JOINT PROXY STATEMENT

This Joint Proxy Statement is furnished by the Board of Directors (each a "Board" and collectively, the "Boards") of each of the funds listed above (each a "Fund" and collectively, the "Funds") in connection with the solicitation of Proxies by the Board of Directors for use at the Annual Meeting of Stockholders of each Fund (each a "Meeting" and collectively, the "Meetings") to be held on June 17, 2014, at 522 Fifth Avenue, 3rd Floor, New York, NY 10036. It is expected that the Notice of Annual Meetings of Stockholders, Joint Proxy Statement and Proxy Card will first be mailed to stockholders of the Funds ("Stockholders") on or about May 5, 2014. The purpose of the Meetings, the matters to be acted upon and the commencement time of each Meeting are set forth in the accompanying Notice of Annual Meetings of Stockholders.

If the enclosed form of Proxy for a Fund is properly executed and returned in time, or is submitted by telephone or Internet, to be voted at the Meetings, the proxies named therein will vote the shares of common stock with respect to the Funds (collectively, the "Shares") represented by it in accordance with the instructions marked thereon. Unmarked proxies submitted by Stockholders will be voted FOR each of the nominees for election as Director of that Fund as set forth in the accompanying Notice of Annual Meetings of Stockholders and this Joint Proxy Statement. A Proxy may be revoked at any time prior to its exercise by any of the following: written notice of revocation to the Secretary of the Funds, execution and delivery of a later dated Proxy to the Secretary of the Funds (whether by mail or, as discussed below, by touchtone telephone or the Internet) (if returned and received in time to be voted), or attendance and voting at the Meetings. Attendance at the Meetings will not in and of itself revoke a Proxy. In order to revoke a Proxy in person, Stockholders must submit a subsequent Proxy. Stockholders whose Shares are held in street name by a broker of record and who wish to vote in person at the Meetings must obtain a legal proxy from their broker and present it at the Meetings to the inspector of elections.

The Board has fixed the close of business on April 10, 2014 as the record date for the determination of Stockholders entitled to notice of, and to vote at, the Meetings and at any adjournments or postponements thereof. On that date, the following number of Shares of each Fund were outstanding and entitled to vote:

APF	14,009,528	Shares
CAF	21,881,465	Shares
RNE	3,366,202	Shares
MSD	23,009,807	Shares
EDD	70,585,657	Shares
MSF	14,551,752	Shares
ICB	8,967,025	Shares
IIF	15,738,127	Shares
LDF	6,827,694	Shares
TTF	12,831,679	Shares
TKF	5,177,864	Shares

The cost of soliciting proxies for the Meeting, consisting principally of printing and mailing expenses, will be borne by each respective Fund. The solicitation of proxies will be by mail, which may be supplemented by solicitation by mail, telephone or otherwise through Directors and officers of the Funds or officers and regular employees of Morgan Stanley Investment Management Inc. ("MSIM" or the "Adviser"), the investment adviser for each Fund and the administrator for each Fund, Morgan Stanley & Co. LLC ("Morgan Stanley & Co.") and/or Morgan Stanley Smith Barney LLC, without special compensation therefor. The transfer agent services for each Fund are currently provided by Computershare Trust Company, N.A. (the "Transfer Agent" or "Computershare"). Computershare may make telephone calls to Stockholders to remind them to vote at a cost of up to \$2,000 per Fund.

Stockholders may be able to authorize proxies to vote their Shares by touchtone telephone or by Internet by following the instructions on the Proxy Card accompanying this Joint Proxy Statement. The Internet procedures are designed to authenticate a Stockholder's identity to allow Stockholders to vote their Shares and confirm that their instructions have been properly recorded. To vote by Internet or by touchtone telephone, Stockholders can access the website or call the toll-free number listed on the Proxy Card. To vote by touchtone telephone or by Internet, Stockholders will need the number that appears on the Proxy Card or Voting Information Card in the shaded box.

In certain instances, Computershare may call Stockholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Stockholders' identities, to allow Stockholders to authorize the voting of their Shares in accordance with their instructions and to confirm that their instructions have been recorded properly. No recommendation will be made as to how a Stockholder should vote on any Proposal other than to refer to the recommendations of the Board. Each Fund has been advised by counsel that these procedures are consistent with the requirements of applicable law. Stockholders voting by telephone in this manner will be asked for identifying information and will be given an opportunity to authorize proxies to vote their Shares in accordance with their instructions. To ensure that the Stockholders' instructions have been recorded correctly, they will receive a confirmation of their instructions in the mail. A special toll-free number set forth in the confirmation will be available in case the information contained in the confirmation is incorrect. Although a Stockholder's vote may be taken by telephone, each Stockholder will receive a copy of this Joint Proxy Statement and may vote by mail using the enclosed Proxy Card or by Internet or touchtone telephone as set forth above. The last proxy vote received in time to be voted, whether by Internet, mailed Proxy Card or touchtone telephone, will be the vote that is counted and will revoke all previous votes by the Stockholder.

Each Fund will furnish, without charge, a copy of its annual report for its fiscal year ended December 31, 2013 (September 30, 2013 for ICB and October 31, 2013 for EDD and TKF) to any Stockholder of such Fund requesting such report. Requests for annual and/or semi-annual reports should be made in writing to the respective Fund, Morgan Stanley Closed-End Funds, c/o Computershare, P.O. Box 30170, College Station, TX 77842-3170, by calling toll-free (800) 231-2608 or by visiting the Adviser's Internet website at www.morganstanley.com/im.

MSIM serves as each Fund's administrator. The business address of MSIM is 522 Fifth Avenue, New York, NY 10036. State Street Bank and Trust Company serves as sub-administrator to the Funds. The business address of State Street Bank and Trust Company is One Lincoln Street, Boston, MA 02111-2101.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund. Shares of a Fund are entitled to one vote each at the respective Fund's Meeting and each fraction of a share will be entitled to the fraction of a vote equal to the proportion of a full share represented by the fractional share. To the extent information relating to common ownership is available to the Funds, a Stockholder that owns record Shares in two or more of the Funds will receive a package containing a Joint Proxy Statement and Proxy Cards for the Funds in which such Stockholder is a record owner. If the information relating to common ownership is not available to the Funds, a Stockholder that beneficially owns Shares in two or more Funds may receive two or more packages each containing a Joint Proxy Statement and a Proxy Card for each Fund in which such Stockholder is a beneficial owner. If the proposed election of Directors is approved by Stockholders of one Fund and disapproved by Stockholders of other Funds, the Proposal will be implemented for the Fund that approved the Proposal and will not be implemented for any Fund that did not approve the Proposal. Thus, it is essential that Stockholders complete, date, sign and return each enclosed Proxy Card or vote by telephone or the Internet as indicated in each Fund's Proxy Card.

