CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, which we refer to as the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, regarding, among other things, our plans, strategies and prospects, both business and financial, including, without limitation, the forward-looking statements set forth in the section titled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this prospectus. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions, including, without limitation, the factors described in the sections titled “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this prospectus. Many of the forward-looking statements contained in this prospectus may be identified by the use of forward-looking words such as “believe,” “expect,” “anticipate,” “should,” “planned,” “will,” “may,” “intend,” “estimated,” “aim,” “on track,” “target,” “opportunity,” “tentative,” “positioning” and “potential,” and others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this prospectus are set forth in this prospectus and in other reports or documents that we file from time to time with the Securities and Exchange Commission, which we refer to as the SEC, and include, but are not limited to:

our ability to sustain and grow revenues and free cash flow by offering video, high-speed Internet, telephone and other services to residential and commercial customers, and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition, the need for innovation and related capital expenditures and the difficult economic conditions in the United States;

the impact of competition from other distributors, including but not limited to incumbent telephone companies, direct broadcast satellite operators, wireless broadband providers, and digital subscriber line (“DSL”) providers and competition from video provided over the Internet;

general business conditions, economic uncertainty or downturn, high employment levels and the significant downturn in the housing sector and overall economy;

our ability to obtain programming at reasonable prices or to raise prices to offset, in whole or in part, the effects of higher programming costs (including retransmission consents);

our ability to adequately deliver customer service;

the effects of governmental regulation on our business;

the availability and access, in general, of funds to meet our debt obligations, prior to or when they become due, and to fund our operations and necessary capital expenditures, either through (i) cash on hand, (ii) free cash flow, (iii) access to the capital or credit markets including through new issuances, exchange offers or otherwise, especially given recent volatility and disruption in the capital and credit markets, or (iv) other sources and our ability to fund debt obligations (by dividend, investment or otherwise) to the applicable obligor of such debt; and

our ability to comply with all covenants in our indentures and credit facilities, any violation of which, if not cured in a timely manner, could trigger a default of our other obligations under cross-default provisions.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this prospectus.

PROSPECTUS SUMMARY

The following summary highlights information contained elsewhere in this prospectus. It does not contain all the information that may be important to you in making an investment decision. You should read this entire prospectus carefully, including the documents incorporated by reference, which are described under “Incorporation by Reference of Certain Documents” and “Where You Can Find Additional Information.” You should also carefully consider, among other things, the matters discussed in the section titled “Risk Factors.”

In this prospectus, unless the context requires otherwise, references to “the Company,” “the Issuer,” “we,” “our,” or “us” refer to Charter Communications, Inc. and its consolidated subsidiaries. “Charter” refers to Charter Communications, Inc., the issuer of the Class A Common Stock offered hereby, alone. Unless otherwise stated, all business data included in this summary is as of September 30, 2010.

Our Business

We are among the largest providers of cable services in the United States, offering a variety of entertainment, information and communications solutions to residential and commercial customers. Our infrastructure consists of a hybrid of fiber and coaxial cable plant passing approximately 12.0 million homes, with 96% of homes passed at 550 MHz or greater and 96% of plant miles two-way active. A national Internet Protocol (IP) infrastructure interconnects all Charter markets.

For the nine months ended September 30, 2010, we generated approximately \$5.3 billion in revenue, of which approximately 53% was generated from our residential video service. For the year ended December 31, 2009, we generated approximately \$6.8 billion in revenue, of which approximately 55% was generated from our residential video service. We also generate revenue from high-speed Internet, telephone service and advertising with residential and commercial high-speed Internet and telephone service contributing the majority of the recent growth in our revenue.

As of September 30, 2010, we served approximately 5.2 million customers. We sell our video, high-speed Internet and telephone services primarily on a subscription basis, often in a bundle of two or more services, providing savings and convenience to our customers. Bundled services are available to approximately 96% of our homes passed, and approximately 60% of our customers subscribe to a bundle of services.

We served approximately 4.7 million video customers as of September 30, 2010, of which approximately 73% subscribed to digital video service. Digital video enables our customers to access advanced services such as high definition television, OnDemand video programming, an interactive program guide and digital video recorder, or DVR service.

