Costa Brava filed today with the Securities and Exchange Commission an amendment to its Schedule 13D setting forth its intention for TechTeam's 2006 Annual Meeting of Shareholders. In its amended Schedule 13D, Costa Brava also cited the commencement of its lawsuit against TechTeam in Chancery Court of the State of Delaware, New Castle County, case C.A. No. 1904-N. The lawsuit seeks an order to compel TechTeam to make certain of its books and records available for Costa Brava's inspection and copying pursuant to 8 Del. C. ss. 220 ("Section 220").

In the lawsuit, Costa Brava alleges that TechTeam improperly refused to comply with its two demand letters seeking to inspect and photocopy certain of TechTeam's books and records pursuant to Section 220. As requested in its demand letters, and refused by TechTeam, Costa Brava seeks to inspect certain books and records that reveal, among other possible infractions, whether certain members of TechTeam's board of directors exploited their positions and/or TechTeam's assets for personal gain; and whether the Secretary of TechTeam was barred from fulfilling his duty to attend meetings of TechTeam's board of directors and, as a result, was restricted from taking meeting minutes thereof pursuant to the TechTeam's Amended By-Laws, in an attempt to conceal possible infractions.

Costa Brava will be filing in the near term with the Securities and Exchange Commission its preliminary proxy statement. Shareholders who would like to read more about the Costa Brava nominees are encouraged to read the Schedule 13D that Costa Brava filed today. Shareholders can access the Schedule 13D at www.sec.gov or they can call MacKenzie Partners, which will be assisting Costa Brava with its proxy solicitation, at 800-322-2885.
