REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee sets and administers the policies which govern annual and long-term executive compensation. The Committee is responsible for the design and implementation of salary and incentive programs for executive officers and other key officers/employees/personnel which are consistent with American Vanguard's overall compensation philosophy. Key elements of that philosophy include:

Attract and retain quality talent, which is critical to both the short-term and long-term success of the Company.

Assuring that total compensation levels are competitive with those at peer companies and are commensurate with relative stockholder returns and the Company's financial performance.

Focusing executives on the financial objectives that support total stockholder returns.

Emphasizing long-term financial performance and sustained market value creation vs. short-term gains.

Executive officers of the Company are paid salaries in line with their responsibilities. The salaries (short-term cash compensation) are set in an attempt to pay such officers competitively. With respect to long-term incentive compensation, upon the Committee's recommendation, the Board adopted and the stockholders approved in 1995, the Company's 1994 Stock Incentive Plan (the "Plan") which is designed to link such officers' and other key employees' long-term financial interests to those of the stockholders. The Committee expects to consider future various cash incentive compensation programs specifically tied to Company performance for the employees as a potential method of rewarding the achievement of specific Company performance based goals.

The foregoing report has been furnished by the Board of Directors, Messrs. Herbert A. Kraft, Glenn A. Wintemute, Eric G. Wintemute, James A. Barry, Jay R. Harris, John B. Miles, and Carl R. Soderlind.

STOCK PERFORMANCE GRAPH

The following graph presents a comparison of the cumulative, five-year total return for the Company, the S&P 500 Stock Index, and a peer group selected by Value Line (Chemical Specialty Industry). PROPOSAL 3 APPROVAL OF AMENDED AND RESTATED

CERTIFICATE OF INCORPORATION

In May 2003, the Board unanimously adopted, subject to stockholder approval, the Amended and Restated Certificate of Incorporation as set forth in Appendix A. The proposed Amended and Restated Certificate of Incorporation is intended to modernize the Certificate of Incorporation originally filed on January 2, 1969 and to integrate in one document previously filed amendments to the Certificate of Incorporation. The proposed Amended and Restated Certificate of Incorporation incorporates more recent provisions of the Delaware General Corporation Law and deletes unnecessary provisions. If the proposed Amended and Restated Certificate of Incorporation is approved by the stockholders, it will be filed with the Delaware Secretary of State and become effective upon such filing.

Summary of Proposed Changes to the Certificate of Incorporation

The following is a summary of the principal changes that the proposed Amended and Restated Certificate of Incorporation makes to the Certificate of Incorporation, as amended.

Purpose

The Certificate of Incorporation, as amended, has a purpose clause which states that the Company's purpose is to engage in any lawful activity and also specifies particular purposes. Under the Delaware General Corporation Law, it is sufficient to state that the purpose of the Company is to engage in any lawful act or activity for which corporations may be organized under the Delaware General Corporation Law. Accordingly, the proposed Amended and Restated Certificate of Incorporation has been restated to reflect the current requirements under the Delaware General Corporation Law.

Preferred Stock

On December 10, 1971, the Company filed an amendment to the Certificate of Incorporation whereby the Board was authorized to provide for the issuance of Preferred Stock in one or more series and to establish certain rights and restrictions with respect thereto. The clause, however, is more restrictive than necessary under the current Delaware General Corporation Law. Accordingly, the proposed Amended and Restated Certificate of Incorporation similarly authorizes the Board to provide for the issuance of Preferred Stock in series and to establish the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations and restrictions thereof.

Director Liability

The current Delaware General Corporation Law allows a corporation to limit the personal liability of directors for monetary damages for breach of fiduciary duties except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. Accordingly, the proposed Amended and Restated Certificate of Incorporation includes a clause limiting the personal liability of directors to the extent permissible under the Delaware General Corporation Law.

The Board believes it is in the best interest of the Company and its stockholders to limit the liability of directors for breach of their fiduciary duties to the fullest extent permissible under the Delaware General Corporation Law in response to the increasing hazard of unfounded litigation directed against directors, such litigation's related expense, and in order to continue to attract and retain qualified directors.

Indemnification of Directors and Officers

The Certificate of Incorporation, as amended, includes a provision providing that the Company indemnify all eligible persons to the fullest extent possible under Section 145 of the Delaware General Corporation Law. The current Delaware General Corporation Law provides that a corporation may include, in its certificate of incorporation, bylaws or agreements, provisions expanding rights to indemnification beyond what is otherwise provided in Section 145 of the Delaware General Corporation Law. As such, the proposed Amended and Restated Certificate of Incorporation includes a clause whereby the Company is authorized to indemnify its agents in excess of the indemnification and advancement otherwise permitted by Section 145 of the Delaware General Corporation Law, and subject only to the limits created by applicable Delaware law with respect to actions for breach of duty to the corporation, its stockholders and others.