We also served approximately 3.2 million high-speed Internet customers as of September 30, 2010. Our high-speed Internet service is available in a variety of download speeds up to 60 Mbps. We also offer home networking service, or Wi-Fi, enabling our customers to connect up to five computers wirelessly in the home.

We provided telephone service to approximately 1.7 million customers as of September 30, 2010. Our telephone services typically include unlimited local and long distance calling to the U.S., Canada and Puerto Rico, plus more than 10 features, including voicemail, call waiting and caller ID.

Through Charter Business®, we provide scalable, tailored broadband communications solutions to business organizations, such as business-to-business Internet access, data networking, fiber connectivity to cellular towers, video and music entertainment services and business telephone. As of September 30, 2010, we served approximately 255,200 business revenue generating units, including small- and medium-sized commercial customers. Our advertising sales division, Charter Media®, provides local, regional and national businesses with the opportunity to advertise in individual markets on cable television networks.

We have a history of net losses. Our net losses are principally attributable to insufficient revenue to cover the combination of operating expenses, interest expenses that we incur because of our debt, and depreciation expenses

resulting from the capital investments we have made, and continue to make, in our cable properties, and in 2010, amortization expenses resulting from the application of fresh start accounting.

On March 27, 2009, we filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), to reorganize under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”). The Chapter 11 cases were jointly administered under the caption *In re Charter Communications, Inc., et al.*, Case No. 09-11435. On May 7, 2009, we filed a Joint Plan of Reorganization (the “Plan”), and a related disclosure statement (the “Disclosure Statement”), with the Bankruptcy Court. The Plan was confirmed by the Bankruptcy Court on November 17, 2009 (the “Confirmation Order”), and became effective on November 30, 2009 (the “Effective Date”), the date on which we emerged from protection under Chapter 11 of the Bankruptcy Code.

Pursuant to Charter's Plan, funds advised by Franklin Advisers, Inc. had the ability to elect one member to Charter's post-Effective Date board and elected Robert Cohn who has been serving on the board since the Effective Date. These securities are beneficially owned by one or more open- or closed-end investment companies or other managed accounts that are clients of investment managers that are direct and indirect subsidiaries of Franklin Resources, Inc. Investment management contracts grant to those subsidiaries all investment and/or voting power over such securities, except as otherwise disclosed below. Therefore, such subsidiaries may be deemed to be the beneficial owners of such securities. Beneficial ownership by such subsidiaries and other affiliates of Franklin Resources, Inc. is reported in conformity with the guidelines articulated by the SEC staff in Release No. 34-39538 (January 12, 1998) relating to organizations, such as Franklin Resources, Inc. where related entities exercise voting and investment powers over securities independently from each other. The voting and investment powers held by Franklin Mutual Advisers, LLC, an indirect wholly owned investment management subsidiary of Franklin Resources, Inc., are exercised independently from Franklin Resources, Inc. and from all of its other investment management subsidiaries. Furthermore, internal policies and procedures of Franklin Mutual Advisers, LLC and Franklin Resources, Inc. establish informational barriers that prevent the flow between Franklin Mutual Advisers, LLC and the other affiliates of Franklin Resources, Inc. of information that relates to the voting and investment powers over the securities owned by their respective investment management clients. Consequently, Franklin Mutual Advisers, LLC and the other affiliates of Franklin Resources, Inc. report the securities over which they hold investment and voting power separately from each other for purposes of Section 13 of the Exchange Act. Charles B. and Rupert H. Johnson each owns more than 10% of the outstanding common stock of Franklin Resources, Inc. and are its principal stockholders. They and Franklin Resources, Inc. may be deemed to be the beneficial owners of securities held by persons and entities for whom or for which subsidiaries of Franklin Resources, Inc. provide investment management services. Franklin Resources, Inc., the Johnsons and such subsidiaries disclaim any pecuniary interest in, and any beneficial ownership as defined in Rule 13d-3 of the Exchange Act of, any of these securities. Franklin Resources, Inc., the Johnsons and each subsidiary of Franklin Resources, Inc. believe that they are not a “group” within the meaning of Rule 13d-5 under

