NOTICE OF ACTION BY A MAJORITY OF THE STOCKHOLDERS

Dear Stockholder:

As we previously announced, on May 3, 2007 we entered into a Master Transaction Agreement with NBC Universal, Inc., NBC Palm Beach Investment I, Inc., NBC Palm Beach Investment II, Inc. and CIG Media LLC providing for a recapitalization of ION. The recapitalization includes an offer to exchange all outstanding shares of each series of our senior preferred stock for newly issued subordinated debt and preferred stock and certain other recapitalization transactions. As part of the exchange offer, we also solicited consents from holders of each series of our senior preferred stock to amend the applicable certificate of designation governing such series of senior preferred stock.

In connection with the exchange offer and the recapitalization transactions, we are required to obtain the approval of the holders of a majority of the total voting power of our outstanding voting stock, which includes our Class A Common Stock, Class B Common Stock and 93/4% Series A Convertible Preferred Stock voting together as a class, of the following actions, which are described in greater detail in the accompanying Information Statement:

an amendment to our certificate of incorporation to amend the terms of the certificates of designation governing the senior preferred stock;

an amendment to our certificate of incorporation to create a new non-voting Class D Common Stock and increase the number of authorized shares of our common stock, Class A Common Stock and Class C Common Stock; and

the issuances of securities convertible into, or exercisable for, shares of our common stock in the recapitalization transactions.

We are delivering this Notice and the accompanying Information Statement to inform our stockholders that holders of a majority of the total voting power of our outstanding voting stock have approved, by written consent, the above actions. As a result, the requirement that we obtain stockholder approval of these actions has been satisfied, subject to the requirement under the Securities and Exchange Commission's rules that the actions so approved cannot become effective until at least 20 calendar days following the mailing of this Notice and the accompanying Information Statement.

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU
ARE REQUESTED NOT TO SEND US A PROXY.**

We are mailing this Notice and the accompanying Information Statement on or about August 1, 2007 to holders of record as of July 27, 2007 of our Class A Common Stock, Class B Common Stock and 93/4% Series A Convertible Preferred Stock.

Very Truly Yours,

R. Brandon Burgess
Chief Executive Officer and President

INFORMATION STATEMENT

General

All references to ION, we, our, ours and us and similar terms are to ION Media Networks, Inc. and its subsidiaries, unless the context otherwise requires.

We are sending this Information Statement to advise holders of our Class A Common Stock, Class B Common Stock and 93/4% Series A Convertible Preferred Stock (collectively, the Voting Stock) that holders of a majority of the total voting power of our Voting Stock have executed a written consent approving the following matters:

an amendment to our certificate of incorporation (the Preferred Stock Amendment) to amend the certificates of designation of our 131/4% Cumulative Junior Exchangeable Preferred Stock (currently accruing dividends at the rate of 141/4%) (the 141/4% Preferred Stock) and our 93/4% Series A Convertible Preferred Stock (the 93/4% Preferred Stock, and together with the 141/4% Preferred Stock, the Senior Preferred Stock);

an amendment to our certificate of incorporation (the Common Stock Amendment) to create a new class of non-voting common stock, the Class D Common Stock, and to provide for 1,000,000,000 authorized shares of Class D Common Stock, and to increase the number of authorized shares of common stock, Class A Common Stock and Class C Common Stock to 3,035,000,000, 1,000,000,000 and 1,000,000,000, respectively; and

the issuance of the convertible securities, option and warrant in the recapitalization transactions and the issuance of the shares of Class A Common Stock, Class B Common Stock or Class C Common Stock, as applicable, upon the conversion or exercise of such convertible securities, option and warrant (the Issuances).

We have mailed the enclosed Notice and this Information Statement to all holders of record of our Voting Stock on the record date, which is the close of business on July 27, 2007. In accordance with Rule 14c-2 under the Securities Exchange Act of 1934, as amended (the Exchange Act), the actions approved by stockholder written consent will not become effective until at least 20 calendar days following the mailing of the enclosed Notice and this Information Statement (the Notice Period). We anticipate that the actions contemplated herein will be effected on or about August 21, 2007.

The General Corporation Law of the State of Delaware (the DGCL) does not provide for appraisal or similar statutory rights as a result of the actions being taken.

The date of this Information Statement is August 1, 2007.

We will pay the costs of preparing and sending out the enclosed Notice and this Information Statement. This Information Statement is being sent to holders of our Voting Stock on or about August 1, 2007.

Table of Contents

STOCKHOLDER APPROVAL REQUIREMENTS

Under Delaware law, in order to be approved, the Preferred Stock Amendment and the Common Stock Amendment must receive the affirmative vote of holders of a majority of the total voting power of our outstanding Voting Stock voting together as a single class. Each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes and each share of 93/4% Preferred Stock is entitled to 625 votes. As of the record date, there were 66,774,040 shares of Class A Common Stock, 8,311,639 shares of Class B Common Stock and 16,695.961 shares of 93/4% Preferred Stock outstanding.

In addition to the foregoing, approval of the Preferred Stock Amendment requires, with respect to the certificate of designation governing the 141/4% Preferred Stock, the separate approval of the holders of a majority of the 141/4% Preferred Stock (voting separately as a class) and, with respect to the certificate of designation governing the 93/4% Preferred Stock, the separate approval of the holders of a majority of the 93/4% Preferred Stock, voting separately as a class. Upon expiration of the Exchange Offer on July 27, 2007, as defined below, we obtained the requisite approval of the holders of each series of Senior Preferred Stock of the Preferred Stock Amendment.

Because our Class A Common Stock is traded on the American Stock Exchange (the AMEX), Section 713 of the AMEX Company Guide applies to our company. Under this section, stockholder approval is required for any transaction involving the sale, issuance or potential issuance by an issuer of common stock (or securities convertible into common stock) equal to 20% or more of presently outstanding stock for less than the greater of book or market value of the stock. The maximum number of shares of Class A Common Stock (including shares of Class B Common Stock and Class C Common Stock, which are convertible into Class A Common Stock) issuable upon the conversion or exercise of the securities to be issued in connection with the Issuances will be in excess of 20% of the presently outstanding shares of Class A Common Stock, and the conversion and exercise prices of these securities are less than the current market price of our Class A Common Stock. Therefore, we are required to obtain stockholder approval of the Issuances.

On July 27, 2007, Lowell W. Paxson, Second Crystal Diamond Limited Partnership and Paxson Enterprises, Inc. (collectively, the Paxson Stockholders) which, as of the record date, owned 15,455,062 shares of our Class A Common Stock and 8,311,639 shares of our Class B Common Stock, representing approximately 61.48% of the total voting power of our outstanding Voting Stock, delivered their written consent to the actions described above. As a result, the requirement to obtain approval of the total voting power of our Voting Stock has been satisfied, subject to the requirement under the Securities and Exchange Commission s (the SEC) rules that the actions approved by stockholder written consent will not become effective until at least 20 calendar days following the mailing of the enclosed Notice and this Information Statement.

THE MASTER TRANSACTION AGREEMENT

As we previously announced, on May 3, 2007 we entered into a Master Transaction Agreement, which was subsequently amended on June 8, 2007 (the Master Transaction Agreement), with NBC Universal, Inc. (NBCU), NBC Palm Beach Investment I, Inc. (NBC Palm Beach I), NBC Palm Beach Investment II, Inc. (NBC Palm Beach II), together with NBCU and NBC Palm Beach I, the NBCU Entities) and CIG Media LLC (CIG) providing for a recapitalization of ION. The overall effect of the Master Transaction Agreement is to recapitalize ION and effect a change of control.

The Master Transaction Agreement requires that we seek the approval of the holders of a majority of the total voting power of our outstanding Voting Stock of the Preferred Stock Amendment, the Common Stock Amendment and the Issuances.

The following is a summary of the material provisions of the Master Transaction Agreement. The summary does not purport to be complete. A copy of the Master Transaction Agreement is filed as an exhibit to our Current Report on Form 8-K filed with the SEC on May 10, 2007 and the amendment to the Master Transaction Agreement is filed as an exhibit to our Schedule TO-I filed with the SEC on June 8, 2007. Each may be obtained in the manner set forth below under the heading, Where You Can Find More Information. We encourage you to read the full text of the Master Transaction Agreement, as amended, for a complete understanding of the matters summarized below.

The Class A Common Stock Tender Offer

As required by the Master Transaction Agreement, on May 4, 2007 (the Commencement Date), CIG commenced a cash tender offer to purchase any and all outstanding shares of our Class A Common Stock at a price of \$1.46 net per share (the Class A Common Stock Tender Offer). The Class A Common Stock Tender Offer expired at 5:00 p.m., New York City time, on June 15, 2007, at which time approximately 42,041,309 shares representing approximately 63.8% of the Class A Common Stock outstanding had been validly tendered and accepted. These shares represent approximately 88.1% of the shares of our Class A Common Stock held by stockholders other than CIG and the Paxson Stockholders, and, taken together with the 2,724,207 shares held by CIG prior to the Class A Common Stock Tender Offer and the 15,455,062 shares held by the Paxson Stockholders that CIG is purchasing pursuant to a Call Agreement, as defined below, represent approximately 91.4% of the outstanding shares of our Class A Common Stock.

The Call Right

As required by the Master Transaction Agreement, on the Commencement Date, NBC Palm Beach II assigned to CIG all of NBC Palm Beach II's rights and obligations under a Call Agreement, dated November 7, 2005 (the Call Agreement), among NBC Palm Beach II and the Paxson Stockholders, including its right (the Call Right) to acquire 15,455,062 outstanding shares of Class A Common Stock and 8,311,639 shares of Class B Common Stock (the Call Shares) held by the Paxson Stockholders. Immediately following such assignment, CIG exercised the Call Right. Pursuant to the Call Agreement, the obligation of the Paxson Stockholders to deliver the Call Shares (the Call Closing) to CIG is conditioned on the completion of the Class A Common Stock Tender Offer, the payment of the exercise price of \$0.25 per share of Class A Common Stock and \$0.29 per share of Class B Common Stock, and the receipt of required regulatory approvals, including approval by the Federal Communications Commission (the FCC).

Between the completion of the Class A Common Stock Tender Offer and the Call Closing, CIG has the contractual right to designate two members of our Board of Directors (the Board). In addition, in the event that any member of the

Board (other than any member appointed by the holders of Senior Preferred Stock) ceases for any reason to serve as a director, CIG will have the right to designate a director to fill any such vacancy.

Table of Contents

Delisting and Deregistration

The Master Transaction Agreement provides that, following the completion of the Class A Common Stock Tender Offer, we shall, to the extent permitted by law, delist the shares of Class A Common Stock from the AMEX and deregister the shares of Class A Common Stock under the Exchange Act. As of the closing of the Class A Common Stock Tender Offer, we did not meet the eligibility requirements to deregister the shares of Class A Common Stock under the Exchange Act. We anticipate that at the time of the completion of the Reverse Stock Split, as discussed below, we will meet the eligibility requirements to deregister the Class A Common Stock under the Exchange Act and will delist the shares from the AMEX.

Additional Investment by CIG

As required by the Master Transaction Agreement, on the Commencement Date, CIG purchased, for cash, \$100,000,000 of our 11% Series B Mandatorily Convertible Senior Subordinated Notes due 2013 (the Series B Notes). Upon the closing of the Exchange Offer, as defined below, which we expect to occur on or about August 3, 2007, CIG will purchase, for cash, an additional \$15,000,000 of the Series B Notes to fund expenses that we incurred in connection with the transactions contemplated by the Master Transaction Agreement. We expect that our transaction expenses will exceed \$15,000,000.

New Preferred Stock and Commencement Date Exchange

As required by the Master Transaction Agreement, we have authorized the following new series of preferred stock:

12% Series A-1 Mandatorily Convertible Preferred Stock

8% Series A-2 Non-Convertible Preferred Stock

12% Series A-3 Mandatorily Convertible Preferred Stock

12% Series B Mandatorily Convertible Preferred Stock

8% Series C Non-Convertible Preferred Stock

8% Series C Mandatorily Convertible Preferred Stock

8% Series D Mandatorily Convertible Preferred Stock

Series E-1 Mandatorily Convertible Preferred Stock

Series E-2 Mandatorily Convertible Preferred Stock

8% Series F Non-Convertible Preferred Stock

On the Commencement Date, we exchanged \$210 million aggregate stated liquidation preference of newly issued 8% Series F Non-Convertible Preferred Stock (the Series F Non-Convertible Preferred Stock) for an equal aggregate stated liquidation preference of our 11% Series B Convertible Exchangeable Preferred Stock (the 11% Series B Preferred Stock) held by NBC Palm Beach I. On the same day, NBC Palm Beach I, in turn, transferred the Series F Non-Convertible Preferred Stock to CIG.

The Exchange Offer

As required by the Master Transaction Agreement, on June 8, 2007 we commenced an offer to exchange (the Exchange Offer) all outstanding shares of our 93/4% Preferred Stock and our 141/4% Preferred Stock for newly issued subordinated debt and preferred stock. The Exchange Offer expired at midnight, New York City time, at the end of the day on July 27, 2007, at which time 51,602.89387 shares, representing approximately 90.6% of the outstanding 141/4% Preferred Stock, and 15,956.64158 shares, representing approximately 95.6% of the outstanding 93/4% Preferred Stock, had been validly tendered in the Exchange Offer and were subsequently accepted by us. Upon the closing of the Exchange Offer, we will issue to tendering holders of Senior Preferred Stock \$458,826,591 aggregate principal amount of our newly issued 11% Series A

Table of Contents

Mandatorily Convertible Senior Subordinated Notes due 2013 (the Series A Notes) and \$33,779,768 aggregate stated liquidation preference of our newly issued 12% Series B Mandatorily Convertible Preferred Stock (the Series B Convertible Preferred Stock).

As part of the Exchange Offer, we solicited consents from the holders of each series of Senior Preferred Stock to amend the applicable certificate of designation governing such series of Senior Preferred Stock and to approve the issuance of preferred stock which would rank senior to any unexchanged Senior Preferred Stock. Since we received the requisite consents from holders of Senior Preferred Stock in the Exchange Offer, we will amend the certificates of designation for both series of Senior Preferred Stock, as discussed below under The Preferred Stock Amendment. Since less than 50% of the outstanding shares of each series of Senior Preferred Stock were tendered into the Exchange Offer as of July 13, 2007 we revised the terms of the Exchange Offer to provide that we would not issue any preferred stock that ranked senior to the Senior Preferred Stock in the Exchange Offer. We will, however, issue Series A-2 Non-Convertible Preferred Stock, which will rank senior to any unexchanged Senior Preferred Stock, to CIG, as discussed below under The Recapitalization Transactions Other Exchanges Exchange of Series F Non-Convertible Preferred Stock.

Holders of Senior Preferred Stock will not be paid any accrued and unpaid dividends for the shares of Senior Preferred Stock that are tendered in the Exchange Offer. As of June 30, 2007, accrued and unpaid dividends on the 141/4% Preferred Stock aggregated approximately \$91.3 million, or \$1,603.13 per share, and accrued and unpaid dividends on the 93/4% Preferred Stock aggregated approximately \$12.2 million, or \$731.25 per share. We have not paid any dividends since May 15, 2006 and September 30, 2006 on the 141/4% Preferred Stock and 93/4% Preferred Stock, respectively. Unexchanged shares will continue to accrue and accumulate dividends at the applicable dividend rate.

We did not redeem the outstanding shares of 141/4% Preferred Stock and 93/4% Preferred Stock by their required redemption dates of November 15, 2006 and December 31, 2006, respectively. We do not anticipate having sufficient financial resources to redeem these securities for cash at any time in the foreseeable future. As a result of our failure to redeem these shares of Senior Preferred Stock by their scheduled mandatory redemption dates, the holders of each series had the right, voting separately as one class, to elect two additional directors to our Board. Effective April 2, 2007, the holders of a majority of the outstanding shares of the 141/4% Preferred Stock elected Eugene I. Davis and Ted S. Lodge as directors, and the holders of a majority of the outstanding shares of the 93/4% Preferred Stock elected Ronald W. Wuensch and Diane P. Baker as directors. Upon the effective date of the Preferred Stock Amendment, holders of Senior Preferred Stock will no longer have the right to elect additional directors, and the term of office of the directors elected on April 2, 2007 by the holders of such series will end.

Exchange Offer Consideration

Upon the closing of the Exchange Offer:

For each tendered share of 141/4% Preferred Stock, holders will receive \$7,500 principal amount of Series A Notes and \$500 initial liquidation preference of the Series B Convertible Preferred Stock; and

For each tendered share of 93/4% Preferred Stock, holders will receive \$4,500 principal amount of Series A Notes and \$500 initial liquidation preference of Series B Convertible Preferred Stock.

Since we have accepted for exchange less than 90% of the outstanding shares of each series of Senior Preferred Stock owned by holders other than CIG, the Master Transaction Agreement requires that, promptly following the closing of the Exchange Offer:

NBC Palm Beach I, an affiliate of NBCU, will be entitled to exchange \$35,566,162 aggregate stated liquidation preference of 11% Series B Preferred Stock that it owns for an equal principal amount of our Series B Notes; and

CIG will be entitled to exchange \$9,065,548 aggregate stated liquidation preference of Series A-2 Non-Convertible Preferred Stock for an equal principal amount of our Series B Notes.

We refer to this exchange as the Contingent Exchange.

Table of Contents

Accounting Treatment of the Exchange Offer

The difference between the fair value of the consideration transferred to holders of Senior Preferred Stock and the carrying value of the Senior Preferred Stock at the time of the exchange will be reflected in our net loss applicable to common stockholders, and will affect the calculation of basic and diluted loss per common share in the period that the Exchange Offer occurs. As of June 30, 2007, the carrying value of the Senior Preferred Stock was \$839.8 million.