Only one Proxy Statement will be delivered to multiple Stockholders sharing an address, unless a Fund has received contrary instructions. Each Fund will furnish, upon written or oral request, a separate copy of the Joint Proxy Statement to a Stockholder at a shared address to which a single Joint Proxy Statement was delivered. Requests for a separate Joint Proxy Statement, and notifications to a Fund that a Stockholder wishes to receive separate copies in the future, should be made in writing to the respective Fund, Morgan Stanley Closed-End Funds, c/o Computershare, P.O. Box 30170, College Station, TX 77842-3170, or by calling toll-free (800) 231-2608. Multiple Stockholders who are sharing an address and currently receiving multiple copies of periodic reports and proxy statements may request to receive only one copy of such reports and proxy statements by calling toll-free (800) 231-2608.

The Board of Directors of each Fund recommends that you vote "FOR" the election of the nominees as Directors for that Fund as set forth in Proposal No. 1 of the Notice of Annual Meetings of Stockholders and this Joint Proxy Statement. Your vote is important. Please return your Proxy Card promptly no matter how many Shares you own.

Board Structure and Oversight Function

Each Board's leadership structure features an Independent Director serving as Chairperson and the Board Committees described below. The Chairperson participates in the preparation of the agenda for meetings of Board of Directors of each Fund and the preparation of information to be presented to the Board with respect to matters to be acted upon by the Board of Directors of each Fund. The Chairperson

also presides at all meetings of the Board of Directors of each Fund and is involved in discussions regarding matters pertaining to the oversight of the management of the Funds between meetings.

The Board of Directors of each Fund operates using a system of committees to facilitate the timely and efficient consideration of all matters of importance to the Directors, the Funds and Fund Stockholders, and to facilitate compliance with legal and regulatory requirements and oversight of the Fund's activities and associated risks. The Board of Directors of each Fund (except IIF) has established five standing committees: (1) Audit Committee, (2) Governance Committee, (3) Compliance and Insurance Committee, (4) Investment Committee and (5) Closed-End Fund Committee. The Board of Directors of IIF has established two standing committees: (1) Audit Committee and (2) Governance Committee. The Audit Committee, the Governance Committee and the Closed-End Fund Committee are comprised exclusively of Independent Directors. The Compliance and Insurance Committee and the Investment Committee are each comprised of Independent Directors and one interested Director, James F. Higgins. Each committee charter governs the scope of the committee's responsibilities with respect to the oversight of the Funds. The responsibilities of each committee, including their oversight responsibilities, are described further under the caption "Board Meetings and Committees" below.

Each Fund is subject to a number of risks, including investment, compliance, operational and valuation risk, among others. The Board of Directors oversees these risks as part of its broader oversight of each Fund's affairs through various Board and committee activities. The Board has adopted, and periodically reviews, policies and procedures designed to address various risks to the Funds. In addition, appropriate personnel, including but not limited to the Funds' Chief Compliance Officer, members of the Funds' administration and accounting teams, representatives from the Funds' independent registered public accounting firm, the Funds' Treasurer, portfolio management personnel and independent valuation and brokerage evaluation service providers, make regular reports regarding the Funds' activities and related risks to the Board of Directors of each Fund and the committees, as appropriate. These reports include, among others, quarterly performance reports, quarterly derivatives activity and risk reports and discussions with members of the risk teams relating to each asset class. The Board's committee structure allows separate committees to focus on different aspects of risk and the potential impact of these risks on some or all of the funds in the complex and then report back to the full Board. In between regular meetings, Fund officers also communicate with the Directors regarding material exceptions and items relevant to the Board's risk oversight function. The Board recognizes that it is not possible to identify all of the risks that may affect a Fund, and that it is not possible to develop processes and controls to eliminate all of the risks that may affect a Fund. Moreover, the Board recognizes that it may be necessary for the Funds to bear certain risks (such as investment risk) to achieve their investment objective.

As needed between meetings of the Board of Directors of each Fund, the Board or a specific committee receives and reviews reports relating to the Funds and engages in discussions with appropriate parties relating to the Funds' operations and related risks.

Board Meetings and Committees

The Board of Directors of each Fund has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Each Audit Committee is charged with recommending to the full Board the engagement or discharge of each Fund's independent registered public accounting firm; directing investigations into matters within the scope of the independent registered public accounting firm's duties, including the power to retain outside specialists; reviewing with the independent registered public accounting firm the audit plan and results of the auditing engagement; approving professional services

provided by the independent registered public accounting firm and other accounting firms prior to the performance of the services; reviewing the independence of the independent registered public accounting firm; considering the range of audit and non-audit fees; reviewing the adequacy of each Fund's system of internal controls; and reviewing the valuation process. Each Fund has adopted a formal, written Audit Committee Charter, which is attached hereto as Exhibit A.

The members of the Audit Committee of each Fund other than IIF are currently Joseph J. Kearns, Michael F. Klein, Michael E. Nugent and W. Allen Reed. The members of IIF's Audit Committee are currently Mamode Izam Nathadkhan, Joseph J. Kearns, Ravindranath Santosh Kumar Hazareesing, M.J. Marcel Vivian Descroizilles and Fergus Reid. None of the members of the Funds' Audit Committees is an "interested person," as defined under the Investment Company Act of 1940, as amended (the "1940 Act"), of any of the Funds (with such disinterested Directors being "Independent Directors" or individually, an "Independent Director"). Each Independent Director is also "independent" from each Fund as defined under the listing standards of the New York Stock Exchange, Inc. ("NYSE"). The Chairperson of the Audit Committee of all of the Funds is Joseph J. Kearns.

The Board of Directors of each Fund also has a Governance Committee. The Governance Committee identifies individuals qualified to serve as Independent Directors on each Fund's Board and on committees of such Board and recommends such qualified individuals for nomination by the Fund's Independent Directors as candidates for election as Independent Directors, advises each Fund's Board with respect to Board composition, procedures and committees, develops and recommends to each Fund's Board a set of corporate governance principles applicable to the Funds, monitors and makes recommendations on corporate governance matters and policies and procedures of each Fund's Board of Directors and any Board committees and oversees periodic evaluations of each Fund's Board and its committees. Each Fund has adopted a formal, written Governance Committee Charter, which is attached hereto as Exhibit B. A further description of, among other things, the goals and responsibilities of the Governance Committee with respect to Board candidates and nominees and Board composition, procedures and committees can be found in the Governance Committee Charter for each Fund. The members of the Governance Committee of each Fund other than IIF are Kathleen A. Dennis and Fergus Reid, each of whom is an Independent Director. The members of IIF's Governance Committee are currently Mamode Izam Nathadkhan, Ravindranath Santosh Kumar Hazareesing, Joseph J. Kearns, M.J. Marcel Vivian Descroizilles and Fergus Reid, each of whom is an Independent Director. The Chairperson of each Fund's Governance Committee is Fergus Reid.

None of the Funds has a separate nominating committee. While each Fund's Governance Committee recommends qualified candidates for nominations as Independent Directors, the Board of Directors of each Fund believes that the task of nominating prospective Independent Directors is important enough to require the participation of all current Independent Directors, rather than a separate committee consisting of only certain Independent Directors. Accordingly, each current Independent Director (Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid, for all Funds other than IIF, and Mamode Izam Nathadkhan, Ravindranath Santosh Kumar Hazareesing, Joseph J. Kearns, M.J. Marcel Vivian Descroizilles and Fergus Reid for IIF) participates in the selection and nomination of candidates for election as Independent Directors for the respective Funds for which the Independent Director serves. Persons recommended by each Fund's Governance Committee as candidates for nomination as Independent Directors shall possess such experience, qualifications, attributes, skills and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the

Independent Directors of each of the Funds expect to be able to continue to identify from their own resources an ample number of qualified candidates for each Fund's Board as they deem appropriate, they will consider nominations from Stockholders to the Board. Nominations from Stockholders should be in writing and sent to the Independent Directors as described below under "Stockholder Communications."

