PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON JUNE 7, 2004

GENERAL INFORMATION

The enclosed form of proxy is solicited by the Board of Directors (the "Board") of Per-Se Technologies, Inc. (the "Company" or "Per-Se"), which has its

## Edgar Filing: PER SE TECHNOLOGIES INC - Form DEF 14A

principal executive offices at 2840 Mt. Wilkinson Parkway, Atlanta, Georgia 30339, for use at the Annual Meeting of Stockholders to be held at 8:00 a.m. on Monday, June 7, 2004, at the offices of Alston & Bird LLP, One Atlantic Center, 1201 West Peachtree Street, Atlanta, GA 30309, and any adjournment thereof. It is anticipated that this proxy statement ("Proxy Statement") and the accompanying proxy will first be mailed to stockholders on or about May 18, 2004.

Only stockholders of record as of the close of business on May 12, 2004 (the "Record Date"), will be entitled to vote at the Annual Meeting. As of the date hereof, the Company had outstanding 31,620,591 shares of common stock, \$.01 par value ("Common Stock"). Each share of Common Stock is entitled to one vote. No cumulative voting rights are authorized and appraisal rights for dissenting stockholders are not applicable to the matters being proposed.

When a proxy is properly executed and returned, the shares it represents will be voted as directed at the meeting and any adjournment thereof or, if no direction is indicated, such shares will be voted according to the recommendation of the Board. The Board's recommendation is set forth in this Proxy Statement with the description of the matter to be voted on. In summary, the Board recommends a vote FOR each of the director nominees. Any stockholder giving a proxy has the power to revoke it at any time before it is voted. Revocation of a proxy is effective upon receipt by the Secretary of the Company of either (i) an instrument revoking such proxy or (ii) a duly executed proxy bearing a later date. Furthermore, if a stockholder attends the Annual Meeting and elects to vote in person, any previously executed proxy is thereby revoked, except that beneficial owners who hold their stock in street name cannot revoke their proxies in person at the meeting because the stockholders of record who have the right to cast the votes will not be present. If they wish to change their votes after returning voting instructions, such beneficial owners should contact their brokers or other agents before the Annual Meeting to determine whether they can do so.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the meeting who will also determine whether a quorum is present for the transaction of business. The Company's Restated By-laws, as amended (the "By-laws") provide that a quorum is present if the holders of a majority of the issued and outstanding stock of the Company entitled to vote at the meeting are present in person or represented by proxy. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present, and thus will have the effect of a vote against a proposal that requires the affirmative vote of a majority of the votes cast by the stockholders of Common Stock present in person or by proxy and entitled to vote thereon. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented and even though the nominee may not exercise discretionary voting power with respect to other matters and voting instructions have not been received from the beneficial owner (a "broker non-vote"). Broker non-votes will not be counted as votes for or against matters presented for stockholder consideration.

Most stockholders have a choice of voting over the Internet, by telephone or by using a traditional proxy card. Please check your proxy or voting instructions card to see which specific voting methods are available to you. Voting instructions are included on the proxy or voting instructions card. The Internet and telephone voting procedures are designed to authenticate stockholders' identities, to allow stockholders to vote and to allow stockholders to confirm that their instructions have been properly recorded.

Most stockholders can elect to view proxy statements, annual reports and

## Edgar Filing: PER SE TECHNOLOGIES INC - Form DEF 14A

other stockholder communications over the Internet instead of receiving paper copies in the mail. Information about making that election is available by following the instructions on your proxy card, or by following the prompts if voting over the Internet or by telephone. Please consider making that election when voting your proxy.

### ELECTION OF DIRECTORS (PROPOSAL 1)

The Board recommends the election of each of the nominees listed below for the office of director to hold office until the next Annual Meeting and until his successor is elected and qualified. All of such nominees are members of the present Board. Each of such nominees was elected by the stockholders at the last Annual Meeting, with the exception of Mr. Jeffrey W. Ubben, who was elected by the Board on May 14, 2003.

