ITEM 1. DESCRIPTION OF BUSINESS

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This periodic report contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to the financial condition, results of operations, business strategies, operating efficiencies or synergies, competitive positions, growth opportunities for existing products, plans and objectives of management. Statements in this periodic report that are not historical facts are hereby indentified as "forward-looking statements".

Business

The Company was incorporated in Delaware on June 11, 1992. On May 28, 1998, the Company changed its name from Plasmatic Technologies, Inc. to Ecological Services, Inc. and on January 3, 2003 changed its name to Stanford Capital Corporation. In December 2002, the Company acquired all the issued and outstanding shares of Stanford Capital International, Ltd. a Hong Kong based public relations firm for 10,000 shares of its common stock. This transaction was subsequently revoked. On January 31, 2004, the Company aquired all of the shares of Skreem Entertainment Corporation in exchange for 22,000,000 shares of its one for five post reverse split common shares. Skreem Entertainment Corporation promotes finances and manages artists in the entertainment industry.

The Company has had no operations and is currently seeking an acquisition or merger to bring an operating entity into the Company. The Company does not propose to restrict its search for a business opportunity to any particular industry or geographical are and may, therefore, engage in essentially any business in any industry. The Company has unrestricted discretion in seeking and participating in a business opportunity, subject to the availability of such opportunities, economic conditions, and other factors.

The selection of a business opportunity in which to participate is complex and risky. Additionally, as the Company has only limited resources, it may be difficult to find good opportunities. There can be no assurance that the Company will be able to identify and acquire any business opportunity which will ultimately prove to be beneficial to the Company and its shareholders. The Company will select any potential business opportunity based on management's business judgement.

The activities of the Company are subject to several significant risks which arise primarily as a result of the fact that the Company has no specific business and may acquire or participate in a business opportunity based on the decision of management which potentially could act without the consent, vote, or approval of the Company's shareholders. The risks faced by the Company are further increased as a result of its lack of resources and its inability to provide a prospective business opportunity with significant capital.

ITEM 2.DESCRPTION OF PROPERTIES

The Company's administrative offices are located in a leased office facility located at 11637 Orpington Street, Orlando, Florida 32817. The facility contains approximately 2,000 square feet of office space. There is no lease on the facility nor is there a rental fee as the property is owned by the principal shareholder of the Company (post merger).

ITEM 4.SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

No matters were submitted to a vote of the Company's shareholders through the solicitation of proxies, during the fourth quarter of the Company's fiscal year ended March 31, 2003.

PART II

ITEM 5.MARKET FOR COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND SMALL BUSINESS ISSUER PURCHASER OF EQUITY SECURITIES

The Company's Common Stock is not listed for trading. Since its inception, the Company has not paid any dividends on its Common Stock, and the Company does not anticipate that it will pay dividends in the foreseeable future. At March 31, 2003, the Company had approximately 108 shareholders.

The Company issued 10,000 shares of its common stock for the acquisition of Stanford Capital Corporation. When this transaction was recinded, the shares were cancelled. However, pursuant to the terms of the Termination Agreement with the shareholders of Stanford Capital Corporation, the shareholders were to be issued 10,000 post reverse split common shares.

ITEM 6.MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Overview

Since its organization, the Company has not produced any revenue and currently has no material operations.

For the year ended March 31, 2003, the Company incurred general and administrative expenses of 39,597 of which all were legal and accounting fees expended to bring the Company's SEC reports current and for the costs associated with the acquisition of Stanford Capital International Ltd. For the year ended March 31, 2002, the Company's general and administrative expenses totalled \$6,416.

4

Liquidity and Capital Resources

As of March 31, 2003 the Company had no cash, no current assets and no current liabilities. This compares with cash of \$11,816 as of March 31, 2002 and current liabilities of \$357.