The Board of each Fund (other than IIF) formed a Compliance and Insurance Committee to address insurance coverage and oversee the compliance function for the Fund and the Board. The Compliance and Insurance Committee of each Fund currently consists of Frank L. Bowman, Michael Bozic, James F. Higgins and Manuel H. Johnson. Frank L. Bowman, Michael Bozic and Manuel H. Johnson are Independent Directors. The Chairperson of the Compliance and Insurance Committee of each Fund is Michael Bozic. The Compliance and Insurance Committee has a Sub-Committee to review and monitor the insurance coverage maintained by the Funds. The Chairperson of the Insurance Sub-Committee of each Fund is Frank L. Bowman.

Each Fund (other than IIF) has an Investment Committee that oversees the portfolio investment process for and reviews the performance of the Fund. The Investment Committee also recommends to the Board to approve or renew the Fund's Investment Advisory and Administration Agreements. The members of the Investment Committee are Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, James F. Higgins, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid. The Chairperson of the Investment Committee of each Fund is Manuel H. Johnson.

The Investment Committee of each Fund (other than IIF) has three Sub-Committees, each with its own Chairperson. Each Sub-Committee focuses on the Funds' primary areas of investment, namely equities, fixed income and alternatives. The Sub-Committees and their members are as follows:

- (1) Equity W. Allen Reed (Chairperson), Frank L. Bowman and Michael E. Nugent.
- (2) Fixed Income Michael F. Klein (Chairperson), Michael Bozic and Fergus Reid.
- (3) Money Market and Alternatives Kathleen A. Dennis (Chairperson), James F. Higgins and Joseph J. Kearns.

The Board of each Fund (other than IIF) formed the Closed-End Fund Committee to consider a range of issues unique to closed-end funds. The Closed-End Fund Committee consists of Michael E. Nugent, W. Allen Reed and Fergus Reid, each of whom is an Independent Director. The Chairperson of the Closed-End Fund Committee of each Fund is Michael E. Nugent.

During each Fund's fiscal year ended December 31, 2013 (September 30, 2013 for ICB and October 31, 2013 for EDD and TKF), the Board of Directors held the following meetings:

For the fiscal years ended September 30, 2013 and October 31, 2013, each current Director other than W. Allen Reed attended at least seventy-five percent of the aggregate number of meetings of the Board and of any committee on which he or she served, held during the time such Director was a member of the Board. For the fiscal year ended December 31, 2013, each current Director attended at least seventy-five percent of the aggregate number of meetings of the Board and of any committee on which he or she served, held during the time such Director was a member of the Board. For annual Stockholder meetings, Directors may, but are not required to, attend the meetings; and for each Fund's last annual Stockholder meeting, none of the Directors attended the meeting.

Stockholder Communications

Stockholders may send communications to each Fund's Board of Directors. Stockholders should send communications intended for each Fund's Board by addressing the communication directly to that Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each Director below. Other Stockholder communications received by the Funds not directly addressed and sent to the Boards will be reviewed and generally responded to by management, and will be forwarded to the Boards only at management's discretion based on the matters contained therein.

Each of the nominees for Director has consented to be named in this Joint Proxy Statement and to serve as a Director of the Funds if elected. The Board of Directors of each Fund has no reason to believe that any of the nominees named above will become unavailable for election as a Director, but if that should occur before the Meeting for that Fund, the persons named as proxies on the Proxy Cards will vote for such persons as the Board of Directors of the Fund may recommend.

Information Regarding Directors and Nominee Directors

Each Fund seeks as Directors individuals of distinction and experience in business and finance, government service or academia. In determining that a particular Director was and continues to be qualified to serve as Director, the Board of each Fund has considered a variety of criteria, none of which, in isolation, was controlling. Based on a review of the experience, qualifications, attributes or skills of each Director, including those enumerated in the table below, the Board has determined that each of the Directors is qualified to serve as a Director of a Fund. In addition, the Board of each Fund believes that, collectively, the Directors have balanced and diverse experience, qualifications, attributes and skills that allow the Board to operate effectively in governing a Fund and protecting the interests of Stockholders. Information about a Fund's Governance Committee and Board of Director nomination process is provided above under the caption "Board Meetings and Committees."

The Directors of the Funds, their ages, addresses, positions held, length of time served and their principal business occupations during the past five years are shown below.

⁽¹⁾ Includes the total amount of compensation deferred by the Director at his election pursuant to a deferred compensation plan. Such deferred compensation is placed in a deferral account and deemed to be invested in one or more of the various Morgan Stanley Funds (or portfolios thereof) that are offered as investment options under the plan.

Compensation of Directors and Officers

Effective January 1, 2014, for each Fund (other than IIF), each Director (except for the Chairperson of the Boards) receives an annual retainer fee of \$230,000 (\$220,000 prior to January 1, 2014) for serving as a Director of the Morgan Stanley Funds.

The Chairperson of the Audit Committee receives an additional annual retainer fee of \$78,750 and the Investment Committee Chairperson receives an additional annual retainer fee of \$63,000. Other

Committee and Sub-Committee Chairpersons (except for the Chairperson of the Closed-End Fund Committee) receive an additional annual retainer fee of \$31,500. The aggregate compensation paid to each Director is paid by the Morgan Stanley Funds, and is allocated on a pro rata basis among each of the operational funds/ portfolios of the Morgan Stanley Funds based on the relative net assets of each of the funds/ portfolios. Michael E. Nugent receives a total annual retainer fee of \$460,000 (\$440,000 prior to January 1, 2014) for his services as Chairperson of the Boards of the Morgan Stanley Funds (except IIF) and for administrative services provided to each Board.

IIF pays each of its Directors an annual fee of \$25,000. The non-Mauritian Independent Directors of IIF receive a fee of \$10,000 for each meeting such Director attends in Mauritius.

Each Fund also reimburses Directors for travel and other out-of-pocket expenses incurred by them in connection with attending meetings of the Board. Directors of each Fund who are employed by the Adviser receive no compensation or expense reimbursement from the Funds for their services as Director.

Effective April 1, 2004, the Funds began a Deferred Compensation Plan (the "DC Plan"), which allows each Director to defer payment of all, or a portion, of the fees he or she receives for serving on the Board of Directors throughout the year. Each eligible Director generally may elect to have the deferred amounts credited with a return equal to the total return on one or more of the Morgan Stanley Funds (or portfolios thereof) that are offered as investment options under the DC Plan. At the Director's election, distributions are either in one lump sum payment, or in the form of equal annual installments over a period of five years. The rights of an eligible Director and the beneficiaries to the amounts held under the DC Plan are unsecured and such amounts are subject to the claims of the creditors of each Fund.