The Board believes it is appropriate to continue to provide mandatory indemnification and to extend the rights to indemnification to the extent possible to its agents in response to the increasing hazard of unfounded litigation directed against directors and officers and its related expense, and in order to continue to attract and retain qualified directors and officers in light of these circumstances.

Miscellaneous Provisions

Certain provisions related to the management of the business of the Company have been deleted as they are unnecessary under the current Delaware General Corporation Law. Similarly, the provision referencing the initial incorporator is no longer necessary in the Amended and Restated Certificate of Incorporation and has been deleted.

The proposed Amended and Restated Certificate of Incorporation will continue to contain a provision whereby the number of directors will be fixed by the Bylaws of the Company and the election of directors will not need to be by written ballot. Furthermore, the proposed Amended and Restated Certificate of Incorporation continues to give the Board the power, without the assent or vote of the stockholders, to make, alter amend, change, add to or repeal the Bylaws of the Company.

THE BOARD RECOMMENDS A VOTE **FOR** THE PROPOSAL TO APPROVE THE PROPOSED AMENDED AND RESTATED CERTIFICATE OF INCORPORATION AS SET FORTH IN APPENDIX A .

PROPOSAL 4 APPROVAL OF AMENDED AND RESTATED

AMERICAN VANGUARD CORPORATION

1994 STOCK INCENTIVE PLAN

The stockholders approved the American Vanguard Corporation 1994 Stock Incentive Plan at the 1995 Annual Meeting, the First Amended and Restated Stock Incentive Plan at the 2000 Annual Meeting and the Second Amended and Restated Stock Incentive Plan (collectively, the 1994 Stock Plan or the Plan) at the 2002 Annual Meeting. The 1994 Stock Plan is intended to provide individual participants with an opportunity to acquire a proprietary interest in American Vanguard Corporation and give them an additional incentive to use their best efforts for American Vanguard's long-term success.

The 1994 Stock Plan is administered by a committee designated by the Board of Directors (the Committee) consisting of not less than two members of the Board of Directors, all of whom shall be disinterested persons within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934 (the Exchange Act) or any successor rule and, to the extent and when required by such Regulations, within the meaning of Section 162(m) of the Internal Revenue Code of 1986 (the Code) and the final regulations thereunder (the Regulations).

The 1994 Stock Plan permits the granting of stock options in the form of Incentive Stock Options or Non-Qualified Stock Options, in the sole discretion of the Committee. The terms and conditions of each award are set forth in a written agreement with the participant. All officers, directors, or employees of or consultants to the Company or its subsidiaries, as the Committee shall in its sole discretion select, are eligible to participate in the Plan; however, no person shall receive any Incentive Stock Option unless such person is an employee of the Company, or a subsidiary at the time the Incentive Stock Option is granted.

The exercise price per share shall not be less than 100% of the Fair Market Value (as defined in the 1994 Stock Plan) of a share of Common Stock on the date the option is granted (or such later date as the Committee shall determine in the case of Non-Qualified Stock Options), and may be exercisable for a term of no longer than ten years from the date of grant. Options generally cease to be exercisable upon termination of employment, or a period following such termination of employment not exceeding three months (as determined by the Committee), except that such period may be extended if employment shall have been terminated by reason of disability, death or retirement. In no event may the exercise period be extended beyond the original exercise period of the option.

The aggregate Fair Market Value (determined at the time the option is granted) of the shares of Common Stock with respect to which Incentive Stock Options are first exercisable during any calendar year by any participant may not exceed \$100,000. No Incentive Stock Option may be granted to an individual if, at the time of the proposed grant, such individual owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, unless (i) the exercise price per share of such Incentive Stock Option is at least 110% of the Fair Market Value of a share of Common Stock on the date of grant, and (ii) such Incentive Stock Option is not exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

The Board of Directors may, from time to time, suspend or discontinue the Plan or revise or amend it in any respect whatsoever, except that no such amendment will alter or impair any rights or obligation under any award theretofore made under the Plan without the consent of the participant to whom such award was made and provided that no such amendment (unless approved by the stockholders of the Company) will: (i) materially increase the number of shares of Common Stock in respect of which awards may be granted; (ii) amend the provisions with respect to Incentive Stock Options in any manner which would disqualify such Incentive Stock Options under Section 422 of the Code; (iii) materially modify the class of eligible employees; or (iv) materially increase the benefits accruing to participants.

Changes to the 1994 Stock Plan

The Board of Directors desires to amend the 1994 Stock Plan to increase the number of shares authorized for granting awards under the Plan and the maximum Options that may be granted to any one participant pursuant to the Plan as well as amend the termination date of the Plan. The following summary description of the proposed amendment to the 1994 Stock Plan is qualified in its entirety by reference to the full text of the Third Amended and Restated 1994 Stock Plan which is attached to American Vanguard's proxy statement as Appendix B.