the Exchange Act and that they are not otherwise required to attribute to each other the beneficial ownership of the Securities held by any of them or by any persons or entities for whom or for which such subsidiaries provide investment management services. See footnote 5 to the beneficial ownership table reported under "Security Ownership of Certain Beneficial Owners and Management" for information regarding equity ownership and contact information for funds advised by Franklin Advisers, Inc. Pursuant to Charter's Plan, funds advised by Franklin Advisers, Inc. had the ability to

elect one member to Charter's post-Effective Date board and elected Robert Cohn, who has been serving on the board since the Effective Date. Notwithstanding the election of Mr. Cohn to the board, Mr. Cohn does not represent or otherwise have any duty to advance the interests of Franklin Advisers, Inc. or any of its direct or indirect affiliates, and Franklin Advisers, Inc. does not believe that it is an affiliate of Charter as a result of Mr. Cohn serving as a director of Charter.

DESCRIPTION OF CAPITAL STOCK

The following summary of the terms of our capital stock is not meant to be complete and is qualified in its entirety by reference to our amended and restated certificate of incorporation, our amended and restated bylaws and the provisions of applicable law. Copies of our amended and restated certificate of incorporation and our amended and restated bylaws are filed as exhibits to the Current Reports on Form 8-K filed with the SEC on August 20, 2010 and December 4, 2009, respectively, and incorporated herein by reference.

Authorized Capital Stock upon Emergence

Charter has the authority to issue a total of 1,175,000,000 shares of capital stock, consisting of:

- 900,000,000 shares of Class A Common Stock;
- 25,000,000 shares of Class B Common Stock; and
- 250,000,000 shares of preferred stock.

Common Stock

Common Stock Outstanding

The rights, preferences and privileges of holders of Class A Common Stock and Class B Common Stock (collectively with the Class A Common Stock, the “Common Stock”) are subject to, and may be adversely affected by, the rights of the holders of our preferred stock which we may designate and issue in the future.

To the greatest extent permitted by applicable Delaware law, the shares of Class A Common Stock are uncertificated, and transfer will be reflected by book-entry, unless a physical certificate is requested by a holder.

The Class B Common Stock is identical to the Class A Common Stock except with respect to certain voting, transfer and conversion rights. Each share of Class B Common Stock is convertible into one share of Class A Common Stock at the option of the holder or, at any time on or after January 1, 2011 and until September 15, 2014, at the option of a majority of the disinterested members of the board of directors, and at any time after September 15, 2014 at the election of a majority of the members of the board of directors (other than members of the board of directors elected by holders of Class B Common Stock). Class B Common Stock is subject to significant transfer restrictions. Class A Common Stock, however, issued upon conversion of Class B Common Stock, is not subject to the same restrictions. Shares of Class B Common Stock must at all times be held only by (i) Mr. Paul G. Allen, (ii) his estate, spouse, immediate family members and heirs, and (iii) any trust, corporation, partnership or other entity, the beneficiaries, stockholders, partners or other owners of which consist exclusively of Mr. Allen or such other persons referred to in clause (ii) above or a combination of the above, which we refer to collectively as Authorized Class B Holders, and upon any transfer to a person or entity other than an Authorized Class B Holder, each share of Class B Common Stock will be automatically converted into one share of Class A Common Stock. Shares of the Class B Common Stock are only to be issued to Mr. Allen or certain of his affiliates.

Voting Rights

Holders of shares of our capital stock are entitled to vote on all matters submitted to a vote of our stockholders, including the election of directors, as follows:

- shares of Class A Common Stock are entitled to one vote per share; and
- shares of Class B Common Stock are entitled to a number of votes per share, which at all times when shares of Class B Common Stock are outstanding represent 35% of the combined voting power of the Company's capital stock, on a fully diluted basis.