Prior to April 1, 2004, certain Morgan Stanley Funds maintained a similar Deferred Compensation Plan (the "Prior DC Plan"), which also allowed each Independent Director to defer payment of all, or a portion, of the fees he or she received for serving on the Board of Directors throughout the year. Generally, the DC Plan amends and supersedes the Prior DC Plan and all amounts payable under the Prior DC Plan are now subject to the terms of the DC Plan (except for amounts paid during the calendar year 2004, which remain subject to the terms of the Prior DC Plan).

Set forth below is a table showing the aggregate compensation payable to each of the Fund's Directors as of each Fund's fiscal year-end, as well as the total compensation payable to each Director for the calendar year ended December 31, 2013 by all of the funds and by other U.S. registered investment companies advised by the Adviser or any investment companies that have an investment adviser that is an

affiliated person of the Adviser (collectively, the "Fund Complex") for their services as Directors of such investment companies.

(1) Includes all amounts paid for serving as Director of the Funds as well as serving as Chairperson of the Boards or a Chairperson of a Committee or Sub-Committee.

(2) Mr. Reed deferred all compensation from the Funds (except IIF) during the fiscal year ended December 31, 2013 (September 30, 2013 with regard to ICB and October 31, 2013 with regard to EDD and TKF).

(3) The amounts shown in this column represent the aggregate compensation paid by all of the funds in the Fund Complex as of December 31, 2013 before deferral by the Directors under the DC Plan. As of December 31, 2013, the value (including interest) of the deferral accounts across the Fund Complex for Messrs. Kearns, Reed and Reid pursuant to the deferred compensation plan was \$616,245, \$1,379,775 and \$739,593, respectively. Because the funds in the Fund Complex have different fiscal year-ends, the amounts shown in this column are presented on a calendar year basis.

Prior to December 31, 2003, 49 of certain Morgan Stanley Funds (the "Adopting Funds"), including ICB, had adopted a retirement program under which an Independent Trustee/Director who retired after serving for at least five years as an Independent Trustee/Director of any such fund (an "Eligible Trustee/Director") would have been entitled to retirement payments, based on factors such as length of service, upon reaching the eligible retirement age. On December 31, 2003, the amount of accrued retirement benefits for each Eligible Trustee/Director was frozen, and will be payable, together with a return of 8% per annum, at or following each such Eligible Trustee/Director's retirement as shown in the table below.

There were no pension or retirement benefits accrued as part of any Fund's expenses, except ICB. The following tables illustrate the retirement benefits accrued to the Fund's Independent Directors by ICB for the fiscal year ended September 30, 2013 and by the Adopting Funds for the calendar year ended December 31, 2013, and the estimated

retirement benefits for the Independent Directors from ICB as of September 30, 2013 and from the Adopting Funds for each calendar year following retirement. Only the Directors listed below participated in the retirement program.

Name of Independent Directors:	Retirement Benefits Accrued as Fund Expenses		Estimated Annual Benefits Upon Retirement ⁽¹⁾	
	ICB	By All Adopting Funds	ICB	By All Adopting Funds
Michael Bozic ⁽²⁾	\$ 25	\$ (12,584)	\$ 997	\$ 43,940
Manuel H. Johnson	\$ 672	\$ 30,205	\$ 1,451	\$ 64,338
Michael E. Nugent ⁽²⁾	\$ (126)	\$ (9,647)	\$ 1,299	\$ 57,539

⁽¹⁾ Total compensation accrued under the retirement plan, together with a return of 8% per annum, will be paid annually commencing upon retirement and continuing for the remainder of the Director's life.

⁽²⁾ Messrs. Bozic's and Nugent's retirement expenses are negative due to the fact that their expenses have been overaccrued.

The election of the nominees for election as Directors of each Fund requires the affirmative vote of a majority of the votes cast at a meeting at which a quorum is present. A majority of the votes cast means that the number of votes cast "for" a nominee's election exceeds the number of votes "withheld" with respect to that nominee (with abstentions, if any, not counting as votes "for" or "withheld"). With respect to each Fund, except for TTF, the presence in person or by proxy of Stockholders entitled to cast a majority of the votes entitled to be cast thereat shall constitute a quorum. With respect to TTF, the presence in person or by proxy of Stockholders entitled to cast one-third of the votes entitled to be cast thereat shall constitute a quorum. For this purpose, abstentions, if any, will be counted in determining whether a quorum is present at the Meeting, but will not be counted as votes cast at the Meeting. See "Additional Information."

The Board of Directors of each Fund recommends that you vote "FOR" the election of the nominees as Directors for that Fund set forth above.

No business other than as set forth herein is expected to come before any Meeting, but should any other matter requiring a vote of Stockholders arise, including any question as to an adjournment of the Meeting, the persons named in the enclosed Proxy Card will vote thereon according to their best judgment in the interests of the Fund. In the event that the necessary quorum to transact business or the vote required to approve or reject any Proposal for any Fund is not obtained at the Meeting of any Fund, the persons named as proxies may propose one or more adjournments of the Meeting of the applicable Fund to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the applicable Fund's Shares present in person or by Proxy at the Meeting. In the event a quorum is present at the Meeting but sufficient votes to approve any of the Proposals with respect to a Fund are not received, Proxies (including abstentions and broker "non-votes," if any) would be voted in favor of one or more adjournments of the Meeting with respect to such Proposal to permit further solicitation of Proxies, provided the persons named as proxies determine that such an adjournment and additional solicitation is reasonable and in the interest of Stockholders. Broker "non-votes" are Shares held in street name for which the broker indicates that instructions have not been received from the beneficial owners or other persons entitled to vote and for which the broker does not have discretionary voting authority.

The terms "Committee," "Directors/Trustees" and "Board" mean the Committee, Directors/Trustees and the Board of each Fund, respectively, unless the context otherwise requires. The Committee, Directors/Trustees and the Board of each Fund, however, shall act separately and in the best interests of its respective Fund.

2. Auditor Independence

An independent public accounting firm may serve as a Fund's auditor (the "Auditor") only if it complies with all of the independence requirements set forth in Regulation S-X under the Securities Act of 1933 and the Public Company Accounting Oversight Board's ("PCAOB") Ethics and Independence Rule 3526, subject to such exceptions, not prohibited by law, as the Audit Committee may allow. The Auditor shall: (i) at least annually, submit to the Audit Committee a certification of its independence, delineating all relationships between the Auditor and the Fund, consistent with Rule 2-01 of Regulation S-X under the Securities Act of 1933 and the PCAOB's Ethics and Independence Rule 3526, and (ii) actively engage in a dialogue with the Audit Committee with respect to any disclosed relationships or services that may affect the objectivity and independence of such independent accountants, including relationships with or services provided to the Fund's other service providers.