Certain U.S. Federal Income Tax Consequences of the Exchange Offer

There are no material federal income tax consequences of the Exchange Offer to you as a holder of our Class A Common Stock or to us.

Stockholder Litigation

On June 13, 2007, a complaint was filed against us and seven of our directors in the Court of Chancery of the State of Delaware in and for New Castle County by a group of plaintiffs purporting to hold shares of our 141/4% Preferred Stock. On June 20, 2007, a second complaint was filed against us and seven of our directors in the same court by a group of plaintiffs purporting to hold shares of our 93/4% Preferred Stock. Both complaints seek injunctive and other relief relating to the Exchange Offer. NBCU, Citadel Investment Group LLC (Citadel) and Citadel's affiliate CIG are also named as defendants in the lawsuits. We believe that the complaints are without merit as to us and all of the director defendants. We and the director defendants intend to vigorously defend against the complaints. On July 10, 2007, the court denied the plaintiffs' motion to enjoin the Exchange Offer and on July 20, 2007, the Delaware Supreme Court refused to hear the plaintiffs' appeal of the denial of their motion.

The Recapitalization Transactions

Other Exchanges

Exchange of 11% Series B Preferred Stock. Promptly following the closing of the Exchange Offer, NBC Palm Beach I will exchange with us all the remaining 11% Series B Preferred Stock it holds, including its right to all accrued and unpaid dividends thereon, for:

\$31,070,000 aggregate stated liquidation preference of Series E-1 Mandatorily Convertible Preferred Stock (the Series E-1 Convertible Preferred Stock);

NBCU Option II (as defined in Agreements and Additional Transactions Contemplated by the Master Transaction Agreement); and

\$339,433,838 aggregate stated liquidation preference of 8% Series D Mandatorily Convertible Preferred Stock (the Series D Convertible Preferred Stock).

Exchange of Series F Non-Convertible Preferred Stock. Promptly following the closing of the Exchange Offer, CIG will exchange:

\$95,584,689 aggregate stated liquidation preference of Series F Non-Convertible Preferred Stock (transferred by NBC Palm Beach I to CIG on the Commencement Date) with us for \$95,584,689 aggregate stated liquidation preference of Series A-2 Non-Convertible Preferred Stock; and

\$114,415,311 aggregate stated liquidation preference of Series F Non-Convertible Preferred Stock for
\$200,000,000 aggregate stated liquidation preference of Series E-2 Mandatorily Convertible Preferred Stock
(the Series E-2 Convertible Preferred Stock).

Exchange of Series A-2 Non-Convertible Preferred Stock. Promptly following the Call Closing, CIG will be entitled to exchange the Series A-2 Non-Convertible Preferred Stock received upon the exchange of the Series F Non-Convertible Preferred Stock described above, less amounts exchanged in the Contingent Exchange, for Series C Convertible Preferred Stock with an equal aggregate stated liquidation preference. If the Call Closing does not occur before the deadline set forth in the Call Agreement or the FCC approval for

Table of Contents

CIG's acquisition of the Call Shares is denied, NBC Palm Beach I will exchange its Series B Notes, if any, received in the Contingent Exchange, with CIG for an equal aggregate stated liquidation preference of Series A-2 Non-Convertible Preferred Stock. To the extent either of CIG or NBC Palm Beach I holds any Series A-2 Non-Convertible Preferred Stock after such exchange, it will be entitled to exchange with us any Series A-2 Non-Convertible Preferred Stock for an equal aggregate stated liquidation preference of 12% Series A-3 Mandatorily Convertible Preferred Stock (the Series A-3 Convertible Preferred Stock).

The Reverse Stock Split

The Master Transaction Agreement requires us to combine our outstanding shares of common stock into a lesser number of shares (the Reverse Stock Split) promptly following the Call Closing. The consummation of the Reverse Stock Split is conditioned, among other things, upon:

the Class A Common Stock Tender Offer being completed (which has occurred);

the approval of the Reverse Stock Split by the requisite vote of the holders of voting stock outstanding and entitled to vote on the matter;

receipt of FCC approval for CIG's acquisition of the Call Shares;

no law, regulation or other requirement of any governmental authority making the Reverse Stock Split illegal being in effect; and

the Call Closing having occurred.

Assuming completion of the sale of the Paxson Stockholders' shares to CIG, CIG will have the voting power to approve the Reverse Stock Split.

In the Reverse Stock Split, each share of Class A Common Stock issued and outstanding shall be converted into and become such fraction of a fully paid and nonassessable share of Class A Common Stock as shall be determined by CIG, the NBCU Entities and us, such that each holder of shares of Class A Common Stock, other than CIG, would be eligible to receive, in respect of all its shares of Class A Common Stock, less than a whole share of Class A Common Stock upon completion of the Reverse Stock Split. If, however, CIG does not own the greatest number of shares of Class A Common Stock immediately prior to the Reverse Stock Split, the applicable ratio for converting the shares of Class A Common Stock will be such that every holder of shares of Class A Common Stock (including CIG) would be entitled to receive, in respect of all its shares of Class A Common Stock, less than a whole share of Class A Common Stock upon completion of the Reverse Stock Split. No fractional shares of our Class A Common Stock shall be issued in connection with the Reverse Stock Split, and all holders who would otherwise be entitled to receive less than a whole share of Class A Common Stock will receive an amount in cash equal to the number of shares of Class A Common Stock held immediately prior to the Reverse Stock Split multiplied by the per-share price paid in the Class A Common Stock Tender Offer. Immediately prior to the Reverse Stock Split, CIG shall make a capital contribution to us in the amount necessary to make any payments required to be made to our security holders in connection with the Reverse Stock Split.

Each share of Class B Common Stock issued and outstanding at the time of the Reverse Stock Split will be converted into and become a fractional number of fully paid and nonassessable shares of Class B Common Stock pursuant to the same ratio that is applied to the shares of Class A Common Stock. Fractional shares of Class B Common Stock will remain outstanding after the Reverse Stock Split and we will issue new stock certificates for such fractional shares.

Stockholders Meetings

Under the Master Transaction Agreement, we must hold a stockholders meeting to approve the Preferred Stock Amendment, the Common Stock Amendment and the Issuances. At the meeting, CIG is required to vote (or cause to be voted) all shares of Class A Common Stock that it and its subsidiaries have the power to vote in favor of these proposals. If the Paxson Stockholders consent in writing to each of these matters, we are not required to hold the stockholders meeting, but can take action by written consent. As discussed above, on

Table of Contents

July 27, 2007, we received the written consent of the Paxson Stockholders approving the Preferred Stock Amendment, the Common Stock Amendment and the Issuances, and accordingly, will not be required to hold a stockholders meeting.

The Master Transaction Agreement requires that we hold an additional stockholders meeting as promptly as practicable following the Call Closing to approve the Reverse Stock Split. At this additional meeting, CIG is required to vote (or cause to be voted) all shares of Class A Common Stock that it and its subsidiaries have the power to vote in favor of the Reverse Stock Split.

Exclusivity

The Master Transaction Agreement provides that we, our subsidiaries, our directors, officers, employees and representatives, and the directors, officers, employees and representatives of our subsidiaries cannot:

take any action to facilitate any inquiries or the making of any proposal or offer that may reasonably be expected to lead to any merger, consolidation, sale, lease, exchange, transfer or other disposition of all or a substantial part of our assets, any sale, exchange, transfer or other disposition of 15% or more of any class of our equity securities or those of any subsidiary, any tender offer or exchange offer that would result in any person owning 15% or more of any class of our equity securities or those of any subsidiary or similar transaction (other than the transactions contemplated by the Master Transaction Agreement), or any solicitation in opposition to approval and adoption of the transactions contemplated by the Master Transaction Agreement, or any other transaction the consummation of which would reasonably be expected to prevent, materially delay or otherwise interfere with the transactions contemplated by the Master Transaction Agreement (a Competing Transaction);

negotiate or obtain a proposal or offer for a Competing Transaction;

agree to, approve or endorse any Competing Transaction; or

enter into any agreement relating to a Competing Transaction.

We have agreed to promptly notify CIG and the NBCU Entities of the existence of, material terms of, and identity of any person making any proposal or contact regarding a Competing Transaction. We have also undertaken to immediately cease any existing discussions or negotiations regarding a Competing Transaction, and not to release any person from any confidentiality or standstill agreement. Under certain conditions, however, on or prior to the closing or expiration of the Exchange Offer (the Exchange Offer expired on July 27, 2007 and is expected to close on August 3, 2007), the Board may furnish information to, or enter into discussions with a person who has made an unsolicited, written, bona fide proposal or offer regarding a Competing Transaction and, at any time following the Commencement Date, the Board may withdraw or modify its recommendation relating to the Class A Common Stock Tender Offer (the offer initially closed on June 1, 2007 and a subsequent offering period closed on June 15, 2007) or any actions to be taken at the two stockholders meetings if the Board determines that any such action is required to comply with its fiduciary obligations under applicable law and may recommend a Competing Transaction to comply with Rule 14d-9 of the Exchange Act.

Except as otherwise provided in the Master Transaction Agreement, the Board may not withdraw or modify its approval or recommendation relating to the transactions contemplated by the Master Transaction Agreement and the related documents or approve or recommend any Competing Transaction.

Waiver from Senior Lenders

The Master Transaction Agreement provides that, if we have not entered into arrangements reasonably satisfactory to CIG providing for a third party to purchase any and all of our outstanding senior secured debt (the Senior Debt) as to which the holders thereof elect to exercise any right they may have to require us to repurchase such Senior Debt as a result of the transactions contemplated by the Master Transaction Agreement, we must use our reasonable best efforts to obtain a waiver of any such right from the holders of at least a majority in aggregate principal amount of each class of such Senior Debt outstanding at the time of the

waiver. If the waiver is not obtained prior to the closing of the Exchange Offer the transactions contemplated by the Master Transaction Agreement shall, prior to the Call Closing, be amended and restructured so that the NBCU Entities retain at least \$250,000,000 aggregate liquidation preference of 11% Series B Preferred Stock until the waiver is obtained or no longer required. With the concurrence of CIG and the NBCU Entities, to date we have not sought any such waiver, nor do we expect to receive such waiver prior to the closing of the Exchange Offer.

Non-Solicitation of R. Brandon Burgess

The Master Transaction Agreement provides that, for a period of five years from May 3, 2007, the NBCU Entities and their affiliates shall not, directly or indirectly, (i) induce or attempt to induce R. Brandon Burgess (Mr. Burgess), our Chief Executive Officer and President, to terminate his employment with us or in any way intentionally interfere with the relationship between Mr. Burgess and us or (ii) to the extent such restriction does not violate applicable law, engage Mr. Burgess for any purposes (e.g., as an employee, consultant or otherwise). Clause (ii) shall not apply to any engagement by the NBCU Entities or their affiliates of Mr. Burgess that was not a result of any inducement or attempted inducement of Mr. Burgess by any of the NBCU Entities or their affiliates to terminate his employment by us or any interference with the relationship between Mr. Burgess and us, if such engagement occurs no earlier than 12 months after the date Mr. Burgess is no longer employed by us.

Agreements and Additional Transactions Contemplated by the Master Transaction Agreement

Pursuant to the Master Transaction Agreement, we entered into the following agreements and documents on the Commencement Date:

- an Indenture between us and The Bank of New York Trust Company, N.A. (the Series B Notes Indenture);
- the NBCU Option II (as defined in Agreements and Additional Transactions Contemplated by the Master Transaction Agreement);
- a Class A Common Stock Purchase Warrant issued by us to CIG (the Warrant);
- a Stockholders Agreement between us, CIG and NBCU (the New Stockholders Agreement);
- a Registration Rights Agreement between us, CIG and the NBCU Entities (the Series B Subordinated Debt Registration Rights Agreement); and
- a Registration Rights Agreement between us, CIG and NBCU (the New Registration Rights Agreement).

The following is a summary of the material provisions of the documents listed above. The summary does not purport to be complete. Copies of these documents are filed as exhibits to the Schedule TO filed with the SEC on June 8, 2007 and may be obtained in the manner set forth below under the heading, Where You Can Find More Information.

Series B Notes Indenture. On the Commencement Date, we issued and sold to CIG \$100.0 million aggregate principal balance of Series B Notes under the Series B Notes Indenture for gross proceeds to us of \$100.0 million in cash. The Series B Notes are mandatorily convertible senior subordinated notes bearing interest at an 11% annual simple interest rate. The Series B Notes require quarterly interest payments in January, April, July, and October of each year, with the first interest payment date being July 31, 2007. We have the option to pay interest on the Series B Notes either (i) entirely in cash or (ii) by deferring the payment of all such interest to any subsequent interest payment date. The Series B Notes Indenture contains customary covenants and includes a covenant restricting our ability to incur additional debt, other than specified types of permitted debt, unless after giving effect to the incurrence of such

additional debt and the application of the proceeds thereof, our ratio of total debt to consolidated EBITDA would be less than 8.5 to 1.0. Holders of Series B Notes have the right to require us to repay these obligations following the occurrence of certain

Table of Contents

events of default. We do not have the right to redeem the Series B Notes until the final maturity date of July 31, 2013.

NBCU Option II. Pursuant to a call agreement between us and NBC Palm Beach I (the NBCU Option II), we granted to NBC Palm Beach I, effective as of the Call Closing, an irrevocable right to purchase 26,688,361 shares of Class B Common Stock. In exchange for the option, NBC Palm Beach I will surrender and deliver on the Call Closing shares of 11% Series B Preferred Stock it owns, in an amount representing aggregate accrued and unpaid dividends on the 11% Series B Preferred Stock as determined in accordance with the Master Transaction Agreement. The exercise price of the option is \$0.50 per share of Class B Common Stock, payable in cash. The option is exercisable at any time during the five-year period beginning on the Call Closing and will automatically renew for additional five-year periods. The holder of NBCU Option II may exercise the option at any time subject to FCC regulations and any other required governmental approvals. The NBCU Option II is freely transferable, subject to compliance with the applicable rules and regulations of the FCC and the SEC.

The Warrant. Under the Warrant, CIG will have the right to purchase up to 100,000,000 shares of Class A Common Stock at an exercise price of \$0.75 per share, payable in cash. The Warrant may be exercised following expiration of the Notice Period and expires seven years after the date of the closing of the Exchange Offer.

New Stockholders Agreement. The New Stockholders Agreement provides that, from and after the Call Closing (the Effective Date), the Board shall be comprised of 13 directors or such other number of directors as the Board may determine (subject to the approval rights described below). For so long as CIG and its affiliates hold the majority of the outstanding voting power of ION, CIG has the right to designate seven directors. If CIG and its affiliates hold less than 50% but more than 20% of the outstanding voting power, CIG has the right to designate two directors. If NBCU and its affiliates hold more than 20% of the outstanding voting power, they will be entitled to designate two directors, and if they hold a majority of such voting power, they will have the right to designate seven directors.

The New Stockholders Agreement also provides that, from and after the Effective Date, so long as either NBCU (together with its affiliates) or CIG (together with its affiliates) holds at least 25% of the voting power of ION, each such stockholder (an Approval Stockholder) is entitled to approve certain actions involving us, including, among other actions:

the adoption of any shareholder rights plan or other material agreement that would restrict or impede CIG and NBCU from acquiring shares of our stock;

entering into any agreement regarding the digital spectrum of any of our television stations, except for certain short-term agreements;

an action that would cause certain media assets to be attributable to CIG (or its affiliates) or NBCU (or its affiliates) under FCC regulations;

the adoption of our annual operating budget;

material amendments to the certificate of incorporation;

a sale of the primary operating assets of, or a FCC license of, any of our television stations serving a top 50 market;

certain material sales of assets, acquisitions and mergers or business combination transactions;

certain issuances, splits and reclassifications of our stock;

entering into material employment contracts;

entering into certain joint sales, joint services, time brokerage, local marketing or similar agreements;

increasing the size of the Board; and

a bankruptcy filing.

Table of Contents

The New Stockholders Agreement also provides that, from and after the Effective Date, (a) NBCU will have a right of first offer on the sale of any of our television stations serving a top 50 market and (b) the Approval Stockholders will have certain preemptive rights in respect of sales of common stock or common stock equivalents by us.

We have certain other obligations to CIG and NBCU under the New Stockholders Agreement, including various affirmative covenants and reporting obligations as more specifically described therein.

Series B Subordinated Debt Registration Rights Agreement. The Series B Subordinated Debt Registration Rights Agreement provides for certain registration rights for the benefit of CIG and the NBCU Entities after an initial public offering of a class of our equity securities. We have agreed that upon demand of CIG, the NBCU Entities or holders of a majority of the Series B Notes, we will file a shelf registration statement with the SEC, under the Securities Act of 1933, as amended (the Securities Act), to cover resales of the Series B Notes.

The New Registration Rights Agreement. The New Registration Rights Agreement provides for certain registration rights for the benefit of NBCU and CIG after an initial public offering of a class of our equity securities. Upon the demand of NBCU or CIG, we will register (under the Securities Act) shares of Class A Common Stock and Class D Common Stock that are outstanding or issued on the basis of a conversion of the Series A Notes, the Series B Notes, the Series B Convertible Preferred Stock, the Series A-3 Convertible Preferred Stock, or the Series D Convertible Preferred Stock. In addition, NBCU and CIG have the right to piggy-back on our registration statement in certain circumstances.

Board Representation

Pursuant to the Master Transaction Agreement, from and after the closing of the Class A Common Stock Tender Offer, but prior to the Call Closing, CIG has the right to designate two directors to our Board. Pursuant to this right, CIG designated Todd E. Gjervold, an employee of Citadel Investment Group, L.L.C., to our Board and effective June 22, 2007, the Board appointed Mr. Gjervold to our Board. In addition, in the event any member of the Board, other than any member appointed by the holders of Senior Preferred Stock, ceases for any reason to serve as our director, CIG has the contractual right to designate a director to fill such vacancy.