Mr. Allen and entities affiliated with Mr. Allen hold in excess of 35% of the combined voting power of the capital stock of Charter and have the right to elect four of 11 members of the board of directors. There may be additional holders of significant voting power in Charter, though pursuant to the Amended and Restated Certificate of Incorporation, prior to September 15, 2014, the votes attributable to each share of Class A Common Stock held by any holder (other than Mr. Allen and certain of his affiliates) will be automatically reduced pro rata among all shares of Class A Common Stock held by such holder and (if applicable) shares of Class A Common Stock held by any other holder (other than Mr. Allen and certain of his affiliates) included in any “person” or “group” with such holder so that no “person” or “group” (other than Mr. Allen and certain of his affiliates) is or becomes the holder or beneficial owner (as such term is used in Rule 13d-3 and Rule 13d-5 under the Exchange Act, except that in calculating the beneficial ownership of any particular “person” (as such term is used in Section 13(d) of the Exchange Act) such “person” shall be deemed to have beneficial ownership of all securities that such “person” has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition), directly or indirectly, of more than 34.9% of the combined voting power of the capital stock of Charter, subject to waiver by the disinterested members of the board of directors as provided in the Amended and Restated Certificate of Incorporation. We refer to this voting power limitation as the Voting Threshold. Holders of Class B Common Stock (other than Mr. Allen and certain of his affiliates) are also subject to a reduction of their voting power to comply with the Voting Threshold.

The holders of Common Stock and their respective affiliates will not have cumulative voting rights.

Pursuant to our amended and restated bylaws, the number of members of the board of directors shall be fixed at 11 members. Except for the initial board of directors, which was appointed pursuant to the terms of the Plan, for as long as shares of Class B Common Stock are outstanding, holders of Class B Common Stock have the right to elect 35% of the members of the board of directors (rounded up to the next whole number), and all other members of the board of directors will be elected by majority vote of the holders of Class A Common Stock (and any series of preferred stock then entitled to vote at an election of the directors). In addition, members of the board of directors elected by holders of Class B Common Stock have no less than proportionate representation on each committee of the board of directors, subject to applicable SEC and stock exchange rules and except for any committee formed solely for the purpose of reviewing, recommending and/or authorizing any transaction in which holders of Class B Common Stock or their affiliates (other than Charter or its subsidiaries) are interested parties.

Under our Amended and Restated Certificate of Incorporation, (i) any director may be removed for cause by the affirmative vote of a majority of the voting power of the outstanding Class A Common Stock and Class B Common Stock (and any series of preferred stock then entitled to vote at an election of directors), voting together as a single class, (ii) any director elected by the holders of Class B Common Stock voting separately as a class may be removed from office, without cause, solely by the vote of a majority of the voting power of the outstanding Class B Common Stock, voting as a separate class, and (iii) any director elected by the vote of the holders of Class A Common Stock voting separately as a class (including holders of voting preferred stock, as applicable) may be removed from office, without cause, solely by the vote of a majority of the voting power of the outstanding Class A Common Stock, voting separately as a class (including any holders of voting preferred stock entitled to vote thereon).

Dividend Rights

Subject to limitations under Delaware law, preferences that may apply to any outstanding shares of preferred stock, and contractual restrictions, holders of each class of Common Stock are entitled to receive ratably dividends or other distributions when and if declared by the board of directors. In addition to such restrictions, whether any future dividends are paid to Charter’s stockholders will depend on decisions that will be made by the board of directors and will depend on then existing conditions, including Charter’s financial condition, contractual restrictions, corporate law restrictions, capital requirements and business prospects. The ability of the board of directors to declare dividends also will be subject to the rights of any holders of outstanding shares of Charter’s preferred stock, if any, and the

availability of sufficient funds under the Delaware General Corporation Law ("DGCL") to pay dividends.

Warrants to Purchase Class A Common Stock

Pursuant to the Plan, Charter issued warrants to purchase Class A Common Stock to (i) holders of notes issued by CCH I Holdings, LLC (“CIH”) (the “CIH Warrants”), (ii) holders of notes issued by Charter Communications Holdings, LLC (“Charter Holdings” or “CCH”) (the “CCH Warrants”) and (iii) Charter Investment, Inc. (“CII”), an entity that was previously 100% owned by Mr. Allen² (the “CII Warrants”). The CIH Warrants, CCH Warrants and CII Warrants have an exercise price of \$46.86, \$51.28 and \$19.80, respectively. Each of the CIH Warrants and CCH Warrants expire five years after the date of issuance. The CII Warrants expire seven years after the date of issuance. The warrants provide for a cashless exercise by the warrant holder. The warrant exercise price and the number of shares issuable upon exercise of the warrants are subject to adjustment upon certain events including: stock subdivisions, combinations, splits, stock dividends, capital reorganizations, or capital reclassifications of Class A Common Stock and in connection with certain distributions of cash, assets or securities. In addition, holders of certain of the warrants have the right to participate, along with other holders of Common Stock, in future below-market offerings of rights to purchase securities (including, but not limited to, Common Stock) on an as-exercised basis. The warrants are not redeemable.

