer in exchange for the cancellation of Mr. Kelfer's existing stock options. The Compensation Committee considered the fact that the restricted stock unit agreements were performance conditioned, required the price of Avatar's common stock to achieve certain levels before any award would be granted and that the lowest hurdle price was \$38.00, which exceeded the \$34.00 strike price of the cancelled options. In addition, even if the performance condition was met, Mr. Kelfer would have to remain employed with Avatar through December 31, 2008, except under certain limited circumstances to receive the award.

Subject to approval by the stockholders, the Audit Committee has appointed Ernst & Young LLP, independent accountants, as auditors of Avatar for the fiscal year ending December 31, 2004. Approval by the stockholders will require the affirmative vote of a majority of the votes present at the meeting in person or by proxy and entitled to be cast. STOCKHOLDERS PROPOSALS AND NOMINATIONS OF BOARD MEMBERS

If a stockholder intends to present a proposal for action at the 2005 Annual Meeting and wishes to have such proposal considered for inclusion in Avatar's proxy materials in reliance on Rule 14a-8 under the Securities Exchange Act of 1934, the proposal must be submitted in writing and received by the Secretary of Avatar by December 24, 2004. Such proposal must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholders' proposals.

Avatar's By-Laws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of individuals for election to the Board of Directors. In general, notice of a stockholder proposal or a director nomination for an annual meeting must be received by Avatar not less than 60 days nor more than 90 days prior to the anniversary date of the preceding annual meeting of stockholders and must contain specified information and conform to certain requirements, as set forth in the By-Laws. If the chairman at any stockholders meeting determines that a stockholder proposal or director nomination was not made in accordance with the By-Laws, Avatar may disregard such proposal or nomination.

In addition, if a stockholder submits a proposal outside of Rule 14a-8 for the 2005 Annual Meeting, and the proposal fails to comply with the advance notice procedure prescribed by the By-Laws, then Avatar's proxy may confer discretionary authority on the persons being appointed as proxies on behalf of the Board of Directors to vote on the proposal. SECTION 16(a)

BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Avatar's officers and directors, and any persons who own more than ten percent of Avatar's Common Stock to file reports of initial ownership of Avatar's Common Stock and subsequent changes in that ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent beneficial owners are also required to furnish Avatar with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of the forms furnished to Avatar, or written representations from certain reporting persons that no Forms 5 were required, Avatar believes that all Section 16(a) filing requirements were complied with, except that one amended report on Form 4 reporting one transaction was not timely filed by Fred Stanton Smith following conversion of previously outstanding 7% Notes called for redemption in 2003.
