ITEM 4. DESCRIPTION OF SECURITIES.

The authorized Common Stock of the Company consists of 100,000,000 shares of \$0.00001 par value common stock.

Edgar Filing: TEXEN OIL & GAS INC - Form S-8 POS

As of April 8, 2003, 43,448,879 shares are issued and outstanding. 7,948,879 shares are freely tradeable without restriction or further registration under the Securities Act of 1933, as amended (the "Act") except for shares owned by existing "affiliates" of the Company, which may be subject to the limitations of Reg. 144 promulgated under the Act.

In general, under Reg. 144, a person (or persons whose shares are aggregated) who has satisfied a one (1) year holding period may sell in ordinary market transactions through a broker or with a market maker, within any three (3) month period a number of shares which does not exceed the greater of one percent (1%) of the number of outstanding shares of Common Stock or the average of the weekly trading volume of the Common Stock during the four calendar weeks prior to such sale. Sales under Reg. 144 require the filing of Form 144 with the Securities and Exchange Commission. If the shares of Common Stock have been held for more than two (2) years by a person who is not an affiliate, there is no limitation on the manner of sale or the volume of shares that may be sold and no Form 144 is required. Sales under Reg. 144 may have a depressive effect on the market price of the Company's Common Stock.

All shares have equal voting rights and are not assessable. Voting rights are not cumulative and, therefore, the holders of more than 50% of the Common Stock could, if they chose to do so, elect all of the directors of the Company.

Upon liquidation, dissolution or winding up of the Company, the assets of the Company, after the payment of liabilities, will be distributed pro rata to the holders of the Common Stock. The holders of the Common Stock do not have preemptive rights to subscribe for any securities of the Company and have no right to require the Company to redeem or purchase their shares. The shares of Common Stock presently outstanding are fully paid and non-assessable.

- 3 -

Holders of the Common Stock are entitled to share equally in dividends when, as and if declared by the Board of Directors of the Company, out of funds legally available therefore. No dividend has been paid on the Common Stock since inception, and none is contemplated in the foreseeable future.

ITEM 5. INTEREST OF NAMED EXPERTS AND COUNSEL.

None.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Nevada Revised Statutes and certain provisions of the Company's Bylaws under certain circumstances provide for indemnification of the Company's Officers, Directors and controlling persons against liabilities which they may incur in such capacities. A summary of the circumstances in which such indemnification is provided for is contained herein, but this description is qualified in its entirety by reference to the Company's Bylaws and to the statutory provisions.

In general, any Officer, Director, employee or agent may be indemnified against expenses, fines, settlements or judgments arising in connection with a legal proceeding to which such person is a party, if that person's actions were in good faith, were believed to be in the Company's best interest, and were not unlawful. Unless such person is successful upon the merits in such an action, indemnification may be awarded only after a determination by independent decision of the Board of Directors, by legal counsel, or by a vote of the shareholders, that the applicable standard of conduct was met by the person to be indemnified.

- 4 -

The circumstances under which indemnification is granted in connection with an action brought on behalf of the Company is generally the same as those set forth above; however, with respect to such actions, indemnification is granted only with respect to expenses actually incurred in connection with the defense or settlement of the action. In such actions, the person to be indemnified must have acted in good faith and in a manner believed to have been in the Company's best interest, and have not been adjudged liable for negligence or misconduct.

Indemnification may also be granted pursuant to the terms of agreements which may be entered in the future or pursuant to a vote of shareholders or Directors. The statutory provision cited above also grants the power to the Company to purchase and maintain insurance which protects its Officers and Directors against any liabilities incurred in connection with their service in such a position, and such a policy may be obtained by the Company.
