Section 1-Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On December 14, 2006, Signature Industries Limited (Signature), the United Kingdom-based subsidiary of Digital Angel Corporation (Company), entered into an Asset Sale and Purchase Agreement (Agreement) with McMurdo Limited (McMurdo), a United Kingdom-based subsidiary of Chemring Group Plc. (Chemring). Pursuant to the Agreement, Signature will acquire certain assets of McMurdo's marine electronics business, including fixed assets, inventory, customer lists, customer and supplier contracts and relations, trade and business names, associated assets and goodwill. The assets exclude certain accrued liabilities and obligations and real property, including the plant facility which Signature will have a license to occupy for a period of 9 months after completion of the sale. Under the terms of the Agreement, Signature will retain McMurdo's employees related to the marine electronics business after closing the sale.

The purchase price for the assets is approximately £3,117,000 (approximately \$6,114,000 USD), subject to certain adjustments, plus up to an additional £1,500,000 (approximately \$2,942,000 USD) based on sales of certain products between November 1, 2006 and October 31, 2007 (Deferred Payment). The Deferred Payment is determined on a threshold basis with a minimum threshold, based on the invoiced value of sales during such period and payable when the parties finalize a statement of the sales. Upon signing the Agreement, Signature paid £250,000 of the purchase price to McMurdo (Deposit). If the Agreement is terminated or the sale is not completed, under certain circumstances McMurdo will be entitled to retain the Deposit.

Under the terms of the Agreement, the Company will guarantee Signature's obligations for the Deferred Payment and Chemring will guarantee McMurdo's obligations for retained liabilities and obligations.

The sale is expected to close in the first quarter or early second quarter of 2007, subject to customary closing conditions, including regulatory consents and contract assignments and consents. The foregoing description of the sale and Agreement does not purport to be complete and is qualified in its entirety by the Agreement.

The Company issued a press release on December 15, 2006 announcing the sale. The press release is attached as Exhibit 99.1.
