Item 1.01 Entry into a Material Definitive Agreement.

On May 20, 2013, CF Industries Holdings, Inc. (the Company) and the Company's wholly-owned subsidiary CF Industries, Inc. (CFI) entered into an underwriting agreement (the Underwriting Agreement) with Morgan Stanley & Co. LLC and Goldman, Sachs & Co., as representatives of the several underwriters named therein (the Underwriters). Pursuant to the Underwriting Agreement, CFI agreed to issue and sell to the Underwriters, for resale to the public, \$750,000,000 aggregate principal amount of 3.450% senior notes due 2023 (the 2023 Notes) at a public offering price of 99.907% of the aggregate principal amount of the 2023 Notes and \$750,000,000 aggregate principal amount of 4.950% senior notes due 2043 (the 2043 Notes and, together with the 2023 Notes, the Notes) at a public offering price of 99.828% of the aggregate principal amount of the 2043 Notes. The Underwriting Agreement includes customary representations, warranties and covenants by the Company and CFI. Under the terms of the Underwriting Agreement, the Company and CFI have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriters may be required to make in respect of any such liabilities.

The closing of the underwritten public offering of the notes under the terms of the Underwriting Agreement (the Offering) occurred on May 23, 2013. The net proceeds from the Offering, after deducting the underwriting discounts and estimated offering expenses, were approximately \$1.48 billion, which the Company intends to use for capacity expansion projects and working capital and other general corporate purposes, including stock repurchases. The Notes were offered and sold pursuant to the registration statement on Form S-3 (File Nos. 333-188068 and 333-188068-01) filed with the Securities and Exchange Commission (the Commission) by the Company and CFI on April 22, 2013 and supplemented by a prospectus supplement, dated May 20, 2013, relating to the Offering.

The 2023 Notes were issued pursuant to, and are governed by the terms of, an Indenture, dated as of May 23, 2013 (the Base Indenture), among CFI, the Company, and Wells Fargo Bank, National Association, as trustee (the Trustee), as supplemented by the First Supplemental Indenture, dated May 23, 2013 (the First Supplemental Indenture and the Base Indenture as so supplemented, the 2023 Notes Indenture), among CFI, the Company and the Trustee. The 2043 Notes were issued pursuant to the Base Indenture, as supplemented by the Second Supplemental Indenture, dated May 23, 2013 (the Second Supplemental Indenture and the Base Indenture as so supplemented, the 2043 Notes Indenture and, together with the 2023 Notes Indenture, the Indentures), among CFI, the Company and the Trustee. Under the terms of the Indentures, the Notes are fully and unconditionally guaranteed by the Company. In addition, if any subsidiary of the Company other than CFI becomes a borrower or guarantor under CFI's amended and restated credit agreement or any renewal, replacement or refinancing thereof, that Subsidiary will be required to guarantee the Notes if and for so long as such Subsidiary is a borrower or guarantor under CFI's amended and restated credit agreement or any renewal, replacement or refinancing thereof, provided that such requirement for any subsidiary of the Company to guarantee the Notes will apply only until the later to occur of (a) the retirement, discharge or legal or covenant defeasance of, or satisfaction and discharge of the supplemental indenture governing, CFI's 6.875% Senior Notes due 2018 (the Senior Notes due 2018) or the subsidiaries of the Company other than the issuer otherwise becoming no longer subject to such a requirement to guarantee the Senior Notes due 2018 and (b) the retirement, discharge or legal or covenant defeasance of, or satisfaction and discharge of the supplemental indenture governing, CFI's 7.125% Senior Notes due 2020 (the Senior Notes due 2020) or the subsidiaries of the Company other than the issuer otherwise becoming no longer subject to such a requirement to guarantee the Senior Notes due 2020.

The 2023 Notes bear interest at a rate of 3.450% per annum, payable semiannually on June 1 and December 1 beginning on December 1, 2013, mature on June 1, 2023 and are redeemable at CFI's option, in whole at any time or in part from time to time, at a make-whole redemption price specified in the First Supplemental Indenture.

The 2043 Notes bear interest at a rate of 4.950% per annum, payable semiannually on June 1 and December 1 beginning on December 1, 2013, mature on June 1, 2043 and are redeemable at CFI's option, in whole at any time or in part from time to time, at a make-whole redemption price specified in the Second Supplemental Indenture.

Edgar Filing: CF Industries Holdings, Inc. - Form 8-K

Under each Indenture, specified changes of control involving the Company or CFI, when accompanied by a ratings downgrade, as defined with respect to the applicable series of Notes, constitute change of control repurchase

events. Upon the occurrence of a change of control repurchase event with respect to the 2023 Notes or the 2043 Notes, as applicable, unless CFI has exercised its option to redeem such Notes, CFI will be required to offer to repurchase them at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase.

The Indentures contain covenants that limit, among other things, the ability of the Company and its subsidiaries, including CFI, to incur liens on certain properties to secure debt, to engage in sale and leaseback transactions, to merge or consolidate with other entities and to sell, lease or transfer all or substantially all of the assets of the Company and its subsidiaries to another entity. Each of the Indentures provides for customary events of default, which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest on the applicable Notes; failure to comply with other covenants or agreements under the Indenture (other than the reporting covenant described below); certain defaults on other indebtedness; the failure of the Company or certain subsidiaries to guarantee the applicable Notes to be enforceable; and specified events of bankruptcy or insolvency. Under each Indenture, in the case of an event of default arising from one of the specified events of bankruptcy or insolvency, the applicable Notes would become due and payable immediately, and, in the case of any other event of default, the Trustee or the holders of at least 25% in aggregate principal amount of the applicable Notes then outstanding may declare all of such Notes to be due and payable immediately. Each of the Indentures includes a covenant requiring the Company and CFI to file with the Trustee and the Commission, and transmit to holders of the applicable Notes, such information, documents and other reports, and such summaries thereof, as may be required pursuant to the Trust Indenture Act of 1939, as amended (the "TIA"), at the times and in the manner provided in the TIA; provided that, unless available on EDGAR (or any successor system for the submission of documents to the SEC in electronic format), any such information, documents or reports required to be filed with the Commission pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended, shall be filed with the trustee within 30 days after the same is filed with the Commission. During an uncured failure to comply with that covenant after 180 consecutive days following notice from the Trustee or holders of at least 25% in aggregate principal amount of the applicable Notes then outstanding, liquidated damages would become payable on the applicable Notes at a rate per annum equal to 0.25% of the principal amount of the applicable Notes.

Certain of the underwriters and their affiliates have provided in the past to the Company and its affiliates and may provide from time to time in the future certain commercial banking, financial advisory, investment banking and other services for the Company and such affiliates in the ordinary course of their business, for which they have received and may continue to receive customary fees and commissions.

The Trustee is a lender under CFI's amended and restated credit agreement and is the trustee with respect to the Senior Notes due 2018 and the Senior Notes due 2020. In addition, the Trustee is an affiliate of Wells Fargo Securities, LLC, one of the Underwriters.

The above descriptions of the Underwriting Agreement, the Base Indenture, the First Supplemental Indenture, the Second Supplemental Indenture and the Notes are summaries and are qualified in their entirety by the terms of the Underwriting Agreement, the Base Indenture, the First Supplemental Indenture, the Second Supplemental Indenture and the Notes. Copies of the Underwriting Agreement, the Base Indenture, the First Supplemental Indenture (including the form of the 2023 Notes) and the Second Supplemental Indenture (including the form of the 2043 Notes) are attached as exhibits 1.1, 4.1, 4.2 and 4.3, respectively, hereto and incorporated by reference herein.