The Board has no reason to believe that any of the director nominees will be unavailable for election as a director. If, however, at the time of the Annual Meeting any of the nominees should be unable or decline to serve, the persons named in the proxy will vote for such substitute nominees, vote to allow the vacancy created thereby to remain open until filled by the Board, or vote to reduce the number of directors for the ensuing year, as the Board recommends. In no event, however, can the proxy be voted to elect more than eight directors. The election of the nominees to the Board requires the affirmative vote of a plurality of the votes cast by stockholders present at the Annual Meeting in person or by proxy. With respect to the election of directors, stockholders may: (i) vote "for" all of the director nominees, (ii) "withhold" authority to vote for all of the nominees, or (iii) withhold authority to vote for any individual nominee or nominees but vote for all other nominees. Votes that are withheld will have no effect on the election of directors. Stockholders eligible to vote at the Annual Meeting do not have cumulative voting rights with respect to the election of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE  
STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE EIGHT NOMINEES  
NAMED IN THIS PROXY STATEMENT

### INDEPENDENT DIRECTORS

The Board consists of a substantial majority of independent directors, as independence is defined in National Association of Securities Dealers, Inc. ("NASD") Rule 4200(a)(15), the standard applicable to the Company as a Nasdaq-listed issuer. The directors that the Board has determined to be independent under NASD Rule 4200(a)(15) are Stephen A. George, M.D., David R. Holbrooke, M.D., Craig Macnab, John C.

## Edgar Filing: PER SE TECHNOLOGIES INC - Form DEF 14A

Pope, C. Christopher Trower, and Jeffrey W. Ubben. The independent directors meet regularly in executive sessions at which only independent directors are present, in accordance with NASD Rule 4350(c)(2).

In May 2003, in connection with Philip M. Pead's election as the Company's Chairman of the Board, the Board elected Mr. Pope as the Company's Lead Independent Director. The primary duties of the Lead Independent Director are to chair meetings of the independent directors, to consult with the Chairman of the Board regarding Board meeting agendas, schedules and information flow, to facilitate communications between the independent directors, the Chairman and management, and to be of counsel to the Chairman and Chief Executive Officer.

### COMMITTEES OF THE BOARD

The Board has established five standing committees: the Audit, Compensation, Compliance, Finance, and Governance Committees. The Audit, Compensation and Governance Committees consist entirely of independent directors as defined by NASD Rule 4200(a)(15). The Compliance and Finance Committees consist of a majority of independent directors. The members and the Chairman of each committee are nominated by the Governance Committee (which also serves as a nominating committee) and are elected by the Board. All of the committees report on their activities to the Board.

The Audit Committee of the Board (the "Audit Committee") is composed of John C. Pope, Chairman, David R. Holbrooke, M.D., Craig Macnab and C. Christopher Trower, each of whom meets the requirements for audit committee membership set forth in NASD Rule 4350(d)(2), including the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Company believes that the Chairman of the Audit Committee, Mr. Pope, qualifies as an "audit committee financial expert" within the meaning of rules adopted by the Securities and Exchange Commission under Section 407 of the Sarbanes-Oxley Act of 2002. In addition, the Company believes that Mr. Pope's past experience and background, including his experience as a chief financial officer, results in his financial sophistication within the meaning of NASD Rule 4350(d)(2). The Audit Committee has direct responsibility for the appointment and discharge, determination of compensation and oversight of the Company's independent auditors, oversight of management's fulfillment of its financial reporting and disclosure responsibilities, and oversight of the Company's internal audit function. A copy of the Charter of the Audit Committee, which specifies the items enumerated in NASD Rule 4350(d)(1), is posted in the corporate governance area of the investors section of the Company's Internet website at [www.per-se.com](http://www.per-se.com). The Audit Committee reviews and reassesses the adequacy of its Charter on an annual basis, in accordance with NASD Rule 4350(d)(1).

The Compensation Committee of the Board (the "Compensation Committee") is composed of Jeffrey W. Ubben, Chairman, Stephen A. George, M.D., David R. Holbrooke, M.D., John C. Pope and C. Christopher Trower, each of whom is independent as defined by NASD Rule 4200(a)(15). The duties of the Compensation Committee include determining all compensation, allowances and benefits for officers of the Company. The Committee makes such determination with respect to the Chief Executive Officer of the Company at a meeting in executive session, at which only members of the Compensation Committee are present. A copy of the Charter of the Compensation Committee, which addresses such determinations, is posted in the corporate governance area of the investors section of the Company's Internet website at [www.per-se.com](http://www.per-se.com). The Compensation Committee's policies applicable to compensation of the Company's executive officers during 2003 are described herein under the caption "Compensation Committee Report on Executive Compensation."