THE PREFERRED STOCK AMENDMENT

In connection with the Exchange Offer, we solicited consents from the holders of our 141/4% Preferred Stock and 93/4% Preferred Stock to amend the respective certificate of designation governing each series of Senior Preferred Stock to eliminate (i) all voting rights, other than voting rights required by law, (ii) our obligation to repurchase the Senior Preferred Stock upon a change of control, (iii) all redemption rights, (iv) in the case of the 141/4% Preferred Stock, all exchange rights, and (v) substantially all of the restrictive covenants applicable to such series of Senior Preferred Stock, including the following:

With respect to the 141/4% Preferred Stock:

The limitation on the incurrence of additional indebtedness;

The limitation on restricted payments;

The limitation on transactions with affiliates;

The limitation on preferred stock of subsidiaries; and

The requirement to provide reports to holders.

With respect to the 93/4% Preferred Stock:

The limitation on restricted payments;

The limitation on transactions with affiliates; and

The requirement to provide reports to holders.

In addition, in connection with the Exchange Offer, we also solicited consents from the holders of our 141/4% Preferred Stock and 93/4% Preferred Stock to approve the issuance of preferred stock which would rank senior to any unexchanged Senior Preferred Stock. Since less than 50% of the outstanding shares of each series of Senior Preferred Stock were tendered into the Exchange Offer as of July 13, 2007 we revised the terms of the Exchange Offer to provide that we would not issue any preferred stock that ranked senior to the Senior Preferred Stock in the Exchange Offer. We will, however, issue Series A-2 Non-Convertible Preferred Stock, which will rank senior to any unexchanged Senior Preferred Stock, to CIG, as discussed above under The Recapitalization Transactions Other Exchanges Exchange of Series F Non-Convertible Preferred Stock.

To approve the Preferred Stock Amendment with respect to either series of Senior Preferred Stock, we required consents from holders of a majority of the outstanding shares of such series of Senior Preferred Stock and approval of a majority of the total voting power of our outstanding Voting Stock. Upon expiration of the Exchange Offer on July 27, 2007, we obtained the requisite approval of the holders of each series of Senior Preferred Stock of the Preferred Stock Amendment. In addition, on July 27, 2007, holders of 61.48% of the total voting power of our outstanding Voting Stock, acting by written consent, approved the Preferred Stock Amendment.

Our Board, following the recommendation of a special committee of the Board, has declared advisable the Preferred Stock Amendment.

Copies of the proposed amended and restated certificate of designation for each series of Senior Preferred Stock are attached to this Information Statement as Exhibits A and B.

THE COMMON STOCK AMENDMENT

Our Certificate of Incorporation presently permits us to issue up to 857,000,000 shares of common stock, consisting of 505,000,000 shares of Class A Common Stock, each entitled to one vote per share, 35,000,000 shares of Class B Common Stock, each entitled to ten votes per share, and 317,000,000 shares of Class C Common Stock, which is generally non-voting. We currently have 66,774,040 outstanding shares of Class A Common Stock and an additional 43,307,823 shares of Class A Common Stock reserved for issuance pursuant to outstanding stock-based compensation awards and upon conversion of our 93/4% Preferred Stock and Class B Common Stock. We have 8,311,639 outstanding shares of Class B Common Stock, all of which are held by the Paxson Stockholders and subject to the Call Right, which was transferred to CIG on the Commencement Date. We currently have no outstanding shares of Class C Common Stock. A description of our outstanding equity securities is included under the section captioned Description of Capital Stock.

The Series B Convertible Preferred Stock and Series A Notes to be issued upon the closing of the Exchange Offer are convertible into shares of Class D Common Stock. Accordingly, our Board has determined that we should create the Class D Common Stock, authorize the issuance of 1,000,000,000 shares of our Class D Common Stock and reserve 700,000,000 shares of our Class D Common Stock to be issued upon the conversion of the Series A Notes and the Series B Convertible Preferred Stock. We refer to the securities that are convertible into Class D Common Stock as the Exchange Offer Convertible Securities.

In addition, pursuant to the various recapitalization transactions contemplated in the Master Transaction Agreement, our Board has determined to reserve an additional 600,000,000 shares of our Class A Common Stock and an additional 600,000,000 shares of our Class C Common Stock to be issued upon the conversion of the Series A-3 Convertible Preferred Stock, Series D Convertible Preferred Stock, Series E-1 Convertible Preferred Stock, Series E-2 Convertible Preferred Stock and Series B Notes. We refer to the securities that are convertible into Class A Common Stock or Class C Common Stock, as applicable, as the Other Recapitalization Convertible Securities.

A description of the Exchange Offer Convertible Securities and the Other Recapitalization Convertible Securities is included under the sections captioned Description of Capital Stock and Description of Certain Indebtedness.

Since we presently do not have sufficient authorized but unissued shares of Class A Common Stock or Class C Common Stock or, in the case of Class D Common Stock, such class of shares authorized, to permit us to issue all of the shares of stock that are issuable upon conversion of the Exchange Offer Convertible Securities or Other Recapitalization Convertible Securities, our Board has determined to amend Article Fourth of our Certificate of Incorporation to (i) create a new class of authorized common stock to be designated the Class D Common Stock and provide for 1,000,000,000 authorized shares of such stock and (ii) increase the number of authorized shares of our Class A Common Stock from 505,000,000 to 1,000,000,000 and the number of authorized shares of our Class C Common Stock from 317,000,000 to 1,000,000,000, with a corresponding increase in the number of our total authorized shares of common stock from 857,000,000 to 3,035,000,000. The Exchange Offer Convertible Securities and the Other Recapitalization Convertible Securities will not be convertible until the effectiveness of the Common Stock Amendment. The Common Stock Amendment would not increase the number of authorized shares of our Class B Common Stock or increase the number of authorized shares of preferred stock.

Authorized shares of our common stock that are reserved for issuance upon conversion of the Exchange Offer Convertible Securities and Other Recapitalization Convertible Securities will not be available to us for issuance or reservation for other purposes, unless and until the reservation of such shares for issuance upon conversion is no longer required. Authorized but unissued shares of our common stock, as to which reservation for issuance upon

conversion of the Exchange Offer Convertible Securities and Other Recapitalization Convertible Securities or pursuant to stock-based compensation awards ceases to be necessary, would be available for issuance, without further action by our stockholders (except as may be required by law or the rules of any stock exchange on which our securities may then be listed or as set forth in the New Stockholders Agreement), for such corporate purposes as the Board may determine.

Table of Contents

None of our outstanding shares of common stock carry preemptive rights or cumulative voting rights, except that CIG and NBCU have preemptive rights following the Effective Date under and pursuant to the New Stockholders Agreement.

The additional shares of Class A Common Stock to be authorized by adoption of the Common Stock Amendment would have rights identical to the currently outstanding Class A Common Stock.

The additional shares of Class C Common Stock to be authorized by adoption of the Common Stock Amendment would have rights identical to the currently designated Class C Common Stock, except the Common Stock Amendment modifies the circumstances under which Class C Common Stock may be converted. Under the Common Stock Amendment, Class C Common Stock will automatically convert into Class A Common Stock when (i) it is transferred to any person that the holder of such Class C Common Stock determines is not prevented by the Communications Act of 1934, as amended (including, without limitation, the Cable Communications Policy Act of 1984 and the Cable Television Consumer Protection and Competition Act of 1992) and all rules and regulations of the FCC (the Communications Act) from holding Class A Common Stock or (ii) the holder of such shares determines that the Communications Act no longer prohibits such holder from holding shares of Class A Common Stock, in either case, after consultation with outside legal counsel and, if required by us, delivers to us an opinion of legal counsel reasonably acceptable to us to the effect that the Communications Act no longer prohibits such holder from holding shares of Class A Common Stock.

The creation and issuance of Class D Common Stock, as well as the issuance of additional shares of Class A Common Stock, Class C Common Stock and Class D Common Stock upon conversion of the Exchange Offer Convertible Securities and the Other Recapitalization Convertible Securities will have a dilutive effect on earnings per share and on stockholders' equity. In addition, the issuance of additional shares of Class A Common Stock or Class C Common Stock (which is convertible into Class A Common Stock) will have a dilutive effect on voting rights. Furthermore, future sales of substantial amounts of our common stock, or the perception that these sales might occur, could adversely affect the prevailing market price of our common stock or limit our ability to raise additional capital.

The increase in our authorized capital stock could be construed as having anti-takeover effects. The availability of a significant amount of authorized but unissued shares of common stock could be used by our Board to make more difficult or discourage an attempt to obtain control of us by means of a merger, tender offer, proxy contest or other means. Consequently, subject to the limitations in the New Stockholders' Agreement, our Board could use these additional shares of common stock to create voting or other impediments or to discourage persons seeking to gain control of us. Such shares of common stock also could be privately placed with purchasers favorable to our Board in opposing such action. The existence of the additional authorized shares could have the effect of discouraging unsolicited takeover attempts. The issuance of new shares of common stock also could be used to dilute the stock ownership of a person or entity seeking to obtain control of us should our Board consider the action of such entity or person not to be in the best interest of our stockholders.

Our certificate of incorporation currently provides our Board with the authority to issue preferred stock and to determine the preferences, limitations and relative rights of shares of preferred stock and to fix the number of shares constituting any series and the designation of such series, without any further vote or action by our stockholders. Subject to the limitations in the New Stockholders' Agreement, the preferred stock could be issued with voting, liquidation, dividend and other rights superior to the rights of our common stock. The potential issuance of preferred stock may delay or prevent a change in control of us, discourage bids for the common stock at a premium over the market price, and adversely affect the market price and the voting and other rights of the holders of our common stock.

Our Board, following the recommendation of a special committee of the Board, has declared advisable the Common Stock Amendment. On July 27, 2007, the Common Stock Amendment was approved by the affirmative vote of holders of a majority of the total voting power of our outstanding Voting Stock, acting by written consent.

A copy of the Common Stock Amendment is attached to this Information Statement as Exhibit C.

Table of Contents**THE ISSUANCES**

As discussed above under the sections captioned *The Master Transaction Agreement*, *The Exchange Offer*, *Exchange Offer Consideration* and *The Master Transaction Agreement*, *The Recapitalization Transactions*, the Master Transaction Agreement contemplates, either on the Commencement Date or promptly following the closing of the Exchange Offer, several exchanges and agreements whereby we would issue certain series of our convertible preferred stock in exchange for other series of our preferred stock, an option, a warrant and notes. Each of these series of convertible preferred stock, the option, the warrant and the notes is convertible into or exercisable for either Class A Common Stock, Class B Common Stock (which is convertible into Class A Common Stock) or Class C Common Stock (which is convertible into Class A Common Stock). Under the AMEX Company Guide, stockholder approval is required for these issuances of securities convertible into Class A Common Stock because, on an as-converted basis, they represent 20% or more of our presently outstanding Class A Common Stock and the initial conversion and exercise prices at which the shares of Class A Common Stock may be issued are less than the current market price of our Class A Common Stock. These securities will not become convertible or exercisable, as applicable, until the expiration of the Notice Period. A description of the outstanding securities and the securities to be issued in the Issuances is included under the sections captioned *Description of Capital Stock* and *Description of Certain Indebtedness*.

Contingent Exchange

Pursuant to the Contingent Exchange (discussed above under the section captioned *The Master Transaction Agreement*, *The Exchange Offer*, *Exchange Offer Consideration*), since less than 90% of the shares of each series of Senior Preferred Stock owned by holders other than CIG was validly tendered and accepted in the Exchange Offer, we have agreed to issue to CIG and NBC Palm Beach I \$44,631,710 aggregate principal amount of our Series B Notes in exchange for other securities they currently hold. Based on the initial conversion price of \$0.75 per share, those Series B Notes will be convertible into a maximum of 59,508,947 shares of either Class A Common Stock or Class C Common Stock (each share of which is convertible into one share of Class A Common Stock).

Recapitalization Transactions

Exchange of 11% Series B Preferred Stock. In exchange for shares of our 11% Series B Preferred Stock (as discussed above under the section captioned *The Master Transaction Agreement*, *The Recapitalization Transactions*, *Other Exchanges*), we have agreed to issue Series D Convertible Preferred Stock and Series E-1 Convertible Preferred Stock. Based on the initial conversion price of \$0.75 per share, the Series D Convertible Preferred Stock will be convertible into a maximum of 452,578,451 shares of either Class A Common Stock or Class C Common Stock and the Series E-1 Convertible Preferred Stock will be convertible into a maximum of 41,426,667 shares of either Class A Common Stock or Class C Common Stock (each share of which is convertible into one share of Class A Common Stock).

NBCU Option II. Also in exchange for shares of our 11% Series B Preferred Stock, we have agreed to issue the NBCU Option II (as discussed above under the section captioned *The Master Transaction Agreement*, *The Recapitalization Transactions*, *Agreements and Additional Transactions Contemplated by the Master Transaction Agreement*). The NBCU Option II is an option to purchase 26,688,361 shares of Class B Common Stock (each share of which is convertible into one share of Class A Common Stock).

Exchange of Series F Non-Convertible Preferred Stock. In exchange for shares of our Series F Non-Convertible Preferred Stock (as discussed above under the section captioned *The Master Transaction Agreement*, *The*

Recapitalization Transactions (Other Exchanges), we have agreed to issue, among other securities, Series E-2 Convertible Preferred Stock which, based on the initial conversion price of \$0.89 per share, will be convertible into a maximum of 224,719,101 shares of Class C Common Stock (each share of which is convertible into one share of Class A Common Stock).

Exchange of Series A-2 Non-Convertible Preferred Stock. In exchange for shares of our Series A-2 Non-Convertible Preferred Stock (as discussed above under the section captioned The Master Transaction

Table of Contents

Agreement The Recapitalization Transactions Other Exchanges), we have agreed to issue, under certain circumstances, Series A-3 Convertible Preferred Stock. The Series A-3 Convertible Preferred Stock will be convertible, based on the initial conversion price of \$0.75 per share, into a maximum of 127,446,252 shares of either Class A Common Stock or Class C Common Stock (each share of which is convertible into one share of Class A Common Stock).

Series B Notes. As discussed above under the section captioned The Master Transaction Agreement Additional Investment by CIG, on the Commencement Date, we issued to CIG \$100,000,000 of our Series B Notes. Upon the closing of the Exchange Offer, CIG has agreed to purchase, for cash, an additional \$15,000,000 of the Series B Notes. Based on the initial conversion price of \$0.75 per share, those Series B Notes issued to CIG will be convertible into a maximum of 153,333,334 shares of either Class A Common Stock or Class C Common Stock (each share of which is convertible into one share of Class A Common Stock).

Warrant. As part of the investment by CIG (as discussed above under the section captioned The Master Transaction Agreement Additional Investment by CIG), on the Commencement Date, we issued the Warrant giving CIG the right to purchase up to 100,000,000 shares of Class A Common Stock at an exercise price of \$0.75 per share, subject to adjustment, payable in cash (as discussed above under the section captioned The Master Transaction Agreement Agreements and Additional Transactions Contemplated by the Master Transaction Agreement).

Our Board, following the recommendation of a special committee of the Board, has approved the Issuances.

A copy of the NBCU Option II is attached to this Information Statement as Exhibit D. A copy of the Warrant is attached to this Information Statement as Exhibit E.

Common Stock

Dividends. Subject to the prior right of the holders of preferred stock to dividends, holders of record of shares of Class A Common Stock, Class B Common Stock and Class C Common Stock are entitled to receive such dividends as may be declared by our Board. No dividends may be declared or paid on any share of any class of our common stock unless the same dividend is simultaneously declared or paid on each share of the other classes of common stock. Likewise, in the case of any stock dividend, holders of all classes of common stock are entitled to receive the same percentage dividend, payable in shares of their respective classes of common stock. Holders of Class D Common Stock will be entitled to the same rights with respect to dividends.

Voting Rights. Holders of shares of Class A Common Stock and Class B Common Stock vote with the holders of 9³/₄% Preferred Stock as a single class on all matters submitted to a vote of our stockholders. Except as otherwise provided by law, each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes and each share of 9³/₄% Preferred Stock is entitled to 625 votes. Holders of Class C Common Stock have no voting rights, and holders of Class D Common Stock will have no voting rights, except (i) as required under the DGCL, and (ii) as expressly provided in the certificate of incorporation, including for certain rights in connection with a merger, asset sale or recapitalization.

Liquidation Rights. Upon our liquidation, dissolution, or winding-up, the holders of the common stock are entitled to share pro rata in all assets available for distribution after payment in full of any amounts due to creditors and to any holders of outstanding preferred stock.

Other Provisions. Each share of Class B Common Stock and Class C Common Stock is generally convertible at the option of its holder into one share of Class A Common Stock at any time, subject to certain restrictions in the case of the conversion of Class C Common Stock. Shares of Class D Common Stock will not be convertible. Holders of common stock do not have preemptive rights, except that CIG and NBCU have preemptive rights following the Effective Date under and pursuant to the New Stockholders Agreement.

Our certificate of incorporation provides that 1,000,000 shares of preferred stock may be issued from time to time in one or more classes or one or more series. Our Board is expressly vested with authority to provide for voting powers, full or limited, or no voting powers, and with such designations, preferences and relative, participating, optional and other special rights, and qualifications, limitations or restrictions thereof, if any, as shall be stated and expressed in the resolutions providing for such issue adopted by our Board under the DGCL. Except as otherwise provided by law, the holders of our preferred stock shall only have such voting rights as are provided or expressed in the resolutions of our Board relating to such preferred stock, adopted pursuant to the authority contained in our certificate of incorporation.

