### PART III. NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant recently completed the sale of two of its non-core business units. The associated negotiations, financials and legal due diligence subsumed management s time (including a significant portion of the finance and administrative function of the Registrant) throughout the third quarter. The finance and administrative function of the Registrant s business, which is significantly involved in the filing of the Registrant s quarterly reports on Form 10-Q, did not have sufficient resources to devote to the 10-Q as a result of the sale of the Registrant s non-core business. Consequently, the Registrant cannot file its Form 10-Q in its entirety without unreasonable effort or expense.