The Compliance Committee of the Board (the "Compliance Committee") is composed of C. Christopher Trower, Chairman, Stephen A. George, M.D., and Philip

## Edgar Filing: PER SE TECHNOLOGIES INC - Form DEF 14A

M. Pead. The Compliance Committee has oversight responsibility for the Company's compliance with laws, rules and regulations applicable to the conduct of its medical billing and collection activities, electronic claims processing activities, and other aspects of its business operations, including compliance with regulations issued under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). The Compliance Committee may exercise such additional authority as may be prescribed from time to time by resolution of the Board.

5

The Finance Committee of the Board (the "Finance Committee") is composed of Craig Macnab, Chairman, David E. McDowell, John C. Pope and C. Christopher Trower. The Finance Committee is responsible for providing advice, support and assistance to management with respect to the Company's strategic plans and financial objectives. The Finance Committee may exercise such additional authority as may be prescribed from time to time by resolution of the Board.

The Governance Committee of the Board (the "Governance Committee") is composed of David R. Holbrooke, M.D., Chairman, Stephen A. George, M.D., Craig Macnab, John C. Pope, C. Christopher Trower and Jeffrey W. Ubben, each of whom is independent as defined by NASD Rule 4200(a)(15). The Governance Committee is responsible for reviewing and assessing the composition and performance of the Board and formulating policies with respect to corporate governance. The Governance Committee also serves as a nominating committee to select nominees for election to the Board, and will consider nominees recommended by stockholders if submitted to the Board in accordance with the procedures specified in the By-laws. A description of those procedures is included herein under the caption "Stockholder Nominees."

Nominees for Board membership must have appropriate business background and industry, technical and/or functional expertise related to the Company's products and services, and must meet the requirements of applicable Securities and Exchange Commission and Nasdaq rules regarding director and committee member qualification. The Governance Committee has, however, refrained from establishing more specific standing requirements for Board membership because the specific skills and expertise required of Board members may vary from time to time, depending on the composition of the Board and an assessment of the needs of the Board and the Company at such time. The Governance Committee periodically examines the composition of the Board of Directors to determine whether the Board would better serve its purposes with the addition of one or more directors. If the Governance Committee determines that adding a new director is advisable, the Committee will initiate an appropriate search, working with other directors and management to identify qualified candidates. The Governance Committee identifies and evaluates all potential nominees for director, including any nominees that may be recommended by stockholders, on a case-by-case basis and it has not established any differences in the manner in which it evaluates nominees based on whether the nominee is recommended by a stockholder. Copies of the Charter of the Governance Committee and the Company's Corporate Governance Guidelines, which address the Governance Committee's director nominations function and related matters, are posted in the corporate governance area of the investors section of the Company's Internet website at [www.per-se.com](http://www.per-se.com).

### MEETINGS IN 2003; ATTENDANCE

During 2003, the Board met ten (10) times, the Audit Committee met twelve (12) times, the Compensation Committee met six (6) times, the Compliance Committee met six (6) times, the Finance Committee met five (5) times and the Governance Committee met five (5) times. Each of the incumbent directors attended 75% or more of the aggregate number of meetings of the Board and all

## Edgar Filing: PER SE TECHNOLOGIES INC - Form DEF 14A

committees on which he served. Each Board member is expected to attend the Annual Meetings of Stockholders of the Company, and all of the incumbent directors attended the Company's 2003 Annual Meeting of Stockholders.

### NON-EMPLOYEE DIRECTORS' COMPENSATION

The Company maintains a non-employee director compensation plan, which is intended to compensate non-employee members of the Board fairly for their talents and time spent on behalf of the Company. The plan provides both cash and equity compensation. The cash compensation consists of an annual retainer for Board membership in the amount of \$16,000, and a fee in the amount of \$1,000 for each Board meeting attended. In addition, the Lead Independent Director and the Board committee chairmen receive annual retainers, and the members of the committees including the committee chairmen receive fees for each committee meeting attended. The annual retainer for the Lead Independent Director is \$32,000, the annual retainer for the Audit Committee chair is \$4,000, the annual retainer for the Compensation Committee chair is \$3,000, and the annual retainer for the other committee chairs is \$2,000. The Audit Committee meeting fee is \$2,000 per meeting attended, and the meeting fee for the other committees is \$1,000 per meeting attended.