The proposed amendment of the 1994 Stock Plan is to increase, effective March 14, 2003, the number of shares of Common Stock available for granting awards under the 1994 Stock Plan and change the maximum Options that may be granted to any one participant pursuant to the Plan and extend the termination date of the Plan. The proposed amendment will authorize 874,000 shares (as adjusted for the 3 for 2 stock split distributed in April 2003 and all other stock splits and stock dividends prior thereto) of Common Stock for granting awards under the 1994 Stock Plan and the maximum number of shares of Common Stock subject to Options that may be granted to any one participant shall not exceed 874,000 shares. The proposed amendment will also extend the termination date from December 15, 2009 to December 15, 2010.

Awards under the Proposed Amendment

Benefits payable or amounts that will be granted after the effective date of the proposed amendment of the 1994 Stock Plan are not determinable at this time. The proposed amendment would define the class of eligible employees to be consistent with the manner in which the 1994 Stock Plan is currently being administered.

United States Federal Income Tax Aspects of the 1994 Stock Plan

Non-statutory Stock Options. As a general rule, no federal income tax is imposed on the optionee upon the grant of a non-statutory stock option (an option other than an incentive stock option, which is described below). In addition, American Vanguard is not entitled to a tax deduction by reason of such a grant. Generally, upon the exercise of a non-statutory stock option, the optionee will be treated as receiving compensation taxable as ordinary income in the year of exercise over the option price paid for such shares.

Upon the exercise of a non-statutory stock option, American Vanguard may claim a deduction for compensation paid at the same time and in the same amount as compensation income is recognized to the award recipient assuming any federal income tax withholding requirements are satisfied. Upon a subsequent disposition of the shares received upon exercises of a non-statutory stock option, any appreciation after the date of exercise should qualify as a capital gain.

Incentive Stock Options. The incentive stock options under the 1994 Stock Plan are intended to constitute incentive stock options within the meaning of Section 422 of the Internal Revenue Code. Incentive stock options are subject to special federal income tax treatment. No federal income tax is imposed on the optionee upon the grant or exercise of incentive stock options if the optionee does not dispose of shares acquired pursuant to the exercise within the two-year period beginning on the date the option was granted or within the one-year period beginning on the date the option was exercised (collectively, the holding period). If these conditions are met and no tax is imposed on the optionee, then American Vanguard would not be entitled to any deduction for federal income tax purposes in connection with the grant or exercise of the option or the disposition of the underlying shares. With respect to an incentive stock option, the difference between the fair market value of the stock on the date of exercise and the exercise price generally must be included in the optionee's alternative minimum taxable income.

Upon disposition of the shares received upon exercise of an incentive stock option after the holding period, the difference between that amount realized and the exercise price would constitute a long-term capital gain or loss. If an optionee disposes of shares acquired pursuant to his or her exercise of an incentive stock option prior

to the end of the holding period, the optionee will be treated as having received, at the time of disposition, compensation taxable as ordinary income. In such event, American Vanguard may claim a deduction for compensation paid at the same time and in the same amount as compensation is treated as received by the optionee. The amount treated as compensation is the excess of the fair market value of the shares at the time of exercise (or in the case of a sale in which a loss would be recognized, the amount realized on the sale if less) over the exercise price, and any amount realized in excess of the fair market value of the shares at the time of exercise would be treated as short-term or long-term capital gain, depending on the holding period of the shares.

REQUIRED VOTE AND RECOMMENDATION

The affirmative vote of holders of a majority of the shares of Common Stock represented and entitled to vote at the meeting is required for approval of the Third Amended and Restated 1994 Stock Plan. Abstentions will count as a vote against the proposal but broker/non-votes will have no effect.

THE BOARD OF DIRECTORS BELIEVES THAT THE THIRD AMENDED AND RESTATED 1994 STOCK PLAN IS IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND THEREFORE RECOMMENDS A VOTE **FOR** THIS PROPOSAL.

PROPOSALS FOR SUBMISSION AT NEXT ANNUAL MEETING

Any stockholder who intends to nominate candidates for election as directors or present a proposal at the 2004 Annual Meeting, without inclusion of such proposal in the Company's proxy materials, is required to provide notice of such proposal to the Company. Notice must be received by the Corporate Secretary no earlier than December 31, 2003 and no later than January 25, 2004.

ANNUAL REPORT ON FORM 10-K

Upon request, the Company will provide without charge to any beneficial owner of its Common Stock, a copy of its Annual Report on Form 10-K, excluding exhibits but including financial schedules (if applicable), filed with the Securities and Exchange Commission with respect to the year ended December 31, 2002. Requests are to be made to the attention of the Chief Financial Officer, American Vanguard Corporation, 2110 Davie Avenue, Commerce, California 90040.

