SECTION 2 FINANCIAL INFORMATION

ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

In a press release dated October 9, 2006, The Cheesecake Factory Incorporated reported preliminary, unaudited revenues for the third quarter of fiscal 2006, which ended on October 3, 2006.

Total revenues increased approximately 11% to \$325.0 million from \$292.8 million in the third quarter of fiscal 2005. Comparable restaurant sales decreased 1.6% in the third quarter of fiscal 2006 driven by the macro trends impacting much of the restaurant industry, as previously discussed by the Company. By concept, comparable restaurant sales decreased 2.1% at The Cheesecake Factory and increased 6.7% at Grand Lux Cafe in the third quarter of fiscal 2006. Comparable restaurant sales at both concepts were negatively impacted by approximately 1% in the third quarter of fiscal 2006 due to a shift in the current year's fiscal calendar, as the quarter began after the Fourth of July holiday and ended in the first week of October. The Company had an approximate 1% effective menu price increase at The Cheesecake Factory restaurants during the quarter.

The Company has opened eight restaurants year-to-date, including the openings of three Cheesecake Factory restaurants and one Grand Lux Cafe in the third quarter of fiscal 2006. The Company reiterated its new restaurant opening target for fiscal 2006 of as many as 21 new restaurants, including one Grand Lux Cafe. The majority of new restaurant openings scheduled for the fourth quarter of fiscal 2006 are slated to open throughout November and during the first two weeks of December 2006.

The Company incurred expenses of approximately \$1.0 million to \$1.2 million in the third quarter of fiscal 2006 associated with the voluntary stock option review. Additional expenses related to the stock option review, the associated informal SEC inquiry and shareholder lawsuits will likely be incurred, but cannot be estimated at this time.

The full text of the press release is attached as Exhibit 99.1 to this report and is hereby incorporated by reference herein.

SECTION 8 OTHER EVENTS

ITEM 8.01 OTHER EVENTS

Edgar Filing: CHEESECAKE FACTORY INCORPORATED - Form 8-K

The Company also announced that two purported shareholder derivative complaints alleging claims related to the Company's option granting practices have been filed in the United States District Court for the Central District of California against The Cheesecake Factory Incorporated and certain of its current and former officers and directors. These two complaints were filed by at least one of the same plaintiffs that had previously filed shareholder derivative complaints in Los Angeles County Superior Court and raise essentially the same claims as the previously disclosed lawsuits. These actions are in the preliminary stages, and the Company cannot provide assurance that their ultimate outcome will not have a material, adverse affect on the Company's business, financial condition or results of operations.
