EXPONENT, INC.

PROXY STATEMENT
FOR THE
2001 ANNUAL MEETING OF STOCKHOLDERS

ABOUT THE MEETING

General

The enclosed proxy is solicited on behalf of the Board of Directors of Exponent, Inc., a Delaware Corporation, for use at the Annual Meeting of Stockholders, at the Company's principal executive office, 149 Commonwealth Drive, Menlo Park, California 94025, on Thursday, May 24, 2001, at 9:00 a.m., PDT. The telephone number for this location is (650) 326-9400.

What is the Purpose of the Annual Meeting?

At the Company's Annual Meeting, stockholders will act upon matters outlined in the accompanying notice of the meeting and transact such other business that may properly come before the meeting. In addition, the Company's management will report on the performance of the Company during fiscal 2000 and respond to questions from stockholders.

Who is Entitled to Vote?

Only stockholders of record at the close of business on the Record Date, April 9, 2001, receive notice of the Annual Meeting and are entitled to vote

Edgar Filing: EXPONENT INC - Form DEF 14A

the shares of common stock that they hold as of that date. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon.

Please note that if you hold your shares in "street name," that is, through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date. If you do not vote your proxy, your brokerage firm may either vote your shares on routine matters, such as election of directors or leave your shares without a vote. We encourage you to provide instructions to your brokerage firm by voting your proxy. This ensures your shares will be voted at the meeting.

The proxy solicitation materials were mailed on or about April 24, 2001, together with the Company's Annual Report for the period ended December 29, 2000, to all stockholders entitled to vote at the meeting.

How Do I Vote?

You have three ways to vote. You may return the proxy card by mail, vote by telephone, or vote in person. The Company is not offering Internet voting at this time. To vote by mail, you must sign your proxy card and send it in the enclosed prepaid, addressed envelope. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct. If you return a signed card but do not provide voting instructions, your shares will be voted as recommended by the Board of Directors:

- . for the eight named nominees; and
- . for the ratification of the appointment of KPMG LLP, as the Company's auditors.

If you choose to vote by telephone, please review the back of the proxy card for instructions on how to do so. You do not need to mail in your proxy card if you vote by telephone. Some brokers may not provide telephone voting.

1

If you choose to vote in person, you will have an opportunity to do so at the Annual Meeting. You may either bring your proxy card to the Annual Meeting, or if you do not bring your proxy card, the Company will pass out written ballots to anyone who was a stockholder as of the Record Date.

What if I Change My Mind After I Return My Proxy Card?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

- . signing another proxy with a later date, (the proxy with the latest date is counted);
- . voting by telephone (your latest telephone proxy is counted); or
- . voting in person at the Annual Meeting.

What Does it Mean if I Receive More than One Proxy Card?

It means you have multiple accounts with the transfer agent and/or with brokers. If you would like to cancel duplicate mailings, you may authorize the Company to discontinue mailings of multiple annual reports by marking the appropriate box on each proxy card, or if you are a stockholder of record voting by telephone, you may stay on the line until you receive the appropriate prompt.

Edgar Filing: EXPONENT INC - Form DEF 14A

What Constitutes a Quorum?

The presence, in person or by properly executed proxy, of the holders of a majority of the shares of common stock outstanding as of the Record Date constitutes a quorum at the Annual Meeting. Shares that voted "For," "Against," or "Withheld" on the proposals are treated as being present at the meeting for purposes of establishing a quorum and are deemed to be "votes cast" at the Annual Meeting with respect to the proposals. Signed, unmarked proxy cards are voted as recommended by the Board of Directors. A plurality of the votes duly cast is required for the election of directors. The affirmative vote of a majority of the votes duly cast is required for the ratification of the appointment of auditors.

Abstentions and broker non-votes will be included for purposes of determining whether a quorum of shares is present at the Annual Meeting. However, abstentions and broker non-votes will not be included in the tabulation of the voting results on the election of directors or on issues requiring approval of a majority of the votes duly cast.

As of the Record Date, a total of 6,515,403 shares of the Company's common stock, \$.001 par value were issued and outstanding. For information regarding security ownership by management and by the beneficial owners of more than 5% of the Company's common stock, see "Stock Ownership." The closing price of the Company's common stock on the Nasdaq National Market on the Record Date was \$11.03 per share.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following Report of the Audit Committee of the Board of Directors does not constitute soliciting material and should not be considered filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee of the Board of Directors is responsible for general oversight of the Company's financial accounting and reporting process. The Committee's primary responsibilities fall into three broad categories:

- . first, the committee is charged with monitoring the preparation of quarterly and annual financial reports by the Company's management, including discussions with management and the Company's outside auditors about draft annual financial statements and key accounting and reporting matters;
- . second, the Committee is responsible for matters concerning the relationship between the Company and its outside auditors, including recommending their appointment or removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to the Company; and determining whether the outside auditors are independent (based in part on the annual letter provided to the Company pursuant to Independence Standards Board Standard No. 1); and
- . third, the Committee in consultation with management and the independent auditors considers the integrity of the Company's financial reporting processes and controls regarding finance, accounting and legal compliance.

The Committee's responsibilities are presented in detail in the complete charter of the Committee which is included in the appendix to this proxy statement. The charter reflects standards set forth in the new Securities and Exchange Commission ("SEC") regulations and the Nasdaq National Market rules.

Edgar Filing: EXPONENT INC - Form DEF 14A

Audit committee members are independent as defined by these regulations and rules.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention it considers necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out it's responsibilities, the Committee met three times during fiscal 2000.

In overseeing the preparation of the Company's financial statements, the Committee met with both management and the Company's outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With Audit Committees).

With respect to the Company's outside auditors, the Committee, among other things, discussed with KPMG LLP matters relating to its independence, including the disclosures made to the Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of these reviews and discussions, the committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 29, 2000, for filing with the SEC.