6

The Company reimburses each director for out-of-pocket expenses associated with each Board or committee meeting attended and for each other business meeting at which the Company has requested the director's presence.

Non-employee directors may elect to defer receipt and taxation of their cash fees and retainers by participating in the Company's Deferred Stock Unit Plan (the "Deferred Stock Unit Plan"), under which each non-employee director of the Company and certain selected key employees are permitted to defer cash compensation in the form of deferred "stock units," each of which is deemed to be equivalent to one share of Common Stock. At a designated future distribution date selected by the participant, the stock units accumulated in the participant's account under the Deferred Stock Unit Plan will be distributed in the form of Common Stock, and will be taxable to the participant at that time based on the fair market value of the Common Stock.

As of April 28, 2004, the non-employee directors participating in the Deferred Stock Unit Plan and the total deferred stock units accumulated by each of them were as follows:

NAME	DEFERRED STOCK UNITS
----	-----
Stephen A. George, M.D. ....	2,333
Craig Macnab.....	9,886
John C. Pope.....	31,110
C. Christopher Trower.....	29,347

The equity compensation under the non-employee director compensation plan consists of an initial grant of 10,000 stock options (upon first election or appointment to the Board) and an annual grant of 10,000 stock options for each year of service thereafter. Such options are granted under the Amended and Restated Per-Se Technologies, Inc. Non-Employee Director Stock Option Plan (the "Director Stock Option Plan").

## EMPLOYMENT AGREEMENTS

In November 2000, in connection with his promotion to President and Chief Executive Officer of the Company, the Company and Philip M. Pead entered into a three-year employment agreement, which contains certain non-competition, non-solicitation and change in control provisions. That agreement provides that Mr. Pead will be paid a base salary of \$310,000 per year, subject to adjustments in the normal course of business, and that he is eligible for an annual incentive compensation payment of up to 100% of his base salary, payable at the discretion of the Board. Upon early termination of Mr. Pead's employment other than for cause or by Mr. Pead for "good reason," Mr. Pead is entitled to severance consideration equal to two years of salary continuation at his then current salary level, but without the right to receive any incentive bonus payments, and two years of health and welfare benefits continuation. In the event Mr. Pead's employment is terminated in connection with a change in control, he is entitled to receive a severance payment equal to two years of salary and benefits, including incentive bonus payments. A "change in control" is generally defined in the agreement as any consolidation, merger, reorganization or other transaction in which the Company is not the surviving entity or certain changes in the composition of the Board. In all such events of termination, Mr. Pead is entitled to a tax equalization payment with respect to any tax that may be imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"). The Company also agreed to loan Mr. Pead the amount of \$250,000 to purchase shares of Common Stock, and Mr. Pead used that amount in November 2000 to purchase an aggregate of 74,000 shares of Common Stock. The loan is evidenced by a promissory note executed by Mr. Pead and secured by those shares. Its terms are described herein under the caption "Certain Relationships and Related Transactions." In May 2003, in connection with Mr. Pead's election as Chairman of the Board, the employment agreement was amended to extend its term for three years, to increase his base salary to \$375,000, and to provide that he is eligible for a bonus payment of up to 130% of his base salary. In December 2003, as a result of the Board's evaluation of Mr. Pead's performance during 2003 and a review by the Compensation Committee of his compensation, Mr. Pead's base salary was increased to \$425,000, effective as of January 1, 2004.

In April 2000, the Company and Chris E. Perkins, then the Senior Vice President, Corporate Development of the Company, entered into a three-year employment agreement, which contains certain non-competition, non-solicitation and change in control provisions. That agreement provides that Mr. Perkins will be paid a base salary of \$230,000 per year, subject to adjustments in the normal course of business, and that he is eligible for an annual incentive compensation payment of up to 80% of his base salary, payable at the discretion of the Board. Upon early termination of Mr. Perkins' employment other than for cause or by Mr. Perkins for "good reason," Mr. Perkins is entitled to elect severance consideration equal to the greater of two years of salary or his then current monthly salary multiplied by the number of months remaining in the initial term of the agreement, in each case excluding any incentive bonus payments, plus benefit continuation for the lesser of eighteen months and the number of months remaining in the initial term of the agreement. In the event Mr. Perkins' employment is terminated in connection with a change in control, he is entitled to receive a severance payment equal to two years of salary, including incentive bonus payments. A "change in control" is generally defined in the agreement as any consolidation, merger, reorganization or other transaction in which the Company is not the surviving entity or certain changes in the composition of the Board. Mr. Perkins also received options to purchase up to 100,000 shares of Common Stock, and a commitment from the Company to provide \$150,000 to Mr.

