**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On June 18, 2015, at a special meeting of shareholders (the **Special Meeting**), the stockholders of common shares of Uranerz Energy Corporation, a Nevada corporation (the **Uranerz**) approved the Plan of Merger (the **Merger**) pursuant to the Agreement and Plan of Merger by and among Uranerz, Energy Fuels Inc., an Ontario corporation (**Energy Fuels**) and EFR Nevada Corp., a Nevada corporation and wholly owned subsidiary of a subsidiary of Energy Fuels (**Merger Sub**) dated as of January 4, 2015, as amended (the **Merger Agreement**) and the transactions contemplated thereby. Uranerz received the affirmative vote for the Merger of (i) the holders of a majority of the outstanding shares of Uranerz entitled to vote at the Special Meeting pursuant to laws of Nevada that Uranerz is subject to and (ii) the holders of the majority of shares of Uranerz common stock cast at the Special Meeting, exclusive of all shares of common stock owned, directly or indirectly by Energy Fuels and Merger Sub and the officers and directors of Uranerz (**Disinterested Shareholders**). Following the Special Meeting and further to the approval of stockholders of Uranerz, pursuant to the terms of the Merger Agreement, Merger Sub has merged with and into Uranerz, with Uranerz continuing as the surviving entity and as an indirect wholly owned subsidiary of Energy Fuels.

At the effective time of the Merger, which was June 18, 2015 (the **Effective Time**), each issued and outstanding share of common stock of Uranerz (**Common Stock**) was canceled and extinguished and automatically converted into the right to receive 0.255 common shares of Energy Fuels (the **Exchange Ratio**). In addition, at the Effective Time, each outstanding stock option to purchase Common Stock has been automatically converted into an option to acquire common shares of Energy Fuels, on the same terms and conditions as were applicable to the stock option prior to the Merger, except that the number of shares subject to the option and the exercise price of the option has been adjusted based on the exchange ratio of 0.255, as to preserve the economic value of such options. Likewise, each outstanding common share purchase warrant of Common Stock is now exercisable into common shares of Energy Fuels, on the same terms and conditions as were applicable to the warrant prior to the Merger, except that the number of shares subject to the warrant and the exercise price of the warrant has been adjusted based on the exchange ratio of 0.255 in order to preserve the economic value of such warrants.

The foregoing description of the Merger does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is included as Exhibit 2.1 to Uranerz Current Report on Form 8-K/A filed on January 12, 2015 and which is incorporated by reference herein.

**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

In connection with the closing of the Merger, Uranerz notified the NYSE MKT on June 18, 2015 that the Merger was consummated, and the trading of the Common Stock on NYSE MKT has been suspended. The NYSE MKT will be filing on behalf of Uranerz with the Securities and Exchange Commission (the **SEC**), an application on Form 25 to delist Uranerz Common Stock from NYSE MKT and deregister Uranerz Common Stock under Section 12(b) of the Securities Exchange Act of 1934 (the **Exchange Act**) on June 22, 2015.

Uranerz intends to file with the SEC a certificate on Form 15 requesting the deregistration of Uranerz Common Stock under Section 12(g) of the Exchange Act and the suspension of Uranerz reporting obligations under Section 15(d) of the Exchange Act on or about July 6, 2015.