Net cash used by operating activities for the year ended March 31, 2003 totalled \$11,816 compared to \$6,059 for the year-ended March 31, 2002. The increase in the cash used in operating activities resulted from an increase in the net loss of \$33,181 and a decrease in accounts payable of \$357 which was partially offset by \$28,138 of expenses paid by the principal shareholder.

There were no investing activities during either the year ended March 31, 2003 or 2002.

The Company had no financing activities for the year ended March 31, 2003.

Edgar Filing: ECOLOGICAL SERVICES INC - Form 10KSB

For the year ended March 31, 2002, the Company received \$17,875 of cash from financing activities, \$17,825 of which was from the issuance of common stock and \$50 from capital contributions.

Because the Company has no cash or current assets, it will be unable to continue as a going concern without the sale of its shares, receiving proceeds from loans or finding a company with which to merge or acquire. On January 31, 2004, the Company acquired all of the issued and outstanding shares of Skreem Entertainment Corporation ("Skreem") for 22,000,000 post reverse split common shares. Skreem however, is also in need of cash to execute its business plan and is currently conducting a private placement of its shares. Unless this private placement is successful or the principal shareholder is willing to continue to contribute funds to the Company, the Company will be unable to continue as a going concern.

INDEPENDENT AUDITOR'S REPORT

The Board of Directors and Stockholders
Stanford Capital Corporation
(formerly Ecological Services, Inc.)

We have audited the accompanying balance sheet of Stanford Capital Corporation (formerly Ecological Services, Inc.), (a development stage company), as of March 31, 2003 and the related statements of loss, stockholders' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. The Company's financial statements as of and for the period June 11, 1992 (date of inception) through March 31, 2002 were audited by other auditors whose reports, dated June 21, 2001, May 26, 1994, and April 18, 2002, expressed unqualified opinions of those statements. The financial statements for the period June 11, 1992 (date of inception) through March 31, 2002, reflect no revenues and a net loss of \$12,851 of the related

Edgar Filing: ECOLOGICAL SERVICES INC - Form 10KSB

totals. Our opinion, insofar as it relates to the amounts included for such prior period, is based solely on the reports of such other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the reports of other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audit and the reports of other auditors, such financial statements present fairly, in all material respects, the financial position of Stanford Capital Corporation (formerly Ecological Services, Inc.) as of March 31, 2003 and the results of its operations and its cash flows for the year then ended and for the period from June 11, 1992 (date of inception) to March 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 to the financial statements, the Company does not have assets or sources of revenue, which raises substantial doubt about its ability to continue as a going concern. Management's plans regarding those matters also are described in Note 3. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

STANFORD CAPITAL CORPORATION
(formerly Ecological Services, Inc.)
(A Development Stage Company)
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION

Stanford Capital Corporation (formerly Ecological Services, Inc.) (the Company) was incorporated under the laws of the State of Delaware on June 11, 1992, for the purpose of seeking out business opportunities, including acquisitions. The Company is in the development stage and will be very dependent on the skills, talents, and abilities of management to successfully implement its business plan. Due to the Company's lack of capital, it is likely that the Company will not be able to compete with larger and more experienced entities for business opportunities, which are lower risk and are more attractive for such entities. Business opportunities in which the Company may participate will likely be highly risky and speculative. Since inception, the Company's activities have been limited to organizational matters. Organizational costs have been fully amortized.

On May 28, 1998, the Company changed its name from Plasmatronic Technologies, Inc. to Ecological Services, Inc. On January 3, 2003, the Company changed its name to Stanford Capital Corporation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Income Taxes - Due to no income or limited operations from inception to March 31, 2003, no provisions for income taxes have been recorded. There are no deferred income taxes resulting from income and expense items being reported for financial accounting and tax reporting purposes in different periods.

Earnings (Loss) per Share - The computation of earnings (loss) per share of common stock is based on the weighted average number of shares outstanding during the periods presented.