OTHER MATTERS

The Company's Annual Report for the year ended December 31, 2002, accompanies this Proxy Statement. The Board of Directors does not know of any matter to be acted upon at the Annual Meeting other than the matters described herein. If any other matter properly comes before the Annual Meeting, the holders of the proxies will vote thereon in accordance with their best judgment.

(b) The Committee's powers include, without limitation, the adoption of modifications, amendments, procedures, subplans and the like as are necessary to comply with provisions of the laws of other countries in which the Company may operate in order to assure the viability of Awards granted under the Plan and to enable Participants employed in such other countries to receive advantages and benefits under the Plan and such laws.

(c) The determination of the Committee on all matters relating to the Plan or any Agreement shall be conclusive. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award. The Company shall indemnify and hold harmless each member of the Committee and each other director or employee of the Company to whom any duty or power relating to the administration of the Plan has been delegated against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the approval of the Committee) arising out of any action, omission or determination relating to the Plan, unless, in either case, such action, omission or determination was taken or made by such member, director or employee in bad faith and without reasonable belief that it was in the best interest of the Company.

(d) Without limiting the foregoing and notwithstanding any other provisions of the Plan, the Committee is authorized to take any such action as it determines to be necessary or advisable, and fair and equitable to Participants, with respect to Options in the event of: (i) a merger of the Company with, consolidation of the Company into, or the acquisition of the Company by, another corporation; (ii) a sale or transfer of all or substantially all of the assets of the Company to another corporation or any other person or entity; (iii) a tender or exchange offer for shares of Common Stock made by any corporation, person or entity (other than the Company); or (iv) other reorganization in which the Company will not

survive as an independent, publicly

B-3

owned corporation. Such action may include (but shall not be limited to) establishing, amending or waiving the forms, terms, conditions and duration of Options so as to provide for earlier, later, extended or additional times of exercise or payments, differing methods for calculating payments, alternate forms and amounts of payment or other modifications. The Committee may take such actions pursuant to this Section 1.5(d) by adopting rules and regulations of general applicability to all Participants or to certain categories of Participants, by including, amending or waiving terms and conditions in Awards, or by taking action with respect to individual Participants. The Committee may take such actions in advance of, or as part of any such merger, consolidation, acquisition, sale or transfer of assets, tender or exchange offer or other reorganization.

1.6 Types of Awards Under the Plan.

Awards may be made under the Plan in the form of Incentive Stock Options or Non-Qualified Stock Options, in the sole discretion of the Committee.

1.7 Agreements Evidencing Awards.

Options granted under the Plan shall be evidenced by written Agreements, which shall not be inconsistent with the terms and provisions of the Plan, and which shall contain such provisions as the Committee in its sole discretion deems necessary or desirable. Each Participant accepting an Award pursuant to the Plan shall agree that each such Award shall be subject to all of the terms and provisions of the Plan and the Agreement.

II. OPTIONS

2.1 Grants.

The Committee may grant Options pursuant to the Plan, which Options shall be evidenced by Agreements containing such terms and conditions as the Committee shall from time to time approve, including any provisions as to continued employment as consideration for the grant or exercise of such Option and any provisions which may be advisable to comply with applicable laws, regulations or rulings of any governmental authority. All Options granted under the Plan shall be clearly identified in the Agreement evidencing such Option as either Incentive Stock Options or Non-Qualified Stock Options. Options shall comply with and be subject to the terms of this Article II.

2.2 Incentive Stock Options.

Each provision of the Plan and of each Option designated as an Incentive Stock Option shall be construed so that each such Option shall be an incentive stock option as that term is defined in Section 422 of the Code, and any provision that cannot be so construed shall be disregarded. Incentive Stock Options shall be granted only to eligible Participants, and shall be subject to the following conditions:

(a) The exercise price per share of each Incentive Stock Option shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date the Option is granted.

(b) The aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Common Stock with respect to which Incentive Stock Options are first exercisable during any calendar year by any eligible Participant shall not exceed \$100,000. In the event that the aggregate Fair Market Value of shares of Common Stock with respect to such Incentive Stock Options exceeds \$100,000, then Incentive Stock Options granted under the Plan to such Participant shall, to the extent and in the order required by the Regulations (or any other authority having

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

the force of Regulations), automatically be deemed to be Non-Qualified Stock Options, but all other terms and provisions of such Incentive Stock Options shall remain unchanged. In the absence of such Regulations (or authority), or in the event such Regulations (or authority) require or permit a designation of the Options which shall cease to constitute Incentive Stock Options, then Incentive Stock Options granted under

B-4

the Plan shall, to the extent of such excess and in the order in which they were granted, automatically be deemed to be Non-Qualified Stock Options, but all other terms and provisions of such Incentive Stock Options shall remain unchanged.

