Item 4.01 Changes in Registrant's Certifying Accountant

On April 12, 2007, e-Fang Accountancy Corp. (e-Fang), the firm that audited the financial statements of China Sky One Medical, Inc. and its subsidiaries (the Company) for the year ended December 31, 2006, was dismissed by the Company as its independent registered accounting firm, due to the engagement of the new auditors, as described below.

Effective April 12, 2007, the Company engaged Murrell, Hall, McIntosh & Co., PLLP (Murrell), as its independent registered accounting firm to audit the financial statements of the Company and its subsidiaries for the fiscal year ended December 31, 2007. The decision to change the Company's independent accountants was made by the Company's board of directors.

e-Fang performed an audit of the Company's financial statements for the year ended December 31, 2006. Its audit report did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. e-Fang has also performed audit work for the Company's subsidiary, American California Pharmaceutical Group, Inc., a California corporation (ACPG), which the Company acquired in 2006. HJ & Associates, LLC (HJ), the firm that audited the financial statements of the Company for the year ended December 31, 2005, was previously dismissed by the Company, as the independent accountant at the time e-Fang was engaged as the independent accountant in July, 2006, as reported in a Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission on July 26, 2006, and incorporated herein by reference.

During the year ended December 31, 2006, and from that date through the date of this Report, there have been no disagreements between the Company and e-Fang on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which would have caused e-Fang to make reference to the subject matter of such disagreements in connection with their report for the year ended December 31, 2006. Similarly, during the two-year period ended December 31, 2006, and from that date through the date of this Report, there have been no disagreements between the Company or its subsidiaries, as applicable, and e-Fang, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which would have caused e-Fang to make reference to the subject matter of such disagreements in connection with their report for the year ended December 31, 2006. In connection with its audit for the fiscal year ended December 31, 2006, and through the date of this Report, there were no reportable events (as defined in Regulation S-B Item 304(a)(1)(iv)(B)).

The Company requested e-Fang furnish a letter to the SEC stating whether they agree with the above statements. The letter is furnished as Exhibit 16.1.

During the two most recent fiscal years and through the date hereof, neither the Company nor any one on behalf of the Company has consulted with Murrell regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or any other matters required to be disclosed under Item 304(a)(1)(iv) of Regulation S-B.

Item 9.01 Financial Statements and Exhibits

Furnished with this Report as Exhibit 16.1 is a letter from e-Fang dated April 16, 2007.