- establish procedures for the confidential, anonymous submission by employees and officers of the Funds or their affiliates or others of concerns or complaints regarding any accounting, internal audit controls or audit matter and the retention of records related to the retention and treatment of such concerns in accordance with the requirements of the SOX Act and Section 922 of the Dodd-Frank Wall Street Reform and Consumer Protection Act;
- oversee any (a) disagreements and/or (b) resolutions to disagreements between management of a Fund and the Fund's Auditor regarding financial reporting;
- require inside and outside counsel to report to the Audit Committee evidence of any material violation of securities law or breach of fiduciary duty or similar violation by a Fund or any agent of a Fund; and

5.03. Authority to Engage Independent Counsel and Advisers

The Audit Committee is authorized to: (a) engage independent counsel, which may also be counsel to the Funds' independent Directors/Trustees, and other advisers, as it determines to be necessary to carry out its duties; and (b) require the Funds to provide appropriate funding, as determined by the Audit Committee, for payment of compensation to the Auditor, the independent counsel and other advisers.

5.04. Scope of Audit Committee Responsibility

In fulfilling their responsibilities under this Audit Committee Charter, it is recognized that members of the Audit Committee are not full-time employees of the Fund. As such, it is not the duty or responsibility of the Audit Committee or its members to (a) conduct "field work" or other types of auditing or accounting reviews or procedures, (b) perform an audit or (c) act in any way as a substitute for management or assume management's responsibilities. Each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations inside and outside the Fund from which the Audit Committee receives information and (ii) the accuracy of the financial, valuation and other information provided to the Audit Committee by such persons or organizations, absent actual knowledge to the contrary (which actual knowledge shall be promptly reported to the Board).

Fund management is responsible for maintaining appropriate systems for accounting. The Auditor is responsible for conducting a proper audit of each Fund's financial statements and is ultimately accountable to the Audit Committee.

6. Meetings of the Audit Committee

The Audit Committee shall meet independently at each regularly scheduled Board meeting and at such other times as deemed appropriate by the Audit Committee but no less frequently than quarterly, including to approve the scope of the proposed audit of a Fund's financial statements by the Auditors and to review the report of the Auditors following such audit. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in such meeting can hear each other.

7. Interim Actions by the Audit Committee

From time to time, the Audit Committee may delegate to the Chairperson or other designated Audit Committee member the responsibility to act, on an interim basis between meetings of the Audit Committee or Board, on audit and valuation related matters, including but not limited to, specifically, approval of annual financial statements, provided that the Audit Committee or Board is not required by this Charter or law to take such actions or is not prevented by this Charter or law from delegating such actions. In addition, interim actions may also be taken by written consent of the Audit Committee. All other interim actions by the Chairperson or his/her designee not taken by consent or delegation will be submitted for ratification at the next meeting of the Audit Committee.

8. Minutes of Meetings; Reporting the Board

APPENDIX A
AUDIT COMMITTEE
AUDIT AND NON-AUDIT SERVICES
PRE-APPROVAL POLICY AND PROCEDURES
OF THE
MORGAN STANLEY FUNDS

AS ADOPTED AND AMENDED JULY 23, 2004,⁽⁵⁾

1. Statement of Principles

The Audit Committee of the Board is required to review and, in its sole discretion, pre-approve all Covered Services to be provided by the Independent Auditors to the Fund and Covered Entities in order to assure that services performed by the Independent Auditors do not impair the auditor's independence from the Fund.

The SEC has issued rules specifying the types of services that an independent auditor may not provide to its audit client, as well as the audit committee's administration of the engagement of the independent auditor. The SEC's rules establish two different approaches to pre-approving services, which the SEC considers to be equally valid. Proposed services either: may be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval"); or require the specific pre-approval of the Audit Committee or its delegate ("specific pre-approval"). The Audit Committee believes that the combination of these two approaches in this Policy will result in an effective and efficient procedure to pre-approve services performed by the Independent Auditors. As set forth in this Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee (or by any member of the Audit Committee to which pre-approval authority has been delegated) if it is to be provided by the Independent Auditors. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

The appendices to this Policy describe the Audit, Audit-related, Tax and All Other services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers and provides a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the Independent Auditors without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add to or subtract from the list of general pre-approved services from time to time, based on subsequent determinations.

The purpose of this Policy is to set forth the policy and procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the Independent Auditors to management.

The Fund's Independent Auditors have reviewed this Policy and believes that implementation of the Policy will not adversely affect the Independent Auditors' independence.

⁽⁵⁾ This Audit Committee Audit and Non-Audit Services Pre-Approval Policy and Procedures (the "Policy"), adopted as of the date above, supersedes and replaces all prior versions that may have been adopted from time to time.

2. Delegation

As provided in the Act and the SEC's rules, the Audit Committee may delegate either type of pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

3. Audit Services

The annual Audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. Audit services include the annual financial statement audit and other procedures required to be performed by the Independent Auditors to be able to form an opinion on the Fund's financial statements. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control, and consultations relating to the audit. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Fund structure or other items.

In addition to the annual Audit services engagement approved by the Audit Committee, the Audit Committee may grant general pre-approval to other Audit services, which are those services that only the Independent Auditors reasonably can provide. Other Audit services may include statutory audits and services associated with SEC registration statements (on Forms N-1A, N-2, N-3, N-4, etc.), periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

The Audit Committee has pre-approved the Audit services in Appendix B.1. All other Audit services not listed in Appendix B.1 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

4. Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements and, to the extent they are Covered Services, the Covered Entities or that are traditionally performed by the Independent Auditors. Because the Audit Committee believes that the provision of Audit-related services does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence, the Audit Committee may grant general pre-approval to Audit-related services. Audit-related services include, among others, accounting consultations related to accounting, financial reporting or disclosure matters not classified as "Audit services"; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements under Forms N-SAR and/or N-CSR.

The Audit Committee has pre-approved the Audit-related services in Appendix B.2. All other Audit-related services not listed in Appendix B.2 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

5. Tax Services

The Audit Committee believes that the Independent Auditors can provide Tax services to the Fund and, to the extent they are Covered Services, the Covered Entities, such as tax compliance, tax planning and tax advice without impairing the auditor's independence, and the SEC has stated that the Independent Auditors may provide such services.

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the Tax Services in Appendix B.3. All Tax services in Appendix B.3 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

6. All Other Services

The Audit Committee believes, based on the SEC's rules prohibiting the Independent Auditors from providing specific non-audit services, that other types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant general pre-approval to those permissible non-audit services classified as All Other services that it believes are routine and recurring services, would not impair the independence of the auditor and are consistent with the SEC's rules on auditor independence.

The Audit Committee has pre-approved the All Other services in Appendix B.4. Permissible All Other services not listed in Appendix B.4 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

7. Pre-Approval Fee Levels or Budgeted Amounts

Pre-approval fee levels or budgeted amounts for all services to be provided by the Independent Auditors will be established annually by the Audit Committee. Any proposed services exceeding these levels or amounts will require specific pre-approval by the Audit Committee. The Audit Committee is mindful of the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services.

