Item 2.02. Results of Operations and Financial Condition

On July 31, 2012, Pioneer Natural Resources Company (the "Company") issued the news release, with financial statements and schedules, a copy of which was attached as Exhibit 99.1 to the Company's Form 8-K furnished on August 1, 2012. Subsequently, the Company determined that the unaudited condensed consolidated balance sheets as of June 30, 2012, and December 31, 2011, furnished with the news release should be revised for the reclassification of deferred income taxes associated with the Company's unrealized current derivative net gains as of June 30, 2012, and December 31, 2011, respectively. These noncash revisions represent noncash adjustments to deferred income taxes attributable to derivative contracts that remained subject to market risk as of the applicable balance sheet date. Accordingly, the deferred income taxes attributable to these derivative contracts are subject to change until they settle in accordance with their terms. Furnished with this report as Exhibit 99.1 are the Company's unaudited condensed consolidated balance sheets as of June 30, 2012, and December 31, 2011, as so revised.