141/4% Preferred Stock

General. We have designated 72,000 shares of our authorized preferred stock as our 141/4% Preferred Stock, of which, as of June 30, 2007, there were 56,931.488 shares issued and outstanding with an aggregate accrued liquidation preference, including accrued and unpaid dividends, of \$660.6 million. Based on 51,602.89387 shares tendered, upon the closing of the Exchange Offer, there will be 5,328.59413 shares issued and outstanding with an aggregate accrued liquidation preference, including accrued and unpaid dividends, of \$61.8 million as of June 30, 2007.

Dividends. The certificate of designation for the 141/4% Preferred Stock provides that holders are entitled to receive dividends on each share at an annual rate of 131/4% of the liquidation preference per share. We may, at our option, pay dividends either in cash or by the issuance of additional shares of 141/4% Preferred Stock having an aggregate liquidation preference equal to the amount of such dividends. The certificate of designation further provides that, if dividends for any period after May 15, 2003 are not paid in cash, the dividend rate will increase to 141/4% per year for that dividend payment period. Because we elected to continue to pay dividends in additional shares, the dividend rate increased to 141/4% after May 15, 2003 in accordance with the terms of the security. All dividends shall be cumulative, whether or not earned or declared, on a daily basis from the issuance date, and shall be payable semi-annually in arrears on each dividend payment date.

For the years ended December 31, 2006, 2005 and 2004, we paid dividends of approximately \$37.9 million, \$68.3 million and \$59.6 million, respectively, by the issuance of additional shares of 141/4% Preferred Stock. Accrued 141/4% Preferred Stock dividends aggregated approximately \$50.7 million and \$9.5 million at December 31, 2006 and 2005, respectively. No dividends have been declared on the 141/4% Preferred Stock since May 15, 2006, though dividends continue to accrue at a rate of 141/4% for purposes of the preferential amounts that holders would be entitled to receive in a liquidation of our company.

Voting Rights. The 141/4% Preferred Stock is non-voting, except as otherwise required by law and except that the holders have the right to vote as a class with respect to:

materially and adversely amending certain rights of the holders of the 141/4% Preferred Stock;

issuing any class of equity securities that ranks on a parity with or senior to the 141/4% Preferred Stock, other than the issuance of additional shares of 141/4% Preferred Stock to pay dividends on the 141/4% Preferred Stock in accordance with its terms; and

any merger or consolidation involving us and any transfer of all or substantially all of our assets (including our subsidiaries, taken as a whole), unless certain conditions are met.

In addition, the certificate of designation of the 141/4% Preferred Stock provides that, upon our failure to (1) satisfy redemption obligations, including the redemption of the 141/4% Preferred Stock by November 15, 2006, (2) make any required offer to purchase the 141/4% Preferred Stock following a change of control, (3) comply with certain covenants or (4) make certain payments on our indebtedness, as their sole and exclusive remedy under such circumstances, holders of a majority of the outstanding shares of the 141/4% Preferred Stock, voting separately as one class, may elect the lesser of two directors or that number of directors constituting at least 25% of our Board. Following our failure to redeem the 141/4% Preferred Stock on

Liquidation Rights. Upon our liquidation, winding up or dissolution, holders of the 141/4% Preferred Stock will be entitled to \$10,000 per share, plus any accumulated and unpaid dividends.

Ranking. The 141/4% Preferred Stock currently ranks senior in right of payment to all other series of our outstanding preferred stock and all classes of common stock. Upon effectiveness of the Preferred Stock Amendment with respect to the certificate of designation governing the 141/4% Preferred Stock, the 141/4% Preferred Stock will rank (i) junior in right of payment to the 11% Series B Preferred Stock, Series A-2 Non-Convertible Preferred Stock and Series A-3 Convertible Preferred Stock; and (ii) senior in right of payment to the Series B, D, E-1 and E-2 Convertible Preferred Stock, the Series F Non-Convertible Preferred Stock and all classes of common stock.

Redemption. We may redeem all or a portion of the 141/4% Preferred Stock, at our option, at any time at a redemption price equal to 100% of the liquidation preference thereof, plus, without duplication, accumulated and unpaid dividends to the date of redemption.

We were required to redeem all of the 141/4% Preferred Stock outstanding on November 15, 2006 at a redemption price equal to 100% of the liquidation preference, plus, without duplication, accumulated and unpaid dividends to the date of redemption. We have not redeemed these shares and dividends continue to accrue. As a result, the holders of the 141/4% Preferred Stock exercised their right to elect two additional directors to our Board effective April 2, 2007.

Upon a change of control (as defined in the certificate of designation for the 141/4% Preferred Stock), we are required to offer to purchase the 141/4% Preferred Stock at a price equal to 101% of the liquidation preference, plus, without duplication, accumulated and unpaid dividends. The consummation of the transactions contemplated by the Master Transaction Agreement will result in a change of control of our company for purposes of the certificate of designation for the 141/4% Preferred Stock. We do not intend to make an offer to repurchase the 141/4% Preferred Stock following a change of control that occurs in connection with the transactions contemplated by the Master Transaction Agreement. The certificate of designation provides that the sole and exclusive remedy of the holders for our failure to make any required change of control purchase offer is the right to elect two directors to our Board. As a result of our failure to redeem the 141/4% Preferred Stock at the scheduled mandatory redemption dates, the holders have already exercised this right, having elected two directors to our Board effective April 2, 2007.

Exchange Provisions. The 141/4% Preferred Stock is exchangeable into the 131/4% exchange debentures, at our option, subject to certain conditions, in whole or in part, on a pro rata basis, on any scheduled dividend payment date; provided that, in the case of any partial exchange, immediately after giving effect to such exchange, there must be outstanding shares of 141/4% Preferred Stock (whether initially issued or issued in lieu of cash dividends) with an aggregate liquidation preference of not less than \$75.0 million and not less than \$75.0 million of aggregate principal amount of 131/4% exchange debentures.

Restrictive Covenants. The certificate of designation for the 141/4% Preferred Stock contains covenants for the benefit of the holders of the 141/4% Preferred Stock that, among other things, and subject to certain exceptions, restrict our ability and the ability of our restricted subsidiaries to:

incur additional indebtedness;

pay dividends and make other restricted payments;

issue certain stock of subsidiaries; and

enter into transactions with affiliates.

In the event we breach any of these covenants, the holders of the 14¹/₄% Preferred Stock have the right, voting separately and as one class, to elect the lesser of two directors and that number of directors constituting 25% of the members of the Board.

Such debentures are convertible into shares of Class A Common Stock (or a corresponding number of shares of non-voting common stock, in the case of conversion by NBC Palm Beach I) at a price of \$13.01 per share, and are redeemable by us for cash at a price equal to 80% of the prevailing trading price of our Class A Common Stock multiplied by the number of shares of our Class A Common Stock into which such debentures are convertible (based on the \$13.01 per share conversion price).

Conversion Rights.

Optional Conversion. At the holder's option, the shares of Series E-2 Convertible Preferred Stock will be convertible at any time into (A) a number of shares of Class A Common Stock (or, under certain circumstances, Class C Common Stock) equal to the number of shares of Series E-2 Convertible Preferred Stock surrendered for conversion, multiplied by \$10,000, divided by (B) the conversion price then in effect, except that if shares of Series E-2 Convertible Preferred Stock are called for redemption the conversion right will terminate at the close of business on the redemption date. The conversion price is \$0.89 per share of Class A Common Stock (or, under certain circumstances, Class C Common Stock), subject to adjustment, which we refer to as the Series E-2 Convertible Preferred Stock Conversion Price. No fractional shares or securities representing fractional shares will be issued upon conversion; in lieu of fractional shares, we will pay a cash adjustment based upon the common stock value as of the close of business on the first business day preceding the date of conversion.

Mandatory Conversion. At any time following the first anniversary of the issuance date, the shares of Series E-2 Convertible Preferred Stock will be converted automatically, without notice to holders, into (A) a number of shares of Class A Common Stock (or, under certain circumstances, Class C Common Stock) equal to the liquidation preference of the shares of Series E-1 Convertible Preferred Stock so converted, divided by (B) the Series E-2 Convertible Preferred Stock Conversion Price, upon the earliest to occur of the following events:

the trading price for 15 consecutive trading days of our Class A Common Stock or Class D Common Stock is equal to or greater than:

in the event the mandatory conversion occurs after the first anniversary, but prior to the second anniversary of the issuance date, 102% of the Series E-2 Convertible Preferred Stock Conversion Price,

in the event the mandatory conversion occurs on or after the second anniversary, but prior to the third anniversary of the issuance date, 101% of the Series E-2 Convertible Preferred Stock Conversion Price, or

Table of Contents

in the event the mandatory conversion occurs on or after the third anniversary of the issuance date, the Series E-2 Convertible Preferred Stock Conversion Price

(as the case may be, the Series E-2 Convertible Preferred Stock Mandatory Conversion Trigger Price); and

we issue common stock at an issue price per share equal to or greater than the Series E-2 Convertible Preferred Stock Mandatory Conversion Trigger Price, generating aggregate gross proceeds to us of at least \$75,000,000 (provided that, if the common stock is issued to CIG, NBCU or their respective affiliates, an internationally recognized investment bank selected by CIG from a list of three banks provided by us shall have provided an opinion to the effect that the issue price per share is at or higher than the fair market value of a share of our common stock).

The conversion prices shall be subject to customary adjustments for stock splits, dividends, recapitalizations, below market issues and similar events.

Series F Non-Convertible Preferred Stock

We have designated 22,000 shares of our authorized preferred stock as our Series F Non-Convertible Preferred Stock, 21,000 of which are currently outstanding, all of which are held by CIG and which we have agreed to exchange, promptly following the Exchange Offer closing, for shares of Series A-2 Non-Convertible Preferred Stock and Series E-2 Convertible Preferred Stock.

Dividends. Beginning on the date of issuance, holders of the Series F Non-Convertible Preferred Stock will be entitled to receive, when, as and if declared by our Board, dividends at an annual rate of 8% of the liquidation preference per share. All dividends shall accrue and be cumulative, whether or not earned or declared, on a quarterly basis, in arrears from the issuance date, but shall be payable only at such time or times as may be fixed by our Board or as otherwise provided and shall not compound.

Voting Rights. Holders of the Series F Non-Convertible Preferred Stock will not be entitled to voting rights, except as required under the DGCL and as expressly provided in the certificate of designation, including, among others things, with respect to:

materially and adversely amending certain rights of the holders of the Series F Non-Convertible Preferred Stock;

issuing additional shares of Series F Non-Convertible Preferred Stock or any class of equity securities that ranks on a parity with or senior to the Series F Non-Convertible Preferred Stock, other than the issuance of such parity or senior securities in an amount sufficient to refinance any series of securities to which the Series F Non-Convertible Preferred Stock is junior, so long as such parity or senior securities (i) do not require us to pay dividends thereon on a current basis in cash, or (ii) require cash dividends to be paid at a rate not more than three percentage points greater than the dividend rate borne by any series of securities to which the Series F Non-Convertible Preferred Stock is junior, and do not prohibit the payment of dividends other than in cash on the Series F Non-Convertible Preferred Stock or prohibit mandatory redemption of the Series F Non-Convertible Preferred Stock; and

any merger or consolidation involving us and any transfer of all or substantially all of our assets (including our subsidiaries, taken as a whole), unless certain conditions are met.

In addition, the certificate of designation of the Series F Non-Convertible Preferred Stock provides that, upon our failure to satisfy any redemption or conversion obligation with respect to the Series F Non-Convertible Preferred Stock, as their sole and exclusive remedy under such circumstances, holders of a majority of the outstanding shares of such stock shall have the right, voting separately and as one class, to elect the lesser of two directors or that number of directors constituting 25% of the members of our Board.

DESCRIPTION OF CERTAIN INDEBTEDNESS

Series A Notes

Upon the closing of the Exchange Offer, we will issue \$458,826,591 aggregate principal amount of Series A Notes to the tendering holders of Senior Preferred Stock in the Exchange Offer. The terms of the Series A Notes will be substantially similar to the terms of the Series B Notes described below except that the initial conversion price of the Series A Notes will be \$0.90 per share (the initial conversion price of the Series B Notes is \$0.75) and the Series A Notes will be convertible into Class D Common Stock (the Series B Notes are convertible into either Class A Common Stock or Class C Common Stock).

Series B Notes

On May 4, 2007, we issued \$100.0 million of Series B Notes to CIG, and have agreed to issue to CIG an additional \$15.0 million of Series B Notes on the closing of the Exchange Offer, which are mandatorily convertible senior subordinated notes bearing interest at a rate of 11% per annum. The Series B Notes require quarterly interest payments in January, April, July, and October of each year, with the first interest payment date being on July 31, 2007. We have the option to pay interest on the Series B Notes either (i) entirely in cash or (ii) by deferring the payment of all such interest to any subsequent interest payment date.

The Series B Notes are convertible on both an optional and a mandatory basis. At the holder's option, the Series B Notes are convertible at any time into shares of Class A Common Stock at a conversion price of \$0.75 per share, increasing at a rate per annum of 11% from the issuance of the Series B Notes through the date of conversion. At any time following the first anniversary of the issuance date, the Series B Notes shall be mandatorily converted into shares of Class A Common Stock, or, in the case of Series B Notes issued to the NBCU Entities, at NBCU's option, an equal number of shares of Class C Common Stock, upon the earliest of: (i) if shares of Class A Common Stock or Class D Common Stock are traded on a national securities exchange or in the over-the-counter market, the trading price for 15 consecutive trading days is equal to or greater than, (a) in the event the mandatory conversion occurs on or after the first anniversary but prior to the second anniversary of the issuance date, 102% of the then-applicable conversion price, (b) in the event the mandatory conversion occurs on or after the second anniversary but prior to the third anniversary of the issuance date, 101% of the then-applicable conversion price, or (c) in the event the mandatory conversion occurs on or after the third anniversary of the issuance date, the then-applicable conversion price; or (ii) our issuance of common stock at an issue price per share equal to or greater than the then-applicable mandatory conversion trigger price of the Series B Notes, generating aggregate gross proceeds to us of at least \$75,000,000 (provided that, if the common stock is issued to CIG, NBCU or their respective affiliates, an internationally recognized investment bank selected by CIG from a list of three banks provided by us shall have provided an opinion to the effect that the issue price is at or higher than the fair market value of a share of our common stock).

The Series B Notes Indenture contains customary covenants and includes a covenant restricting our ability to incur additional debt, other than specified types of permitted debt, unless after giving effect to the incurrence of such additional debt and the application of the proceeds thereof, our ratio of total debt to consolidated EBITDA would be less than 8.5 to 1.0.

Events of default under this indebtedness include the failure to pay interest within 30 days of the due date, the failure to pay principal when due, the continued failure to perform any covenant or warranty contained in the Series B Notes or the Series B Notes Indenture for 60 days after we receive notice of default from the trustee or holders of at least 25% of the Series B Notes (except, where such default pertains to the failure to deliver copies of SEC filings, the

default must continue for 90 days after such written notice), a default under any debt by us or any subsidiary that results in acceleration of the maturity of such debt, or failure to pay any such debt at maturity, in an aggregate amount of debt greater than \$10,000,000 or its foreign currency equivalent at the time, the entry of a monetary judgment against us in an aggregate amount greater than \$10.0 million, and the occurrence of certain bankruptcy events involving us or one of our significant

Table of Contents

subsidiaries. As of June 30, 2007, we were in compliance with all of our covenants under the Series B Notes Indenture.

Upon the occurrence of an event of default, other than in connection with a bankruptcy proceeding, the trustee or the holders of at least 25% in aggregate principal amount of the Series B Notes then outstanding may declare the principal amount and accrued and unpaid interest, if any, and any accrued and unpaid additional interest, through the date of declaration on all the Series B Notes to be immediately due and payable. At that time, if there are any amounts outstanding under any of the instruments constituting Senior Debt, such amounts shall become due and payable upon the first to occur of an acceleration under any of the instruments constituting Senior Debt or five business days after receipt by us and the representative under any Senior Debt of notice of the acceleration of the instruments constituting Senior Debt, unless all events of default specified in such notice of acceleration have been cured or waived.

Upon the occurrence of an event of default, in connection with a bankruptcy proceeding involving us or one of our significant subsidiaries, the principal amount and accrued and unpaid interest, if any, and any accrued and unpaid additional interest, on the Series B Notes shall become immediately due and payable, without any declaration or other act on the part of the trustee or any holders of Series B Notes.

Nevertheless, at any time after such a declaration of acceleration with respect to the Series B Notes has been made and before a judgment or decree for payment of the money due has been obtained by the trustee, the holders of not less than a majority in principal amount of the Series B Notes, by written notice to us and the trustee, may rescind and annul such declaration and its consequences if certain conditions have been met.

We do not have the right to redeem the Series B Notes until the final maturity date of July 31, 2013.

**AMENDED CERTIFICATE OF DESIGNATION OF THE POWERS,
PREFERENCES AND RELATIVE, PARTICIPATING,
OPTIONAL AND OTHER SPECIAL RIGHTS OF 93/4% SERIES A
CONVERTIBLE PREFERRED STOCK AND QUALIFICATIONS,
LIMITATIONS AND RESTRICTIONS THEREOF**

**Pursuant to Section 151 of the
General Corporation Law of the State of Delaware**

(a) **Designation.** There is hereby created out of the authorized and unissued shares of Preferred Stock of the Corporation a class of Preferred Stock designated as the 93/4% Series A Convertible Preferred Stock. The number of shares constituting such class shall be 17,500 and are referred to as the Convertible Preferred Stock. The liquidation preference of the Convertible Preferred Stock shall be \$10,000.00 per share.

