KINARK CORPORATION PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 15, 2002

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Kinark Corporation ("Kinark" or the "Company") for use at the Annual Meeting of Stockholders to be held May 15, 2002, at 11:00 a.m., local time, at the American Stock Exchange in New York City, N.Y., or at any adjournments thereof (the "Annual Meeting"). On April 1, 2002, the record date for determination of stockholders of the Company entitled to vote at the Annual Meeting (the "Record Date"), there were 6,680,825 shares of the Company's common stock outstanding (the "Common Stock"), each share of which entitles the holder thereof to one vote on all matters. The holders of a majority of the Common Stock present in person or represented by proxy will constitute a quorum for transaction of business at the Annual Meeting. Abstentions and broker non-votes are counted to determine the presence or absence of a quorum at the Annual Meeting. No cumulative voting rights are authorized and dissenters' rights are not applicable to the matters being proposed.

This Proxy Statement and the accompanying Proxy are being mailed to the Company's stockholders on or about April 9, 2002.

The Company's principal executive office is located at 2250 East 73rd Street, Suite 300, Tulsa, Oklahoma 74136-6832.

The Company's Amended and Restated Bylaws (the "Bylaws") require the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote thereon to elect the directors nominated for election at the Annual Meeting, as set forth in this Proxy Statement.

Edgar Filing: KINARK CORP - Form DEF 14A

Abstentions will have no effect with respect to the election of directors. Under the rules of the American Stock Exchange, brokers who hold shares of Common Stock in street name for customers have "discretionary" authority to vote on certain items in their discretion, on behalf of their clients, if they do not receive instructions within ten days of the Annual Meeting. The brokers will have discretionary authority to vote on the election of directors.

You may revoke your proxy at any time before it is voted by executing and filing, with the Company or its proxy solicitor, a revocation of your proxy or a subsequently dated proxy or by voting in person at the Annual Meeting. Shares represented by properly executed proxies will be voted at the Annual Meeting as specified, unless such proxies are subsequently revoked as provided above. If no choice is specified on a valid, unrevoked proxy, the shares will be voted for election of the Directors as

recommended by the Board. Proxies will also authorize the shares represented thereby to be voted on any matters not known as of the date of this Proxy Statement that may properly be presented for action at the Annual Meeting.

ANNUAL REPORT

The Company's Annual Report to Stockholders and Form 10-K, covering the fiscal year ended December 31, 2001, including audited financial statements are enclosed with this Proxy Statement, but neither the report nor the financial statements are incorporated in this Proxy Statement or are deemed to be a part of the material for the solicitation of proxies.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board reviews the general compensation policies of the Company and the compensation plans and specific compensation levels for executive officers. All decisions by the Compensation Committee relating to the compensation of the Company's executive officers are reviewed by the full Board.

In accordance with SEC rules designed to enhance disclosure of companies' policies toward executive compensation, the following is a report submitted by the Compensation Committee members addressing the Company's compensation policy as it related to the named executive officers for fiscal 2001.

The Company's objective is to ensure that executive compensation is directly linked to ongoing improvement in corporate performance and increasing shareholder value. The following objectives are guidelines for compensation decisions:

CLASSIFICATION. The company assigns a job grade to each salaried position, and each job grade has a salary range which is based on national salary surveys.

These salary ranges are reviewed annually to determine parity with national compensation trends, and to ensure that the Company maintains a competitive compensation structure.

COMPETITIVE SALARY BASE. Actual salaries are based on individual performance contributions within a competitive salary range for each position established through job evaluation and market comparisons. The salary of each subsidiary key officer and senior managers and corporate officer is reviewed annually by the president and chief executive officer who may recommend an increase for approval by the Compensation Committee. The president and chief executive officer's salary is determined by the Board based on a review and recommendation by the Compensation Committee.

ANNUAL INCENTIVE COMPENSATION. The Company's officers and key subsidiary personnel are eligible to participate in an annual incentive compensation plan with awards based primarily on achievement of profit performance targets. Awards are subject to decrease or increase on the basis of the Company's performance and at the discretion of the Compensation Committee. The Compensation Committee approved incentive awards to the president and key managers of the galvanizing subsidiary for achieving increased operating earnings in 2001 over the prior year. There were no incentive awards to the Company's executive officers for 2001.