(c) The provisions of Sections 2.2(a) and 2.4(a) notwithstanding, no Incentive Stock Option may be granted to an individual if, at the time of the proposed grant, such individual owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company (within the meaning of Section 424 of the Code), unless (i) the exercise price per share of such Incentive Stock Option is at least 110% of the Fair Market Value of a share of Common Stock on the date such Incentive Stock Option is granted, and (ii) such Incentive Stock Option is not exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

(d) Any other terms and conditions which the Committee determines, upon advice of counsel, should be imposed for the Option to qualify as an Incentive Stock Option and any other terms and conditions not inconsistent with the Plan as determined by the Committee, including provisions making the Option exercisable in installments (which need not be equal) and at varying times depending upon events specified by the Committee upon grant as set forth in the Agreement.

2.3 Non-Qualified Stock Options.

One or more Options may be granted as Non-Qualified Stock Options to purchase Common Stock to an eligible Participant at such time or times determined by the Committee, following the Effective Date, subject to the following terms and conditions:

(a) The exercise price per share of each Non-Qualified Stock Option shall be not less than 100% of the Fair Market Value of a share of Common Stock on the date of the grant (or such later date as the Committee shall determine).

(b) The Option grant may include any other terms and conditions not inconsistent with the Plan as determined by the Committee, including provisions making the shares of Common Stock subject to such Option restricted stock and/or provisions making the Options exercisable in such installments (which need not be equal) and at varying times depending upon events specified by the Committee upon grant as set forth in the Agreement.

2.4 Exercise of Options.

(a) An Option may be exercised in whole or in part from time to time within ten years from the date of the grant, or such shorter period as may be specified by the Committee as set forth in the Agreement, provided that in any event such Option shall lapse and cease to be exercisable upon, or within such period following, Termination of Employment as shall have been determined by the Committee and as specified in the Agreement; provided, however, that such period following Termination of Employment shall not exceed three months unless employment shall have terminated:

- (i) as a result of Disability, in which event such period shall not exceed twelve months after the date of Termination of Employment in the case of an Incentive Stock Option or such other period as the Committee may specify in the case of a Non-Qualified Stock Option; or
- (ii) as a result of Retirement in the case of a Non-Qualified Stock Option, in which event such period shall not exceed twelve months after the date of Termination of Employment; or

- (iii) as a result of death or death shall have occurred following Termination of Employment and while the Option was still exercisable, in which event such period shall not exceed twelve months after the date of the Participant's death;

provided, however, that such period following Termination of Employment shall in no event extend the original exercise period of the Option.

B-5

(b) An Option shall be exercised by the filing of a written notice of exercise with the Company, specifying the number of shares as to which the Option is so exercised, on such form and in such manner as the Committee shall in its sole discretion prescribe.

(c) The exercise price of shares of Common Stock issuable upon exercise of an Option shall be paid in full at the time of the exercise in (i) cash, (ii) by certified check, (iii) bank cashier's check or wire transfer, (iv) if permitted by the Committee, by means of tendering Common Stock (or certifying as to ownership of Common Stock) that has been held by the Participant for at least six months prior to the date of exercise, valued at the Fair Market Value on the date of exercise, or (v) any combination thereof (subject to permission by the Committee with respect to clause (iv) thereof). Any payment in shares of Common Stock shall be effected by the delivery of such shares to the Secretary of the Company, duly endorsed in blank or accompanied by stock powers duly executed in blank, together with any other documents as the Secretary of the Company shall require from time to time. The Committee shall determine acceptable methods for tendering other Awards or options to exercise an Option as it deems appropriate.

(d) Any Option granted under the Plan may be exercised by a broker-dealer acting on behalf of a Participant if (i) the broker-dealer has received from the Participant or the Company a fully and duly endorsed Agreement evidencing such Option and instructions signed by the Participant requesting the Company to deliver the shares of Common Stock subject to such Option to the broker-dealer on behalf of the Participant and specifying the account into which such shares should be deposited, (ii) adequate provision has been made with respect to the payment of any withholding taxes due upon such exercise, and (iii) the broker-dealer and the Participant have otherwise complied with Section 220.3(e)(4) of Regulation T, 12 CFR Part 220.

(e) Certificates for shares of Common Stock purchased upon the exercise of an Option shall be issued in the name of the Participant and delivered to the Participant as soon as practicable following the effective date on which the Option is exercised; provided, however, that the time of such delivery may be postponed by the Company for such period as may be required for it with reasonable diligence to comply with applicable registration requirements, if any, under the Securities Act of 1933, as amended (the "1933 Act"), the 1934 Act and applicable listing requirements of any national securities exchange on which the Common Stock is then listed or approved for listing, and requirements under any other law or regulation applicable to the issuance or transfer of such shares. If the Participant fails to accept delivery of and pay for all or any part of the number of shares specified in the notice of exercise upon tender or delivery thereof, the Participant's right to purchase such undelivered shares may be terminated. If the Participant so elects and to the extent applicable, the shares may be issued in the name of the Participant or the Participant and the Participant's spouse jointly with right of survivorship or as community property.

