**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On December 11, 2007, the Board of Directors (the **Board**) of SupportSoft, Inc. (the **Company**) approved an amendment and restatement of the Company's Bylaws effective on December 11, 2007. The Board amended Article I of the Bylaws to authorize the Board to fix from time to time the location of the registered office and registered agent of the Company within the state of Delaware. In addition, the Board amended Article VII of the Bylaws to permit the Company to issue uncertificated shares, which allows the Company to participate in the Depository Trust Company's Direct Registration System (**DRS**). DRS is a system of recording share ownership without using physical share certificates. The NASDAQ National Market has adopted rules and regulations that require the securities listed on the NASDAQ Global Market to be eligible for listing and transfer through DRS by January 1, 2008. By permitting the issuance of uncertificated shares, the Company will be DRS eligible.

This description of the amendment of the Bylaws is qualified by reference to the full text of the Amended and Restated Bylaws, which is filed as an exhibit to this Current Report on Form 8-K and is incorporated herein.