Perkins as signing compensation to be earned upon the completion of two years of service with the Company. In February 2001, in connection with his promotion to Executive Vice President and Chief Financial Officer of the Company, the employment agreement was amended to increase Mr. Perkins' base salary to \$250,000, and to provide for Mr. Perkins to receive options to purchase an additional 100,000 shares of Common Stock. As provided in the agreement, the term thereof has continued in effect beyond the initial three-year term for successive one-year terms. The current term of the agreement extends to April 2, 2005. Beginning with the Company's 2003 incentive compensation plan, Mr. Perkins is eligible for a bonus payment of up to 100% of his base salary. His base salary beginning effective January 1, 2004, is \$300,000 per year.

In June 1998, the Company and Frank B. Murphy, then the Senior Vice President -- Physician Management of the Company and more recently the President of the Company's Physician Services Division,

12

entered into a two-year employment agreement, which has continued in effect beyond the initial two-year term for successive one-year terms, and was amended and restated effective April 8, 2004, as described below. The original agreement provided that Mr. Murphy would be paid a base salary of \$180,000 per year (subject to adjustments by any increases given in the normal course of business), and that he would be eligible for an annual incentive compensation payment of up to 80% of his base salary, payable at the discretion of the Board. Under the terms of the original agreement, upon early termination of his employment other than for cause or for "good reason," Mr. Murphy would have been entitled to receive a severance payment equal to his then current monthly salary multiplied by the greater of the number of months remaining in the term of the agreement or twelve months, and he would have also been entitled to continuation of certain health and welfare benefits. In the event Mr. Murphy's employment had terminated in connection with a change in control of the Company, he would have been entitled to receive a severance payment equal to one year of salary continuation at his then current base salary, or the payments due and owing to him under the remaining term of the agreement, whichever was greater.

Effective April 8, 2004 Mr. Murphy's employment agreement with the Company was amended and restated to provide that he will no longer serve an officer of the Company but will continue as an employee of the Company on a part-time basis, providing advice and counsel with respect to pending and potential litigation that relates to matters that were within the scope of his former position as President of the Company's Physician Services Division. The agreement, as amended and restated, provides for an annual salary of \$12,000, and is terminable at will by either party at any time, upon ten days' prior notice to the other party. Under the terms of the amended agreement, Mr. Murphy is not entitled to incentive compensation, nor is he entitled to severance benefits or any continuation of health and welfare benefits upon termination of his employment for any reason.

In July 2003, the Company and Philip J. Jordan, a Senior Vice President of the Company and President of the Company's Hospital Services Division, entered into a one-year employment agreement, which contains certain non-competition, non-solicitation and change in control provisions. That agreement provides that Mr. Jordan will be paid a base salary of \$225,000 per year (subject to adjustments by any increases given in the normal course of business), and that he is eligible for an annual incentive compensation payment of up to 80% of his base salary, payable at the discretion of the Board; provided, however, that his incentive compensation for 2003 is not discretionary but is instead payable pro-rated based on the number of months he is employed by the Company during 2003. Upon early termination of Mr. Jordan's employment other than for cause or by Mr. Jordan for "good reason," Mr. Jordan is entitled to receive a severance

payment equal to his then current monthly salary multiplied by the greater of the number of months remaining in the term of the agreement or twelve, in each case excluding any incentive bonus payments, and he is also entitled to continuation of certain health and welfare benefits. In the event Mr. Jordan's employment is terminated in connection with a change in control, he is entitled to receive a severance payment equal to one year of salary continuation at his then current base salary, or the payments due and owing to him under the remaining term of the agreement, whichever is greater. A "change in control" is generally defined in the agreement as any consolidation, merger, reorganization or other transaction in which the Company is not the surviving entity. Mr. Jordan also received options to purchase up to 290,000 shares of Common Stock.