III. ADJUSTMENTS UPON CHANGES IN COMMON STOCK

3.1 Shares Available for Grant.

In the event of any change in the number of shares of Common Stock outstanding by reason of any stock dividend or split, recapitalization, merger, consolidation, combination or exchange of shares or similar corporate change, the maximum aggregate number of shares of Common Stock with respect to which the Committee may grant Options shall be appropriately adjusted by the Committee. In the event of any change by reason of any other event or transaction, the Committee may, but need not, make such adjustments in the number and class of shares of Common Stock with respect to which Options may be granted as the Committee may deem appropriate.

3.2 Outstanding Options.

(a) Subject to any required action by the stockholders of the Company, in the event of any increase or decrease in the number of issued shares of Common Stock resulting from a subdivision or consolidation of shares of Common Stock or the payment of a stock dividend (but only on the shares of Common Stock), or any other

B-6

increase or decrease in the number of shares effected without receipt of consideration by the Company, the Committee shall proportionately adjust the number of shares of Common Stock subject to each outstanding Option and the exercise price per share of Common Stock of each such Option.

(b) Subject to any required action by the stockholders of the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Common Stock receive securities of another corporation), each Option outstanding on the date of such merger or consolidation shall pertain to and apply to the securities which a holder of shares of Common Stock subject to such Option would have received, if any, in such merger or consolidation.

(c) In the event of a (i) dissolution or liquidation of the Company, (ii) sale of all or substantially all of the Company's asset, (iii) merger or consolidation involving the Company in which the Company is not the surviving corporation, or (iv) merger or consolidation involving the Company in which the Company is the surviving corporation but the holders of shares of Common Stock receive securities of another corporation and/or other property including cash, the Committee shall, in its absolute discretion, have the power to:

- (i) cancel, effective immediately prior to the occurrence of such event or such other date specified by the Committee, each Option outstanding immediately prior to such event (whether or not then exercisable) and, in full consideration of such cancellation, pay to the Participant to whom such Option was granted an amount in cash, for each share of Common Stock subject to such Option, equal to the excess of (A) the value, as determined by the Committee in its absolute discretion, of the property (including cash) received by the holder of a share of Common Stock as a result of such event over (B) the exercise price of such Option;
- (ii) provide for the exchange of each Option outstanding immediately prior to such event (whether or not then exercisable) for an option with respect to, as appropriate, some or all of the property received by the Company or holders of shares of Common Stock and, incident thereto, make any equitable adjustment as determined by the Committee in its absolute discretion in the exercise price of the Option, or the number of shares or amount of property subject to the Option or, if appropriate, provide for a cash payment to the Participant to whom such Option was granted in partial consideration for the exchange of the Option; or
- (iii) accelerate or waive any limitations or vesting periods imposed pursuant to the Plan or any Agreement so that all Options will be exercisable in full from and after the date specified by the Committee.

(d) In the event of any change in the capitalization of the Company or corporate change other than those specifically referred to in Section 3.2(a), (b) or (c) hereof, the Committee may, in its absolute discretion, make such adjustments in the number and class of shares subject to Options outstanding on the date on which such change occurs and in the per share exercise price of each such Option as the Committee may consider appropriate to prevent dilution or enlargement of rights.

IV. MISCELLANEOUS

4.1 Rights as a Stockholder.

No person shall have any rights as a stockholder with respect to any shares of Common Stock covered by or relating to any Award granted pursuant to the Plan until the date of the issuance of a stock certificate with respect to such shares. Except as otherwise expressly provided in Article III, no adjustments to any Award shall be made for dividends or other rights (whether ordinary or extraordinary, and whether in cash, securities or other property) for which the record date occurs prior to the date such stock certificate is issued.

4.2 Amendment of the Plan; Modification of Awards.

(a) The Board of Directors may from time to time suspend or discontinue the Plan or revise or amend it in any respect whatsoever, except that no such amendment shall adversely alter or impair any rights or obligations under any existing Award made under the Plan without the consent of the Participant to whom such Award was made, subject to any requirement of stockholder approval required by applicable law, rule or regulation.

(b) With the consent of the Participant and subject to the terms and conditions of the Plan and the Agreement, the Committee may amend outstanding Agreements with such Participant. Without limiting the generality of the foregoing, the Committee may, but solely with the Participant's consent, agree to cancel any Award and issue a new substituted Award, provided that the Award so substituted shall satisfy all of the requirements of the Plan as of the date such new Award is made.