What Options were Granted to the Named Officers in 2000?

The following table offers information concerning stock options granted during the year ended December 29, 2000, to the Named Officers.

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for		
	Options Granted (#)	Percent of Total Options Granted to Employees in		Exercise Price (\$/Sh)	Expiration Date	Option Term(3)	
		(1)	Year(2)			5% (\$)	10% (\$)
Michael R. Gaulke.....	100,000	17%		\$ 7.22	02/10/10	\$11.76	\$18.73
Roger L. McCarthy.....	0	--		--	--	--	--
Subbaiah V. Malladi.....	200,000	34%		\$ 7.22	02/10/10	\$11.76	\$18.73
Dennis J. Paustenbach...	0	--		--	--	--	--
Jack S. Mandel.....	15,000	3%		\$ 8.38	07/13/10	\$13.65	\$21.74

(1) All options in this table were granted under the 1999 Stock Option Plan.

Edgar Filing: EXPONENT INC - Form DEF 14A

All options under this plan have exercise prices equal to the fair market value on the date of grant. The options generally become exercisable over a period of four years at a rate of 25% per year and expire 10 years from the date of grant.

- (2) In 2000, the Company granted options to employees to purchase 580,500 shares of common stock.
- (3) Potential realizable value assumes that the stock price increases from the date of grant until the end of the option term (10 years) at the annual rate specified (5% and 10%). Annual compounding results in total appreciation of 63% (at 5% per year) and 159% (at 10% per year). The assumed annual rates of appreciation are specified in SEC rules and do not represent the Company's estimate or projection of future stock price growth. The Company does not necessarily agree that this method can properly determine the value of an option.

What is the Value of the Options held by the Named Officers?

The following table shows information concerning the shares exercised and the number of shares exercisable and unexercisable as of December 29, 2000. Also reported are values for "in-the-money" options that represent the positive spread between the respective exercise prices of outstanding stock options and the fair market value of the Company's common stock as of December 29, 2000.

	Number of Shares Acquired Upon Exercise of Option	Value Realized Upon Exercise(1)	Number of Unexercised Options at December 29, 2000		Value of Unexercised In-the-Money Options December 29, 2000	
			Exercisable	Unexercisable	Exercisable	Unexercisable
Michael R. Gaulke.....	0	--	327,499	217,501	\$974,637	\$514,637
Roger L. McCarthy.....	0	--	0	0	0	0
Subbaiah V. Malladi.....	67,900	\$57,823	90,668	200,000	\$258,776	\$468,776
Dennis J. Paustenbach...	0	--	0	0	0	0
Jack S. Mandel.....	0	--	17,500	67,500	\$ 68,863	\$224,863

 (1) The value realized upon exercise is determined by subtracting the exercise price from the fair market value at the time the option is exercised.

(2) The value of underlying securities is based on the closing price of Company's common stock on December 29, 2000, \$9.56 (the last trading day of the period), on the Nasdaq National Market, minus the exercise price of the option.

REPORT OF THE HUMAN RESOURCES COMMITTEE OF THE BOARD OF DIRECTORS

The Human Resources Committee of the Board of Directors establishes the general compensation policies for all employees and oversees the specific compensation plans for officers of the Company, including the President and CEO. The Committee is composed of the four non-employee directors; no executive officers of the Company are included on the Human Resources Committee.

What is the Company's Philosophy of Executive Compensation?

The Company's compensation program for executives consists of three

Edgar Filing: EXPONENT INC - Form DEF 14A

elements:

- . base salary,
- . bonus based on performance, and
- . stock option grants.

The compensation of the Company's officers, including the President and CEO, is based on the profitability of the Company, the individual achievements of the officers, and the competitive environment for such employees. Individual performance assessments are based on both objective and subjective appraisals of: financial performance, professional accomplishments, and leadership that meet the level of excellence demanded by the Company.

What is the Timing of Compensation Changes?

The performance reviews of officers and employees are typically completed within three months after the close of each year. Hence, compensation changes for 2001 were based on 2000 results. These compensation changes went into effect April 1, 2001. Bonuses based on 2000 performance were paid out on March 15, 2001.

What is the basis for determining the Executive's Compensation?

Salaries. The Company strives to provide base salaries commensurate with comparable executives and private consultants. However, the unique nature of the Company's business makes direct comparisons difficult as many competitors are sole practitioners or in private partnerships. In consideration of their responsibilities for both managing the Company and/or providing direct consulting services which generate significant Company revenue, the Human Resources Committee believes the officers' salaries are comparable to those earned by executives and consultants of similar background, capability, and technical expertise.

Bonuses. For the year ended December 29, 2000, the bonus plan was continued for all employees, including officers. The Company bonus pool was tied to corporate profitability. Mr. Gaulke, President and CEO, recommends individual officer bonuses based on the officer's financial performance, professional accomplishments, and leadership. The Human Resources Committee reviews and approves the bonuses for each officer and the bonus pool. Additionally, they determine the bonuses for all inside directors, including the President and CEO, the Chairman, Exponent Failure Analysis Associates, and the CTO.

Stock Options. The Human Resources Committee believes that stock ownership provides significant opportunity to assure that officers are motivated to maximize stockholder value. The fiscal 2000 options were granted at the market price on the date of grant and vest over a four-year period to encourage retention of key employees.

13

Executive Compensation. The Human Resources Committee reviewed the performance of the President and CEO, Michael R. Gaulke; the Chairman, Exponent Failure Analysis Associates, Roger L. McCarthy; and the CTO, Subbaiah V. Malladi, during 2000. The Committee decided to leave base salaries unchanged for all three individuals. The Human Resources Committee reviewed the 2000 performance of all other officers, and select base salary increases were approved.