(b) **Rank.** The Convertible Preferred Stock shall, with respect to dividends and distributions upon liquidation, winding-up or dissolution of the Corporation, rank (i) senior to all classes of Common Stock of the Corporation and to each other class of Capital Stock of the Corporation or series of Preferred Stock of the Corporation hereafter created the terms of which do not expressly provide that it ranks senior to, or on a parity with, the Convertible Preferred Stock as to dividends and distributions upon liquidation, winding-up or dissolution of the Corporation, including the Junior Preferred Stock (collectively referred to, together with all classes of Common Stock of the Corporation, as Junior Securities); (ii) on a parity with any class of Capital Stock of the Corporation or series of Preferred Stock of the Corporation hereafter created the terms of which expressly provide that such class or series will rank on a parity with the Convertible Preferred Stock as to dividends and distributions upon liquidation, winding-up or dissolution (collectively referred to as Parity Securities); and (iii) junior to the NBCU Series B Preferred Stock and to the 131/4% Cumulative Junior Preferred Stock, with a liquidation value of \$10,000 per share, to the Senior Preferred Stock and to each other class of Capital Stock of the Corporation or series of Preferred Stock of the Corporation hereafter created the terms of which expressly provide that such class or series will rank senior to the Convertible Preferred Stock as to dividends and distributions upon liquidation, winding-up or dissolution of the Corporation (collectively referred to as Senior Securities).

(c) **Dividends.**

(i) Beginning on the Issue Date, the Holders of the outstanding shares of Convertible Preferred Stock shall be entitled to receive, when, as and if declared by the Board of Directors, out of funds legally available therefor, dividends on each share of Convertible Preferred Stock, at a rate per annum equal to 93/4% of the liquidation preference per share

of the Convertible Preferred Stock, payable quarterly. All dividends shall be cumulative, whether or not earned or declared, on a daily basis from the Issue Date and shall be payable quarterly in arrears on each Dividend Payment Date, commencing September 30, 1998. Dividends may be paid, at the Corporation's option, on any Dividend Payment Date either in cash or by the issuance of additional shares of Convertible Preferred Stock (including fractional shares) having an aggregate liquidation preference equal to the amount of such dividends or by the issuance of shares of Class A Common Stock (and payment of cash in lieu of fractional shares) having a value, based upon the average Common Stock Trading Price as of the consecutive five trading days ending two Business Days prior to the Dividend Payment Date equal to the amount of such dividends. In the event that dividends are declared and paid through the issuance of additional shares of Convertible Preferred Stock or Class A Common Stock, as herein provided, such dividends shall be deemed paid in full and will not accumulate. Each dividend shall be payable to the Holders of record as they appear on the stock books of the Corporation on the Dividend Record Date immediately preceding the related Dividend Payment Date. Dividends shall cease to accumulate in respect of shares of the Convertible Preferred Stock on the date of the redemption of such shares unless the Corporation shall have failed to pay the relevant Redemption Price on the date fixed for redemption.

A-1

Table of Contents

(ii) All dividends paid with respect to shares of the Convertible Preferred Stock pursuant to paragraph (c)(i) shall be paid pro rata to the Holders entitled thereto.

(iii) Unpaid dividends accumulating on the Convertible Preferred Stock for any past dividend period and dividends in connection with any Redemption may be declared and paid at any time, without references to any regular Dividend Payment Date, to holders of record on such date, not more than forty-five (45) days prior to the payment thereof, as may be fixed by the Board of Directors.

(iv) Dividends payable on the Convertible Preferred Stock for any period less than a year shall be computed on the basis of a 360-day year of twelve 30-day months and the actual number of days elapsed in the period for which payable.

(v) Notwithstanding paragraph (c)(i) above, if the Company elects to pay dividends on any Dividend Payment Date in shares of Class A Common Stock and such shares are not freely tradable without volume or manner of sale limitations under the Securities Act by any Holder which is not an Affiliate of the Corporation, the dividend rate for the Quarterly Period for which the dividend is being paid shall be increased to 12 1/4% per annum. For purposes of the prior sentence, the shares of Class A Common Stock shall be deemed not freely tradable, unless the certificates evidencing such shares are delivered to the Holders without any restrictive legend appearing thereon and are accompanied by a copy of an Opinion of Counsel addressed to the Corporation to the effect that such shares of Class A Common Stock are freely tradable without volume or manner of sale limitations under the Securities Act by a Holder who is not an Affiliate of the Corporation.

(d) Liquidation Preference.

(i) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, the Holders of shares of Convertible Preferred Stock then outstanding shall be entitled to be paid, out of the assets of the Corporation available for distribution to its stockholders, an amount in cash equal to the liquidation preference for each share outstanding, plus without duplication, an amount in cash equal to accumulated and unpaid dividends thereon to the date fixed for liquidation, dissolution or winding up (including an amount equal to a prorated dividend for the period from the last Dividend Payment Date to the date fixed for liquidation, dissolution or winding up) before any distribution shall be made or any assets distributed to the holders of any of the Junior Securities including, without limitation, the Common Stock of the Corporation. Except as provided in the preceding sentence, Holders of Convertible Preferred Stock shall not be entitled to any distribution in the event of any liquidation, dissolution or winding up of the affairs of the Corporation. If the assets of the Corporation are not sufficient to pay in full the liquidation payments payable to the Holders of outstanding shares of the Convertible Preferred Stock and all Parity Securities, then the holders of all such shares shall share equally and ratably in such distribution of assets first in proportion to the full liquidation preference to which each is entitled until such preferences are paid in full, and then in proportion to their respective amounts of accumulated but unpaid dividends.

(ii) For the purposes of this paragraph (d), neither the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property or assets of the Corporation nor the consolidation or merger of the Corporation with or into one or more entities shall be deemed to be a liquidation, dissolution or winding up of the affairs of the Corporation.

(e) Redemption.

(i) Redemption. (A) The Corporation may, at the option of the Board of Directors, redeem at any time, in whole or in part, in the manner provided for in paragraph (e)(ii) hereof, any or all of the shares of the Convertible Preferred Stock, at the redemption price per share equal to the sum of (x) \$10,000 and (y) an amount equal to all accumulated and

unpaid dividends per share (including an amount in cash equal to a prorated dividend for the period from the Dividend Payment Date immediately prior to the Redemption Date to the Redemption Date) (the Redemption Price).

(B) In the event of a redemption pursuant to paragraph (e)(i)(A) hereof of only a portion of the then outstanding shares of the Convertible Preferred Stock, the Corporation shall effect such redemption on a pro rata basis according to the number of shares held by each Holder of the Convertible Preferred Stock, except

A-2

that the Corporation may redeem all shares held by any Holders of fewer than one share (or shares held by Holders who would hold less than one share as a result of such redemption), as may be determined by the Corporation, provided, that no Redemption shall be authorized or made unless prior thereto full accumulated and unpaid dividends are declared and paid in full in cash, or declared and a sum in cash set apart sufficient for such payment, on the Convertible Preferred Stock for all Dividend Periods terminating on or prior to the Redemption Date.

(ii) Procedures for Redemption. (A) At least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption of the Convertible Preferred Stock, written notice (the Redemption Notice) shall be given by first class mail, postage prepaid, to each Holder of record on the record date fixed for such redemption of the Convertible Preferred Stock at such Holder's address as it appears on the stock books of the Corporation, provided that no failure to give such notice nor any deficiency therein shall affect the validity of the procedure for the redemption of any shares of Convertible Preferred Stock to be redeemed except as to the Holder or Holders to whom the Corporation has failed to give said notice or to whom such notice was defective. The Redemption Notice shall state:

(1) that the redemption is pursuant to paragraph (e)(i)(A) hereof;

(2) the Redemption Price;

(3) whether all or less than all the outstanding shares of the Convertible Preferred Stock are to be redeemed and the total number of shares of the Convertible Preferred Stock being redeemed;

(4) the date fixed for redemption;

(5) that the Holder is to surrender to the Corporation, in the manner, at the place or places and at the price designated, his certificate or certificates representing the shares of Convertible Preferred Stock to be redeemed; and

(6) that dividends on the shares of the Convertible Preferred Stock to be redeemed shall cease to accumulate on such Redemption Date unless the Corporation defaults in the payment of the Redemption Price.

(B) Each Holder of Convertible Preferred Stock shall surrender the certificate or certificates representing such shares of Convertible Preferred Stock to the Corporation, duly endorsed (or otherwise in proper form for transfer, as determined by the Corporation), in the manner and at the place designated in the Redemption Notice, and on the Redemption Date the full Redemption Price for such shares shall be payable in cash to the Person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be canceled and retired. In the event that less than all of the shares represented by any such certificate are redeemed, a new certificate shall be issued representing the unredeemed shares.

(C) On and after the Redemption Date, unless the Corporation defaults in the payment in full of the applicable Redemption Price, dividends on the Convertible Preferred Stock called for redemption shall cease to accumulate on the Redemption Date, and all rights of the Holders of redeemed shares shall terminate with respect thereto on the Redemption Date, other than the right to receive the Redemption Price, without interest; provided, however, that if a notice of redemption shall have been given as provided in paragraph (ii)(A) above and the funds necessary for redemption (including an amount in respect of all dividends that will accrue to the Redemption Date) shall have been segregated and irrevocably deposited in trust for the equal and ratable benefit of the Holders of the shares to be redeemed, then, at the close of business on the day on which such funds are segregated and set aside, the Holders of the shares to be redeemed shall cease to be stockholders of the Corporation and shall be entitled only to receive the Redemption Price.

(f) Voting Rights.

Except as otherwise provided by law, the Holders of Convertible Preferred Stock shall not be entitled to vote on any matters submitted for a vote to the holders of the Corporation's common stock. Upon the filing of the Certificate of Amendment of the Certificate of Incorporation containing this sentence (the Amendment), the term of any director elected by the Holders of Convertible Preferred Stock prior to the filing of such

A-3

Table of Contents

Certificate of Amendment of the Certificate of Incorporation shall automatically end and such director shall immediately cease to be a member of the Board of Directors.

(g) Conversion.

(i) Shares of the Convertible Preferred Stock will be convertible at the option of the Holder thereof, at any time and from time to time, into a number of shares of Class A Common Stock equal to the aggregate liquidation preference amount of the shares of Convertible Preferred Stock surrendered for conversion divided by the Conversion Price as then in effect, except that, if shares of Convertible Preferred Stock are called for redemption, the conversion right will terminate at the close of business on the Redemption Date. No fractional shares or securities representing fractional shares of Class A Common Stock will be issued upon conversion; in lieu of fractional shares of Class A Common Stock, the Company will, at its option, either round up the number of shares to be issued to the nearest whole share or pay a cash adjustment based upon the current market price of the Class A Common Stock at the close of business on the first Business Day preceding the date of conversion. The Convertible Preferred Stock shall be converted by the holder thereof by surrendering the certificate or certificates representing the shares of Convertible Preferred Stock to be converted, appropriately completed, to the transfer agent for the Class A Common Stock. The transfer agent shall issue one or more certificates representing the Class A Common Stock to be issued in the conversion in the name of names requested by the Holder. The transfer agent will deliver to the Holder a new certificate representing the shares of Convertible Preferred Stock in excess of those being surrendered for conversion. Effective as of the filing of the Amendment, the Conversion Price shall be \$16.00 (the Conversion Price). Such Conversion Price shall be adjusted as hereinafter provided.

(ii) (A) In case the Company shall (I) pay a dividend or distribution in shares of its Class A Common Stock on its shares of Class A Common Stock, (II) subdivide its outstanding shares of Class A Common Stock into a greater number of shares, (III) combine its outstanding shares of Class A Common Stock into a smaller number of shares, or (IV) issue, by reclassification of its shares of Class A Common Stock, any shares of its capital stock (each such transaction being called a Stock Transaction), then and in each such case, the Conversion Price in effect immediately prior thereto shall be adjusted so that the Holder of a share of Convertible Preferred Stock surrendered for conversion after the record date fixing stockholders to be affected by such Stock Transaction shall be entitled to receive upon conversion the number of such shares of Class A Common Stock which such Holder would have been entitled to receive after the happening of such event had such share of Convertible Preferred Stock been converted immediately prior to such record date. Such adjustment shall be made whenever any of such events shall happen, but shall also be effective retroactively as to shares of Convertible Preferred Stock converted between such record date and the date of the happening of any such event.

(B) In the event the Company shall, at any time or from time to time while any shares of Convertible Preferred Stock are outstanding, issue, sell or distribute any right or warrant to purchase, acquire or subscribe for shares of Class A Common Stock (including a right or warrant with respect to any security convertible into or exchangeable for shares of Class A Common Stock) generally to holders of Common Stock (including by way of a reclassification of shares or a recapitalization of the Company), for a consideration on the date of such issuance, sale or exchange less than the Common Stock Trading Price of the shares of Class A Common Stock underlying such rights or warrants on the date of such issuance, sale or distribution, then and in each case, the Conversion Price shall be adjusted by multiplying such Conversion Price by a fraction the numerator of which shall be the sum of (I) the Common Stock Trading Price per share of Common Stock on the first trading date after the date of the public announcement of the actual terms (including the price terms) of such issuance, sale or distribution multiplied by the number of shares of Class A Common Stock outstanding immediately prior to such issuance, sale or exchange plus (II) the aggregate Fair Market Value of the consideration to be received by the Company in respect of such issuance, sale or distribution of the shares of Class A Common Stock underlying such right or warrant, and the denominator of which shall be the Common Stock Trading Price per share of Class A Common Stock on the trading day immediately preceding the public

announcement of the actual terms (including the pricing terms) of such issuance, sale or exchange multiplied by the aggregate number of shares of Class A Common Stock (I) outstanding immediately prior to such issuance, sale or distribution plus (II) underlying such rights or warrants at the time of such issuance. For the

A-4

Table of Contents

purposes of the preceding sentence, the aggregate consideration receivable by the Company in connection with the issuance, sale or exchange of any such right or warrant shall be deemed to be equal to the sum of the aggregate offering price (before deduction of reasonable underwriting discounts or commissions and expenses) of all such rights or warrants.

(C) In the event the Company shall, at any time or from time to time while any shares of Convertible Preferred Stock are outstanding, repurchase or redeem any portion of the Class A Common Stock from holders generally at a premium over the Common Stock Trading Price thereof on the next trading day immediately preceding the consummation of such repurchase or redemption (a Repurchase), then and in the case of each Repurchase the Conversion Price in effect immediately prior thereto shall be adjusted by multiplying such conversion price by the fraction the numerator of which is (I) the product of (x) the number of shares of Class A Common Stock outstanding immediately before such repurchase or redemption multiplied by (y) the Common Stock Trading Price per share of Class A Common Stock on the next trading day immediately following the consummation of such Repurchase minus (II) the aggregate purchase price of the Repurchase and the denominator of which shall be the product of (x) the number of shares of Class A Common Stock outstanding immediately before such Repurchase minus the number of shares of Class A Common Stock repurchased or redeemed by the Company multiplied by (y) the Common Stock Trading Price per share of Class A Common Stock on the next trading day immediately following the consummation of such Repurchase. Such adjustment shall be made whenever any such events shall happen, but shall also be effective retroactively as to shares of Convertible Preferred Stock converted between such record date and the date of the happening of any such event.

(D) In the event the Company shall at any time or from time to time while any shares of Convertible Preferred Stock are outstanding declare, order, pay or make a dividend or other distribution generally to holders of Common Stock in stock or other securities or rights or warrants to subscribe for securities of the Company or any of its subsidiaries or evidences of indebtedness of the Company or any other person on its Class A Common Stock or pay any Extraordinary Cash Dividend, (other than any dividend or distribution on the Class A Common Stock (I) referred to in paragraphs (A), (B) or (C) above or (II) if in conjunction therewith the Company declares and pays or makes a dividend or distribution on each share of Convertible Preferred Stock which is the same as the dividend or distribution that would have been made or paid with respect to such share of Convertible Preferred Stock had such share been converted into shares of Class A Common Stock immediately prior to the record date for any such dividend or distribution on the Class A Common Stock), then, and in each such case, an appropriate adjustment to the Conversion Price shall be made so that the Holder of each share of Convertible Preferred Stock shall be entitled to receive, upon the conversion thereof, the number of shares of Class A Common Stock determined by multiplying (x) the number of shares of Class A Common Stock into which such share was convertible on the day immediately prior to the record date fixed for the determination of stockholders entitled to receive such dividend or distribution by (y) a fraction, the numerator of which shall be the Common Stock Trading Price per share of Class A Common Stock as of such record date, and the denominator of which shall be such Common Stock Trading Price per share of Class A Common Stock less the Fair Market Value per share of Class A Common Stock of such dividend or distribution (as determined in good faith by the Board of Directors, as evidenced by a Board Resolution mailed to each holder of shares of Convertible Preferred Stock). An adjustment made pursuant to this paragraph (D) shall be made upon the opening of business on the next business day following the date on which any such dividend or distribution is made and shall be effective retroactively immediately after the close of business on the record date fixed for the determination of stockholders entitled to receive such dividend or distribution.

(iii) No adjustment in the Conversion Price will be required to be made in any case until cumulative adjustments amount to 1% or more of the Conversion Price, but any such adjustment that would otherwise be required to be made shall be carried forward and taken into account in any subsequent adjustment. The Company may, to the extent permitted by law, make such reductions in the Conversion Price in addition to those described in paragraph (ii) above as it, in its sole discretion, shall determine to be advisable in order that certain stock related distributions hereafter made by the Company to its stockholders shall not be taxable to such stockholders.