4.3 Restrictions.

(a) The Company shall be under no obligation to effect the registration pursuant to the 1933 Act of any shares of Common Stock to be issued under the Plan or to effect similar compliance under any state laws or other laws. Notwithstanding anything in the Plan to the contrary, the Company shall not be obligated to cause to be issued or delivered any certificates evidencing shares of Common Stock pursuant to the Plan unless and until the Company is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and the requirements of any securities exchange on which the Common Stock may then be listed or approved for listing. If the Committee shall at any time determine that any Consent (as defined in Section 4.3(b)) is necessary or desirable as a condition of, or in connection with, the granting of any Award under the Plan, the issuance or purchase of shares or the taking of any other action (each such action being referred to as a Plan Action), then such Plan Action shall not be taken, in whole or in part, unless and until such Consent shall have been effected or obtained to the full satisfaction of the Committee. Without limiting the generality of the foregoing, in the event that (i) the Committee shall be entitled under the Plan to make any payment in Common Stock and (ii) the Committee shall determine that a Consent is necessary or desirable as a condition of, or in connection with, payment in such form, then the Committee shall be entitled to determine not to make any payment whatsoever until such Consent shall have been obtained in the manner provided in this Section 4.3(a).

(b) The term Consent as used with respect to any Plan Action means (i) any and all listings, registrations or qualifications with any securities exchange or under any federal, state or local law, rule or regulation, (ii) any and all written agreements and representations by the Participant with respect to the disposition of shares of Common Stock, or with respect to any other matter, which the Committee shall deem necessary or desirable to comply with the terms of any such listing, registration or qualification or to obtain an exemption from the requirement that any such listing, registration or qualification be made, and (iii) any and all consents, clearances and approvals in respect of a Plan Action by any governmental or other regulatory bodies.

4.4 Nonassignability.

(a) No Award or other right granted to any Participant under the Plan or under any Agreement shall be assignable or transferable, other than by will or by the laws of descent and distribution, or pursuant to a qualified domestic relations order as provided by the Code or Title I of the Employee Retirement Income Security Act. During the life of the Participant, all rights granted to the Participant under the Plan or under any Agreement shall be exercisable only by him or her or by his or her guardian or legal representative.

(b) Notwithstanding Section 4.4(a), in the discretion of the Committee, Awards granted under the Plan may be transferred to members of the Participant's immediate family (which for purposes of the Plan shall be limited to the Participant's children, grandchildren and spouse), or to one or more trusts for the benefit of such family members, or to partnerships or limited liability companies in which such family members and/or

trusts are the only partners or members, but only if the Agreement expressly so provides.

B-8

4.5 Withholding Taxes.

The Company shall have the right to deduct applicable taxes from any Award payment and withhold, at the time of delivery of shares under the Plan or upon the occurrence of any other event which subjects the Company to a requirement of withholding under applicable provisions of the Code and the Regulations, an appropriate number of shares for, or require as a condition of delivery or otherwise that the Participant remit an amount sufficient to satisfy, the payment of all taxes required by any federal, state or other governmental withholding tax requirements or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of taxes. The Company may elect to deduct such taxes from any other amounts payable then or thereafter in cash or otherwise to the Participant. If permitted by the Committee, a Participant may make a written election to have shares of Common Stock withheld from the shares otherwise to be received upon the exercise of an Option. If the Committee in its discretion permits Common Stock to be used to satisfy tax withholding, such stock shall be valued based on the Fair Market Value of the Common Stock on the date the applicable tax is required to be withheld.

4.6 Loans.

(a) The Company or any subsidiary may make loans to a Participant in connection with the exercise of an Option, subject to the following terms and conditions and such other terms and conditions not inconsistent with the Plan including the rate of interest, if any, as the Committee shall impose from time to time.

(b) No loan made under the Plan shall exceed the sum of (i) the aggregate purchase price payable pursuant to the Option with respect to which the loan is made, plus (ii) the amount of the reasonably estimated income taxes payable by the Participant with respect to the Award. In no event may any such loan exceed the Fair Market Value, at the date of exercise, of any such shares of Common Stock acquired upon such exercise.

(c) No loan shall have an initial term exceeding five years; provided, however, that loans under the Plan shall be renewable at the discretion of the Committee. Notwithstanding the foregoing in this Section 4.6(c), any such loan shall become immediately due and payable in full, at the option of the Company, upon Termination of Employment of the Participant for any reason.

(d) Loans under the Plan may be satisfied by a Participant, as determined by the Committee, in cash or, with the consent of the Committee, in whole or in part by the transfer of shares of Common Stock, the Fair Market Value of which on the date of such payment is equal to the amount of the loan so satisfied.