Liquidation Rights

In the event of any liquidation, dissolution or winding up of Charter, the holders of Class A Common Stock and Class B Common Stock will be entitled to share *pari passu* in the net assets of Charter available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding class of our preferred stock.

Preemptive Rights

Pursuant to our amended and restated certificate of incorporation, the holders of Class A Common Stock and Class B Common Stock have no preemptive rights.

Anti-Takeover Provisions

Our amended and restated certificate of incorporation provides that the board of directors may impose restrictions on the trading of Charter’s stock if (i) Charter has experienced an “owner shift” as determined for purposes of Section 382 of the Internal Revenue Code of 1986, as amended, of at least 25 percentage points and (ii) the equity value of Charter has fallen below \$3.2 billion. These restrictions, which are intended to preserve Charter’s ability to use its net operating losses, which we refer to as NOLs, may prohibit any person from acquiring stock of Charter if such person is a “5% shareholder” or would become a “5% shareholder” as a result of such acquisition. The restrictions will not operate to prevent any stockholder from disposing of shares and are subject to certain other exceptions relating to shares of Common Stock issued or issuable under the Plan. The board of directors’ ability to impose these restrictions will terminate on November 30, 2014.

In addition, our amended and restated certificate of incorporation, in addition to any affirmative vote required by law or our amended and restated bylaws, a “business combination” (as defined in our amended and restated certificate of incorporation) involving as a party, or proposed by or on behalf of, an “interested stockholder,” an “affiliate,” or an “associate” of the “interested stockholder” (each as defined in our amended and restated certificate of incorporation) or a person who upon consummation of the “business combination” would become an “affiliate” or “associate” of an “interested stockholder” requires, unless prohibited by law, that (i) a majority of the members of the board of directors who are not an “affiliate” or “associate” or representative of an “interested stockholder” must determine that the “business combination,” including the consideration, is fair to the Company and its stockholders (other than any “interested stockholder” or its “affiliates and associates); and (ii) holders of a majority of the votes entitled to be

cast by holders of all of the then outstanding shares of “voting stock” (as defined in our amended and restated certificate of incorporation), voting together as a single class (excluding voting stock beneficially owned by any “interested stockholder” or its “affiliate” or “associate”) must approve the transaction.

Section 203 of the DGCL provides that if a person acquires 15% or more of the voting stock of a Delaware corporation, such person becomes an “interested stockholder” and may not engage in certain “business combinations” with the corporation for a period of three years from the time such person acquired 15% or more of the corporation’s voting stock, unless: (1) the board of directors approves the acquisition of stock or the merger transaction before the time that the person becomes an interested stockholder, (2) the interested stockholder owns at least 85% of the outstanding voting stock of the corporation at the time the merger transaction commences (excluding voting stock owned by directors who are also officers and certain employee stock plans), or (3) the merger transaction is approved by the board of directors and by the affirmative vote at a meeting, not by written consent, of stockholders of 2/3 of the holders of the outstanding voting stock which is not owned by the interested stockholder. A Delaware corporation may elect in its certificate of incorporation or bylaws not to be governed by this particular Delaware law, or “opt-out.” We have not elected to “opt-out.”

Preferred Stock

Under the terms of our amended and restated certificate of incorporation, the board of directors is authorized to issue from time to time up to an aggregate of 250 million shares of series of preferred stock and to fix or alter the designations, preferences, rights and any qualifications, limitations or restrictions of the shares of each series, including the dividend rights, dividend rates, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), redemption price or prices, liquidation preferences and the number of shares constituting any series. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions. If the board of directors decides to issue shares of preferred stock to persons supportive of current management, this could render more difficult or discourage an attempt to obtain control of the company by means of a merger, tender offer, proxy contest or otherwise. Authorized but unissued shares of preferred stock also could be used to dilute the stock ownership of persons seeking to obtain control of Charter.