8. Procedures

All requests or applications for services to be provided by the Independent Auditors that do not require specific approval by the Audit Committee will be submitted to the Fund's Chief Financial Officer and must include a detailed description of the services to be rendered. The Fund's Chief Financial Officer will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the Independent Auditors. Requests or applications to provide services that require specific approval by the Audit Committee or Chairman of the Audit Committee will be submitted to the Audit Committee by the Fund's Chief Financial Officer, who, after consultation with the Independent Auditors, will discuss whether the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the Fund's Chief Financial Officer to monitor the performance of all services provided by the Independent Auditors and to determine whether such services are in compliance with this Policy. The Fund's Chief Financial Officer will report to the Audit Committee on a periodic basis on the results of its monitoring. Both the Fund's Chief Financial Officer and management will immediately report to the chairman of the Audit Committee any breach of this Policy that comes to the attention of the Fund's Chief Financial Officer or any member of management.

9. Additional Requirements

The Audit Committee has determined to take additional measures on an annual basis to meet its responsibility to oversee the work of the Independent Auditors and to assure the auditor's independence from the Fund, such as reviewing a formal written statement from the Independent Auditors delineating all relationships between the Independent Auditors and the Fund, consistent with the PCAOB's Ethics and Independence Rule 3526, and discussing with the Independent Auditors its methods and procedures for ensuring independence.

10. Covered Entities

Covered Entities include the Fund's investment adviser(s) and any entity controlling, controlled by or under common control with the Fund's investment adviser(s) that provides ongoing services to the Fund(s). Beginning with non-audit service contracts entered into on or after May 6, 2003, the Fund's audit committee must pre-approve non-audit services provided not only to the Fund but also to the Covered Entities if the engagements relate directly to the operations and financial reporting of the Fund. OWNERSHIP OF EMERSON EQUITY SECURITIES

[Section 16\(a\) Beneficial Ownership Reporting Compliance](#)

The Company's Directors and executive officers are required, pursuant to Section 16(a) of the Exchange Act, to file statements of beneficial ownership and changes in beneficial ownership of common stock of the Company with the SEC and the NYSE, and to furnish copies of such statements to the Company. Based solely on a review of the copies of such statements furnished to the Company and written representations that no other such statements were required, the Company believes that during fiscal 2017 its Directors and executive officers complied with all such requirements.

[Questions and Answers About the 2018 Annual Meeting](#)

1. [Why did I receive these materials?](#)

Our Board of Directors is soliciting proxies on its behalf to be voted at the 2018 Annual Meeting of Shareholders on February 6, 2018 at 10:00 a.m., Central Time, at the Headquarters of the Company, 8000 W. Florissant Avenue, St. Louis, MO 63136. The proxies also may be voted at any adjournments or postponements of the meeting. All properly executed written proxies, and all properly completed proxies submitted by telephone or by the internet, that are delivered pursuant to this solicitation will be voted at the meeting in accordance with the directions given in the proxy, unless the proxy is earlier revoked.

2. [How are these materials being distributed?](#)

On or about December 15, 2017, we began mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to certain shareholders of record as of November 28, 2017, and posted our proxy materials for shareholder access at www.proxyvote.com. As more fully described in the Notice, shareholders may also request printed proxy materials.

The Notice and website also provide information regarding how you may request proxy materials in printed or electronic form or electronically on an ongoing basis. We also mailed proxy materials to certain shareholders.

3. Why am I getting these materials from my broker, bank or other nominee, and not directly from Emerson?

If you hold your shares through a broker, bank or other nominee, you may also receive either the Notice or printed proxy materials from that entity, as required by SEC rules.

4. What is the difference between a shareholder of record and a shareholder who holds shares in street name?

If your shares are registered in your name on the books and records of our transfer agent, Computershare Trust Company, N.A., you are a shareholder of record. If your shares are held for you in the name of your broker, bank or other nominee, your shares are held in street name.

5. What is the record date and what does it mean? Who can vote?

The record date for the 2018 Annual Meeting is November 28, 2017 (record date). The record date was established by our Board under Missouri law. Holders of Emerson common stock at the close of business on the record date are entitled to receive notice of and vote at the meeting, or in the case of holders in street name, provide voting instructions to their broker, bank or other nominee. Each shareholder of record on the record date is entitled to one vote for each share of our common stock held on that date. There is no cumulative voting with respect to the election of Directors. On the record date, there were issued and entitled to be voted 638,635,418 shares of our common stock, par value \$0.50 per share.

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE 2018 ANNUAL MEETING

6. What are the different methods I can use to vote my shares?

By Telephone or Internet: All shareholders of record may vote their shares by telephone (within the United States, U.S. territories and Canada, there is no charge for the call) or by internet, using the procedures and instructions described on the proxy card, notice of internet availability of proxy materials and other enclosures. If you vote by telephone or internet, you need not mail back your proxy card. A control number, located on the proxy card or Notice, must be provided to verify your identity and allow you to vote your shares and confirm that your voting instructions have been properly recorded.

Street name holders may vote by telephone or internet if their brokers, banks or other nominees make those methods available. Each broker, bank or other nominee will enclose instructions with the proxy materials. Follow the voting instructions on the form you receive from that firm.

In Writing: All shareholders also may vote by mailing their completed and signed proxy card (in the case of shareholders of record) or their completed and signed voting instruction form (in the case of street name holders).

In Person: All shareholders of record may vote in person at the meeting. Street name holders must obtain a legal proxy from their broker, bank or other nominee and bring the legal proxy to the meeting in order to vote in person at the meeting.

7. How many votes must be present to hold the 2018 Annual Meeting?

To conduct the meeting, a majority of our issued and outstanding shares entitled to vote as of the record date for the meeting (November 28, 2017), must be present in person or by proxy at the meeting. This is referred to as a quorum.

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly vote by internet, telephone or mail. Abstentions, proxies which are marked or voted to deny discretionary authority on other matters and shares of record held by a broker, bank or other nominee (broker shares) that are voted on any matter are also included in determining the number of shares present. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

8. What vote is required to pass the proposals?

If a quorum is present, the affirmative vote of a majority of the shares entitled to vote which are present in person or represented by proxy at the 2018 Annual Meeting is required to elect Directors, to ratify the appointment of KPMG, to approve the compensation of the Company's NEOs, to ratify the Company's forum selection Bylaw, to approve the shareholder proposals and to act on any other matters properly brought before the meeting. The affirmative vote of 85% of the total voting power of all outstanding shares, whether or not present or represented by proxy at the 2018 Annual Meeting, is required to amend the Company's Restated Articles of Incorporation to provide shareholders the right to amend the Company's Bylaws.

Shares represented by proxies which are marked or voted "withhold authority" with respect to the election of any one or more nominees for election as Directors, proxies which are marked or voted "abstain" on the other proposals, and proxies which are marked or voted to deny discretionary authority on other matters will be counted for the purpose of determining the number of shares represented by proxy at the meeting. Such proxies will thus have the same effect as a vote against such nominee or nominees, against such proposals and against such other matters, respectively.

9. What if I do not specify a choice for a matter when returning a proxy?

If your proxy card is signed and returned without specifying choices, the shares will be voted FOR the nominees for Director in Proposal 1, FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm in Proposal 2, FOR the approval, on an advisory basis, of the compensation of the Company's NEOs in Proposal 3, FOR the approval of a proposed amendment to our Restated Articles of Incorporation to provide shareholders the right to amend the Company's Bylaws in Proposal 4, FOR the non-binding advisory vote to ratify the Company's forum selection Bylaw in Proposal 5, and AGAINST the shareholder proposals in Proposals 6, 7, 8 and 9. Otherwise, signed proxy cards without specified choices will be voted in the discretion of the proxies.