(iv) Holders of shares of Convertible Preferred Stock at the close of business on a Dividend Record Date shall be entitled to receive the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the conversion thereof following such Dividend Record Date and on or prior to such Dividend Payment Date. However, shares of Convertible Preferred Stock surrendered for conversion during the period between the opening of business on any Dividend Record Date and the close of business on the corresponding Dividend Payment Date (except shares of Convertible Preferred Stock called for redemption on a Redemption Date during such period) must be accompanied by payment of an amount equal to the dividend payment with respect to such shares of Convertible Preferred Stock presented for conversion on such Dividend Payment Date; provided, however, that no such payment need be made if, at the time of conversion, dividends payable on the shares of Convertible Preferred Stock outstanding are in arrears for more than 30 days beyond the previous Dividend Payment Date. The dividend payment with respect to shares of Convertible Preferred Stock called for redemption on a Redemption Date during the period between the opening of business on a Dividend Record Date and the close of business on the corresponding Dividend Payment Date shall be payable on that Dividend Payment Date to the Holder of such shares at the close of business on the Dividend Record Date notwithstanding the conversion of such shares after the opening of business on such Dividend Record Date and on or prior to the close of business on such Dividend Payment Date, and the holder of such shares need not make a payment equal to the dividend payment amount upon surrender of such shares for conversion. A holder of shares of Convertible Preferred Stock on a Dividend Record Date who converts such shares on or after the corresponding Dividend Payment Date will receive the dividend payable by the Company on such shares of Convertible Preferred Stock on such date and need not include payment in the amount of such dividend upon surrender of such shares of Convertible Preferred Stock for conversion. Except as provided above, the Company shall make no payments or allowance for unpaid dividends, whether or not in arrears, on converted shares or for dividends on the shares of Class A Common Stock issued upon such conversion. The Company will not issue fractional shares of Class A Common Stock upon conversion of shares of Convertible Preferred Stock and, in lieu thereof, will at its option, either round up the number of shares to be issued to the nearest whole share or pay a cash adjustment based upon the Common Stock Trading Price of the Class A Common Stock (determined as set forth in the Certificate of Designation) on the last business day prior to the date of conversion.

(v) In the event of any capital reorganization (other than a capital reorganization covered by paragraph (ii) (D) above) or reclassification of outstanding shares of Class A Common Stock (other than a reclassification covered by paragraph (ii) (A) above), or in case of any merger, consolidation or other corporate combination of the Company with or into another corporation, or in case of any sale or conveyance to another corporation of the property of the Company as an entirety or substantially as an entirety (each of the foregoing being referred to as a Transaction), each share of Convertible Preferred Stock shall continue to remain outstanding if the Company is the Surviving Person (as defined below) of such Transaction, and shall be subject to all the provisions, as in effect prior to such Transaction, or if the Company is not the Surviving Person, each share of Convertible Preferred Stock shall be exchanged for a new series of convertible preferred stock of the Surviving Person, or in the case of a Surviving Person other than a corporation, comparable securities of such Surviving Person, in either case having economic terms as nearly equivalent as possible to, and with the same voting and other rights as, the Convertible Preferred Stock including entitling the holder thereof to receive, upon presentation of the certificate therefor to the Surviving Person subsequent to the consummation of such Transaction, the kind and amount of shares of stock and other securities and property receivable (including cash) upon the consummation of such Transaction by a holder of that number of shares of Class A Common Stock into which one share of Convertible Preferred Stock was convertible immediately prior to such Transaction. In case securities or property other than Common stock shall be issuable or deliverable upon conversion as aforesaid, then all references in this paragraph (v) shall be deemed to apply, so far as appropriate and as nearly as may be, to such other securities or property.

Notwithstanding anything contained herein to the contrary, the Company will not effect any Transaction unless, prior to the consummation thereof, (A) proper provision is made to ensure that the holders of shares of Convertible Preferred Stock will be entitled to receive the benefits afforded by this paragraph (v), and (B) if, following the Change

in Control, one or more entities other than the Company shall be required to deliver securities or other property upon the conversion of the Convertible Preferred Stock, such entity or entities shall

PREFERENCES AND RELATIVE, PARTICIPATING,
OPTIONAL AND OTHER SPECIAL RIGHTS OF 131/4% CUMULATIVE
JUNIOR EXCHANGEABLE PREFERRED STOCK AND QUALIFICATIONS,
LIMITATIONS AND RESTRICTIONS THEREOF**

**Pursuant to Section 151 of the
General Corporation Law of the State of Delaware**

I. DESIGNATION. There is hereby created out of the authorized and unissued shares of Preferred Stock of the Corporation a class of Preferred Stock designated as the 131/4% Cumulative Junior Preferred Stock. The number of shares constituting such class shall be 72,000 and are referred to as the Junior Preferred Stock. The liquidation preference of the Junior Preferred Stock shall be \$10,000.00 per share.

II. RANK. The Junior Preferred Stock shall, with respect to dividends and distributions upon liquidation, winding-up or dissolution of the Corporation, rank (i) senior to the Convertible Preferred Stock, to all classes of Common Stock of the Corporation and to each other class of Capital Stock of the Corporation or series of Preferred Stock of the Corporation hereafter created the terms of which do not expressly provide that it ranks senior to, or on a parity with, the Junior Preferred Stock as to dividends and distributions upon liquidation, winding-up or dissolution of the Corporation (collectively referred to, together with all classes of Common Stock of the Corporation and the Convertible Preferred Stock, as Junior Securities); (ii) on a parity with any class of Capital Stock of the Corporation or series of Preferred Stock of the Corporation hereafter created the terms of which expressly provide that such class or series will rank on a parity with the Junior Preferred Stock as to dividends and distributions upon liquidation, winding-up or dissolution, including the Series C Convertible Preferred Stock (collectively referred to as Parity Securities); and (iii) junior to the NBCU Series B Preferred, the Senior Preferred Stock and to each other class of Capital Stock of the Corporation or series of Preferred Stock of the Corporation hereafter created the terms of which expressly provide that such class or series will rank senior to the Junior Preferred Stock as to dividends and distributions upon liquidation, winding-up or dissolution of the Corporation (collectively referred to as Senior Securities).

III. DIVIDENDS.

A. Beginning on the Issue Date, the Holders of the outstanding shares of Junior Preferred Stock shall be entitled to receive, when, as and if declared by the Board of Directors, out of funds legally available therefor, dividends on each share of Junior Preferred Stock, at a rate per annum equal to 131/4% of the liquidation preference per share of the

Junior Preferred Stock, payable semi-annually. All dividends shall be cumulative, whether or not earned or declared, on a daily basis from the Issue Date and shall be payable semi-annually in arrears on each Dividend Payment Date, commencing November 15, 1998. Dividends may be paid, at the Corporation's option, on any Dividend Payment Date either in cash or by the issuance of additional shares of Junior Preferred Stock (including fractional shares) having an aggregate liquidation preference equal to the amount of such dividends. In the event that dividends are declared and paid through the issuance of additional shares of Junior Preferred Stock, as herein provided, such dividends shall be deemed paid in full and will not accumulate. If any dividend payable on any Dividend Payment Date subsequent to May 15, 2003 is not paid in full in cash, the per annum dividend rate will be increased by 1.00% per annum for such dividend payment period. After the date of which such dividend is paid in cash, the dividend rate will revert to the rate originally borne by the Junior Preferred Stock. Each dividend shall be payable to the Holders of record as they appear on the stock books of the Corporation on the Dividend Record Date immediately preceding the related Dividend Payment Date. Dividends shall cease to accumulate in respect of shares of the Junior Preferred Stock on the date of the earlier redemption of such shares unless the Corporation shall have failed to pay the relevant redemption price on the date fixed for redemption.

B-1

Table of Contents

B. All dividends paid with respect to shares of the Junior Preferred Stock pursuant to paragraph (c)(i) shall be paid PRO RATA to the Holders entitled thereto.

C. Unpaid dividends accumulating on the Junior Preferred Stock for any past Dividend Period and dividends in connection with any optional redemption may be declared and paid at any time, without references to any regular Dividend Payment Date, to holders of record on such date, not more than forty-five (45) days prior to the payment thereof, as may be fixed by the Board of Directors.

D. Dividends payable on the Junior Preferred Stock for any period less than a year shall be computed on the basis of a 360-day year of twelve 30-day months and the actual number of days elapsed in the period for which payable.

IV. LIQUIDATION PREFERENCE.

A. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, the Holders of shares of Junior Preferred Stock then outstanding shall initially be entitled to be paid, out of the assets of the Corporation available for distribution to its stockholders, an amount in cash equal to the liquidation preference for each share outstanding, plus without duplication, an amount in cash equal to accumulated and unpaid dividends thereon to the date fixed for liquidation, dissolution or winding up (including an amount equal to a prorated dividend for the period from the last Dividend Payment Date to the date fixed for liquidation, dissolution or winding up) before any distribution shall be made or any assets distributed to the holders of any of the Junior Securities including, without limitation, the Convertible Preferred Stock and Common Stock of the Corporation. Except as provided in the preceding sentence, Holders of Junior Preferred Stock shall not be entitled to any distribution in the event of any liquidation, dissolution or winding up of the affairs of the Corporation. If the assets of the Corporation are not sufficient to pay in full the liquidation payments payable to the Holders of outstanding shares of the Junior Preferred Stock and all Parity Securities, then the holders of all such shares shall share equally and ratably in such distribution of assets first in proportion to the full liquidation preference to which each is entitled until such preferences are paid in full, and then in proportion to their respective amounts of accumulated but unpaid dividends.

B. For the purposes of this paragraph (d), neither the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property or assets of the Corporation nor the consolidation or merger of the Corporation with or into one or more entities shall be deemed to be a liquidation, dissolution or winding up of the affairs of the Corporation.

V. REDEMPTION.

A. (A)The Corporation may, at the option of the Board of Directors, redeem at any time, in whole or in part, in the manner provided for in paragraph (e)(iii) hereof, any or all of the shares of the Junior Preferred Stock, at the redemption price per share equal to the sum of (x) \$10,000 and (y) an amount equal to all accumulated and unpaid dividends per share (including an amount in cash equal to a prorated dividend for the period from the Dividend Payment Date immediately prior to the Redemption Date to the Redemption Date) (the Redemption Price).

(B) [Intentionally Omitted]

(C) In the event of a redemption pursuant to paragraph (e)(i)(A) hereof of only a portion of the then outstanding shares of the Junior Preferred Stock, the Corporation shall effect such redemption on a PRO RATA basis according to the number of shares held by each Holder of the Junior Preferred Stock, except that the Corporation may redeem all shares held by any Holders of fewer than one share (or shares held by Holders who would hold less than one share as a result of such redemption), as may be determined by the Corporation, PROVIDED that no redemption shall be authorized or made unless prior thereto full accumulated and unpaid dividends are declared and paid in full, or

declared and a sum in cash set apart sufficient for such payment, on the Junior Preferred Stock for all Dividend Periods terminating on or prior to the Redemption Date.

B. [Intentionally Omitted]

C. PROCEDURES FOR REDEMPTION. (A) At least thirty (30) days and not more than sixty (60) days prior to the date fixed for any redemption of the Junior Preferred Stock, written notice (the Redemption Notice) shall be given by first class mail, postage prepaid, to each Holder of record on the record date fixed for such redemption of the Junior Preferred Stock at such Holder s address as it appears on the stock books of the Corporation, PROVIDED that no failure to give such notice nor any deficiency therein shall affect the validity of the procedure for the redemption of any shares of Junior Preferred Stock to be redeemed except as to the Holder or Holders to whom the Corporation has failed to give said notice or to whom such notice was defective. The Redemption Notice shall state:

a. that the redemption is pursuant to paragraph (e)(i)(A) hereof;

b. the Redemption Price;

c. whether all or less than all the outstanding shares of the Junior Preferred Stock are to be redeemed and the total number of shares of the Junior Preferred Stock being redeemed;

d. the date fixed for redemption;

e. that the Holder is to surrender to the Corporation, in the manner, at the place or places and at the price designated, his certificate or certificates representing the shares of Junior Preferred Stock to be redeemed; and

f. that dividends on the shares of the Junior Preferred Stock to be redeemed shall cease to accumulate on such Redemption Date unless the Corporation defaults in the payment of the Redemption Price.

(B) Each Holder of Junior Preferred Stock shall surrender the certificate or certificates representing such shares of Junior Preferred Stock to the Corporation, duly endorsed (or otherwise in proper form for transfer, as determined by the Corporation), in the manner and at the place designated in the Redemption Notice, and on the Redemption Date the full Redemption Price for such shares shall be payable in cash to the Person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be canceled and retired. In the event that less than all of the shares represented by any such certificate are redeemed, a new certificate shall be issued representing the unredeemed shares.

(C) On and after the Redemption Date, unless the Corporation defaults in the payment in full of the applicable redemption price, dividends on the Junior Preferred Stock called for redemption shall cease to accumulate on the Redemption Date, and all rights of the Holders of redeemed shares shall terminate with respect thereto on the Redemption Date, other than the right to receive the Redemption Price, without interest; PROVIDED, HOWEVER, that if a notice of redemption shall have been given as provided in paragraph (iii)(A) above and the funds necessary for redemption (including an amount in respect of all dividends that will accrue to the Redemption Date) shall have been segregated and irrevocably deposited in trust for the equal and ratable benefit of the Holders of the shares to be redeemed, then, at the close of business on the day on which such funds are segregated and set aside, the Holders of the shares to be redeemed shall cease to be stockholders of the Corporation and shall be entitled only to receive the Optional Redemption Price, without interest.

VI. VOTING RIGHTS.

The Corporation shall take all such actions as may be necessary to assure that all such shares of Class A Common may be so issued without violation of any applicable law or governmental regulation or any requirements of any domestic securities exchange upon which shares of Class A Common may be listed (except for official notice of issuance, which will be immediately transmitted by the Corporation upon issuance).

is requested by the holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate. The issuance of new certificates shall be made without charge to the holders of the surrendered certificates for any issuance tax in respect thereof or other cost incurred by the Corporation in connection with such issuance.

6. Replacement. Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered holder will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing one or more shares of any series of Common Stock, and in the case of any such loss, theft or destruction, upon receipt of indemnity reasonably satisfactory to the Corporation (provided, however, that if the holder is a financial institution or other institutional investor its own agreement will be satisfactory), or, in the case of any such mutilation upon surrender of such certificate, the Corporation shall (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of such series represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

7. Notices. All notices referred to herein shall be in writing, shall be delivered personally or by first class mail, postage prepaid, and shall be deemed to have been given when so delivered or mailed to the Corporation at its principal executive offices and to any stockholder at such holder's address as it appears in the stock records of the Corporation (unless otherwise specified in a written notice to the Corporation by such holder).

8. Amendment and Waiver. In addition to any vote required by law, no amendment or waiver of any provision of this Article Fourth shall be effective without the prior approval of the holders of a majority of the then outstanding Class C Common voting as a separate class.

2. Said amendments were adopted by resolution of the Board of Directors and approved by a majority vote of the outstanding stock entitled to vote thereon, and a majority of each class entitled to vote thereon as a class, pursuant to Section 228 and Section 242 of the Delaware General Corporation Law.

ION is duly licensed or qualified to do business and is in good standing in each jurisdiction in which the properties owned or leased by it or the operation of its business makes such licensing or qualification necessary, except to the extent that the failure to be so licensed or qualified and in good standing would not adversely affect the ability of ION to carry out its obligations under, and to consummate the transactions contemplated by, this Agreement. The execution and delivery by ION of this Agreement, the performance by ION of its obligations hereunder and the consummation by ION of the transactions contemplated hereby have been duly authorized by all requisite action on the part of ION and its stockholders. This Agreement has been duly executed and delivered by ION, and (assuming due authorization, execution and delivery by the other parties) this Agreement constitutes legal, valid and binding obligations of ION, enforceable against ION in accordance with its terms, subject to the effect of any applicable bankruptcy, insolvency (including all Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity).

(b) Authorization; Enforceable Obligations. Assuming that all consents, approvals, authorizations and other actions described in Section 3.1(c) have been obtained or have occurred and any applicable waiting period has expired or been terminated, and except as may result from any facts or circumstances relating solely to Palm Beach I, the execution, delivery and performance of this Agreement does not and will not (i) violate, conflict with or result in the breach of the limited liability company agreement (or similar organizational documents) of ION, (ii) conflict with or violate any Law or Governmental Order applicable to ION or (iii) conflict with, result in any breach of, constitute a default (or event which with the giving of notice or lapse of time, or both, would become a default) under, require any consent under, or give to others any rights of termination, acceleration or cancellation of, any note, bond, mortgage or indenture, contract, agreement, lease, sublease, license, permit, franchise or other instrument or arrangement to which ION or any of its subsidiaries is a party, except, in the case of clauses (ii) and (iii), as would not materially and adversely affect the ability of ION to carry out its obligations under, and to consummate the transactions contemplated by, this Agreement.

(c) Governmental Consents. The execution, delivery and performance by ION of this Agreement and the transactions contemplated hereby do not and will not require any consent, approval, authorization or other order of, action by, filing with or notification to, any Governmental Authority, except (i) the pre-merger notification and waiting period requirements of the HSR Act and the approval by the FCC pursuant to Section 310(d) of the Communications Act in connection with the exercise of the Call Right, (ii) where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not prevent or materially delay the consummation by ION of the transactions contemplated by this Agreement or (iii) as may be necessary as a result of any facts or circumstances relating solely to Palm Beach I.

(d) Capitalization. As of the Effective Date, ION will have taken all necessary corporate action to authorize, reserve and permit it to issue, and at all times from the date hereof until such time as the obligation to deliver Call Shares upon the exercise of the Call Right terminates, will have reserved, all the Call Shares issuable pursuant to this Agreement and shares of Class A Common Stock issuable upon conversion of the Call Shares, and ION will take all necessary corporate action to authorize and reserve and permit it to issue all additional shares of Class B Common Stock or other securities that may be issued pursuant this Agreement, all of which, upon their issuance and delivery in

accordance with the

terms of this Agreement, will be duly authorized, validly issued, fully paid and nonassessable, and shall be delivered free and clear of all Liens and not subject to any preemptive rights.