Transfer Agent and Registrar

Mellon Investor Services, LLC is the transfer agent and registrar for our Class A Common Stock.

Listing of Our Common Stock

Our Class A Common Stock is listed on NASDAQ under the trading symbol “CHTR.”

SHARES ELIGIBLE FOR FUTURE SALE

Future sales of substantial amounts of our Class A Common Stock in the public market, or the perception that such sales may occur, could adversely affect the prevailing market price of our Class A Common Stock. No prediction can be made as to the effect, if any, future sales of shares, or the availability of shares for future sales, will have on the market price of our Class A Common Stock prevailing from time to time.

Sale of Restricted Shares

As of October 31, 2010, we had 112,457,576 shares of Class A Common Stock outstanding. Except as set forth below, all shares of our Class A Common Stock outstanding after this offering will be freely tradeable without restriction or further registration under the Securities Act unless held by one of our “affiliates,” as that term is defined in Rule 144 under the Securities Act. Unless otherwise registered under the Securities Act, sales of shares of our Class A Common Stock by affiliates will be subject to the volume limitations and other restrictions set forth in Rule 144.

Class A Common Stock and Warrants Issued in Reliance on Section 1145 of the Bankruptcy Code

We relied on section 1145(a)(1) and (2) of the Bankruptcy Code to exempt from the registration requirements of the Securities Act the offer and sale of a portion of our Class A Common Stock, as well as the CIH Warrants and CCH Warrants to purchase Class A Common Stock. Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under the Plan from registration under Section 5 of the Securities Act and state laws if certain requirements are satisfied. Section 1145(a)(2) of the Bankruptcy Code exempts the offer and sale of securities issued under 1145(a)(1) of the Bankruptcy Code, such as the CIH Warrants and CCH Warrants, from registration under Section 5 of the Securities Act and state laws if certain requirements are satisfied. These shares may be resold without registration unless the recipient is an “underwriter” with respect to those securities. Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as any person who:

- purchases a claim against, an interest in, or a claim for an administrative expense against the debtor, if that purchase is with a view to distributing any security received in exchange for such a claim or interest;
- offers to sell securities offered under the Plan for the holders of those securities;
- offers to buy those securities from the holders of the securities, if the offer to buy is (i) with a view to distributing those securities; and (ii) (a) under an agreement made in connection with the Plan, the completion of the Plan, or with the offer or sale of securities under the Plan; or (b) is an “affiliate” of the issuer.

To the extent that persons who receive Class A Common Stock are deemed to be “underwriters,” resales by those persons would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Those persons would, however, be permitted to sell our Class A Common Stock or other securities without registration if they are able to comply with the provisions of Rule 144 under the Securities Act, as described further below.

Class A Common Stock Issued in the Rights Offering and Class B Common Stock and CII Warrants issued to Mr. Allen

Certain holders of notes of certain of our subsidiaries (the “Eligible Holders”) agreed to purchase shares of our Class A Common Stock in a rights offering pursuant to the Plan and certain commitment agreements. In addition, we issued shares of Class B Common Stock and CII Warrants to CII (an entity then controlled by Mr. Allen) pursuant to the Plan. The Class A Common Stock issued to the Eligible Holders pursuant to the rights offering, and the Class B

Common Stock and CII Warrants issued to CII pursuant to the Plan, are exempt from the registration requirements of Section 5 of the Securities Act pursuant to Section 4(2) thereof, are deemed “restricted securities” within the meaning of Rule 144 of the Securities Act and may not be sold unless registered under the Securities Act or in

compliance with an applicable exemption therefrom. As a result, the Class A Common Stock issued to the Eligible Holders, and Class B Common Stock and CII Warrants, are not freely tradeable.

Pursuant to the Plan and a registration rights agreement that we entered into with the members of the Crossover Committee (as defined in the Plan), CII and Mr. Allen, we are required to use our commercially reasonable efforts to cause a shelf registration statement covering the resale of the Class A Common Stock issued to the members of the Crossover Committee, and any Class A Common Stock issued to or issuable to Mr. Allen (or his designees) upon (i) exchange of his Class B Common Stock and his membership units in Charter Holdco, our subsidiary, or (ii) exercise of his CII Warrants, to be declared effective by the SEC no later than June 30, 2010, permitting such Class A Common Stock to be freely tradable, subject to the volume limitations and other restrictions set forth in Rule 144 applicable to Class A Common Stock held by affiliates of the Company. Pursuant to such requirement, we have filed a registration statement on Form S-3 of which this prospectus is a part. Eligible Holders that purchased less than 1% of the Class A Common Stock in the rights offering are not entitled to registration rights.