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE 2018 ANNUAL MEETING

10. How will my shares be voted on any other matters to come before the meeting?

The Company knows of no other matters to come before the meeting. If any other matters properly come before the meeting, the proxies solicited hereby will be voted on such matters in the discretion of the persons voting such proxies, who are members of the Company's management, except proxies which are marked to deny discretionary authority. The Company knows of no reason why any of the nominees for Director named herein would be unable to serve. In the event, however, that any nominee named should prior to the election become unable to serve as a Director, your proxy (unless designated to the contrary) will be voted for such other person or persons, if any, as the Board of Directors of the Company may recommend.

11. Will my shares be voted if I do not provide my proxy or voting instructions?

Shareholders of Record: If you are a shareholder of record, your shares will not be voted if you do not provide your proxy or vote in person at the meeting. It is, therefore, important that you vote your shares.

Street Name Holders: If your shares are held in street name and you do not provide your voting instructions to your broker, bank or other nominee, your shares may be voted by your broker, bank or other nominee only on certain routine matters, pursuant to rules of the NYSE.

Only the ratification of the selection of KPMG LLP as our independent registered public accounting firm is considered a routine matter for which brokers, banks or other nominees may vote uninstructed shares. The other proposals to be voted on at the meeting are not considered routine under NYSE rules. If you do not provide voting instructions on a non-routine matter, your broker may indicate on the proxy that it does not have discretionary voting authority and your shares will not be voted on that matter, which is referred to as a broker non-vote. Broker non-votes will not be considered as present and entitled to vote with respect to that matter and thus will have no effect on the outcome of the vote with regard to such matters, except that with respect to the proposal to amend the Company's Restated Articles of Incorporation such votes would have the same effect as if the shares represented thereby were voted against such proposal.

12. How can I revoke a proxy or change my vote?

You may revoke your proxy at any time before it is voted (in the case of proxy cards) by giving notice to the Secretary of the Company or by executing and mailing a later-dated proxy. To revoke a proxy, or change your vote cast, by telephone or internet, you must do so by telephone or internet, respectively (following the directions on your proxy card), by 11:59 p.m. Eastern Standard Time on February 5, 2018. If your shares are held in street name, you should follow the instructions provided by your broker, bank or other nominee to revoke or change your voting instructions.

13. Who will pay the cost of this proxy solicitation?

The solicitation will be by internet and mail and the expense thereof will be paid by the Company. The Company has retained Saratoga Proxy Consulting, LLC to assist in the solicitation of proxies at an estimated cost of \$15,000 plus expenses. In addition, solicitation of proxies may be made by additional mailings, electronic mail, telephone or in person by Directors, officers or other employees of the Company and we may request brokerage houses, banks and other custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of shares held of record by such persons. We will reimburse such persons for expenses incurred in forwarding such soliciting material.

14. How do I obtain admission to the 2018 Annual Meeting?

Please see [Proxy Statement Summary](#) [Attending the Meeting](#) above for information on attending the meeting and required information. If you have questions regarding whether you have the required information, directions, or if you require any special accommodations due to a disability, please contact the Emerson Investor Relations Department at 314-553-2197 in advance of the meeting. The meeting facilities will open at 9:30 a.m., Central Time, to facilitate your registration and security clearance. For your security, you will not be permitted to bring any packages, briefcases, large pocketbooks or bags into the meeting. Also, cellular and digital phones, audio tape recorders, video and still cameras, pagers, laptops and other portable electronic devices will not be permitted into the meeting. We thank you in advance for your patience and cooperation with these rules.

QUESTIONS AND ANSWERS ABOUT THE 2018 ANNUAL MEETING

15. What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all shares represented by each proxy card or other voter information card received from your bank or broker. We recommend that you contact your bank or broker, or our transfer agent, to consolidate as many accounts as possible under the same name and address. Our transfer agent is Computershare Trust Company, N.A, P.O. Box 505000, Louisville, Kentucky 40233; you can reach Computershare at 1-888-213-0970 (from within the U.S. or Canada) or 1-781-575-2879 (from outside the U.S. or Canada).

16. May shareholders ask questions at the 2018 Annual Meeting?

Yes. The Chairman will answer shareholders' questions during the Q&A period of the meeting. In order to provide an opportunity for everyone who wishes to ask a question, each shareholder will be limited to two minutes. Shareholders may ask a second question only after all others have first had their turn and if time allows. When speaking, shareholders must direct questions to the Chairman and confine their questions to matters that relate directly to the business of the meeting.

Other Matters

Future Shareholder Proposals and Nominations

Proposals for Inclusion in Proxy Statement Pursuant to Rule 14a-8

Proposals of shareholders intended to be presented at the 2019 Annual Meeting scheduled to be held on February 5, 2019, must be received by the Company by August 17, 2018 for inclusion in the Company's proxy statement and proxy relating to that meeting pursuant to Rule 14a-8 under the Exchange Act. Upon receipt of any such proposal, the

Company will determine whether or not to include such proposal in the proxy statement and proxy in accordance with regulations governing the solicitation of proxies.

Proposals and Nominations Not for Inclusion in Proxy Statement

In accordance with our Bylaws, a shareholder who intends to submit an item of business, including a Director nomination or other proposal, outside of our proxy statement, at an Annual Meeting must comply with the requirements of our Bylaws including the provision of timely notice to the Secretary of Emerson in advance of the meeting. To be timely, a shareholder's notice ordinarily must be received at the principal executive offices of the Company not less than 90 nor more than 120 days before the meeting, i.e., between October 8 and November 7, 2018 for the 2019 Annual Meeting. However, if the Company gives less than 100 days (1) notice of the meeting or (2) prior public disclosure of the date of the meeting, then such notice must be received within 10 days after notice of the meeting is mailed or other public disclosure of the meeting is made.

A shareholder's notice to the Secretary shall set forth (i) as to each matter the shareholder proposes to bring before the Annual Meeting, a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the Annual Meeting, and (ii) as to the proposing shareholder(s) and the beneficial owner, if any, on whose behalf the proposal is made, and their respective affiliates or associates or others acting in concert therewith various proposing shareholder information as specified in detail in our Bylaws. This proposing shareholder information includes such information as material interests or arrangements, names and addresses, the number of shares beneficially owned, any derivative or hedging positions, any material interest in any contract with the Company or any affiliate or competitor, all information that would be required to be set forth in a Schedule 13D (or an amendment) if such a statement were required, any other information relating to any such person that would be required to be disclosed in a proxy statement or proxy contest, a representation whether any such person is or intends to participate in the solicitation of proxies, and a representation that the shareholder is a shareholder of record entitled to vote and intends to continue to hold such stock of the Company through the meeting.

In addition to the proposing shareholder information, for Director nominations outside of our proxy statement, the notice shall also include, as to each person whom the shareholder proposes to nominate, the information specified in detail in our Bylaws.

