**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

(a) On September 26, 2008, BankAtlantic Bancorp, Inc. (the Company) filed Articles of Amendment to its Restated Articles of Incorporation (the Amendment) with the Florida Department of State for the purpose of effecting the Company's previously announced one-for-five reverse stock split (the Reverse Split). As a result of the filing of the Amendment, the Reverse Split became effective as of the close of business on September 26, 2008, at which time each five shares of the Company's Class A Common Stock outstanding automatically converted into one share of Class A Common Stock, and each five shares of the Company's Class B Common Stock outstanding automatically converted into one share of Class B Common Stock. No fractional shares will be issued in connection with the Reverse Split. Instead, any fractional share resulting from the Reverse Split will be rounded up to the next largest whole share.

In addition to setting forth the terms of the Reverse Split, the Amendment also ratably decreased the number of authorized shares of the Company's Class A Common Stock from 150,000,000 to 30,000,000 and the number of authorized shares of the Company's Class B Common Stock from 45,000,000 to 9,000,000. Additionally, the Company's Restated Articles of Incorporation previously provided that the Company's Class A Common Stock will possess in the aggregate 53% of the total voting power of the Company's common stock until the total number of outstanding shares of the Company's Class B Common Stock fell below 2,438,062. In connection with the Reverse Split, the Amendment ratably reduced this threshold such that the Company's Class A Common Stock will possess in the aggregate 53% of the total voting power of the Company's common stock until such time as the total number of outstanding shares of the Company's Class B Common Stock falls below 487,613, at which time the Company's Class A Common Stock and Class B Common Stock would each be entitled to one vote per share. The number of shares of the Company's Class A Common Stock available for issuance under the Company's equity compensation plans and the number of shares of Class A Common Stock underlying stock options and other exercisable or convertible instruments were also ratably decreased in connection with the Reverse Split.

The Company's Class A Common Stock will begin trading on the New York Stock Exchange on a split-adjusted basis upon the opening of the market on Monday, September 29, 2008, and will continue to be traded under its current ticker symbol, BBX.

The Reverse Split has no impact on shareholders' proportionate equity interests or voting rights in the Company or the par value of the Company's Class A Common Stock or Class B Common Stock, which in each case will remain unchanged at \$0.01 per share. However, following the Reverse Split, the CUSIP number of the Company's Class A Common Stock is now 065908600.

The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, which is attached hereto as Exhibit 3.4 and is incorporated herein by reference.