Stock Options and Other Stock Awards

The Plan contemplates the adoption of a new management incentive plan under which shares of our Class A Common Stock, or options or other awards to purchase shares of Class A Common Stock, can be issued to the Company's directors, management and other employees. Under our Amended and Restated 2009 Stock Incentive Plan, 7,696,786 shares of Class A Common Stock have been reserved for issuance, and Charter has outstanding as of October 31, 2010, 1,571,986 restricted shares of Class A Common Stock and options to purchase 1,333,155 shares of Class A Common Stock to certain of its employees and non-employee directors. Under Charter's 2009 Stock Incentive Plan, options generally vest over four years from the grant date, with 25% generally vesting on the first anniversary of the grant date and ratably thereafter. Restricted stock generally vests over a one to three-year period beginning from the date of grant.

We have filed a registration statement on Form S-8 covering all of the shares of Class A Common Stock reserved for issuance under our Amended and Restated 2009 Stock Incentive Plan, and such shares will be freely tradeable in the public market as soon as issued subject to certain limitations applicable to affiliates and any restrictions applicable to the vesting of awards.

PLAN OF DISTRIBUTION

The Class A Common Stock offered by this prospectus may be sold or distributed from time to time by the selling stockholders directly to one or more purchasers or through brokers, dealers, or underwriters who may receive compensation in the form of discounts, concessions or commissions from the selling stockholders or the purchaser of the Class A Common Stock, which discounts, concessions or commissions as to particular underwriters, brokers or agents may be in excess of those customary in the type of transactions involved.

The selling stockholders and any such broker-dealers or agents who participate in the distribution of the Class A Common Stock may be deemed to be “underwriters.” As a result, any profits on the sale of the Class A Common Stock by selling stockholders and any discounts, commissions or concessions received by any such broker-dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act. If the selling stockholders were deemed to be underwriters, the selling stockholders may be subject to certain statutory liabilities as underwriters under the Securities Act.

If Class A Common Stock is sold through underwriters or broker-dealers, the selling stockholders will be responsible for underwriting discounts or commissions or agent’s commissions.

The sale of Class A Common Stock offered by this prospectus may be effected in one or more transactions at:

- fixed prices;
- prevailing market prices at the time of sale;
- prices related to prevailing market prices;
- varying prices determined at the time of sale; or
- negotiated prices.

The sale of the Class A Common Stock offered by this prospectus may be effected in one or more of the following methods:

- on any national securities exchange or quotation service on which the Class A Common Stock may be listed or quoted at the time of the sale, including the OTC Bulletin Board;
 - transactions involving cross or block trades;
 - in the over-the counter market;
 - through the distribution by any selling stockholder to its partners, members or shareholders;
- in other ways not involving market makers or established trading markets, including direct sales to purchasers or sales effected through agents;
 - in privately negotiated transactions; or
 - any combination of the foregoing.

In connection with the sales of Class A Common Stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers. These broker-dealers may in turn engage in short sales of Class A Common Stock in the course of hedging their positions. The selling stockholders may also sell the Class A Common Stock short and deliver the Class A Common Stock to close out short positions, or loan or pledge the Class A Common Stock to broker-dealers that in turn may sell the Class A Common Stock.

In order to comply with the securities laws of certain states, if applicable, the shares may be sold only through registered or licensed brokers or dealers. In addition, in certain states, the shares may not be sold unless they have been registered or qualified for sale in the state or an exemption from the registration or qualification requirement is available and complied with.