OTHER MATTERS

Such information includes the name, age, business address and residence of such nominee, the principal occupation, the number of shares beneficially owned, any other information relating to such person that is required to be disclosed in solicitations of proxies for Director elections or is otherwise required, in certain cases details of any relationship, or understanding between the shareholder(s) and the nominee.

Our Bylaws also set out specific eligibility requirements that nominees for Director must satisfy, which require nominees to:

complete and return a written questionnaire with respect to the background and qualification of the nominee and the background of any other person or entity on whose behalf the nomination is being made; and

provide a written representation and agreement that the nominee:

is not and will not become a party to (1) any agreement or arrangement with, and has not given any commitment or assurance to, any person as to how such nominee will act or vote (a Voting Commitment) that has not been disclosed to us or (2) any Voting Commitment that could limit or interfere with the nominee's ability to comply with the nominee's fiduciary duties under applicable law;

is not and will not become a party to any agreement or arrangement with any person with respect to any compensation, reimbursement or indemnification in connection with service as a director that has not been disclosed therein; and

if elected, would be in compliance and will comply with all of our applicable corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines.

These requirements are separate from the requirements a shareholder must meet to have a proposal included in the Company's proxy statement. The foregoing time limits also apply in determining whether notice is timely for purposes of rules adopted by the SEC relating to the exercise of discretionary voting authority.

Director Nominees for Inclusion in Proxy Statement (Proxy Access)

In August 2017, the Board amended the Bylaws to permit a holder (or a group of not more than 20 holders) of at least 3% of our outstanding common stock continuously for at least three years to nominate and include in our proxy

materials director nominees constituting up to the greater of two individuals or 20% of the Board, provided that the nominating holder(s) and the nominee(s) satisfy the requirements specified in the Bylaws, including providing the Company with advance notice of the nomination. Notice of director nominees submitted under these Bylaw provisions must be delivered to and received by the Secretary of the Company, whose address is 8000 West Florissant Avenue, St. Louis, Missouri 63136, no sooner than July 18, 2018 and no later than August 17, 2018, to be considered timely for purposes of the Company's 2019 Annual Meeting.

To utilize proxy access, among other things, the electing shareholder and proposed nominee must comply with the detailed requirements set forth in our Bylaws, including the provision of the proposing shareholder information, various other required information, representations, undertakings, agreements and other requirements as set forth in the Bylaws and as required by law.

In each case the notice must be given to the Secretary of the Company, whose address is 8000 West Florissant Avenue, St. Louis, Missouri 63136. Any shareholder desiring a copy of the Company's Bylaws will be furnished one without charge upon written request to the Secretary. A copy of the Bylaws is available on the Company's website at www.Emerson.com, Investors, Corporate Governance, Bylaws.

Additional Filings

The Company's Forms 10-K, 10-Q, 8-K and all amendments to those reports are available without charge through the Company's website on the internet as soon as reasonably practicable after they are electronically filed with, or furnished to, the SEC. They may be accessed as follows: www.Emerson.com, Investors, SEC filings. Information on our website does not constitute part of this proxy statement.

Householding of Proxies

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports, proxy statements and notices of internet availability of proxy materials with respect to two or more shareholders sharing the same address by delivering a single annual report, proxy statement and/or a notice of internet availability of proxy materials addressed to those shareholders. This process, which is commonly referred to as householding, can provide extra convenience for shareholders and cost savings for companies. The Company and some brokers household annual reports, proxy materials and notices of internet availability of proxy materials, delivering a single annual report, proxy statement and and/or notice of internet availability of proxy materials to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or the Company that your broker or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report, proxy statement and notice of internet availability of proxy materials, or if you currently receive multiple copies of these documents and would prefer to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Emerson Electric Co., 8000 West Florissant Avenue, St. Louis, Missouri 63136, Attn: Investor Relations, or by telephoning 314-553-2197 or by visiting our website.

5. If the Director is an employee of, or if any immediate family member is an executive officer of, another organization that does business with Emerson, the annual sales to, or purchases from, Emerson by such company in each of the last three fiscal years were less than the greater of two percent of the annual revenues of such company or \$1,000,000;
6. Section 6. Forum for Certain Actions. Unless the Corporation consents in writing to the selection of an alternative forum, the United States District Court for the Eastern District of Missouri shall be, to the fullest extent permitted by law, the sole and exclusive forum for (a) any derivative action or proceeding brought on behalf of the Corporation, (b) any action asserting a claim of breach of a fiduciary or any other duty owed by any current or former director, officer, employee, agent, shareholder or affiliate of the Corporation to the Corporation or to the Corporation's shareholders, (c) any action asserting a claim against the Corporation or any of its directors, officers, employees, agents or shareholders arising pursuant to any provision of the General and Business Corporation Law of Missouri, the Articles of Incorporation or these By-Laws, (d) any action asserting a claim against the Corporation or any of its directors, officers, employees, agents or shareholders governed by the internal affairs doctrine, or (e) any action to interpret, apply, enforce or determine the validity of the Articles of Incorporation or these By-Laws, in each case regardless of whether such action or proceeding is based on common law, statutory, equitable, legal or other grounds, and, in each case, including any action brought by a beneficial owner of the Corporation's shares; provided, however, that in the event that such court lacks jurisdiction over any such action or proceeding, the sole and exclusive forum for such action or proceeding shall be the Circuit Court located in the County of St. Louis, Missouri, or in the event that such court lacks jurisdiction, any other court of the State of Missouri; except for, in all cases, with respect to any action or proceeding as to which such federal or state court determines that there is an indispensable party not subject to the jurisdiction of such court (and the indispensable party does not consent to the personal jurisdiction of such court within ten days following such determination). Any person or entity holding, purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to (i) consent to (A) the personal jurisdiction of the United States District Court for the Eastern District of Missouri (or if such court does not have jurisdiction, the Circuit Court located in the County of St. Louis, or if such court does not have jurisdiction, another court of the State of Missouri) in any proceeding brought to enjoin, or otherwise enforce this Section 6 with respect to, any action by that person or entity that is inconsistent with the exclusive jurisdiction provided for in this Section 6 (an "Inconsistent Action") and (B) having service of process made upon such person or entity in any such proceeding by service upon such person's or entity's counsel in such Inconsistent Action as agent for such person or entity and (ii) have waived any argument relating to the inconvenience of the forums referenced above in connection with any action or proceeding described in this Section 6. Failure to enforce the foregoing provisions would cause the Corporation irreparable harm and the Corporation shall be entitled to equitable relief, including injunctive relief and specific performance, to enforce the foregoing provisions.

Without limiting any of the foregoing, nothing contained in this Section 6 is intended to limit, determine or address the merits or substance of any action or proceeding (including, whether any action or proceeding should be commenced or maintained against the Corporation or against any of the Corporation's directors, officers or employees, or whether any particular type or form of remedy or relief should be sought or is available against the Corporation or against any of its directors, officers or employees), but instead, the provisions of this Section 6 are solely procedural in nature and govern only the exclusive location, forum and venue for the commencement of actions and proceedings expressly enumerated in clauses (a) through (e) of the immediately preceding sentence.