Palm Beach I is duly licensed or qualified to do business and is in good standing in each jurisdiction in which the properties owned or leased by it or the operation of its business makes such licensing or qualification necessary, except to the extent that the failure to be so licensed or qualified and in good standing would not adversely affect the ability of Palm Beach I to carry out its obligations under, and to consummate the transactions contemplated by, this Agreement. The execution and delivery by Palm Beach I of this Agreement, the performance by Palm Beach I of its obligations hereunder and the consummation by Palm Beach I of the transactions contemplated hereby have been duly authorized by all requisite action on the part of Palm Beach I and its stockholders. This Agreement has been duly executed and delivered by Palm Beach I, and (assuming due authorization, execution and delivery by the other parties) this Agreement constitutes legal, valid and binding obligations of Palm Beach I, enforceable against Palm Beach I in accordance with its terms, subject to the effect of any applicable bankruptcy, insolvency (including all Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity).

(b) Authorization; Enforceable Obligations. Assuming that all consents, approvals, authorizations and other actions described in Section 3.2(c) have been obtained and any applicable waiting period has expired or been terminated, and except as may result from any facts or circumstances relating solely to ION, the execution, delivery and performance of this Agreement does not and will not (i) violate, conflict with or result in the breach of the certificate of incorporation or bylaws (or similar organizational documents) of Palm Beach I, (ii) conflict with or violate any Law or Governmental Order applicable to Palm Beach I or (iii) conflict with, result in any breach of, constitute a default (or event which with the giving of notice or lapse of time, or both, would become a default) under, require any consent under, or give to others any rights of termination, acceleration or cancellation of, any note, bond, mortgage or indenture, contract, agreement, lease, sublease, license, permit, franchise or other instrument or arrangement to which Palm Beach I or any of its subsidiaries is a party, except, in the case of clauses (ii) and (iii), as would not materially and adversely affect the ability of Palm Beach I to carry out its obligations under, and to consummate the transactions contemplated by, this Agreement.

(c) Accredited Investor. Upon exercise of the Call Right, Palm Beach I shall acquire the shares of Class A Common Stock to be issued upon exercise thereof solely for the account of Palm Beach I and not as a nominee for any other party, and for investment, and Palm Beach I shall not offer, sell or otherwise dispose of any such shares of Class A Common Stock except under circumstances that will not result in a violation of the Securities Act or any applicable state securities laws. Palm Beach I is an institutional accredited investor (within the meaning of subparagraphs (a)(1), ((2), (3) or (7) of Rule 501 under the Securities Act).

(d) Governmental Consents. The execution, delivery and performance by Palm Beach I of this Agreement and the transactions contemplated hereby do not and will not require any consent, approval, authorization or other order of, action by, filing with or notification to, any Governmental Authority, except (i) the pre-merger notification and waiting period requirements of the HSR Act and the approval by the FCC pursuant to Section 310(d) of the Communications Act in connection with the exercise of the Call Right, (ii) where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not prevent or materially delay the consummation by Palm Beach I of the transactions contemplated by this Agreement or (iii) as may be necessary as a

result of any facts or circumstances relating solely to the other party hereto.

Section 5.2 Entire Agreement; Amendment; Waiver. The Transaction Agreements and the documents described therein or attached or delivered pursuant thereto set forth the entire agreement between the parties thereto with respect to the transactions contemplated by such agreements. Any provision of this Agreement may be amended or modified in whole or in part at any time only by an agreement in writing signed by all of the parties. No failure on the part of any party to exercise, and no delay in exercising, any right shall operate as a waiver thereof nor shall any single or partial exercise by any party of any right preclude any other or future exercise thereof or the exercise of any other right.

Section 5.3 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transaction is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the Transaction be consummated as originally contemplated to the fullest extent possible.

Section 5.4 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

Section 5.5 Governing Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State. All actions

and proceedings arising out of or relating to this Agreement shall be heard and determined exclusively in any New York state or federal court sitting in the Borough of Manhattan of The City of New York. The parties hereto hereby (a) submit to the exclusive jurisdiction of any state or federal court sitting in the Borough of Manhattan of The City of New York for the purpose of any Action arising out of or relating to this Agreement brought by any party hereto, and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the

jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement may not be enforced in or by any of the above-named courts.

Section 5.6 Waiver of Jury Trial. Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement. Each of the parties hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other hereto have been induced to enter into this Agreement, as applicable, by, among other things, the mutual waivers and certifications in this Section 5.6.

Section 5.7 Successors and Assigns; Third Party Beneficiaries. ION may not assign this Agreement or assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of Palm Beach I. Palm Beach I may freely assign this Agreement or assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of ION, provided, however, that in the event of an assignment or delegation to an Affiliate, no such assignment or delegation shall relieve Palm Beach I of any of its obligations hereunder and; provided, further, however, that any such assignment by Palm Beach I shall be made in compliance with the applicable rules and regulations of the FCC and the Securities and Exchange Commission. Any assignee of Palm Beach I shall be deemed to be Palm Beach I for all purposes under this Agreement. Any purported assignment in violation of this Section 5.7 shall be null and void. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any Person, other than the parties hereto and their respective successors and permitted assignees, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and their respective successors and permitted assignees, and for the benefit of no other Person.

Section 5.8 Remedies. No right, power or remedy conferred upon any party in this Agreement shall be exclusive, and each such right, power or remedy shall be cumulative and in addition to every other right, power or remedy whether conferred in this Agreement or now or hereafter available at law or in equity or by statute or otherwise. No course of dealing among Palm Beach I and ION and no delay in exercising any right, power or remedy conferred in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall operate as a waiver or otherwise prejudice any such right, power or remedy. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in addition to any other remedy to which they are entitled at law or in equity.

Section 5.9 Further Assurances. Each party shall execute and deliver such additional instruments and other documents and shall take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement and the transactions contemplated hereby.

Section 5.10 Headings, Captions and Table of Contents. The section headings, captions and table of contents contained in this Agreement are for reference purposes only, are not part of this Agreement and shall not affect the meaning or interpretation of this Agreement.

Class A Common Stock Purchase Warrant

Date of Issuance: May 4, 2007

Warrant No. 2007-1

ION MEDIA NETWORKS, INC.

Warrant Certificate

ION Media Networks, Inc. (the Company), for value received, hereby certifies that CIG Media LLC, a Delaware limited liability company (CIG Media), or registered assigns (the Holder), is entitled, subject to the terms of this Warrant (the Warrant) as set forth below, to purchase from the Company, during the Exercise Period (as defined in Section 1(a)), a maximum of 100,000,000 shares (the Warrant Shares) of Class A Common Stock of the Company, par value \$0.001 per share (the Class A Common Stock) at a price per share equal to the Exercise Price (as defined in Section 1(c)). The number of Warrant Shares and the Exercise Price are subject to adjustment from time to time as hereinafter provided.

The Warrant is issued under and in accordance with that certain Master Transaction Agreement (as amended, restated, supplemented or otherwise modified from time to time, the Master Agreement) made and entered into as of May 3, 2007, by and among the Company, NBC Universal, Inc., a Delaware corporation (NBCU), NBC Palm Beach Investment I, Inc., a California corporation, NBC Palm Beach Investment II, Inc., a California corporation, and CIG Media. The Warrant and the Warrant Shares are entitled to the benefits of that certain Registration Rights Agreement, dated May 4, 2007, among the Company, CIG Media and NBCU (as amended, restated, supplemented or otherwise modified from time to time, the Registration Rights Agreement). Copies of the Master Agreement, the Stockholders Agreement and the Registration Rights Agreement may be obtained for inspection by the Holder at the principal office of the Company upon prior written request to the Company.

Section 1. Exercise.

(a) Subject to the terms hereof, the Holder shall have the right, which may be exercised at any time and from time to time during the period (the Exercise Period) commencing as of the Exchange Offer Closing (as defined in the Master Agreement) and continuing until 5:00 p.m., New York City time, on the seventh anniversary of the Exchange Offer Closing (the Expiration Date), to purchase from the Company the number of fully paid and nonassessable Warrant Shares which the Holder may at the time be entitled to receive on exercise of the Warrant and payment of the Exercise Price then in effect for such Warrant Shares. Notwithstanding the foregoing, if in the written opinion of counsel to the Company

E-1

reasonably acceptable to the Holder approval of the Federal Communications Commission (the FCC) is required before the Company may issue Warrant Shares upon the exercise of the Warrant, the Company may defer the issuance of such Warrant Shares until such time as approval of the FCC is obtained or is no longer required. The Company shall promptly notify the Holder in writing of any event which requires it to suspend exercise of the Warrant pursuant to the preceding sentence and of the termination of any such suspension. To the extent the Warrant is not exercised prior to the Expiration Date, it shall become void and all rights hereunder shall cease as of such time.

(b) Procedures; Limitations on Exercise.

(i) The Warrant may be exercised, in whole or in part, at the election of the Holder, upon surrender at the principal office of the Company of the certificate or certificates evidencing the Warrant with the form of election to purchase attached as Exhibit A duly completed and signed (Purchase Form), and upon payment to the Company of the Exercise Price, as it may be adjusted as herein provided, for the number of Warrant Shares in respect of which the Warrant is then exercised; provided that this Warrant shall be exercisable in part only for a minimum of 5,000,000 Warrant Shares per exercise, or if less, the entire number of Warrant Shares which the Holder is entitled to purchase hereunder. Payment of the aggregate Exercise Price shall be made by wire transfer of immediately available funds to such account as the Company may specify.

(ii) Subject to the provisions of Section 4 hereof, upon surrender of the Warrant and payment of the Exercise Price, the Company shall issue and cause to be delivered with all reasonable dispatch to or upon the written order of the Holder a certificate or certificates for the number of Warrant Shares issuable upon the exercise of the Warrant together with cash as provided in Section 10. Such certificate or certificates shall be deemed to have been issued and the Holder shall be deemed to have become a holder of record of such Warrant Shares as of the date of the surrender of the Warrant and payment of the Exercise Price.

(iii) In the event that this Warrant is exercised in respect of fewer than all of the Warrant Shares issuable on such exercise at any time prior to the Expiration Date, a new certificate evidencing the remaining Warrant or Warrants will be issued, and the Company shall countersign and deliver the required new Warrant Certificate or Certificates. When surrendered upon exercise of the Warrant, this Warrant Certificate shall be cancelled and disposed of by the Company.

(c) Exercise Price. The Exercise Price on any date means the price of \$0.75 per share (as such price may be adjusted from time to time hereunder). The Exercise Price shall be subject to adjustment as provided in Section 9.

Section 2. Registration. The Company shall number and register the Warrant Certificate on the books of the Company maintained at its principal office. Warrant Certificates shall be manually countersigned by the Company by a duly authorized officer and shall not be valid for any purpose unless so countersigned.

Section 3. Transfer and Exchange of Warrants.

(a) THIS WARRANT IS SUBJECT TO RESTRICTIONS ON TRANSFERABILITY SET FORTH IN SECTION 4 OF THE STOCKHOLDERS AGREEMENT, AND MAY BE TRANSFERRED ONLY IN COMPLIANCE WITH THE PROVISIONS THEREOF. Subject to the foregoing and the limitations of Section 4 hereof, the Company shall from time to time register the transfer of the Warrant upon the records to be maintained by it for that purpose, upon surrender of this Warrant Certificate duly endorsed or accompanied (if so required by it) by a written instrument or instruments of transfer in form satisfactory to it, duly executed by the registered Holder or by the duly appointed legal representative thereof or by a duly authorized attorney; provided that this Warrant may be transferred in part only for a minimum of 5,000,000 Warrant Shares per transfer, or if less, the entire number of Warrant Shares which the Holder is entitled to purchase hereunder. Subject to the terms hereof, this Certificate may be exchanged for another certificate or certificates entitling the Holder to purchase a like aggregate number of Warrant Shares as the Certificate

surrendered then entitles the Holder to purchase; provided that each such new Certificate shall be in minimum denominations of 5,000,000 Warrant Shares. A Holder desiring to exchange this Certificate shall make such request in writing delivered to the Company, and shall surrender, duly endorsed or accompanied (if so required by the Company)

E-2

by a written instrument or instruments of transfer in form satisfactory to the Company, this Warrant Certificate to be so exchanged.

(b) Upon registration of transfer, the Company shall issue to the transferees and countersign a new Warrant Certificate or Certificates and deliver by certified mail such new Warrant Certificate or Certificates to the persons entitled thereto. No service charge shall be made for any exchange or registration of transfer of Warrant Certificates, but the Company may require payment of a sum sufficient to cover any stamp or other tax or other governmental charge that is imposed in connection with any such exchange or registration of transfer.

Section 4. Registration of Transfers and Exchanges. Subject to Section 3 hereof, when Warrants represented by this Certificate are presented to the Company with a request to register the transfer of the Warrants, or to exchange such Warrants for an equal number of Warrants, the Company shall register the transfer or make the exchange as requested if the requirements set forth in Section 3 and the following requirements are satisfied:

(a) the Certificate shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Company, duly executed by the Holder or his attorney duly authorized in writing; and

(b) if the offer and sale of the Warrants have not been registered pursuant to an effective Registration Statement under the Securities Act of 1933, the Certificate shall be accompanied by the following additional information and documents, as applicable:

(i) if such Warrants are being delivered to the Company by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect (in substantially the form of Exhibit B hereto); or

(ii) if such Warrants are being transferred pursuant to an exemption from registration in accordance with Rule 144 or Regulation S, in each case, under the Securities Act, a certification to that effect (in substantially the form of Exhibit B hereto); or

(iii) if such Warrants are being transferred to an institutional accredited investor (as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act (an Institutional Accredited Investor)), delivery of a certification to that effect (in substantially the form of Exhibit B hereto) and a Transferee Certificate for Institutional Accredited Investors in substantially the form of Exhibit C hereto and an opinion of counsel and/or other information satisfactory to the Company to the effect that such transfer is in compliance with the Securities Act; or

(iv) if such Warrants are being transferred in reliance on another exemption from the registration requirements of the Securities Act, a certification to that effect (in substantially the form of Exhibit B hereto) and an opinion of counsel reasonably satisfactory to the Company to the effect that such transfer is in compliance with the Securities Act.

Section 5. Payment of Taxes. The Company will pay all documentary stamp taxes attributable to the initial issuance of Warrant Shares upon the exercise of the Warrant; provided, however, that the Company shall not be required to pay any tax or taxes which may be payable in respect of any transfer involved in the issuance of any Warrant Certificates or any certificates for Warrant Shares in a name other than that of the registered holder of a Warrant Certificate surrendered upon the exercise of a Warrant, and the Company shall not be required to issue or deliver such Warrant Certificates unless or until the person or persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

Section 6. Mutilated or Missing Warrant Certificate. In case this Warrant Certificate shall be mutilated, lost, stolen or destroyed, the Company will issue and countersign, in exchange and substitution for and upon cancellation of the mutilated Warrant Certificate, or in lieu of and substitution for the Warrant Certificate lost, stolen or destroyed, a new

Warrant Certificate of like tenor and representing an equivalent number of Warrants, but only upon receipt of evidence satisfactory to the Company of such loss, theft or destruction of the Warrant Certificate and an indemnification agreement satisfactory to the Company with

E-3

respect to such loss, theft or destruction. Applicants for such substitute Warrant Certificate(s) shall also comply with such other reasonable regulations and pay such other reasonable charges as the Company may prescribe.

Section 7. Reservation of Warrant Shares.

(a) The Company will at all times reserve and keep available, free from preemptive rights, out of the aggregate of its authorized but unissued Class A Common Stock or its authorized and issued Class A Common Stock held in its treasury, for the purpose of enabling it to satisfy any obligation to issue Warrant Shares upon exercise of the Warrant, the maximum number of shares of Class A Common Stock which may then be deliverable upon the exercise of the Warrant.

(b) The Company or, if appointed, the transfer agent for the Class A Common Stock (the Transfer Agent) and every subsequent transfer agent for any shares of the Company's capital stock issuable upon the exercise of the Warrant will be irrevocably authorized and directed at all times to reserve such number of authorized shares as shall be required for such purpose. The Company will keep a copy of this Warrant Certificate on file with the Transfer Agent and with every subsequent transfer agent for any shares of the Company's capital stock issuable upon the exercise of the Warrant. The Company will supply such Transfer Agent with duly executed certificates for such purposes and will provide or otherwise make available any cash which may be payable as provided in Section 10. The Company will furnish such Transfer Agent a copy of all notices of adjustments and certificates related thereto transmitted to each holder pursuant to Section 11 hereof.

(c) The Company covenants that all Warrant Shares which may be issued upon exercise of the Warrant in accordance with the terms of the Warrant Certificate will, upon payment of the Exercise Price therefor and issuance, be validly authorized and issued, fully paid, nonassessable, free of preemptive rights and free from all taxes, liens, charges and security interests with respect to the issuance thereof. The Company will take no action to increase the par value of the Class A Common Stock to an amount in excess of the Exercise Price, and the Company will not enter into any agreements inconsistent with the rights of the Holder hereunder. The Company will use its reasonable best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Company to perform its obligations hereunder. The Company shall not take any action reasonably within its control, including the hiring of a broker to solicit exercises, which would render unavailable an exemption from registration under the Securities Act which might otherwise be available with respect to the issuance of Warrant Shares upon exercise of the Warrant.