(e) Loans under the Plan shall be with full recourse against the Participant to whom the loan is granted and shall be secured by a pledge of shares with a Fair Market Value of not less than the principal amount of the loan at the time the loan is made. The Company shall retain physical possession of the stock certificates evidencing the shares so pledged together with a duly executed stock power for such shares. After partial repayment of a loan, pledged shares of Common Stock no longer required as security may be released pursuant to the terms of the Agreement of the Participant.

4.7 No Special Employment Rights; No Right to Award.

Nothing contained in the Plan or in any Agreement shall confer upon any Participant any right with respect to the continuation of his or her employment or engagement by the Company or interfere in any way with the right of the Company, subject to the terms of any separate employment or engagement agreement to the contrary, at any time to terminate such employment or engagement or to increase or decrease the

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

compensation of the Participant from the rate in existence at the time of the grant of an Award. No person shall have any claim or right to receive an Award. The Committee's grant of an Award to a Participant at any time shall neither require the Committee to grant an Award to such Participant or any other Participant or other person at any time nor preclude the Committee from making subsequent grants to such Participant or any other Participant or other person.

B-9

4.8 Nature of Payments.

Any and all payments of shares of Common Stock shall be granted, transferred or paid in consideration of services performed for the Company by the Participant. All such grants, issuances and payments shall constitute a special incentive payment to the Participant and shall not, unless otherwise determined by the Committee, be taken into account in computing the amount of salary or compensation of the Participant for the purposes of determining any pension, retirement, death or other benefits under (i) any pension, retirement, life insurance or other benefit plan of the Company, or (ii) any other agreement between the Company and the Participant.

4.9 Non-Uniform Determinations.

The Committee's determinations under the Plan need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations, and to enter into non-uniform and selective Agreements, as to (i) the person selected as Participants to receive Awards under the Plan, (ii) the terms, conditions and restrictions of Awards under the Plan, and (iii) the exercise by the Committee of its discretion with respect to all other powers granted to the Committee pursuant to the Plan.

4.10 Other Payments or Awards.

Nothing contained in the Plan shall be deemed in any way to limit or restrict the Company or the Committee from making any award or payments to any person under any other plan, arrangement or understanding, whether now existing or hereafter in effect.

4.11 Section Headings.

The section headings contained herein are for the purposes of convenience only and are not intended to define or limit the contents of said sections.

4.12 Unfunded Plan.

Insofar as it provides for Awards of Common Stock, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to the Participants who are entitled to Common Stock or rights under the Plan, any such accounts shall be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by Common Stock or rights to Common Stock, nor shall the Plan be construed as providing for such segregation, nor shall the Company nor the Board of Directors nor the Committee be deemed to be a trustee of any Common Stock or rights to Common Stock to be granted under the Plan. Any liability of the Company to any Participant with respect to an Award under the Plan shall be based solely upon any contractual obligations that may be created by the Plan or any Agreement; no such obligation of the Company shall be deemed to be secured by any pledged or other encumbrance on any property of the Company. Neither the Company or the Board of Directors nor the Committee shall be required to give any security or bond for the performance of any obligation that may be created by the Plan or any Agreement.

4.13 Governing Law.

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

The Plan and all determinations made and actions taken pursuant to the Plan, to the extent not otherwise governed by the Code or the securities laws of the United States, shall be governed by the laws of the State of California (without giving effect to the principles of conflicts of laws) and construed accordingly.

B-10

4.14 Effective and Termination Dates.

(a) The Plan shall become effective immediately upon the Effective Date. If, however, the Plan is not approved by the stockholders of the Company at or before the first anniversary of the Effective Date, all Awards granted under the Plan shall be of no effect. Awards may be granted under the Plan prior to the receipt of such stockholder approval, provided, that each such grant shall be subject to such approval. Without limiting the foregoing, no Option granted under the Plan may be exercised prior to the date of such approval. Notwithstanding anything in the Plan to the contrary, nothing in the Plan is intended to require stockholder approval of the Predecessor Plans, the Predecessor Plan Shares, or the Incorporated Options pursuant to this Section 4.14(a).

(b) Subject to stockholder approval of the Plan as provided in Section 4.14(a), the Plan shall serve as the successor to the Predecessor Plans, all Incorporated Options shall be treated as outstanding Options under the Plan, and no further options shall be granted under the Predecessor Plans. The Incorporated Options shall be governed by the terms and conditions of the Plan; provided, however, that if the Plan is not approved by the stockholders as provided in Section 4.14(a) or to the extent the Plan adversely alters or impairs any rights or obligations under such Incorporated Option without the consent of the Participant holding such Incorporated Option, such Incorporated Option shall continue to be governed by the terms of the Predecessor Plan and related option agreement applicable to such Incorporated Option.

(c) The Plan shall terminate on December 15, 2010, subject to earlier termination pursuant to Section 4.2.