STOCK OPTION PROGRAM. The purpose of this program is to provide additional incentives to employees to work to maximize growth of the Company and shareholder value. The stock option program may utilize vesting periods to encourage key employees to continue in the employ of the Company. The number of options granted is determined by the subjective evaluation of the executive's ability to influence the Company's long-term growth and profitability. All options have been granted at the current market price at the time of the grant. The Compensation Committee works to achieve equitable compensation objectives for key employees.

The Compensation Committee believes that its objectives of linking executive compensation to corporate performance results in alignment of

Edgar Filing: KINARK CORP - Form DEF 14A

compensation with corporate goals and shareholder interest. When performance goals are met or exceeded, shareholders' value is increased and executives are rewarded commensurately. The committee believes that compensation levels during 2001 adequately reflect the Company's compensation goals and policies.

The Compensation Committee:

LINWOOD J. BUNDY
GILBERT L. KLEMMANN, II
MARK E. WALKER

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee is presently comprised of Directors Messrs. Bundy, Klemann and Walker, none of whom are employees of Kinark. Mr. Chastain was a member of the Compensation Committee until March 6, 2001.

The Company's 1996 Stock Option Plan and Rule 16b-3 of the Securities Exchange Act of 1934, as amended, require that at least two of the Compensation Committee members be non-employee directors. Mr. Chastain currently serves as Vice President and Chief Financial Officer of the Company, and has served the Company in various executive positions and as a director since 1973. The Board of Directors believes that Mr. Chastain's participation in the deliberations of the committee provided a beneficial continuity and knowledge, and that no conflicts of interest exist. Mr. Chastain did not participate in any option grant decisions during 2001.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Kinark's Audit Committee consists of three directors, all of whom are independent in accordance with and meet the other requirements of the American Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors and is responsible for, among other things, reviewing with our independent auditors the scope and results of their audit engagement. In connection with the fiscal 2001 audit, the Audit Committee has:

- o reviewed and discussed with Deloitte & Touche, LLP, our independent auditors ("Deloitte & Touche"), and with management Kinark's audited financial statements to be included in our annual report on Form 10-K for the year ended December 31, 2001,
- o discussed with Deloitte & Touche the matters required by Statement of Accounting Standards No. 61, and
- o received from and discussed with Deloitte & Touche the written disclosures and letter from Deloitte & Touche required by Independence Standards Board Standard No. 1 as modified or supplemented, regarding their independence.

Based on the review and the discussions described in the preceding bullet points, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the SEC.

The Audit Committee:

The Board of Directors of the Company, upon the recommendation of the Audit Committee has appointed Deloitte & Touche LLP as independent accountants to examine the financial statements of the Company for the year ending December 31, 2002. The Board of Directors has directed that such appointment be submitted for ratification by the stockholders at the meeting.

Deloitte & Touche LLP has served as the independent accountant for the Company since 1990. A representative of Deloitte & Touche LLP is expected to be present at the Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

AUDIT FEES

The aggregate fees billed by Deloitte & Touche LLP for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2001 and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for that same year were \$125,128.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

There were no professional services rendered by Deloitte & Touche in the 2001 fiscal year relating to financial information systems design and implementation.

ALL OTHER FEES

The aggregate fees for all other services rendered by Deloitte & Touche in the 2001 fiscal year was \$101,507 and can be sub-categorized as follows:

Attestation Fees. The aggregate fees for attestation services rendered by Deloitte & Touche for matters such as consents related to SEC and other registration statements, audits of employee benefit plans and consultation on accounting standards or transactions was \$12,323.

Other Fees. The aggregate fees for all other services, such as consultation related to tax planning and compliance rendered by Deloitte & Touche in the 2001 fiscal year was approximately \$89,184.

The Audit Committee of the Company's Board of Directors has considered whether the provision of non-audit services by Deloitte & Touche LLP for the year ended December 31, 2001 is compatible with maintaining the principal auditor's independence.

The affirmative vote of a majority of the shares of common stock present, in person or by proxy, and entitled to vote at the meeting, is required for ratification of the appointment of Deloitte & Touche LLP as the independent accountants.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP.
