Item 9. Regulation FD Disclosure.

The following information is furnished pursuant to Item 9 of Form 8-K :

Following is information that may be made publicly available on or after February 14, 2003.

At January 31, 2003, the Fund held 66 tax exempt securities.

At January 31, 2003, the Fund's unlevered duration was 8.9 years. The Fund will lever through the issuance of auction market preferred shares (AMPS). After the Fund has received and invested the proceeds of its AMPS offering, the Fund will attempt to maintain the duration of its assets at approximately 9 years, resulting in an effective duration to Common Shareholders of approximately 14 years.

The following table shows the Fund's credit quality breakdown at January 31, 2003. In addition, after the Fund has received and invested the proceeds of its AMPS offering, the Fund will attempt to increase its allocation to lower rated securities and to maintain the credit quality breakdown specified in its registration statement.
