DISCLOSURE CONTROLS AND PROCEDURES

The Registrant carried out an evaluation as of the end of the period covered by the report, under the supervision and with the participation of the Registrant's management, including the Registrant's President/Chief Executive Officer and Vice President Finance/Chief Financial Officer, of the effectiveness of the Registrant's disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) of the Securities and Exchange Act of 1934 (the Exchange Act). Based on that evaluation, the President/Chief Executive Officer and Vice President Finance/Chief Financial Officer have concluded that the Registrant's disclosure controls and procedures as of December 31, 2006 were effective to ensure that information required to be disclosed by the Registrant in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission's rules and forms and is accumulated and communicated to the Registrant's management, including its President/Chief Executive Officer and Vice President Finance/Chief Financial Officer, as appropriate, to allow timely disclosure regarding required disclosure.

MANAGEMENT'S REPORT ON INTERNAL CONTROLS OVER FINANCIAL REPORTING

Management of the Registrant is responsible for establishing and maintaining effective internal control over financial reporting as defined in Rules 13a-15(f) under the Securities Exchange Act of 1934, as amended. The Registrant's internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of the Registrant's financial reporting for external purposes in accordance with accounting principles generally accepted in Canada and the United States of America to the Registrant's management and board of directors regarding the preparation and fair presentation of published financial statements. Internal control over financial reporting includes maintaining records that in reasonable detail accurately and fairly reflect our transactions and dispositions of the assets of the Registrant; providing reasonable assurance that transactions are recorded as necessary for preparation of our financial statements in accordance with generally accepted accounting principles; providing reasonable assurance that receipts and expenditures are made in accordance with authorizations of management and the directors of the Registrant; and providing reasonable assurance that unauthorized acquisition, use or disposition of company assets that could have a material effect on the Registrant's financial statements would be prevented or detected on a timely basis. Because of its inherent limitations, internal control over financial reporting is not intended to provide absolute assurance that a misstatement of our financial statements would be prevented or detected.

Management assessed the effectiveness of the Registrant's internal control over financial reporting as of December 31, 2006. In making this assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control - Integrated Framework. Based on this assessment, Yamana's CEO and CFO have determined that, as of December 31, 2006, the Company's internal control over financial reporting is effective and have certified Yamana's annual filings with the U.S. Securities and Exchange Commission on Form 40-F as required by the United States Sarbanes-Oxley Act and with Canadian securities regulatory authorities.

Management's assessment of the effectiveness of internal controls over financial reporting as of December 31, 2006 has been audited by Deloitte & Touche LLP, independent registered chartered accountants, who also audited the Company's consolidated financial statements. Deloitte & Touche LLP's attestation report on management's assessment of the Company's internal controls over financial reporting and the effectiveness of the Company's internal control over financial reporting as at December 31, 2006 is included herein.

No significant changes in our internal controls or in other factors that could significantly affect these controls subsequent to the date of the evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses, were made as a result of the evaluation.

Management excluded from its assessment the internal control over financial reporting at RNC Gold Inc., Desert Sun Mining Corp. and Viceroy Explorations Ltd., which were acquired on February 28, 2006, April 5, 2006 and October 13, 2006, respectively, and whose financial statements respectively constitute 2.4%, 36.6%, and 29.5% and 2.6%, 35.4% and 31.5% of net and total assets, 22%, 22.7% and 0% percent of revenues, and 4.8%, 0% and

3.7% percent of net income (loss) of the consolidated financial statement amounts as of and for the year ended December 31, 2006.

AUDIT COMMITTEE FINANCIAL EXPERT

Victor Bradley serves as a member of the audit committee of the Registrant's Board of Directors. The Board of Directors has reviewed the definition of "audit committee financial expert" under item 8(a) of General Instruction B to Form 40-F and determined that Victor Bradley satisfies the criteria for an audit committee financial expert under the Exchange Act. The SEC has indicated that the designation of Victor Bradley as an audit committee financial expert does not make Victor Bradley an "expert" for any purpose, impose any duties, obligations or liability on Victor Bradley that are greater than those imposed on members of the audit committee and board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of the audit committee.

Pre-Approval Policies and Procedures

The Registrant's audit committee is responsible for overseeing the work of the independent auditors and has considered whether the provision of services other than audit services is compatible with maintaining the auditors' independence. The audit committee has adopted a policy regarding its pre-approval of all audit and permissible non-

audit services provided by the independent auditors. The policy gives detailed guidance to the Registrant's management as to the specific types of services that have been pre-approved. The policy requires audit committee specific approval of all other permitted types of services that have not been pre-approved. The Registrant's senior management periodically provides the audit committee with a summary of services provided by the independent auditors in accordance with the pre-approval policy. The audit committee's charter delegates to its Chair the authority to evaluate and approve engagements in the event that the need arises for pre-approval between audit committee meetings. If the Chair approves any such engagements, he reports his approval decisions to the full audit committee at its next meeting. For the year ended December 31, 2006, the de minimus exception to pre-approval provisions was not utilized.