In May 2001, the Company and Paul J. Quiner, the Senior Vice President and General Counsel of the Company, entered into a two-year employment agreement, which contains certain non-competition, non-solicitation and change in control provisions. That agreement provides that Mr. Quiner will be paid a base salary of \$190,000 per year (subject to adjustments by any increases given in the normal course of business), and that he is eligible for an annual incentive compensation payment of up to 60% of his base salary, payable at the discretion of the Board. Upon early termination of Mr. Quiner's employment other than for cause or by Mr. Quiner for "good reason," Mr. Quiner is entitled to receive a severance payment equal to his then current monthly salary multiplied by the greater of the number of months remaining in the term of the agreement or twelve, in each case excluding any incentive bonus payments, and he is also entitled to continuation of certain health and welfare benefits. In the event Mr. Quiner's employment is terminated in connection with a change in control, he is entitled to receive a severance payment equal to one year of salary continuation at his then current base salary, or the payments due and owing to him under the remaining term of the agreement,

13

whichever is greater. A "change in control" is generally defined in the agreement as any consolidation, merger, reorganization or other transaction in which the Company is not the surviving entity. Mr. Quiner also received options to purchase up to 100,000 shares of Common Stock As provided in the agreement, the term thereof has continued in effect beyond the initial two-year term for successive one-year terms. The current term of the agreement extends to May 31, 2005. Beginning with the Company's 2003 incentive compensation plan, Mr. Quiner is eligible for a bonus payment of up to 80% of his base salary. His base salary beginning effective January 1, 2004, is \$225,000 per year.

### COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's officers, directors and persons who own more than 10% percent of the Common Stock to file certain reports with respect to each such person's beneficial ownership of the Common Stock, including statements of changes in beneficial ownership on Form 4. In addition, Item 405 of Regulation S-K requires the Company to identify in its Proxy Statement each reporting person that failed to file on a timely basis reports required by Section 16(a) of the Exchange Act during the most recent fiscal year or prior fiscal years. Based solely upon a review of Forms 3, 4 and 5 and amendments thereto, for such persons there were no late reports, no transactions that were not reported on a timely basis, and no known failures to file a required form, except that the report on Form 3 relating to Philip J. Jordan's appointment as President of the Company's Hospital Services Division was inadvertently filed late.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As described earlier in this Proxy Statement, the Company has a Compensation Committee, which is composed of Jeffrey W. Ubben, Chairman, Stephen A. George, M.D., David R. Holbrooke, M.D., John C. Pope, and C. Christopher Trower. Each member of the Compensation Committee is an independent director, as independence is defined in NASD Rule 4200(a)(15), and is an "outside director" as provided for in Section 162(m) of the Code. There are no "interlocks," as defined by the Securities and Exchange Commission, with respect to any member of the Compensation Committee.

14

### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

As of the date hereof, the Compensation Committee consists of the five independent directors whose names appear below. The Compensation Committee's policies applicable to compensation of the Company's executive officers (including the named executive officers) during 2003 are described below.

Compensation Components and Philosophy. The components of the Company's executive compensation program consist of base salaries, benefits and perquisites, cash bonuses, stock options, and other long-term incentives. The Company's compensation program is structured and administered to support the Company's business mission, which is to enable physicians and hospitals to achieve their income potential by creating an environment that streamlines and simplifies the complex administrative burden of providing healthcare, and in so doing to generate favorable returns for its stockholders. The program is designed to provide total compensation that represents competitive compensation for the Company's executive officers, including incentive compensation and other long-term incentives that motivate the Company's executive officers to achieve strategic business objectives over the long term.

## Edgar Filing: PER SE TECHNOLOGIES INC - Form DEF 14A

Base Salary. Each executive officer's base salary, including the base salary of the Chief Executive Officer, is based primarily upon the competitive market for the executive officer's services. In addition to competitive compensation information, the Compensation Committee evaluates certain qualitative factors, such as the Chief Executive Officer's and the Compensation Committee's perceptions of each executive officer's performance (i.e., experience, responsibilities assumed, demonstrated leadership ability, and overall effectiveness) during the preceding year. Other factors considered by the Compensation Committee in evaluating base salary include the level of an executive's compensation in relation to other executives in the Company with the same, more and less responsibilities than the particular executive, inflation, the performance of the executive's division or group in relation to established operating budgets, and the Company's guidelines for salary increases for non-executive employees determined during the Company's annual budgeting and planning process. Additionally, for executive officers, compensation arrangements are often set forth in employment contracts with specified terms.

