Item 7.01 Regulation FD Disclosure

In the preliminary offering memorandum distributed to investors in connection with the private offering described under Item 8.01 of this Current Report on Form 8-K, Cincinnati Bell Inc. (the “Company”) disclosed the following information:

In compliance with certain regulations of the Federal Communications Commission (the “FCC”), the Company’s wholly-owned regulated subsidiary, Cincinnati Bell Telephone Company LLC, has historically accounted for certain of its non-regulated operations through its non-regulated subsidiary, Cincinnati Bell Telecommunications Services LLC, which is a guarantor of the Notes (as defined below). Through an agreement with the FCC, the Company is no longer obligated to segregate these non-regulated operations. Therefore, effective December 31, 2016, the Company plans to discontinue this accounting practice and merge Cincinnati Bell Telecommunications Services LLC into another subsidiary, Cincinnati Bell Entertainment Inc., which is also a guarantor of the Notes.

As of December 31, 2015, giving effect to this accounting change, the assets of guarantor subsidiaries would have been lower by approximately \$3 million, as compared to the figure set forth for such item in note 19 to the audited financial statements in the Company’s Form 10-K for the year ended December 31, 2015. For the year ended December 31, 2015, giving effect to the accounting change, revenue, operating income and net income of the guarantor subsidiaries would have been lower by approximately \$82 million, \$8 million and \$6 million or 13%, 21% and 2%, respectively, as compared to the figures set forth for such items in note 19 to the audited financial statements in the Company’s Form 10-K for the year ended December 31, 2015.

As of September 30, 2016, giving effect to this accounting change, the assets of guarantor subsidiaries would have been lower by approximately \$2 million, as compared to the figure set forth for such item in note 11 to the financial statements in the Company’s Form 10-Q for the period ended September 30, 2016, under the heading “Supplemental Guarantor Information – 8% Senior Notes due 2020 and 7% Senior Notes due 2024”. For the nine months ended September 30, 2016, giving effect to the accounting change, revenue, operating income and net income of the guarantor subsidiaries would have been lower by approximately \$75 million, \$25 million and \$17 million or 15%, 49% and 12%, respectively, as compared to the figures set forth for such items in note 11 to the financial statements in the Company’s Form 10-Q for the period ended September 30, 2016, under the heading “Supplemental Guarantor Information – 8% Senior Notes due 2020 and 7% Senior Notes due 2024”.

This accounting change is not expected to have any material effect on the assets or results of operations of the Company. The figures set forth in the preceding two paragraphs are preliminary and may change. Please see the section below entitled “Forward-Looking Statements”.

The information in this Item 7.01 is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Act of 1934 or otherwise subject to the liabilities of that Section nor shall they be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Act of 1934, except as shall be expressly stated by specific reference in such filing.

Item 8.01 Other Events

On December 15, 2016, the Company issued a press release announcing it has commenced a private offering of an additional \$150 million aggregate principal amount of its 7.000% Senior Notes due 2024 (the “Notes”), subject to market and other conditions. The Notes will be guaranteed, jointly and severally, on a senior unsecured basis, by certain of the Company’s existing and future domestic subsidiaries. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Edgar Filing: CINCINNATI BELL INC - Form 8-K

The Company intends to use the net proceeds from the sale of the Notes to repay indebtedness under the Company's senior secured tranche B term loan facility in the amount of \$148.5 million.

The Notes and the related guarantees will not be registered under the Securities Act of 1933, as amended, or the securities laws of any state or other jurisdiction, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

This report does not constitute an offer to sell, or a solicitation of an offer to buy, any security. No offer, solicitation, or sale will be made in any jurisdiction in which such an offer, solicitation, or sale would be unlawful.
