**Item 1.01 Entry into a Material Definitive Agreement**  
**Merger Agreement**

On January 4, 2015, Uranerz Energy Corporation, a Nevada corporation (the **Company**), entered into an Agreement and Plan of Merger (the **Merger Agreement**) with Energy Fuels Inc., an Ontario corporation (**Energy Fuels**), and EFR Nevada Corp., a Nevada corporation and wholly owned subsidiary of a subsidiary of Energy Fuels (**Merger Sub**). The Merger Agreement provides for a business combination whereby Merger Sub will merge with and into the Company (the **Merger**), and as a result the Company will continue as the surviving operating corporation and as an indirectly wholly owned subsidiary of Energy Fuels.

***Exchange Ratio***

Pursuant to the Merger Agreement, at the effective time of the Merger (the **Effective Time**), each issued and outstanding share of common stock of the Company (**Common Stock**) will be canceled and extinguished and automatically converted into the right to receive 0.255 common shares of Energy Fuels (the **Exchange Ratio**).

At the Effective Time, Energy Fuels will assume all outstanding options to purchase Common Stock (the **Company Options**) and all outstanding warrants to purchase the Common Stock (the **Company Warrants**). The Company Options and Company Warrants will be adjusted in accordance with their terms, such that the number of Energy Fuels shares received upon exercise and the exercise price will reflect the Exchange Ratio.

***Director Approvals and Recommendations***

The Board of Directors of the Company, based upon the unanimous recommendation of a special committee of independent directors of the Company (the **Special Committee**), and the Board of Directors of Energy Fuels have each approved the Merger. In addition, the Boards of Directors of both the Company and Energy Fuels have each resolved to recommend that their respective shareholders vote in favor of the Transaction.

***Shareholder Approvals***

The completion of the Merger will be subject to the approval of at least a majority of the holders of the outstanding common shares of the Company, as well as at least a majority of the votes cast by the Company's shareholders, excluding directors and officers of the Company, at a special meeting to be called to consider the Merger.

Pursuant to the rules of the Toronto Stock Exchange, the Merger is also subject to the approval of at least a majority of the votes cast by Energy Fuels shareholders at a special meeting to be called to consider the Merger.

The Merger Agreement provides that, upon consummation of the Merger, Energy Fuels shall cause three nominees of the Company to be appointed to the board of directors of Energy Fuels.

---

***Conditions to Closing***

In addition to the approval of the shareholders of each of the Company and Energy Fuels, as described above, the completion of the Merger will be subject to the satisfaction of other customary closing conditions, including, among others:

the declaration by the Securities and Exchange Commission ( **SEC** ) of the effectiveness of the Registration Statement on Form F-4 to be filed by Energy Fuels with the SEC in connection with the Merger,

the common shares of Energy Fuels to be issued in connection with the Merger, and to be issued upon exercise of the assumed Company Options and Company Warrants, will have been approved (or conditionally approved, as applicable) for listing on the NYSE MKT and the Toronto Stock Exchange, and

the receipt of all regulatory approvals necessary for the completion of the Merger.

***Representations and Warranties; Covenants***

Each of the Company and Energy Fuels has agreed to customary and generally reciprocal representations, warranties and covenants in the Merger Agreement. Among these covenants, both the Company and Energy Fuels have agreed to conduct their respective businesses in the ordinary course during the period between the execution of the Merger Agreement and the closing of the Merger.

The Merger Agreement contains customary deal support provisions, including a reciprocal break fee of US\$5,000,000 payable if the Merger is not completed under certain circumstances. In addition, the Merger Agreement includes customary and reciprocal non-solicitation covenants, as well as a reciprocal right to match any superior proposal that may arise.

***Termination***

The Merger Agreement contains certain termination rights for both the Company and Energy Fuels, including in the event that the Merger is not consummated by July 31, 2015 or if the requisite stockholder approvals are not received.

The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances, including termination of the Merger Agreement by the Company as a result of the Company entering into an agreement for an alternative transaction, the Company may be required to pay to Energy Fuels a termination fee of US\$5.0 million.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which will be filed as an Exhibit hereto by amendment.

***Voting Agreements***

Concurrent with the execution of the Merger Agreement:

The Company entered into support agreements with directors and certain officers of Energy Fuels, pursuant to which each securityholder agreed, upon the terms and subject to the conditions set forth therein, (a) to vote their Energy Fuels common shares in favour of the Merger, and (b) to not sell or otherwise transfer their shares pending completion of the Merger. The securityholders of Energy Fuels entering into the voting agreements collectively hold approximately 0.4% of the outstanding shares of Energy Fuels.
