Item 1.01 Entry into a Material Definitive Agreement.

The Board of Directors of the Company has approved a cash bonus to compensate employees who have stock options scheduled to expire in December 2004 and February 2005 for the lost opportunity to sell the underlying shares issued upon exercise of those options because of the existence of any Company-imposed ban on the sale of Company securities. Employees with options expiring in December 2004 and/or February 2005, including named executive officers, would receive the difference between the option exercise price and the average share price on the twenty prior trading days up to and including the expiration date. The Company expects total payments will be approximately \$2,000,000.