Cash Bonus Awards. Each executive officer is eligible to receive an annual cash bonus award. These cash bonuses generally are paid pursuant to an incentive compensation plan established at the beginning of each fiscal year in connection with the Company's preparation of its annual operating budget for such year. The amounts of such awards are based on the performance of the Company, the performance of the business units reporting to the executive, and the performance of the executive, measured in each case against attainment of established objectives.

Stock Option Awards. The Company maintains stock option plans that are designed to align executives' and stockholders' interests in the enhancement of stockholder value. Stock options are granted under these plans by the Compensation Committee. Executive officers, including the Chief Executive Officer, are eligible to receive options under these plans. To encourage long-term performance, executive options typically vest over a three to five year period and remain outstanding for ten to eleven years.

In making its decisions to approve stock option awards to executives, the Compensation Committee evaluates the Company's consolidated profitability for the year, the Company's growth plans, the desirability of long-term service from an executive, the number of options held by other executives in the Company with similar responsibilities as the executive at issue, the amount and terms of options already held by the executive, and the compensation practices of the Company's competitors.

Deductibility of Certain Compensation. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly held corporations for compensation in excess of \$1 million in any taxable year that is paid to the corporation's chief executive officer or to the four other most highly compensated executive officers. The Company's compensation plans permit the grant of stock options and other awards that are fully deductible under Section 162(m). It is the Compensation Committee's intent to maximize the deductibility of executive compensation while retaining the discretion necessary to compensate executive officers in a manner commensurate with performance and the competitive market for executive talent. No executive of the Company received compensation in 2003 that was subject to the Section 162(m) limitation.

Chief Executive Officer Compensation. Mr. Pead's compensation is paid in accordance with the terms of his employment agreement, the terms of which are described elsewhere in this Proxy Statement. Mr. Pead's 2003 base salary (which reflects adjustments for increases given in the normal course of business) was \$375,000. In December 2003, as a result of the Board's evaluation of Mr. Pead's

## Edgar Filing: PER SE TECHNOLOGIES INC - Form DEF 14A

performance during 2003 and a review by the Compensation Committee of Mr. Pead's compensation, the Compensation Committee approved an increase of Mr. Pead's base salary to \$425,000, effective as of January 1, 2004. The Compensation Committee has also awarded Mr. Pead an annual cash bonus for 2003 in the amount of \$108,000, in recognition of his continuing contributions toward attainment of the Company's financial and strategic objectives.

**Stock Ownership Guidelines.** In 2001, the Board adopted stock ownership guidelines for directors and certain key executive officers. The stock ownership guidelines reflect the Company's view that the best way to reinforce the link between the interests of the directors and executive officers, on the one hand, and the interests of the stockholders, on the other, is for the directors and executives to own significant amounts of the Company's Common Stock. It is expected that the Company's directors and executives will demonstrate their confidence in the Company's future by increasing ownership of the Common Stock in accordance with these guidelines. The target ownership levels are as follows:

Directors:	5x annual retainer
Chief Executive Officer:	5x base salary
CFO and Division Presidents:	2x base salary

For example, if an executive has a base salary of \$200,000, and the target ownership level is 2x base salary, then the value of the Common Stock owned by that executive should be \$400,000. The target ownership levels are generally intended to be achieved by 2006. (Mr. Jordan has until July 2008, i.e., five years from the date he was hired, to achieve such ownership levels.) The shares owned at that time will be valued for compliance purposes at their then-fair market value (rather than historical cost or investment). The then-applicable target stock ownership levels will, likewise, be based on compensation in effect in 2006 (therefore, if compensation increases, the target ownership levels will also increase). Shares that count toward reaching target ownership levels include stock owned outright, vested shares in qualified benefit plans (e.g., a 401(k) or employee stock purchase plan), and vested stock units in the Deferred Stock Unit Plan. Unexercised stock options will not be counted toward target stock ownership. Progress toward compliance with the target stock ownership levels will be monitored quarterly by the Compensation Committee.