Section 8. Obtaining Stock Exchange Listings. The Company will from time to time take all action which may be necessary so that the Warrant Shares, immediately upon their issuance upon the exercise of the Warrant, will be listed on the principal securities exchanges and markets within the United States of America on which other shares of Class A Common Stock are then listed. In the event that, at any time during the period in which the Warrant is exercisable, the Class A Common Stock is not listed on any principal securities exchanges or markets within the United States of America, the Company will use its reasonable best efforts to permit the Warrant Shares to be designated PORTAL securities in accordance with the rules and regulations adopted by the National Association of Securities Dealers, Inc. relating to trading in the Private Offering, Resales and Trading through Automated Linkages market.

Section 9. Adjustment of Number of Warrant Shares Issuable and Exercise Price. The number of shares of Class A Common Stock issuable upon the exercise of the Warrant (the Exercise Rate) and the Exercise Price are subject to adjustment from time to time upon the occurrence of the events enumerated in this Section 9.

(a) Adjustment for Change in Capital Stock. If the Company (i) pays a dividend or makes a distribution on its Class A Common Stock in shares of its Class A Common Stock; (ii) subdivides its outstanding shares of Class A Common

Stock into a greater number of shares; (iii) combines its outstanding shares of Class A Common Stock into a smaller number of shares; or (iv) issues, by reclassification of its shares of Class A Common Stock, any shares of its capital stock; then and in each such case the Exercise Rate in effect immediately prior to such action shall be adjusted so that the holder of any Warrant thereafter exercised shall be entitled to receive, upon exercise of the Warrant, the number of shares of Class A Common Stock or other

Table of Contents

securities of the Company which such holder would have owned immediately following such action if the Warrant had been exercised immediately prior to such action; provided, however, that notwithstanding the foregoing, upon the occurrence of an event described in clause (i) above which otherwise would have given rise to an adjustment, no adjustment shall be made if the Company includes the Holder in such distribution pro rata according to the number of shares of Common Stock issued and outstanding as if the Warrant Shares were issued and outstanding at the time of the occurrence of an event described in clause (i) above. Any adjustment hereunder shall become effective immediately after the record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, combination or reclassification. Such adjustment shall be made successively whenever any event listed above shall occur. If after an adjustment, the Holder upon exercise of the Warrant may receive shares of two or more classes or series of capital stock of the Company, the Board of Directors of the Company shall determine the allocation of the adjusted Exercise Price and Exercise Rate between the classes or series of capital stock. After such allocation, the Exercise Price and Exercise Rate of each class or series of capital stock shall thereafter be subject to adjustment on terms comparable to those applicable to the Class A Common Stock in this Section.

(b) Adjustment for Certain Issuances of Class A Common Stock. If the Company shall, at any time or from time to time while any shares of Class A Common Stock are outstanding, issue or sell any shares of Class A Common Stock or any right or warrant to purchase, acquire or subscribe for shares of Class A Common Stock (including a right or warrant with respect to any security convertible into or exchangeable for shares of Class A Common Stock) generally to holders of its Class A Common Stock (including by way of a reclassification of shares or a recapitalization of the Company), for a consideration payable on the date of such issuance or sale less than the Common Stock Trading Price of the shares of Class A Common Stock on the date of such issuance or sale, then and in each such case, the Exercise Rate shall be adjusted by multiplying such Exercise Rate by a fraction, the numerator of which shall be the sum of (i) the Common Stock Trading Price per share of Class A Common Stock on the first Business Day after the date of the public announcement of the actual terms (including the price terms) of such issuance or sale multiplied by the number of shares of Class A Common Stock outstanding immediately prior to such issuance or sale plus (ii) the aggregate Fair Market Value of the consideration to be received by the Company in connection with the issuance or sale of Class A Common Stock or the rights or warrants, as the case may be, plus the aggregate consideration to be received on exercise of the right to purchase the shares of Class A Common Stock underlying such rights or warrants, and the denominator of which shall be the Common Stock Trading Price per share of Class A Common Stock on the Business Day immediately preceding the public announcement of the actual terms (including the price terms) of such issuance or sale multiplied by the aggregate number of shares of Class A Common Stock (A) outstanding immediately prior to such issuance or sale plus (B) underlying such rights or warrants at the time of such issuance. For the purposes of the preceding sentence, the aggregate consideration receivable by the Company in connection with the issuance or sale of any such right or warrant shall be deemed to be equal to the sum of the aggregate offering price (before deduction of reasonable underwriting discounts or commissions and expenses) of all such rights or warrants. If such rights or warrants expire unexercised, the adjustment provided in this Section 9 (b) shall be recomputed without the inclusion of the aggregate consideration that would have been received by the Company on the exercise of any such right or warrant.

(c) Adjustment for Distributions. If the Company distributes to all holders of its Class A Common Stock (i) any securities of the Company or rights, options or warrants to purchase or subscribe for securities of the Company, (ii) any evidences of indebtedness of the Company or any other person, or (iii) any Extraordinary Cash Dividend, the Exercise Rate shall be adjusted in accordance with the formula:

$$E = E \times \frac{M}{M - F}$$

where:

E = the adjusted Exercise Rate.

E-5

Table of Contents

E = the current Exercise Rate on the record date mentioned below.

M = the Common Stock Trading Price per share of Class A Common Stock on the record date mentioned below.

F = the fair market value on the record date mentioned below of the indebtedness, assets (including the Extraordinary Cash Dividend), rights, options or warrants distributable with respect to one share of Class A Common Stock.

The adjustment shall be made successively whenever any such distribution is made and shall become effective immediately after the record date for the determination of stockholders entitled to receive the distribution. Notwithstanding the foregoing provisions of this Section 9(c), an event which would otherwise give rise to an adjustment pursuant to this Section 9(c) shall not give rise to such an adjustment if the Company includes the Holder in such distribution pro rata to the number of shares of Class A Common Stock issued and outstanding after giving effect to the Warrant Shares as if they were issued and outstanding.

(d) Adjustment of Exercise Price. Whenever the number of Warrant Shares purchasable upon the exercise of the Warrant is adjusted, as herein provided, the Exercise Price per Warrant Share payable upon exercise of the Warrant shall be adjusted (calculated to the nearest \$.0001) so that it shall equal the price determined by multiplying the Exercise Price immediately prior to such adjustment by a fraction, the numerator of which shall be the number of Warrant Shares purchasable upon the exercise of the Warrant immediately prior to such adjustment, and the denominator of which shall be the number of Warrant Shares so purchasable immediately thereafter.

(e) Definitions.

The Closing Price on any date shall mean the last sale price for the Class A Common Stock, regular way, or, in case no such sale takes place on such date, the average of the closing bid and asked prices, regular way, for the Class A Common Stock in either case as reported in the principal consolidated transaction reporting system with respect to the principal securities exchange on which the Class A Common Stock is listed or admitted to trading or, if the Class A Common Stock is not listed or admitted to trading on any securities exchange, the last quoted price, or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as reported by the principal automated quotation system that may then be in use or, if the Class A Common Stock is not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Class A Common Stock selected by the Board of Directors of the Company or, in the event that no trading price is available for the Class A Common Stock, the Fair Market Value of the Class A Common Stock.

Common Stock Trading Price on any date means, with respect to the Class A Common Stock, the Closing Price for the Class A Common Stock on such date.

Extraordinary Cash Dividend means cash dividends with respect to the Class A Common Stock the aggregate amount of which in any fiscal year exceeds 10% of Adjusted EBITDA (as defined in the certificate of designation for the Company's 93/4% Series A Convertible Preferred Stock, par value \$0.001 per share, as in existence on May 4, 2007) of the Company and its subsidiaries for the fiscal year immediately preceding the payment of such dividend.

Fair Market Value of any consideration other than cash or of any securities shall mean the amount which a willing buyer would pay to a willing seller in an arm's length transaction as determined by an independent investment banking or appraisal firm experienced in the valuation of such securities or property selected in good faith by the Board of Directors of the Company or a committee thereof.

(f) When De Minimis Adjustment May Be Deferred. No adjustment in the Exercise Rate need be made unless the adjustment would require an increase or decrease of at least 1.0% in the Exercise Rate. Notwithstanding the foregoing, any adjustments that are not made shall be carried forward and taken into account in any subsequent adjustment, provided that no such adjustment shall be deferred beyond the date on which a Warrant is exercised. All calculations under this Section 9 shall be made to the nearest cent or to the nearest 1/100th of a share, as the case may be.

(g) When No Adjustment Required. If an adjustment is made upon the establishment of a record date for a distribution subject to subsections (a), (b) or (c) hereof and such distribution is subsequently cancelled, the Exercise Rate then in effect shall be readjusted, effective as of the date when the Board of Directors determines to cancel such distribution, to that which would have been in effect if such record date had not been fixed.

(h) Notice of Adjustment. Whenever the Exercise Rate or Exercise Price is adjusted, the Company shall provide the notices required by Section 11 hereof.

(i) When Issuance or Payment May Be Deferred. In any case in which this Section 9 shall require that an adjustment in the Exercise Rate be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event (i) issuing to the Holder of any Warrant exercised after such record date the Warrant Shares and other capital stock of the Company, if any, issuable upon such exercise over and above the Warrant Shares and other capital stock of the Company, if any, issuable upon such exercise on the basis of the Exercise Rate prior to such adjustment, and (ii) paying to such Holder any amount in cash in lieu of a fractional share pursuant to Section 10; provided, however, that the Company shall deliver to the Holder a due bill or other appropriate instrument evidencing such Holder's right to receive such additional Warrant Shares, other capital stock and cash upon the occurrence of the event requiring such adjustment.

(j) Reorganizations. In the event of any capital reorganization or reclassification of outstanding shares of Class A Common Stock (other than in the cases referred to in Section 9(a) hereof), or in case of any merger, consolidation or other corporate combination of the Company with or into another corporation (other than a merger or consolidation in which the Company is the continuing corporation and which does not result in any reclassification of the outstanding shares of Class A Common Stock into shares of stock or other securities or property), or in case of any sale, lease, exchange or conveyance to another corporation of the property of the Company as an entirety or substantially as an entirety (each of the foregoing being referred to as a Reorganization), there shall thereafter be deliverable upon exercise of the Warrants (in lieu of the number of shares of Class A Common Stock theretofore deliverable) the number of shares of stock or other securities or property to which a holder of the number of shares of Class A Common Stock that would otherwise have been deliverable upon the exercise of the Warrants would have been entitled upon such Reorganization if the Warrants had been exercised in full immediately prior to such Reorganization. In case of any Reorganization, appropriate adjustment, as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a duly adopted resolution certified by the Company's Secretary or Assistant Secretary, shall be made in the application of the provisions herein set forth with respect to the rights and interests of the Holder so that the provisions set forth herein shall thereafter be applicable, as nearly as possible, in relation to any shares or other property thereafter deliverable upon exercise of the Warrants. The Company shall not effect any such Reorganization unless prior to or simultaneously with the consummation thereof the successor corporation (if other than the Company) resulting from such Reorganization or the corporation purchasing or leasing such assets or other appropriate corporation or entity shall expressly assume the obligation to deliver to the Holder such shares of stock, securities or assets as, in accordance with the foregoing provisions, the Holder may be entitled to purchase, and all other obligations and liabilities under the Warrant. The foregoing provisions of this Section 9(j) shall apply to successive Reorganization transactions.

(k) Form of Warrants. Irrespective of any adjustments in the number or kind of shares purchasable upon the exercise of the Warrant, Warrants theretofore or thereafter issued may continue to express the same price and number and kind of shares as are stated in this Warrant as initially issued.

(l) Miscellaneous. For purposes of this Section 9 the term Class A Common Stock shall mean (i) the shares of stock designated as the Class A Common Stock, par value \$.001 per share, of the Company as of the date of this Warrant, and (ii) shares of any other class or series of stock resulting from successive changes or reclassification of such shares consisting solely of changes in par value, or from par value to no par value, or from no par value to par value. In the

event that at any time, as a result of an adjustment made pursuant to this Section 9, the Holder shall become entitled to purchase any securities of the Company other than, or in

E-7

Table of Contents

addition to, shares of Class A Common Stock, thereafter the number or amount of such other securities so purchasable upon exercise of the Warrants shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Warrant Shares contained in this Section 9 and the provisions of Sections 1, 5, 7 and 10 with respect to the Warrant Shares or the Class A Common Stock shall apply on like terms to any such other securities.

(n) Certain Events. If any change in the outstanding Common Stock of the Company or any other event occurs as to which the provisions of this Section 9 are not strictly applicable or, if strictly applicable, would not fairly protect the purchase rights of the Holder in accordance with such provisions, then the Board of Directors of the Company shall make such adjustments to the Exercise Rate, the Exercise Price or the application of such provisions as may be necessary to protect such purchase rights as aforesaid and to assure that the Holder, upon exercise for the same aggregate Exercise Price, shall receive the total number, class and kind of shares as it would have owned had the Warrant been exercised prior to the event and had the Holder continued to hold such shares until after the event requiring adjustment.

Section 10. Fractional Interests. The Company shall not be required to issue fractional Warrant Shares on the exercise of the Warrant. If more than one Warrant Certificate shall be presented for exercise in full at the same time by the same Holder, the number of full Warrant Shares which shall be issuable upon the exercise thereof shall be computed on the basis of the aggregate number of Warrant Shares purchasable on exercise of the Warrant so presented. If any fraction of a Warrant Share would, except for the provisions of this Section 10, be issuable on the exercise of any Warrants (or specified portion thereof), the Company shall pay an amount in cash equal to the Common Stock Trading Price on the trading day immediately preceding the date the Warrant is presented for exercise, multiplied by such fraction.

Section 11. Notices to Holder.

(a) Upon any adjustment pursuant to Section 9 hereof, the Company shall give prompt written notice of such adjustment to the Holder at its address appearing on the records of the Company within ten days after such adjustment, by first class mail, postage prepaid, and shall deliver to the Holder a certificate of the Chief Financial Officer of the Company, accompanied by the report thereon by a firm of independent public accountants selected by the Board of Directors of the Company (who may be the regular accountants for the Company), setting forth in reasonable detail (i) the number of Warrant Shares purchasable upon the exercise of the Warrant and the Exercise Price of the Warrant after such adjustment(s), (ii) a brief statement of the facts requiring such adjustment(s) and (iii) the computation by which such adjustment(s) was made. Where appropriate, such notice may be given in advance and included as a part of the notice required under the other provisions of this Section 11.

(b) In case:

(i) the Company proposes to take any action that would require an adjustment to the Exercise Rate or the Exercise Price pursuant to Section 9 hereof; or

(ii) of any consolidation or merger to which the Company is a party and for which approval of any stockholders of the Company is required, or of the sale, lease, exchange, conveyance or transfer of the properties and assets of the Company substantially as an entirety, or of any reclassification or change of Class A Common Stock issuable upon exercise of the Warrants (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination), or a tender offer or exchange offer for shares of Class A Common Stock; or

(iii) of the voluntary or involuntary dissolution, liquidation or winding up of the Company;

then the Company shall give prompt written notice to the Holder at its address appearing on the records of the Company, at least 20 days (or 10 days in any case specified in clause (a) above) prior to the applicable record date hereinafter specified, or the date of the event in the case of events for which there is no record date, by first-class mail, postage prepaid, stating (i) the date as of which the holders of record of shares of Class A Common Stock to be entitled to receive any such rights, options, warrants or distribution are to be determined, or (ii) the initial expiration date set forth in any tender offer or exchange offer for shares of Class A Common

Stock, or (iii) the date on which any such consolidation, merger, conveyance, transfer, dissolution, liquidation or winding up is expected to become effective or be consummated, and the date as of which it is expected that holders of record of shares of Class A Common Stock shall be entitled to exchange such shares for securities or other property, if any, deliverable upon such reclassification, consolidation, merger, conveyance, transfer, dissolution, liquidation or winding up. The failure by the Company to give such notice or any defect therein shall not affect the legality or validity of any distribution, right, option, warrant, consolidation, merger, conveyance, transfer, dissolution, liquidation or winding up, or the vote upon any action.

(c) The Company shall give prompt written notice to the Holder of any determination to make a distribution or dividend to the holders of its Class A Common Stock of any assets (including cash), debt securities, preferred stock, or any rights or warrants to purchase debt securities, preferred stock, assets or other securities (other than Class A Common Stock, or rights, options, or warrants to purchase Class A Common Stock) of the Company, which notice shall state the nature and amount of such planned dividend or distribution and the record date therefor, such written notice to be delivered at least 20 days prior to such record date therefor.

(d) Nothing contained in this Warrant Certificate shall be construed as conferring upon the Holder the right to vote or to consent or to receive notice as shareholders in respect of the meetings of shareholders or the election of Directors of the Company or any other matter, or any rights whatsoever as shareholders of the Company.

Section 12. Notices to the Company. Any notice or demand to be given or made by the Holder to or on the Company shall be sufficiently given or made when received at the office of the Company expressly designated by the Company as its office for purposes of this Certificate, as follows:

Section 13. Supplements and Amendments. The Warrant may not be supplemented or amended without the written approval of both the Holder and the Company.

Section 14. Successors. All the covenants and provisions of this Certificate by or for the benefit of the Company or the Holder shall bind and inure to the benefit of their respective successors and assigns hereunder.

Section 15. Termination. This Warrant Certificate and the Warrants represented hereby shall terminate on the Expiration Date. Notwithstanding the foregoing, this Certificate will terminate on any earlier date if all Warrants have been exercised pursuant hereto.

Section 16. Governing Law. This Warrant Certificate shall be deemed to be a contract made under the laws of the State of Delaware.

Section 17. Benefits of This Certificate. Nothing in this Certificate shall be construed to give to any person or corporation other than the Company and the registered Holder any legal or equitable right, remedy or claim hereunder; but this Certificate shall be for the sole and exclusive benefit of the Company and the registered Holder.