We know of no existing arrangements between any selling stockholder, any other stockholder, broker, dealer, underwriter, or agent relating to the sale or distribution of the shares of Class A Common Stock offered by this prospectus. To our knowledge, there are currently no plans, arrangements or understandings between any selling stockholders and any underwriter, broker-dealer or agent regarding the sale of Class A Common Stock by the selling stockholders. In addition, we cannot assure you that any such selling stockholders will not transfer, devise or gift the Class A Common Stock by other means not described in this prospectus. There can be no assurance that any selling stockholder will sell any or all of the Class A Common Stock pursuant to this prospectus. In addition, any Class A Common Stock covered by this prospectus that qualifies for sale pursuant to Rule 144 of the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

We will pay all of the expenses incident to the registration, offering, and sale of the shares of Class A Common Stock to the public, other than commissions or discounts of underwriters, broker-dealers, or agents. Under the Plan we are also obligated to provide customary indemnification to selling stockholders.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers, and controlling persons, we have been advised that in the opinion of the SEC this indemnification is against public policy as expressed in the Securities Act and is therefore, unenforceable.

We have advised each of the selling stockholders that while it is engaged in a distribution of the shares included in this prospectus it is required to comply with Regulation M promulgated under the Exchange Act. With certain exceptions, Regulation M precludes the selling stockholder, any affiliated purchasers, and any broker-dealer or other person who participates in the distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of the foregoing may affect the marketability of the shares offered hereby this prospectus.

This offering will terminate on the date that all shares offered by this prospectus have been sold by the selling stockholders.

	Amount
SEC registration fee	\$ 209,538 3

Legal fees and expenses	150,000
Printing fees and expenses	50,000
Total	\$ 459,538

Item 15. Indemnification of Directors and Officers.

Our Amended and Restated Certificate of Incorporation allows us to indemnify our officers and directors to the fullest extent permitted by the DGCL or other applicable law. In addition, our Amended and Restated Bylaws provide that we must indemnify our directors and officers to the fullest extent permitted by the DGCL. Our Amended and Restated Certificate of Incorporation includes a provision that eliminates the personal liability of directors to Charter or its stockholders for monetary damages for any breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or hereafter may be amended.

We have and intend to maintain director and officer liability insurance, if available on reasonable terms. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us under the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

We are organized under the laws of the State of Delaware. Section 145 of the DGCL, provides that a corporation may indemnify any person, including an officer or director, who was or is, or is threatened to be made, a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of such corporation, and, with respect to any criminal actions and proceedings, had no reasonable cause to believe that his conduct was unlawful. A Delaware corporation may indemnify any person, including an officer or director, who was or is, or is threatened to be made, a party to any threatened, pending or contemplated action or suit by or in the right of such corporation, under the same conditions, except that such indemnification is limited to expenses (including attorneys' fees) actually and reasonably incurred by such person, and except that no indemnification is permitted without judicial approval if such person is adjudged to be liable to such corporation. Where an officer or director of a corporation is successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to above, or any claim, issue or matter therein, the corporation must indemnify that person against the expenses (including

attorneys' fees) which such officer or director actually and reasonably incurred in connection therewith.

We have entered into indemnification agreements that require us to indemnify each of our directors and officers to the fullest extent permitted by law for any claims made against each of these persons because he or she is, was or may be deemed to be a stockholder, director, officer, employee, controlling person, agent or fiduciary of Charter or any of our subsidiaries. We are obligated to pay the expenses of these persons in connection with any claims that are subject to the agreement.

3 In connection with the Registration Statement on Form S-1 on December 31, 2009 as subsequently amended by Registration Statement on Form S-1/A filed on April 22, 2010 (Registration Statement No. 333-164105), we paid a SEC registration fee of \$217,668 for the securities covered hereunder. Pursuant to Rule 457(p), we will offset the SEC registration fee currently due of \$209,538 against that previously paid fee for no amount currently due and owing in connection with this offering.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 16. Exhibits and Financial Statement Schedules.

Reference is made to the Exhibit Index filed as part of this Registration Statement.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by any Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the Registrant is relying on Rule 430B:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

II-2

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in the registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each undersigned Registrant undertakes that in a primary offering of securities of such undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of any undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by, or on behalf of, the any undersigned Registrant or used or referred to by any undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of any undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned Registrant to the purchaser.

(b) Each undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference into the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time

shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions set forth in response to Item 15, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for

II-3

indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) Each undersigned Registrant hereby further undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this Registration Statement as of the time it was declared effective; and

(2) For purposes of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
