Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 10, 2008, Graphic Packaging International, Inc. (*GPI*), a wholly-owned subsidiary of the Company, entered into an Amendment No. 1 to its existing senior secured Credit Agreement dated as of May 16, 2007 (the *Credit Agreement*). Pursuant to Amendment No. 1, GPI obtained (i) a new \$1,200 million senior secured term loan facility to refinance the outstanding amounts under BCH's existing first and second lien credit facilities and (ii) an increase to GPI's existing revolving credit facility to \$400 million from \$300 million. GPI's existing \$1,055 million term loan facility will remain in place.

Table of Contents

The new \$1,200 million term loan will mature on May 16, 2014, the same maturity date of the existing term loan. The increased revolving credit facility will mature on May 16, 2013.

The principal amount of the new term loan facility will amortize in an annual amount of 1.0% of the original principal amount thereof, payable in equal semi-annual installments, with a final installment due and payable at maturity equal to the remaining outstanding principal amount thereof. The amortization of the existing \$1,055 million term loan will remain unchanged and will continue in an annual amount of 1.0% of the original principal amount thereof payable in semi-annual installments, with a final installment due and payable at maturity equal to the remaining outstanding principal amount thereof.

Subject to certain exceptions and reinvestment provisions, the new term loan facility and the existing term loan facility are subject to mandatory prepayment on a *pro rata* basis in an amount equal to (i) the net proceeds of certain debt offerings by GPI and its subsidiaries (other than debt offerings permitted by the Credit Agreement); and (ii) the net proceeds of certain non-ordinary asset sales by GPI and its subsidiaries.

The obligations of GPI under the new term loan facility and the revolving credit facility, as increased pursuant to Amendment No. 1, are guaranteed by the Company, New Graphic and each existing or future domestic subsidiary of GPI (including BCH and its subsidiaries). In addition, the new term loan facility, and the revolving credit facility, as increased pursuant to Amendment No. 1, and the guarantees thereunder, are secured by the same collateral as the existing credit facilities including security interests in and pledges of or liens on substantially all of the material tangible and intangible assets of GPI and the guarantors, including pledges of all the capital stock of GPI and certain direct or indirect domestic subsidiaries of GPI and of up to 65% of the capital stock of each direct foreign subsidiary of GPI. The lenders under the revolving credit facility, as increased pursuant to Amendment No. 1, the new term loan facility and the existing term loan facility will share in all collateral security, in each case to the same extent as the existing credit facility, on a *pari passu* basis.

The new term loan facility will bear interest at LIBOR plus 275 basis points. The interest rate on the existing term loan facility will continue to bear interest at LIBOR plus 200 basis points such that the weighted average interest rate on GPI's senior secured term debt will equal approximately LIBOR plus 237.5 basis points.

The Company has agreed to pay (or cause GPI to pay) certain fees with respect to the new and existing credit facilities, including (i) fees on the unused commitments of the lenders, (ii) letter of credit fees on the aggregate face amount of outstanding letters of credit plus a fronting bank fee for the letter of credit issuing bank; (iii) quarterly administration fees and (iv) arrangement and other similar fees.

The new term loan facility and the increase in the revolving credit facility are subject to the existing affirmative and negative operating covenants contained in the Credit Agreement, as such covenants have been amended pursuant to Amendment No. 2 to the Credit Agreement described below.

The new term loan facility and the increase in the revolving credit facility are subject to the existing events of default contained in the Credit Agreement, including non-payment of principal, interest or fees, failure to comply with covenants, inaccuracy of representations or warranties in any material respect, cross default to certain other indebtedness, loss of lien perfection or priority, material judgments and change of ownership or control.

On March 10, 2008, GPI also entered into an Amendment No. 2 to the Credit Agreement. Pursuant to Amendment No. 2, among other things, the existing financial covenants contained in the Credit Agreement were removed and a new senior secured leverage ratio was substituted in lieu thereof. Such new senior secured leverage covenant shall run in favor of all lenders under the Credit Agreement.

Additionally, Amendment No. 2, among other things, amended the covenant contained in the Credit Agreement restricting the ability of GPI and its subsidiaries to sell assets. Amendment No. 2 permits GPI and its subsidiaries to sell assets in an unlimited amount provided that at least 75% of the consideration received by GPI or the applicable subsidiary is in the form of cash.

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Prior to the Merger, the Company's common stock was registered pursuant to Section 12(b) of the Exchange Act and listed on the New York Stock Exchange under the symbol GPK. As a result of the Merger, the entire class of the Company's common stock was converted into New Graphic's Common Stock. Prior to the open of trading on March 11, 2008, trading in the Company's common stock will be suspended and the Company's common stock will be delisted by the New York Stock Exchange. The Company expects subsequently to file a Form 15 with the SEC to request that the Company common stock be deregistered under Section 12(g) of the Exchange Act and that its reporting obligations under Sections 13 and 15(d) of the Exchange Act then be terminated. The information set forth in Item 2.01 is incorporated by reference into this Item 3.01.

Miller and Robert W. Ticken resigned as directors of the Company. Effective on the completion of the Exchange, Daniel J. Blount and Stephen A. Hellrung were appointed as directors of the Company.

Item 5.03. Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On March 10, 2008, the Company amended its Restated Certificate of Incorporation and its Amended and Restated By-Laws.
