Item 2.05 Costs Associated with Exit or Disposal Activities.

On May 7, 2009, we approved a plan to close our Novi and Ann Arbor, Michigan banking offices, and consolidate our Michigan banking activities. We expect to complete the closure of the two offices by mid-August of this year, and transfer the deposits and commercial loans from our Novi and Ann Arbor offices to our Lansing, Michigan office. We are making these changes to improve asset quality and account management through more centralization of our commercial lending activities, and to lower our operating costs. The status and trend of the Michigan economy were factors we considered when determining to adopt the plan.

In connection with the closure of the two offices, we expect to incur costs of approximately \$0.5 million for severance payments, \$0.2 million for the write-off of leasehold improvements and \$0.8 million associated with lease termination costs. We expect that these and related costs will total approximately \$1.5 million.

On May 8, 2009, we issued a press release relating to this matter that is referred to in Item 7.01 of this report.