Cash and Cash Equivalents - The Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Edgar Filing: ECOLOGICAL SERVICES INC - Form 10KSB

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - GOING CONCERN

The Company's financial statements are prepared using generally accepted accounting principles applicable to a going concern, which contemplates the realization of assets and liquidation of liabilities in the normal course of business. However, the Company does not have significant cash or other material assets, nor does it have an established source of

12

NOTE 3 - GOING CONCERN (Continued)

revenues sufficient to cover its operating costs and to allow it to continue as a going concern. It is the intent of the Company to seek a merger with an existing, operating company.

NOTE 4 - COMMON STOCK AND EQUITY TRANSACTIONS

During May of 2001, the Company sold 17,824,625 shares of its common stock valued at \$.001 par value for cash of \$17,825 to an officer of the Company.

A shareholder of the Company paid on behalf of the Company the Delaware State Franchise tax and filing fee owed at March 31, 2001 in the amount of \$50. This has been treated as contributed capital in these financial statements.

During the year ended March 31, 2003, a shareholder of the Company contributed \$28,138 to pay outstanding invoices of the Company. This has been recorded as additional paid-in capital.

During January 2003, the Board of Directors approved an increase in the number of authorized shares to 50,000,000 and reauthorized the par value at \$0.001 per share. The amendment to the Company's Certificate of Incorporation was filed with the State of Delaware Secretary of State on January 2, 2003, which amendment, reflects the number of shares authorized by the Board of Directors.

NOTE 5 - RELATED PARTY TRANSACTIONS

An officer is providing free office space to the Company; the free rent has been determined to have only nominal value.

The Company has no employees. As of March 31, 2003 and 2002 no compensation has been paid or accrued to any officers or directors of the Corporation due to the fact that any amount owed, if any, is of only nominal value.

NOTE 6 - INCOME TAXES

Due to losses at March 31, 2003 and 2002 and operating losses every year since inception, no provision for income taxes has been provided for in these financial statements. There are no deferred income taxes resulting from income

Edgar Filing: ECOLOGICAL SERVICES INC - Form 10KSB

and expense items being reported for financial accounting and tax reporting purposes in different periods. It is current management's belief that the Company has not filed its Federal Tax Returns since its inception. If this is the case, then the Company has no operating loss carryforwards because losses it has had since inception have not been established for tax purposes by the filing of applicable tax returns. However, if the required tax returns had been filed, the Company would have a net operating loss carryforward of \$52,448.

13

NOTE 7 - SUBSEQUENT EVENTS

On December 31, 2002, the Company entered into an Exchange Agreement with Stanford Capital International Limited, a Hong Kong company, whereby the Company acquired all of the issued and outstanding shares of Stanford Capital International Limited for 10,000 shares of its common stock. During December 2003, the Exchange Agreement was terminated by both parties and all shares tendered to the Company were returned by the Company to the original shareholders of the Company and all assets held were returned to each party. As consideration for the Termination Agreement, the shareholders of Stanford Capital International Limited shall be issued 50,000 pre-reverse split restricted shares of the Company.

During January 2004, as disclosed in a Form 8-K Securities and Exchange Commission filing, the Company entered into an Exchange Agreement with Skreem Entertainment Corporation (Skreem), whereby the Company will acquire 100% of the issued and outstanding shares of Skreem in exchange for the issuance of 22,000,000 post reverse split common shares of the Company. As a result of the acquisition of Skreem, control of the Company changed to the former shareholder of Skreem. In addition, during January 2004, the Board of Directors authorized the Company to sell up to 3,000,000 post reverse split common shares for \$.50 per share.

On March 16, 2004, the Company filed a Certificate of Amendment with the Delaware Secretary of State changing the Company's name to Skreem Entertainment Corporation and reverse splitting the Company's shares on a one (1) for five (5) basis. The financial statements herein reflect the effect of the reverse stock split on a retroactive basis as of March 31, 2003 and 2002 and for the years then ended.

14
